Re: Memorializing the United States Senate and House of Representatives to Pass and President Donald J. Trump to sign The Childhood Cancer Survivorship, Treatment, Access, and Research (STAR) Act of 2017

Honorable Legislators:

The leading cause of death by disease past infancy among children is cancer. An estimated 15,270 children ages 0 to 19 in the United States are diagnosed with cancer each year and an estimated 1,790 of those children will die from that cancer. From 2010 to 2014, there were an estimated 16 cancer diagnoses per 100,000 children in the United States. Due to the relatively small population of children with cancer and the geographic distance between them, researching and treating childhood cancer is expensive and challenging.

However, the outlook for children diagnosed with cancer has improved. In 1975, only 50% of children diagnosed with cancer survived at least five years after being diagnosed. From 2007 to 2013, this number improved to 83%. Although treatment and research for pediatric cancer has come a long way, survival rates for many cancer types are low and the causes of most pediatric cancers are unknown. The Childhood Cancer Survivorship, Treatment, Access, and Research (STAR) Act would expand opportunities for research, improve identification and tracking efforts of childhood cancer incidences, and improve the quality of life for survivors.

This act would allow the National Cancer Institute (NCI) to expand efforts to collect medical specimens of childhood cancer patients enrolled in clinical trials to maintain clinical, biological, and demographic information on all children and adolescents with cancer. It would also authorize grants to state cancer registries to track incidences of childhood cancer to ensure early reporting. The STAR Act would allow the United States Department of Health and Human Services to support programs to develop models for studying and caring for childhood cancer survivors throughout their lives, establish a task force for high-quality survivorship care, and carry out a demonstration project to improve care coordination as childhood cancer survivors grow into adulthood. Lastly, it authorizes the National Institute of Health to support research on follow-up care for pediatric cancer survivors, including the long-term complications that come with intense cancer treatment during childhood.

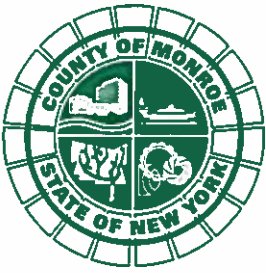

This bill has been introduced to the House and Senate and has not yet passed either legislative body. It has bipartisan support in Congress with 362 co-sponsors in the House,

This bill has been introduced to the House and Senate and has not yet passed either legislative body. It has bipartisan support in Congress with 362 co-sponsors in the House, including Congressman Chris Collins, and 52 co-sponsors in the Senate. Therefore, I urge you to join me in calling on the United States House of Representatives and Senate to Pass and President Donald Trump to sign the Childhood Cancer Survivorship, Treatment, Access, and Research Act.

Respectfully Submitted,

Kathleen A. Taylor

Re: Memorializing the New York State Assembly to Pass and Governor Andrew M. Cuomo to Sign Assembly Bill A03497 Regarding the Creation of a Statewide Animal Abuser Registry

Honorable Legislators:

Animal abuse in any form is disgraceful and unacceptable. The people who commit these offenses against animals should be held accountable throughout New York State. By creating a statewide animal abuser registry, it will be easier to identify individuals who are offenders and prevent future animal abuse and potential violence against other people. It will also aid in bringing those who commit crimes against animals to justice.

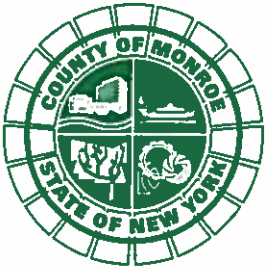

Assembly Bill A03497 was introduced as a means of creating a statewide registry for animal abusers with an annual registration fee. This registry will prevent offenders of animal abuse from possessing, adopting, owning, purchasing or exercising control over any animal. Having the registry at the state level, rather than local level, will help to guarantee that animals are being kept safe throughout all of New York State. This bill also sets penalties for non-compliance of offenders, which will help make sure that offenders are being put on the statewide registry and that animal shelters, breeders and other pet dealers are complying with the law by not allowing individuals on the registry to possess animals. The penalties for non-compliance include fines and imprisonment.

It is important that animal abusers are held responsible for this abuse as research shows that these offenders are more likely to commit violence against other people. Creating an animal abuser registry is a critical step in not only preventing future animal abuse, but possibly preventing abuse against vulnerable humans. Reporting offenders and holding them accountable for their crimes against animals can keep dangerous criminals from abusing animals in the future and will likely save the lives of people, as well as animals.

Therefore, I urge you to join me in calling on the New York State Assembly to pass and Governor Andrew M. Cuomo to sign Assembly Bill A03497, which creates a statewide animal abuser registry. Creating this registry that spans the entire state will help ensure that both animals and people are kept safe from abusers. Preventing those who have abused animals from owning pets again will likely save many helpless animals from becoming victims of abusers. These animal abusers will also face more dire consequences for their cruel acts against animals.

Respectfully Submitted,

Tony Micciche

RE: Memorializing the United States Senate to Pass the Federal Budget Bill with Language Allowing the Centers for Disease Control and Prevention to Research Gun Violence

Honorable Legislators,

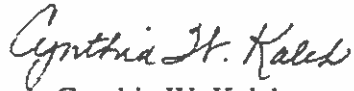

The proliferation of guns through both legal and illegal means has helped ensure there are an ever increasing number of firearms in our nation. As a result, there has been a rise in violent incidents involving guns, including mass shootings. As debates surrounding gun violence and gun regulations continue we are left without data to prove or disprove the correlation between the number of guns in society and gun violence. This is due to a federal ban on the Centers for Disease Control and Prevention (CDC) from studying gun violence and its impact on our communities.

Named the Dickey Amendment, this rule was created in 1996 and stated that no CDC funds "may be used to advocate or promote gun control," banning the public health agency from lobbying for gun control. This has effectively prevented any research into this violent epidemic. However, in the wake of yet another mass shooting, this time in Parkland, Florida, the House of Representatives added language to their budget bill clarifying the Dickey Amendment does not prevent research on gun violence. This research could prove vital in understanding the correlation between the access to guns and gun violence. This information can lead to more constructive discussions about which gun regulations are effective and which ones are not.

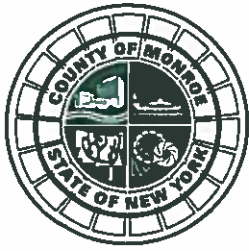

While the clarifying language does not provide any funding to research gun violence, this is a step in the right direction, and the United States Senate should follow suit. Therefore, we ask you to join us in memorializing the Senate to pass the House of

Representative's budget bill that contains the language allowing the CDC to research gun violence.

Respectfully submitted,

PUBLIC SAFETY -L
WAYS & MEANS

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the 2017 Statewide Interoperable Communications Grant Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services, in the amount of \$1,727,572, for the 2017 Statewide Interoperable Communications Grant Program, for the period of January 1, 2018 through December 31, 2019.

This grant provides funding to facilitate the development, consolidation and/or improved operation of public safety communications to support and enhance statewide interoperable communications for first responders throughout New York State. This is the fourth time the County has received this grant.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$1,727,572 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Homeland Security and Emergency Services, for the 2017 Statewide Interoperable Communications Grant Program, for the period of January 1, 2018 through December 31, 2019.
2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
3. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Division of Homeland Security and Emergency Services. No additional net County support is required in the current Monroe County budget.

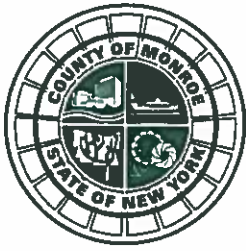

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Acceptance of a Grant from the New York State Office of Indigent Legal Services for the Offices of the Public Defender and the Conflict Defender for the Caseload Reduction Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Office of Indigent Legal Services, in the amount of \$300,000, for the Office of the Monroe County Public Defender and the Office of the Monroe County Conflict Defender, for the Caseload Reduction Program, for the period of July 1, 2017 through June 30, 2020.

This grant will provide funding for part or all of the salary costs equivalent to one (1) full-time position in the Office of the Monroe County Public Defender. This grant will also provide funding for appeals attorney contractual services in the Office of the Monroe County Conflict Defender. We have been notified of the funding amounts for the Office of the Monroe County Public Defender, 9300-2601010000 (\$210,000), and the Office of the Monroe County Conflict Defender, 9300-2402010000 (\$90,000) over a three (3) year period. This is the second time the County has received this three (3) year grant. This funding represents an increase of \$472 over the last three (3) year grant.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$300,000 grant from, and to execute a contract and any amendments thereto with, the New York State Office of Indigent Legal Services, for the Office of the Monroe County Public Defender and the Office of the Monroe County Conflict Defender, for the provision of indigent legal services, for the period of July 1, 2017 through June 30, 2020.
2. Amend the 2018 operating budget of the Office of the Public Defender by appropriating the sum of \$70,000, into general fund 9300, funds center 2601010000, Public Defender Administration.

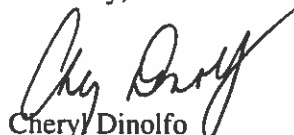

3. Amend the 2018 operating budget of the Department of Public Safety by appropriating the sum of \$30,000 into general fund 9300, funds center 2402010000, Legal Representation.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were complete for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Office of Indigent Legal Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo

Subject: Authorize a Contract with Arcadis U.S., Inc. for Professional Engineering Services for the Rochester Pure Waters District's Frank E. Van Lare Wastewater Treatment Plant Secondary Clarifiers Improvements Project

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Arcadis U.S., Inc., in the amount of \$523,000, for professional engineering services, for the Rochester Pure Waters District's (District) Frank E. Van Lare Wastewater Treatment Plant (FEV WWTP) Secondary Clarifiers Improvements Project.

The District owns, operates and maintains the FEV WWTP located at 1574 Lake Shore Boulevard in the City of Rochester. FEV WWTP is an activated sludge sewage treatment facility originally constructed in the early 1900's that is currently permitted to treat 135 million gallons per day of sewage flow through full secondary treatment. Following biological treatment, the wastewater is conveyed to six (6) secondary clarifiers to separate and remove solids produced in the biological treatment process prior to the water being disinfected and discharged to Lake Ontario. The secondary clarifier treatment system was constructed in the early 1970's. Improvements will include complete replacement of the internal mechanical systems and waste-activated sludge pumping systems including installing energy-dissipating inlets and cylindrical baffles, replacing rake arms and draft tubes, automating influent gates, increasing pump capacities, as well as associated electrical, control and ventilation systems and site improvements.

Several consultants were considered, with Arcadis, U.S., Inc. rated the most qualified to provide professional engineering services for the project. Arcadis U.S., Inc. proposes to provide professional engineering services in the amount of \$523,000.

The specific legislative action required is to authorize the County Executive, or her designee, to execute a contract with Arcadis U.S., Inc., 295 Woodcliff Drive, Suite 301, Fairport, New York 14450, in the amount of \$523,000, for professional engineering services, for the Rochester Pure Waters District's Frank E. Van Lare Secondary Clarifiers Improvements Project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract, consistent with authorized uses, is included in capital fund 1891 and in any capital fund(s) created for the same intended purpose. No additional net county support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Arcadis U.S., Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Joachim Ebert, Chief Executive Officer
Johann Bouten, Chief Financial Officer

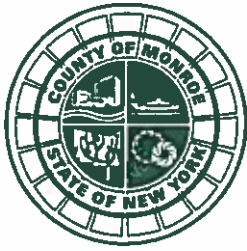

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo

Subject: Enact a Local Law Authorizing a Lease by Negotiation with the United States Department of Homeland Security, Transportation Security Administration, for Office Space at the Greater Rochester International Airport

Honorable Legislators:

I recommend that Your Honorable Body enact a Local Law authorizing a lease by negotiation with the United States Department of Homeland Security, Transportation Security Administration, for use of approximately four hundred ninety-five (495) square feet of office space on the second floor of the terminal building at the Greater Rochester International Airport, in the amount of \$32,999.40 per year for a period of ten (10) years commencing on or about July 1, 2018.

The space will be utilized by the Transportation Security Administration as offices for administration and information technology communications.

The lease was approved by the Monroe County Airport Authority at its meeting on March 28, 2018.

The specific legislative actions required are:

1. Schedule and hold a public hearing on the proposed Local Law.
2. Enact a Local Law authorizing the County Executive, or her designee, to execute a lease agreement on behalf of the Monroe County Airport Authority, and any amendments thereto, with the United States Department of Homeland Security, Transportation Security Administration, for use of approximately four hundred ninety-five (495) square feet of office space on the second floor of the terminal building at the Greater Rochester International Airport, in the amount of \$32,999.40 per year for a period of ten (10) years commencing on or about July 1, 2018.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This lease agreement is revenue generating to the Monroe County Airport Authority, and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Amend Resolution 320 of 2016 to Amend and Increase the Contracts with Adecco Medical & Science Staffing, Inc. and Medical Staffing Network, Inc., a Division of Assignment America, LLC, and an affiliate of Cross Country Staffing, Inc., and Any Other Qualified Temporary Service Agencies, to Provide Respiratory Therapy Services Staff at Monroe Community Hospital

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 320 of 2016 to amend and increase the contracts with Adecco Medical & Science Staffing, Inc. and Medical Staffing Network, Inc., a Division of Assignment America, LLC, and an affiliate of Cross Country Staffing, Inc., and any other qualified respiratory therapy service agencies, from a total amount not to exceed \$100,000 collectively, to a total amount not to exceed \$300,000 collectively, to provide respiratory therapy staff relief on a temporary basis at Monroe Community Hospital, for the period of January 1, 2018 through December 31, 2018, with the option to renew for two (2) additional one-year terms in a total amount not to exceed \$300,000 collectively per year.

Monroe Community Hospital must maintain adequate clinical staffing for patient care. These contracts provide for temporary relief services needed to cover absences due to illness, injury on duty, vacations and job vacancies for respiratory therapy services at the Hospital. The necessity of having a number of temporary agencies to provide respiratory therapy personnel is crucial in order to assure proper staffing is met at all times.

A Request for Proposals was issued for these services with Adecco Medical & Science Staffing, Inc. and Medical Staffing Network, Inc. a Division of Assignment America, LLC, and an affiliate of Cross Country Staffing, Inc. selected as the most qualified to perform these services.

The specific legislative action required is to amend Resolution 320 of 2016 to amend and increase the contracts with Adecco Medical and Science Staffing, Inc., 1890 South Winton Road, Suite 150, Rochester, NY 14618, and Medical Staffing Network, Inc., a Division of Assignment America, LLC, and an affiliate of Cross Country Staffing, Inc., 6551 Park Of Commerce Blvd., Boca Raton, FL 33487, and any other qualified temporary respiratory therapy service agencies, to provide respiratory therapy staff relief on a temporary basis at Monroe Community Hospital, from a total amount not to exceed \$100,000 collectively, to a total amount not to exceed \$300,000 collectively, for the period of January 1, 2018 through December 31, 2018, with the option to renew for two (2) additional one-year terms in a total amount not to exceed \$300,000 collectively per year.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for these contracts is included in the 2018 operating budget of Monroe Community Hospital, hospital fund 9012, funds center 6203100000, Friendship 2 East. No net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that Adecco Medical and Science Staffing, Inc. or Medical Staffing Network, Inc., a Division of Assignment America, LLC, and an affiliate of Cross Country Staffing, Inc., nor any of their principal officers, owes any delinquent Monroe County Property taxes.

Adecco Medical & Science Staffing, Inc.
Robert Adamson, Chief Executive Officer,

Subject: Authorize Contracts for the Provision of Forensic Pathology Services to the Monroe County Office of the Medical Examiner

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with the individuals listed in Attachment A, in a total aggregate amount not to exceed \$85,000, for the provision of forensic pathology services to the Monroe County Office of the Medical Examiner (MCOME), on an as needed basis, for the period of January 1, 2018 through December 31, 2018, with the option to renew for two (2) additional one-year periods, in a total aggregate amount not to exceed \$85,000 per year.

Currently, there are only three (3) full-time Forensic Pathologists at the MCOME attempting to address over 3,000 cases received annually. While a search is being conducted for one (1) additional full-time Forensic Pathologist, these contracts are needed to ensure continued operations. Under the terms of these contracts, the individuals in Attachment A will provide forensic pathology services on an as-needed basis, as determined by the Monroe County Medical Examiner and will perform those necessary examinations in a manner consistent with currently acceptable forensic pathology practices.

A request for qualifications was issued, with the individuals listed in Attachment A selected as the most qualified to provide these services.

The specific legislative action required is to authorize the County Executive, or her designee, to execute contracts, and any amendments thereto, with the individuals listed in Attachment A, for the provision of forensic pathology services at the Monroe County Office of the Medical Examiner, on an as-needed basis, paid at the agreed rate, in a total aggregate amount not to exceed \$85,000, for the period of January 1, 2018 through December 31, 2018, with the option to renew for two (2) additional one-year periods, in a total aggregate amount not to exceed \$85,000 per year.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for these contracts is included in the 2018 operating budget of the Department of Public Health, general fund 9001, funds center 5804010000, Forensic Pathology & Administration. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that none of the individuals listed in Attachment A owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

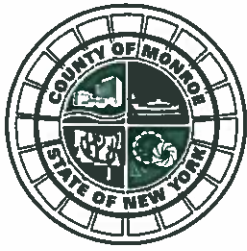

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Authorize a Contract with Reliant Staffing Systems, Inc., D.B.A. Career Start for Support of the Special Supplemental Nutrition Program for Women, Infants and Children Program

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Reliant Staffing Systems, Inc., D.B.A. Career Start, in an amount not to exceed \$220,000, for support of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) Program, for the period of January 1, 2018 through December 31, 2018, with the option to renew for two (2) additional one-year terms, in an amount not to exceed \$220,000 annually.

This contract will support the County's WIC Program. The WIC Program is a supplemental food and nutrition education program that serves pregnant, breastfeeding, and postpartum women; and infants and children up to the age of five. WIC has been shown to improve the health of pregnant women, new mothers and their infants and children. Reliant Staffing Systems, Inc., D.B.A. Career Start will provide one (1) Nutritionist and three (3) Public Health Assistants in order to improve the compliance rates for appointments of existing and new WIC clients and to expand and improve WIC outreach.

A request for qualifications was issued with Reliant Staffing Systems, Inc., D.B.A. Career Start the sole responder.

The specific legislative action required is to authorize the County Executive, or her designee, to execute a contract and any amendments thereto, with Reliant Staffing Systems, Inc., D.B.A. Career Start, 252 S. Plymouth Avenue, Rochester, New York 14608, for support of the Special Supplemental Nutrition Program for Women, Infants and Children Program, in an amount not to exceed \$220,000, for the period of January 1, 2018 through December 31, 2018, with the option to renew for two (2) additional one-year terms, in an amount not to exceed \$220,000 annually.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract is included in the 2018 operating budget of the Department of Public Health, general fund 9300, funds center 5803010000, Maternal Child Health. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Reliant Staffing Systems, Inc., D.B.A. Career Start, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Lindsay McCutchen, President

Kendell Schmitt, Chief Operating Officer

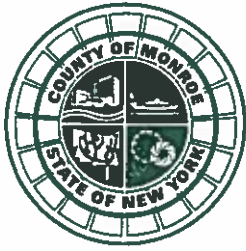

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Authorize an Agreement with the New York State Department of Health for the Early Intervention Program

Honorable Legislators:

I recommend that Your Honorable Body authorize an agreement with the New York State Department of Health for Monroe County's participation in the Early Intervention (EI) Program, for the period of April 1, 2018 through March 31, 2023.

The EI Program is a federally mandated program through the Individuals with Disabilities Education Act. New York State collaborates with counties to administer the EI Program to children with disabilities, from birth to age three. The EI Program provides service coordination, screening, evaluations, supplemental evaluations, assistive technology devices and related services.

In past years, counties would contract with local providers of these services and handle the fiscal oversight of the program. However, based on legislative changes, effective April 1, 2013, New York State now contracts directly with providers and assumes responsibility for fiscal management of the program. The County will continue to provide certain direct services and manage local aspects of the EI Program. This is the second five-year period for this agreement.

The specific legislative action required is to authorize the County Executive, or her designee, to execute an agreement, and any amendments thereto, with the New York State Department of Health, for Monroe County's participation in the Early Intervention Program, for the period of April 1, 2018 through March 31, 2023.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this program is included in the 2018 operating budget of the Department of Public Health, fund 9001, funds centers 5807020000, EI Service Operations, 5807050000, Family Resources, and 5807060000, EI Transportation & AT, and will be included in future years' budgets. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Acceptance of a Grant from the National Association of County and City Health Officials for the Medical Reserve Corps Capacity Building Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the National Association of County and City Health Officials, in the amount of \$12,500, for the Medical Reserve Corps Capacity Building Program, for the period of February 12, 2018 through August 31, 2018.

Monroe County has been actively involved in a civil preparedness initiative to help respond to a public health emergency. Part of that initiative is establishing, training and maintaining a Medical Reserve Corps of volunteers to support the medical response needs during a public health emergency, such as an anthrax attack or a severe pandemic influenza outbreak. Monroe County established a Medical Reserve Corps in 2005.

The purpose of this grant is to assist Medical Reserve Corps units in further development through increased volunteer recruitment, training/exercises to educate volunteers and other community members and enhance Medical Reserve Corps volunteer readiness. Funds will be used to assist the access and functional needs and disability community with basic preparedness to allow individuals to become self-reliant for a period of time while emergency responders work to control a crisis and to facilitate faster post-incident recovery. Medical Reserve Corps staff, along with training and transportation consultants, will assist in the training, transportation and preparedness kit development for this at risk community. This will be the tenth year the County has received this grant. This year's funding represents a decrease of \$2,500 from the previous award.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$12,500 grant from, and to execute a contract and any amendments thereto with, the National Association of County and City Health Officials, for the Medical Reserve Corps Capacity Building Program, for the period of February 12, 2018 through August 31, 2018.
2. Amend the 2018 operating budget of the Department of Public Health by appropriating the sum of \$12,500 into general fund 9001, funds center 5801090000, Public Health Preparedness.

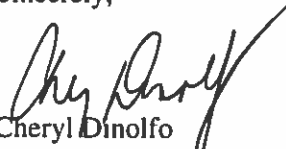

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

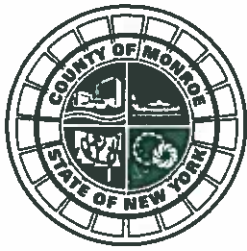

This grant is 100% funded by the National Association of County and City Health Officials. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Acceptance of a Grant from the University of Rochester for the Pediatric Obesity Prevention Creating Breastfeeding Friendly Communities Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the University of Rochester, in the amount of \$8,895, for the Pediatric Obesity Prevention Creating Breastfeeding Friendly Communities Program, for the period of February 1, 2018 through January 31, 2019.

The purpose of this grant, led by the University of Rochester, is to establish a breastfeeding friendly care continuum from pregnancy through the postpartum period and infancy with a goal of helping mothers in Monroe County to meet their breastfeeding goals. Funds will be used to support existing staff participation in the program, including: participation in the program steering committee, functioning as consultants/champions specific to worksite strategies; and as co-facilitators in Baby Cafes, which are scheduled locations where lactating women can come to receive support and address concerns about breastfeeding with trained personnel. This will be the first year the County has received this grant.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$8,895 grant from, and to execute a contract and any amendments thereto with, the University of Rochester, for the Pediatric Obesity Prevention Creating Breastfeeding Friendly Communities Program, for the period of February 1, 2018 through January 31, 2019.
2. Amend the 2018 operating budget of the Department of Public Health by appropriating the sum of \$8,895 into general fund 9001, funds center 5803010000, Maternal/Child Administration.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the University of Rochester. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Authorize the Sale of County Owned Tax Foreclosure Property Located at Lake Shore Drive in the Town of Greece

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract to sell county owned tax foreclosure property located at Lake Shore Drive in the Town of Greece as follows:

<u>Parcel</u>	<u>Offeror</u>	<u>Offered Amount</u>
Lake Shore Drive TA # 017.06-2-6 Town of Greece	Kris Schultz 4 Black Forest Drive Spencerport, New York 14559	\$15,000

The property was acquired through tax foreclosure, is surplus property and is not needed by Monroe County. The price indicated above was determined to be market value by Monroe County Real Estate.

The specific legislative action required is to authorize the County Executive, or her designee, to enter into a contract with the above referenced offeror, to sell the real property identified by tax account number 017.06-2-6 and to execute all documents necessary for the conveyance, for the purchase price set forth above.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This contract is revenue generating and no net County support is required in the current Monroe County budget.

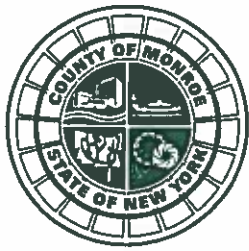

The records in the Office of the Monroe County Treasury have indicated that the individual property owner listed above does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo

Subject: Erroneous Assessments - Corrections and Cancellations

Honorable Legislators:

I recommend that Your Honorable Body approve the corrections and cancellations of certain incorrect pure waters charges due to a clerical error in the credit meter program in the Town of Brighton and incorrect sewer charges due to a clerical error in the Town of Perinton as per the attached list prepared by the Department of Finance, Real Property Tax Services.

The corrections and cancellations are requested because of clerical errors as described by statute.

The specific legislative action required is approval of the taxpayers' applications.

No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Listed below is pertinent information from applications for corrected tax roll. Real Property Tax Service Agency has the original applications and support material available for review if needed. The Real Property Tax Director is recommending the correction and cancellation of certain Monroe County taxes because the same are erroneous.

The tax account hereinafter set forth lists the tax account number, applicant owner, property location, tax year(s), amount of taxes currently due, amount of corrected taxes, amount of taxes to be cancelled and the reason for their correction.

Town of Brighton: Tax Account No. 123.09-3-57.2, Clover Management LLC, 485 N Landing Rd, Rochester, NY 14625. **Property Location:** 485 N Landing Rd. **Tax Year: 2018** **Amount of Taxes Currently Due:** \$9,672.99. **Amount of Corrected Taxes Due:** \$6,062.68. **Amount of Taxes to be Cancelled:** \$3,610.31. Due to a clerical error in the credit meter program for sewer charges the property owner was billed incorrectly. This error caused the 2018 Town and County tax bill to be generated with the incorrect amount due.

Town of Perinton: Tax Account No. 179.10-1-19, Tennis Club of Rochester Inc, 570 Kreag Rd, Rochester, NY 14534. **Property Location:** 570 Kreag Rd. **Tax Year: 2018** **Amount of Taxes Currently Due:** \$39,734.99. **Amount of Corrected Taxes Due:** \$29,691.61. **Amount of Taxes to be Cancelled:** \$10,043.38. Due to a clerical error the incorrect sewer units were billed to the property owner. This error caused the 2018 Town and County tax bill to be generated with the incorrect amount due.

By Legislators _____ and _____
