Subject: Confirmation of Appointment to the Monroe County 911 Operating Practices Board

Honorable Legislators:

I, Dr. Joe Carbone, President of the Monroe County Legislature, in accordance with the Rules of the Monroe County Legislature, do hereby submit the following appointment to this Honorable Body for confirmation:

I recommend that your Honorable Body confirm the appointment of the following individual to the 911 Operating Practices Board pursuant to Monroe County Resolution 361 of 1981 as amended by Resolution 23 of 1995 for a term expiring November 1, 2021.

Monroe County Fire District Officers Association Representative

Kenneth Bowers, Commissioner
Ridge Road Fire District
Residence: 115 Mandarin Dr., Rochester, NY 14626

Mr. Bowers is in his second 5-year term as a member of the Ridge Road Fire District Board of Fire Commissioners. Retired from Kodak, Mr. Bowers has served as a volunteer firefighter for more than 20 years and resides in Greece, New York.

This action will have no impact on the revenues or expenditures of the current Monroe County budget.

Re: Memorializing New York State Legislature to Pass and Governor Andrew M. Cuomo to Sign Assembly Bill A8039 and Senate Bill S1224A, to Increase the New York State Income Tax Credit for Volunteer Firefighters and EMS Workers

Honorable Legislators:

Monroe County residents rely on the work of volunteer firefighters and EMS workers to keep our communities safe. These men and women bravely respond to dangerous situations every day and often risk their own lives to ensure the safety of others. However, the number of volunteers has declined and public safety organizations are struggling to retain current volunteers.

Financial incentives are a way to thank our volunteers for their hard work and bravery as well as provide organizations with a tool to recruit new members. New York State law currently provides a \$200 income tax credit to volunteer firefighters and EMS workers. While this action by the New York State government was admirable, this credit has remained stagnant since it was enacted in 2007. This incentive is no longer enough to encourage new membership and make sure our public safety organizations have an adequate number of volunteers. As a result, membership has declined and fewer volunteers are responding to more calls.

New York State Senate Bill S1224A and Assembly Bill A8039 would increase this tax credit to \$500, providing a greater incentive for brave men and women to continue or begin their volunteer service. Increased income tax relief would allow these individuals to save more of their hard-earned money and invest in their families. It is a way to show our appreciation for the volunteer work they do every day to make our community a safe place to live, work and raise a family.

Therefore, we urge you to join us in calling on the New York State Legislature to pass and Governor Cuomo to sign Assembly Bill A8039 and Senate Bill S1224A, to increase the income tax credit for volunteer firefighters and EMS workers from \$200 to \$500. This will provide an incentive for new members to join and for existing members to continue their volunteer service. As membership declines, it is imperative that we continue to encourage more membership to maintain the safety of our community.

Re: Memorializing the New York State Legislature to Pass, and Governor Andrew M. Cuomo to Sign Senate Bill S00744 and Assembly Bill A00305 Regarding the Temporary Detainment of Parole Violators at Local Correctional Facilities

Honorable Legislators:

Operating local jails imposes a significant cost burden and strain on personnel in New York State counties. Frequently, offenders who violate their parole are held at local jails and correctional facilities while appeals and extensions on hearing the violation are granted by the court. In many cases, these offenders serve their additional sentence at these local correctional facilities, as well. Placing this responsibility on local municipalities causes a noteworthy financial burden on counties. There is also an impact on the personnel who work at local correctional facilities when there are state parole violators held at jails in local communities.

Senate Bill S00744 and Assembly Bill A00305 have been introduced to reduce the strain that New York State has placed on counties. The text of these bills provides that state parole violators be transferred to state correctional facilities after the ten-day holding period in local correctional facilities. This would help to ensure that violators are not being held at local jails for longer than the ten business days prior to appearing before the court.

Another important part of this proposed bill is the provision for reimbursement to local correctional facilities. This legislation requires that the New York State Department of Correctional and Community Supervision (DOCCS) reimburse the local facility for the cost of temporary detainment of violators if they are not transferred to a DOCCS facility within the ten business days. This is a critical component to making sure that additional sentences are not being served at the expense of counties and local jails.

Therefore, I urge you to join me in calling on the New York State Legislature to pass and Governor Andrew M. Cuomo to sign Senate Bill S00744 and Assembly Bill A00305 to alleviate the fiscal stress imposed on counties when offenders violate parole. New York State counties face significant burden by programs and mandates imposed by the state government; reimbursing counties and taking responsibility for the cost of state parole violators has great potential to provide relief for counties in New York.

Re: Memorializing the New York State Legislature and Governor Andrew M. Cuomo to Provide Fiscal Support to School Districts to Have School Resource Officers throughout New York State

Honorable Legislators:

Violence in schools throughout our nation is unpredictable and frightening for students and parents. With spontaneous mass shootings and other random acts of violence in public places, especially schools, on the rise it is important to do all that is possible to prevent students, teachers and guests from being injured or killed. Providing a School Resource Officer in all school districts would provide for a quicker response to violent acts and could help to prevent violence in schools from occurring.

Violent acts in schools tend to happen quickly with the average length of an active shooter incident being only 12.5 minutes. Unfortunately, the average law enforcement response time to these incidents is 18 minutes. Having a law enforcement officer onsite will help to provide immediate response in the event that violence arises and could potentially deter an offender from becoming violent. School Resource Officers are able to build relationships with students and be incredibly effective in intervening with troubled young people before violence in schools arises.

Local law enforcement officials support the implementation of school resource officers as a deterrent to incidents of violence in schools. Monroe County currently has several intermunicipal agreements providing School Resource Officers to local school districts in the county. New York State should support this program by providing the fiscal support necessary to school districts in all New York counties so that all districts have the opportunity and choice to implement a robust School Resource Office program.

Therefore, I urge you to join me in calling on the New York State Legislature and Governor Andrew M. Cuomo to provide fiscal support for the implementation of School Resource Officer programs in all school districts through New York State. Implementing this kind of program will make New York a trailblazer in public safety and ensure that the lives of students, teachers, staff and school guests are best protected from violence at all times. With the rise in unpredictable violence in public places, it is important that all necessary means are being taken to protect our community members and if desired, school districts are given the opportunity to provide this critical component of public safety.

Re: Memorializing New York State to Cover all Expenses if Cashless Bail is Enacted in 2019 and Beyond

Honorable Legislators:

Counties use bail to ensure that defendants accused of a crime will appear for trial and all pretrial hearings for which the courts require them to be present. Upon completion of a trial, bail is returned to defendants. Judges set bail based on the risk of a defendant fleeing, the potential safety risk a defendant poses to the community, the crime committed among other factors. Governor Andrew Cuomo has proposed the elimination of monetary bail and has proposed measures that reform the bail system, to the detriment of counties and their taxpayers.

Governor Cuomo has claimed that the cash bail system is unfair for individuals who do not have the fiscal means to post their own bail. His proposal for cashless bail includes the release of individuals charged with misdemeanors and nonviolent felony charges on their own recognizance or with non-monetary conditions set by the court, such as reporting to a pretrial service agency. These agencies will be required to assist defendants, help victims, protect residents, and ensure that the defendant shows up to court. This will place an additional burden on Probation Departments, Sheriff Departments, District Attorneys, and Public Defenders' offices who will be required to send personnel to pretrial service agencies to fulfill these requirements. The elimination of monetary bail places significant direct and indirect costs on local agencies.

Bail provides defendants with an incentive to come to their trial, because the bail they initially pay will be returned. The "cashless bail" system removes the incentive for an individual to return to court for their trial, forcing officials to spend time and resources chasing down those who have missed court dates. If cashless bail is enacted by the New York State government, counties will face significant costs that taxpayers will be forced to cover.

Therefore, I urge you to join me in calling on New York State to cover all costs to counties associated with cashless bail if it is enacted in 2019. New York State taxpayers already face the highest taxes in the nation due to state mandated spending. If cashless bail is enacted, the State must cover all expenses in order to prevent the burden from falling on the backs of taxpayers.

RE: Memorializing the President to Sign H.R. 6, the “SUPPORT for Patients and Communities Act”

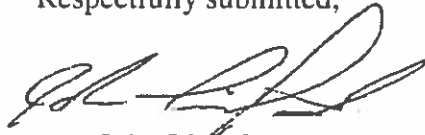

Honorable Legislators,

H.R. 6, “SUPPORT for Patients and Communities Act” passed both Houses of Congress on October 1, 2018. The “Substance Use-Disorder Prevention that Promotes Opioid Recovery and Treatment (SUPPORT) for Patients and Communities Act” makes several changes to state Medicaid programs to address opioid and substance use disorders. Changes include: modify provisions related to coverage for juvenile inmates and former foster care youth, establish a demonstration project to increase provider treatment capacity for substance use disorders, require the establishment of drug management programs for at-risk beneficiaries, establish drug review and utilization requirements, extend the enhanced federal matching rate for expenditures regarding substance use disorder health home services, and temporarily require coverage of medication-assisted treatment. In addition, the bill temporarily eliminates the enhanced federal matching rate for Medicaid expenditures regarding specified medical services provided by certain managed care organizations.

H.R. 6 also changes Medicare requirements to address opioid use, including the requirement of coverage for services provided by certified opioid treatments programs. It will also establish and expand programs to support increased detection and monitoring of fentanyl and other synthetic opioids.

Given the impact that the opioid crisis has had across Monroe County, we need to make all resources available to our community. Therefore, we ask you to join us in memorializing President Trump to Sign H.R. 6 "SUPPORT for Patients and Communities Act".

**RE: Memorializing the Public Service Commission to Restore Channels 12
and 15 for Public Access Use**

Honorable Legislators,

For the past 25 years throughout Monroe County, Public Government and Educational Television (PEG TV) was easily accessible on Time Warner/Spectrum channels 12 and 15. Viewers could easily find this local programming while surfing amongst the other local program channels, which were all in the same small channel designation range.

The following resolution was adopted at a Regular meeting of the Town/Village Board of East Rochester held on September 13, 2018:

"IT IS HEREBY RESOLVED: That the Board of Trustees for the Town/Village of East Rochester acknowledges that local PEG TV (Public Government and Educational Television) is an invaluable public service to our community, broadcasting local government meetings, school board meetings, coverage of important Town/Village sponsored event as well as other programming of interest to the community we serve."

As of spring 2018, and with no notice, Spectrum moved all local community access programming to channels 1301 and 1303. Viewers have had trouble finding the new channel designations. Since this channel designation change, Spectrum has not used channels 12 and 15 for any other programming.

The Board of Trustees of the Town/Village of East Rochester is asking that the Public Service Commission, whose responsibility it is to monitor and govern public services, to make our public access programming more accessible by moving local PEG TV programming back to channels 12 and 15. Therefore, we ask you to join us in memorializing

the Public Service Commission to restore local channels 12 and 15 for public access in communities across Monroe County.

Subject: Acceptance of a Grant from the New York State Division of Criminal Justice Services for the Monroe County Heroin Task Force

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K Baxter.

I recommend that Your Honorable Body accept a grant from the New York State Division of Criminal Justice Services, in the amount of \$30,000, for the Monroe County Heroin Task Force, for the period of August 1, 2018 through July 31, 2019.

This funding was made possible through the efforts of Senator Richard Funke. The grant will partially fund the overtime expenses for Monroe County Task Force members to conduct law enforcement and prevention activities. This is the first time the County has received this grant.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$30,000 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Criminal Justice Services, for the Monroe County Heroin Task Force, for the period of August 1, 2018 through July 31, 2019.
2. Amend the 2018 operating budget of the Office of the Sheriff by appropriating the sum of \$30,000 into general fund 9300, funds center 3803010000, Police Bureau Administration.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Division of Criminal Justice Services. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K Baxter.

I recommend that Your Honorable Body accept a grant from the Dormitory Authority of the State of New York, in the amount of \$81,000, for the State and Municipal Facilities Program for the acquisition and upgrades to the Monroe County Sheriff's Office Marine Unit garage, for the period of August 1, 2018 through July 31, 2021.

This funding was made possible through the efforts of Senator Joseph Robach. The Sheriff's Office will use the State and Municipal Facilities Program to purchase the garage that is attached to the Marine Unit office property from the City of Rochester for \$13,000, and complete repairs and purchase a new fuel tank. This is the first time the County has received this grant.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$81,000 grant from, and to execute a contract and any amendments thereto with, the Dormitory Authority of the State of New York, for the State and Municipal Facilities Program, for the acquisition and upgrades to the Monroe County Sheriff's Office Marine Unit garage, for the period of August 1, 2018 through July 31, 2021.

2. Amend the 2018 operating budget of the Office of the Sheriff by appropriating the sum of \$81,000 into general fund 9300, funds center 3803010000, Police Bureau Administration.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
4. Subject: Authorize a Contract with Trinity Services Group, Inc. for the Provision of Professional Food Service Management to Provide Meals to the Inmates Under the Care and Custody of the Monroe County Sheriff at the Sheriff's Jail Facilities

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize a contract with Trinity Services Group, Inc., in an amount not to exceed \$5,100,000, for professional food service management to provide meals to the inmates under the care and custody of the Monroe County Sheriff at the Sheriff's jail facilities, for the period of December 11, 2018 through December 10, 2021, apportioned as an amount not to exceed \$1,700,000 per year, with the option to renew for two (2) additional one-year terms. Escalations for years four and five will be limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

Trinity Services Group, Inc. will be responsible for the professional management of the food services operation for the purpose of providing meals to the inmates of the Sheriff's jail facilities.

A request for proposals was issued for this contract and Trinity Services Group, Inc. was selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or her designee, to execute a contract, and any amendments thereto, with Trinity Services Group, Inc., 477 Commerce Boulevard, Oldsmar, Florida 34677, for professional food service management to provide meals to the inmates under the care and custody of the Monroe County Sheriff at the Sheriff's jail facilities, in an amount not to exceed \$5,100,000, for the period of December 11, 2018 through December 10, 2021, apportioned as an amount not to exceed \$1,700,000 per year, with the option to renew for two (2) additional one-year terms. Escalations for years four and five will be limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract will be requested in the proposed 2019 operating budget of the Sheriff's Office, general fund 9001, funds center 3804080000, Jail Food Service, and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Trinity Services Group, Inc., nor its principal officer, Christopher C. Alberta, owe any delinquent Monroe County property taxes.

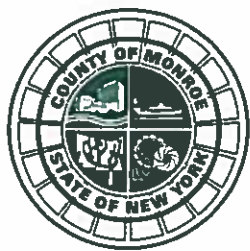

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Amend the 2018-2023 Capital Improvement Program and the 2018 Capital Budget to Add a Project Entitled "Jail Visitation and Court Security Improvements" and Authorize Financing for the Projects

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K Baxter.

I recommend that Your Honorable Body amend the 2018-2023 Capital Improvement Program and the 2018 Capital Budget to add a project entitled "Jail Visitation and Court Security Improvements," in the amount of \$7,500,000 and authorize financing for the projects in the amount of \$7,500,000.

The Jail Visitation portion of the project involves the expansion of the current Jail Visitation area at the downtown jail. The current capacity for social visitation does not meet the current minimum standards requirements from the New York State Commission of Corrections. Additional visitation booths are required to meet the minimum standard. In addition to social visitation, professional visitation needs to be expanded. All professional visitors, lawyers, clergy, mental health counselors, private detectives, case managers, parole and probation meet with their clients in this area. The new construction will allow for private meeting rooms to protect client privileged information. A new Parole hearing room will be created along with a new line-up room that will allow victims to avoid being brought inside security and exposing them to the extensive search process.

The Court Security Improvement portion of the project involves the expansion of the holding area behind City Court courtrooms #1 and #5. The area is currently too small for the number of unarraigned and County inmates that appear in court six days a week. The area is in need of security upgrades to harden the perimeter of the area that was renovated from old offices many years ago. Additionally, HVAC upgrades are needed to accommodate the number of people typically in this area. Designing the area and utilizing walls and solid windows will serve to reduce the noise that is continually heard in the courtrooms. The design will allow for better observation of inmates and unarraigned City arrests ultimately making the area safer and more secure.

This project is scheduled to be considered by the Monroe County Planning Board on October 25, 2018.

The specific legislative actions required are:

1. Amend the 2018-2023 Capital Improvement Program to add a project entitled "Jail Visitation and Court Security Improvements," in the amount of \$7,500,000.
2. Amend the 2018 Capital Budget to add a project entitled "Jail Visitation and Court Security Improvements," in the amount of \$7,500,000.
3. Authorize financing for the project entitled "Jail Visitation and Court Security Improvements," in the amount of \$7,500,000.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the FY2017 Technical Rescue & Urban Search and Rescue Grant Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services, in the amount of \$149,582, for the FY2017 Technical Rescue & Urban Search and Rescue Grant Program, for the period of August 1, 2018 through August 31, 2020.

The New York State Division of Homeland Security and Emergency Services provides funding to support the continued development of the community's technical rescue capabilities. The intent of this grant is to promote regional partnerships using local agency support for technical rescue field response and operations. This program directly supports the on-going activities of the Monroe County Special Operations Unit and its regional partners.

Specifically, this grant will enhance the ability to respond to technical rescue incidents in the areas of structural collapse, rope rescue, and related low-frequency/high risk events. This is the seventh year the County has received this grant. This year's funding represents a decrease of \$254 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$149,582 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Homeland Security and Emergency Services, for the FY2017 Technical Rescue & Urban Search and Rescue Grant Program, for the period of August 1, 2018 through August 31, 2020.
2. Amend the 2018 operating budget of the Department of Public Safety by appropriating the sum of \$149,582 into general fund 9300, funds center 2408020100, Mutual Aid Fire Bureau.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements and to make any necessary funding modifications within the grant guidelines to meet contractual requirements.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the Federal Department of Homeland Security (administered by the New York State Division of Homeland Security and Emergency Services). No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

I recommend that Your Honorable Body accept a grant from the New York State Governor's Traffic Safety Committee, in the amount of \$8,000, for the Child Passenger Safety Program, for the period of October 1, 2018 through September 30, 2019.

This grant will fund the purchase of child safety seats, supplies and handouts for the Office of Traffic Safety's fitting station. A staff member, through a monthly fitting station, will inspect and oversee the installation of child safety seats along with increasing the knowledge of Monroe County residents on the proper use and installation of child safety seats. This will be the fourteenth year the County has received this grant. This year's funding represents a decrease of \$1,500 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$8,000 grant from, and to execute a contract and any amendments thereto with, the New York State Governor's Traffic Safety Committee, for the Child Passenger Safety Program, for the period of October 1, 2018 through September 30, 2019.
2. Amend the 2018 operating budget of the Department of Public Safety by appropriating the sum of \$8,000 into general fund 9300, funds center 2405100000, Traffic Safety Program.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Governor's Traffic Safety Committee. No net County support is required in the current Monroe County budget.

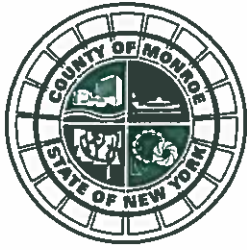

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of a Grant from the New York State Division of Homeland Security and Emergency Services for the FY2017 Critical Infrastructure Grant Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Division of Homeland Security and Emergency Services, in the amount of \$50,000, for the FY2017 Critical Infrastructure Grant Program (CIGP), for the period of August 1, 2018 through August 31, 2020.

The CIGP provides funds to support the County's program for preparedness and prevention activities for terrorist events using weapons of mass destruction involving chemical, biological, radiological, nuclear, and explosive materials. The grant will enhance observation and surveillance capabilities for the detection and assessment of threats at local festivals and special events through the procurement of a compact mobile surveillance trailer. This is the fifth year the County has received this grant. This year's funding represents the same amount as last year.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$50,000 grant from, and to execute a contract and any amendments thereto with, the New York State Division of Homeland Security and Emergency Services, for the FY2017 Critical Infrastructure Grant Program, for the period of August 1, 2018 through August 31, 2020.
2. Amend the 2018 operating budget of the Department of Public Safety by appropriating the sum of \$50,000 into general fund 9300, funds center 2408030100, Office of Emergency Management.

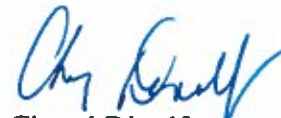

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements and to make any necessary funding modifications within grant guidelines to meet contractual requirements.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the Federal Department of Homeland Security (administered by the New York State Division of Homeland Security and Emergency Services). No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize an Intermunicipal Agreement with the Town of Greece and Any Other Municipal Corporation for Light Detection and Ranging Data

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the Town of Greece, and any other municipal corporation, to allow Monroe County to provide Light Detection and Ranging (LIDAR) Data at no cost to the Town of Greece, and any other municipal corporation, in exchange for any applications they develop using the data at no cost to Monroe County, for a term of five (5) years from the date of execution of the agreement, with the option to renew for one (1) additional five-year term.

In 2017, Monroe County's Department of Environmental Services (DES) commissioned Xeos Imaging, Inc. to provide the County with topographic LIDAR data. LIDAR is a remote-sensing method that uses airborne equipment to generate a laser scan of the earth's surface features. DES Geographic Information System group uses software to process the LIDAR information in the form of unclassified point cloud data to map natural and built environments including vegetation, topography and building structures. LIDAR-based mapping is very accurate and precise and the information can be used in a wide array of applications including emergency response. Examples of applications include development of digital elevation models and lake shoreline maps. The Town of Greece's Department of Development Services has requested DES share the County's LIDAR data at no cost for their use in developing data sets, maps and related applications. In exchange for the data, the Town of Greece, and any other municipal corporation, will agree to share any applications it develops with the County at no cost.

The specific legislative action required is to authorize the County Executive, or her designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Greece, and any other municipal corporation, to allow Monroe County to provide Light Detection and Ranging Data at no cost to the Town of Greece, and any other municipal corporation, in exchange for any applications they develop using the data at no cost to Monroe County, for a term of five (5) years from the date of execution of the agreement, with the option to renew for one (1) additional five-year term.

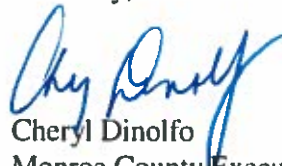

85:9 MA 2-17 119

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This intermunicipal agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

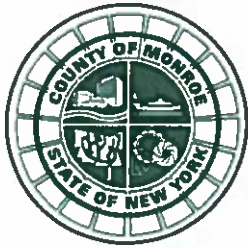

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize an Intermunicipal Agreement with the City of Rochester for Geographic Information System Database Server Access

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the City of Rochester, to allow Monroe County to provide Geographic Information System (GIS) database server access at no cost to the City of Rochester, for the purpose of maintaining 911 address data, in exchange for any applications it develops using the data at no cost to Monroe County, for a term of five (5) years from the date of execution of the agreement, with the option to renew for three (3) additional five-year terms.

The 911 Center is a cooperative service, mutually supported by the City of Rochester and Monroe County. By Resolution 170 of 2018, Your Honorable Body approved funding for upgrading the Computer Aided Dispatch (CAD) system. The new CAD system will rely on accurate address data in the form of street centerline and address point features in GIS format. In order to maintain the address data efficiently, the GIS layers need to be stored in an enterprise GIS server environment. The Monroe County Department of Environmental Services (DES) currently manages and maintains this type of server environment for all County related GIS data layers. The City 911 Center has requested DES provide access to its GIS database server at no cost for their use in developing data sets, maps and related applications. In exchange for access to the GIS database server, the City agrees to share any GIS layers it develops with the County at no cost. The overall benefit will be improved location accuracy throughout the greater Monroe County area, in support of ensuring prompt dispatch of emergency first responders.

The specific legislative action required is to authorize the County Executive, or her designee, to execute an intermunicipal agreement, and any amendments thereto, with the City of Rochester, to allow Monroe County to provide Geographic Information System database server access at no cost to the City of Rochester, for the purpose of maintaining 911 address data, in exchange for any applications it develops using the data at no cost to Monroe County, for a term of five (5) years from the date of execution of the agreement, with the option to renew for three (3) additional five-year terms.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This intermunicipal agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

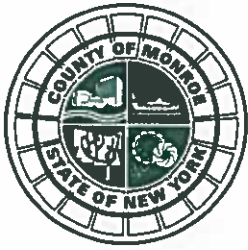

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize Intermunicipal Agreements with the Rochester City School District and the Greece Central School District for Services Provided by the Monroe County Department of Public Health's Immunization Program

Honorable Legislators:

I recommend that Your Honorable Body authorize intermunicipal agreements with the Rochester City School District and the Greece Central School District for the provision of school located influenza vaccinations for children ages 5-18 years of age by the Monroe County Department of Public Health, for the period of August 1, 2018 through July 31, 2019, with the option to renew for two (2) additional one-year terms at Monroe County's discretion.

Under the terms of the intermunicipal agreements, the Monroe County Department of Public Health's Immunization Program, in accordance with accepted Federal and State guidelines, will provide school located influenza vaccinations for children ages 5-18 years of age as requested and agreed upon by the school districts. This will be the seventh year of providing this service to school districts.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to execute an intermunicipal agreement, and any amendments thereto, with the Rochester City School District, for the provision of school located influenza vaccinations for children ages 5-18 years of age by the Monroe County Department of Public Health, for the period of August 1, 2018 through July 31, 2019, with the option to renew for two (2) additional one-year terms at Monroe County's discretion.
2. Authorize the County Executive, or her designee, to execute an intermunicipal agreement, and any amendments thereto, with Greece Central School District, for the provision of school located influenza vaccinations for children ages 5-18 years of age by the Monroe County Department of Public Health, for the period of August 1, 2018 through July 31, 2019, with the option to renew for two (2) additional one-year terms at Monroe County's discretion.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for these intermunicipal agreements is included in the 2018 operating budget of the Department of Public Health, general fund 9001, funds center 5802050100, Immunization Program, and will be included in future years' budgets. No additional net County support is required in the current Monroe County budget.

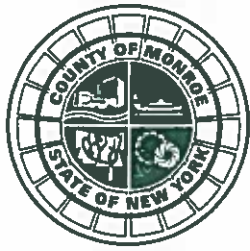

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Acceptance of Two Grants from the New York State Department of Health for Support of the Monroe County Nurse Family Partnership Program and Amend Resolution 220 of 2018 to Amend and Increase the Contract with Community Care of Rochester dba Visiting Nurse Signature Care

Honorable Legislators:

I recommend that Your Honorable Body accept two grants from the New York State Department of Health, the first in an amount not to exceed \$45,455, for the period of April 1, 2018 through March 31, 2019, and the second in the amount not to exceed \$27,273, for the period of April 1, 2018 through March 31, 2019, both to support the Monroe County Nurse-Family Partnership Program (NFP), and amend Resolution 220 of 2018 to amend and increase the contract with Community Care of Rochester dba Visiting Nurse Signature Care, for support of the Nurse-Family Partnership Program, from an amount not to exceed \$559,732 to an amount not to exceed \$632,460, for the period of October 1, 2018 through September 30, 2019, with the option to renew for two (2) additional one-year periods.

The purpose of these two grants is to provide support of the County's existing NFP program. The NFP program is an evidence-based nurse home visiting program that has been rigorously evaluated and includes expertly trained nurses delivering the services per a standard curriculum. The grants will provide a portion of the funding for the NFP program, annually providing home visits to approximately 300 high-risk, first time mothers, their infants and families to improve their pregnancy outcomes and their health, well-being and self-sufficiency. The funds will be used to support a previously authorized vendor contract which provides the nurses who make home visits to all NFP clients and administrative support in arranging for travel, accommodations and training for the program. This is the second year the County has received these grants. This year's funding represents an increase of \$12,014 from last year.

A request for qualifications was issued for this contract with Community Care of Rochester dba Visiting Nurse Signature Care the sole responder.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a grant in an amount not to exceed \$45,455 from, and to execute a contract and any amendments thereto with, the New York State Department of Health, to support the Monroe County Nurse-Family Partnership Program, for the period of April 1, 2018 through March 31, 2019.
2. Authorize the County Executive, or her designee, to accept a grant in an amount not to exceed \$27,273 from, and to execute a contract and any amendments thereto with, the New York State Department of Health, to support the Monroe County Nurse-Family Partnership Program, for the period of April 1, 2018 through March 31, 2019.

3. Amend the 2018 operating budget of the Department of Public Health by appropriating the sum of \$72,728, into general fund 9300, funds center 5803050000, Nurse-Family Partnership.
4. Amend Resolution 220 of 2018 to amend and increase the contract with Community Care of Rochester dba Visiting Nurse Signature Care, 2180 Empire Boulevard, Webster, New York, 14580, for support of the Monroe County Nurse-Family Partnership Program, from an amount not to exceed \$559,732 to an amount not to exceed \$632,460, for the period of October 1, 2018 through September 30, 2019, with the option to renew for two (2) additional one-year periods..
5. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any encumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications with the grant guidelines to meet contractual commitments.
6. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

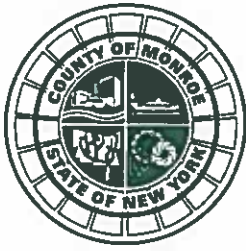

Community Care of Rochester dba Visiting Nurse Signature Care is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 435 of 2017 to accept additional funding from the New York State Office of Children and Family Services (OCFS), in the amount of \$14,096 for the Safe Harbour Initiative for 2018 (Safe Harbour), for the period of January 1, 2018 through December 31, 2018.

This award will be used to continue the established efforts of Safe Harbour such as short-term safe housing that offers 24-hour crisis intervention, medical care, advocacy, and other services to minor victims of human trafficking within Monroe County. The Center for Youth Services will continue to be the lead agency for this grant. DHS will continue to assign the Rochester-Monroe County Youth Bureau Executive Director to be its representative who will serve as County liaison to the OCFS Statewide Steering Committee and to provide inter-agency collaborative support and guidance for sustainable implementation of the Safe Harbour Plan. The International Organization for Adolescents will continue to provide training and technical assistance to counties with a focus on understanding the unique needs of child victims of human trafficking. Training will be provided to teach the skills and tools necessary to ensure that child victims are properly identified, referred and receive the appropriate specialized services to which they are entitled by law. This is the fifth year the County has received this grant. This additional funding will bring the grant total to \$39,096.

The specific legislative actions required are:

1. Amend Resolution 435 of 2017 to accept an additional \$14,096 from, and to authorize the County Executive, or her designee, to execute a contract and any amendments thereto with, the New York State Office of Children and Family Services, for the Safe Harbour Initiative for 2018, bringing the total award to \$39,096, for the period of January 1, 2018 through December 31, 2018.
2. Amend the 2018 operating budget of the Department of Human Services, Division of Social Services, by appropriating the sum of \$14,096 into fund 9300, funds center 5118010000, Social Service Grants.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the New York State Office of Children and Family Services. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

Subject: Acceptance of a Grant from the New York State Office for the Aging and Authorize a Contract with Lifespan of Greater Rochester, Inc. for the New York State Elder Abuse Education and Outreach Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Office for the Aging, in the amount of \$745,000, and authorize a contract with Lifespan of Greater Rochester, Inc., in an amount not to exceed \$713,465, to administer the New York State Elder Abuse Education and Outreach Program, for the period of October 1, 2018 through September 30, 2019.

The purpose of this program is to provide education on how to recognize and intervene in cases of suspected elder abuse, neglect, and financial exploitation; and to support the New York State Coalition on Elder Abuse. Training will be provided in an 11-county region (including Cayuga, Genesee, Livingston, Monroe, Ontario, Orleans, Schuyler, Seneca, Wayne, Wyoming and Yates) and New York City to individuals from professional organizations, including law enforcement, social services, and professionals who work with older adults and their caregivers. Lifespan of Greater Rochester, Inc. will provide elder abuse education, outreach and intervention services.

As the recognized leader of elder abuse education in New York State, the New York State Office for the Aging has directed Monroe County to contract with Lifespan of Greater Rochester, Inc. for these services.

Please refer to the attached Purchase of Services Information Form for disclosure of information required pursuant to Resolution 223 of 2007, as amended by Resolution 11 of 2008.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to accept a \$745,000 grant from, and to execute a contract and any amendments thereto with, the New York State Office for the Aging, for the New York State Elder Abuse Education and Outreach Program, for the period of October 1, 2018 through September 30, 2019.
2. Authorize the County Executive, or her designee, to execute a contract, and any amendments thereto, with Lifespan of Greater Rochester, Inc, 1900 S. Clinton Avenue, Rochester, New York 14618, to administer the New York State Elder Abuse Education and Outreach Program, in an amount not to exceed \$713,465, for the period of October 1, 2018 through September 30, 2019.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
4. Should funding of these programs be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program(s) and where applicable, to terminate or abolish some or all positions funded under such program(s). Any termination or abolishment of positions shall be in accordance with the New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this contract is included in the 2018 operating budget of the Monroe County Department of Human Services, Office for the Aging, general fund 9001, funds center 5501050000, Education, Training and Wellness Contracts. No additional net County support is required in the current Monroe County budget.

Lifespan of Greater Rochester, Inc. is a not-for-profit agency, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive
