

PAYMENT INSTRUCTIONS

- Write tax account number on check when making payment.
- After February 10, interest accrues at the rate of 1.5% per month; 18% per year.
- If due date falls on a weekend or holiday, payment is accepted on the first business day after the weekend or holiday.

Payment by Mail: The US Postmark on the payment envelope will be used to determine the date of payment and the amount of interest due with that payment. Real property tax payments delivered by the US Postal Service after the due date that do not contain an official US Postal Postmark but rather contain a “postage meter” mark are not considered timely.

Payment by Credit Card: Credit card payments are accepted only via internet; a 3% fee is charged. For credit card payments, go to website www.monroecounty.gov, select “view taxes online.” Then follow the prompts to retrieve your account information and make payment.

Payment by electronic check: Available via internet at www.monroecounty.gov. A sliding scale fee is charged based on the amount of the payment.

On-line Bank Payments: Most banks discourage the use of on-line banking for tax payments because they cannot guarantee your payment will be delivered to our office by the due date. If you utilize on-line banking, you do so at your own risk.
