**Subject: Approval of Issuance of Refunding Bonds by the Monroe County Water Authority**

Honorable Legislators:

I recommend that Your Honorable Body approve the issuance of refunding bonds by the Monroe County Water Authority (the "Authority") to enable the Authority to refinance a portion of bonds which it issued in 2010.

The Authority has requested that they be authorized to refinance bonds which they issued in 2010 through the issuance of refunding bonds. Changes in the bond market currently indicate that a savings would result from the issuance of refunding bonds. New York State Public Authorities Law Section 1098 requires the approval of the Monroe County Legislature before the Authority can take the steps necessary to issue the refunding bonds. The Authority would then be able to determine the terms and provisions upon which such bonds shall be issued as it deems prudent and reasonable.

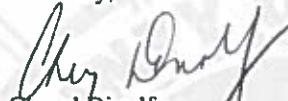

**The specific legislative action required is to approve the issuance of refunding bonds by the Monroe County Water Authority to refinance a portion of the bonds which it issued during 2010.**

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This issuance of refunding bonds by the Monroe County Water Authority will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with MAPCO Auto Parks Ltd., for management of the public parking facilities at the Greater Rochester International Airport, for a management fee of \$45,000 of the first \$500,000 in gross parking revenues per month, plus 4% of the next \$500,000 in gross parking revenues for the month, plus 2% of the gross parking revenues in excess of \$1,000,000 for the month, for the period of January 1, 2018 through December 31, 2022, with the option to renew for one (1) additional five-year term, with escalations for the term to be limited to the amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

The County issued and advertised a Request for Proposal in September of this year for management of its public parking facilities at the Airport. The parking management contract also includes managing the operation of the shuttle vans, the Airport's Valet Parking Program, and the Airport Smart Phone Lot.

The Request for Proposal was sent to seven airport parking facility management companies and three of those companies submitted a proposal. MAPCO Auto Parks Ltd. was rated the highest of the three responding companies. Under this contract, MAPCO Auto Parks Ltd. will be the agent for the Monroe County Airport Authority.

It is anticipated that the Monroe County Airport Authority will approve this contract at its November 29, 2017 meeting.

Subject: Authorize a Contract with the Greater Rochester Enterprise, Inc. for General Operating Expenses

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with the Greater Rochester Enterprise, Inc. (GRE), for the County's share of general operating expenses of the GRE, for the two-year period of January 1, 2017 through December 31, 2018, in an annual amount not to exceed \$50,000.

The GRE is a public/private partnership established to professionally market the Rochester Metropolitan Area as a competitive, high profile region for business location and growth. The primary focus of GRE is on business attraction, including prospect handling and marketing. The GRE will promote Monroe County and the City of Rochester to targeted businesses, encourage existing businesses to retain and expand locally, seize opportunities to attract and retain intellectual capital, and support existing economic development partners. This will be the 15<sup>th</sup> year the County has contributed to the GRE. This year's funding represents the same amount as last year.

**The specific legislative action required is to authorize the County Executive, or her designee, to execute a contract, and any amendments thereto, with the Greater Rochester Enterprise, Inc. (GRE), for the County's share of general operating expenses of the GRE, for the two-year period of January 1, 2017 through December 31, 2018, in an annual amount not to exceed \$50,000.**

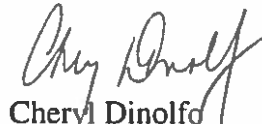

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for the first year of this contract is included in the 2017 operating budget of the Planning and Development Department, fund 9001, funds center 1403010000, Economic Development, and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

The Greater Rochester Enterprise, Inc. is a not-for-profit agency and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
