Subject: Acceptance of a Grant from the United States Department of Justice, Office of Justice Programs, for the 2021 DNA Capacity Enhancement Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the United States Department of Justice, Office of Justice Programs in the amount of \$436,734 for the 2021 DNA Capacity Enhancement Program for the period of October 1, 2021 through September 30, 2023.

The purpose of the DNA Capacity Enhancement Program is to increase the capabilities of the Monroe County Crime Laboratory DNA analysis section by providing supplies for casework, mandatory continuing education in human identification science, maintenance of equipment and expenses related to the continued accreditation of the Laboratory. This program allows the Laboratory to provide more timely services to the region's law enforcement community and judicial system. This is the sixteenth year that the County has received this grant. This year's funding represents an increase of \$97,338 from the previous grant.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$436,734 grant from, and to execute a contract and any amendments thereto with, the United States Department of Justice, Office of Justice Programs for the 2021 DNA Capacity Enhancement Program for the period of October 1, 2021 through September 30, 2023.
2. Amend the 2022 operating budget of the Monroe County Department of Public Safety by appropriating the sum of \$436,734 into general fund 9300, funds center 2408040100, Monroe County Crime Laboratory.

3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5 (c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the United States Department of Justice, Office of Justice Programs. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Authorize an Intermunicipal Agreement with the City of Rochester Permitting the Rochester Police Department to Utilize the Monroe County Sheriff's Office's Explosives Storage Bunker Located at 145 Paul Road in the Town of Chili to House its Explosives and Explosives Evidence

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with the City of Rochester to permit the Rochester Police Department ("RPD") to utilize the Monroe County Sheriff's Office's ("MCSO") Explosives Storage Bunker located at 145 Paul Road in the Town of Chili, to house its explosives and explosives evidence for the period of October 1, 2022 through September 30, 2023, with the option to renew for three (3) additional one-year terms.

By Resolutions 235 of 2016 and 227 of 2019, Your Honorable Body authorized an intermunicipal agreement with the City of Rochester permitting the RPD to co-locate its bunkers, explosives, and explosives evidence with that of the MCSO's bulk explosives and explosives evidence at 145 Paul Road in the Town of Chili (otherwise known as the Monroe County Fleet Center). Co-locating these materials mutually benefit both agencies. Specifically, displaying inter-agency cooperation will help the MCSO maintain current grant awards and obtain future awards relative to explosives and bombs. Further, the MCSO will have immediate availability to RPD's inventory in the event of an emergency.

The specific legislative action required is to authorize the County Executive, or his designee, to enter into an intermunicipal agreement, and any amendments thereto, with the City of Rochester, permitting the Rochester Police Department to utilize the Monroe County Sheriff's Office's Explosives Storage Bunker located at 145 Paul Road in the Town of Chili, to house its explosives and explosives evidence for the period of October 1, 2022 through September 30, 2023, with the option to renew for three (3) additional one-year terms.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
