**Re: Memorializing Congress to Pass the Second Amendment Guarantee Act Pertaining to
Limiting State and Local Government's Authority to Regulate Rifles and Shotguns**

Honorable Legislators:

The middle of the night passage of the NY SAFE Act in 2013 went far beyond federal law by unnecessarily regulating firearms that citizens may possess and carry. The NY SAFE Act broadened the definition of assault weapons to include semi-automatic rifles, semi-automatic shotguns and semi-automatic pistols. As a result, law abiding sportsmen and women were greatly impacted. Many of Monroe County residents were rightfully upset by the passing of this legislation and came to share their frustrations with this Honorable Body. In response to this, the Majority Legislators of the Monroe County Legislature submitted a memorializing resolution that called for the repeal of the NY SAFE Act. However, attempts to repeal the NY SAFE Act at the state level have not been successful.

Recently, Congressman Chris Collins of New York has unveiled the Second Amendment Guarantee Act (SAGA). This legislation aims to repeal many parts of the NY SAFE Act as it pertains to rifles and shotguns. Many law abiding gun owners have been left vulnerable as a result of the NY SAFE Act; the goal of SAGA is to restore Second Amendment rights that are currently being denied to citizens. SAGA will lift the regulations that the state has unnecessarily placed on firearms, specifically rifles and shotguns, by ensuring that the maximum regulation that can be placed on these firearms cannot exceed Federal Law. We applaud Congressman Collins' efforts to ensure that all citizens' Second Amendment rights are protected.

Therefore, we urge you to join us in calling on Congress to pass Congressman Chris Collins' Second Amendment Guarantee Act. Governor Andrew M. Cuomo went beyond federal law in signing the NY SAFE Act and has restricted the Second Amendment rights of law abiding gun owners for far too long. The passage of SAGA will ensure that States and other local governments can no longer regulate Second Amendment rights beyond Federal Law.

Subject: Amend Resolution 370 of 2015 to Increase the Contracts with Chatfield Engineers, P.C., Day Engineering, P.C., Arcadis U.S., Inc., and O'Brien & Gere Engineers Inc. for Wastewater Engineering Term Services

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 370 of 2015 to increase the contracts with Chatfield Engineers, P.C., Day Engineering, P.C., Arcadis U.S., Inc., and O'Brien & Gere Engineers Inc., for wastewater engineering term services, for the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District and the Rochester Pure Waters District, from an amount not to exceed \$600,000 annually to an amount not to exceed \$900,000 annually, for the balance of the contract term, with all other terms to remain the same.

In December 2015, Your Honorable Body authorized Resolution 370 of 2015 that established Wastewater Engineering Term Service contracts with Chatfield Engineering, P.C., Day Engineering P.C., Arcadis U.S., Inc., and O'Brien & Gere Engineers Inc., in an amount not to exceed \$600,000 annually, for the period of January 1, 2016 through December 31, 2016, with the option to renew for two (2) additional one-year periods. These contracts provide wastewater engineering term services, including planning, design and construction phase services related to connections, repairs, replacements, extensions, and improvements to the wastewater collection and treatment systems serving the four (4) Pure Waters Districts. Services also include review, maintenance, and modifications to Pure Waters' standards as published in the "Requirements for Privately Constructed Sewers" and term sewer construction contracts and the review and modification of other planning studies, engineering reports and regional sewerage initiatives. County staff does not routinely perform in-house wastewater engineering services and will utilize the consultant's services as an extension of its staff on an as-needed basis. An increase of \$300,000 in the annual contract authorization for the current, first one-year renewal period and second one-year renewal period next year is necessary to support additional anticipated services associated with the aeration system performance at the Frank E. Van Lare Wastewater Treatment Plant.

The specific legislative action required is to amend Resolution 370 of 2015 to increase the contracts with Chatfield Engineers, P.C., 2800 Dewey Avenue, Rochester New York 14616, Day Engineering, P.C., 1563 Lyell Avenue, Rochester New York 14606, Arcadis U.S. Inc., 295 Woodcliff Drive, Suite 301, Fairport, New York 14450, and O'Brien & Gere Engineers Inc., 400 Andrews Street, Rochester, New York 14604, for wastewater engineering term services, for the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District and the Rochester Pure Waters District, from an amount not to exceed \$600,000 annually to an amount not to exceed \$900,000 annually, for the balance of the contract term, with all other terms to remain the same.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for these contracts, consistent with authorized uses, is included in various capital fund(s), and any capital funds created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

Funding for these contracts is also included in the 2017 operating budget of the Department of Environmental Services: pure waters fund 9007, funds center 8575010000, Rochester Pure Waters District Special Expenses; pure waters fund 9007, funds center 8574030000, Irondequoit Bay South Central Pure Waters District Operations; pure waters fund 9007, funds center 8573030000, Northwest Quadrant Pure Waters District Operations; pure waters fund 9007, funds center 8571010000, Gates-Chili-Ogden Sewer District Special Expenses, and will be requested in future years' budgets.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.
