

The Monroe County Legislature

RECOGNIZES

The Multi-Craft Apprenticeship Preparation Program

Whereas, It is the sense of this Legislature to honor organizations and individuals whose efforts seek to improve the lives of residents across Monroe County; and

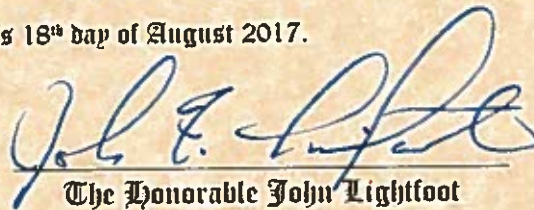

Whereas, Attendant to such concern, and in full accord with long-standing tradition, this Legislature is justly proud to honor the Multi-Craft Apprenticeship Preparation Program (M.A.P.P) for their dedication to education in our community; and

Whereas, M.A.P.P provides pre-training and development of Rochester area minority construction tradesmen and women; and

Whereas, M.A.P.P provides a basic introduction to the construction industry, its required skill-sets and expectations, while also developing the soft skills essential for success; and

Whereas, Under the leadership of Director Kerem Berry, participants who complete the M.A.P.P will have earned necessary industry certifications, and embark onto a successful career in the construction industry.

Now, therefore, let it be known, that I, John Lightfoot, Assistant Minority Leader and Legislator, District 25, do hereby honor the Multi-Craft Apprenticeship Preparation Program, and the Apprenticeship candidates for their successful completion of the 2017 Summer Session on this 18th day of August 2017.

The Honorable John Lightfoot
Assistant Minority Leader
Legislator, District 25
