MONROE COUNTY ANNOUNCES OPENING OF IRONDEQUOIT BAY OUTLET BRIDGE

Bridge will open Monday, November 2, 2020 for vehicular traffic

ROCHESTER, NY -- Monroe County Executive Adam Bello announced today that the Irondequoit Bay Outlet Bridge (IBOB) will open to vehicular traffic on Monday, November 2, 2020. The structure will remain in place through March 31, 2021.

Located on the north end of Irondequoit Bay, the IBOB connects Culver Road in the town of Irondequoit to Lake Road in the town of Webster. The seasonal swing bridge is designed to span the outlet for vehicular traffic during the winter months. The Monroe County Department of Transportation (DOT) maintains and operates the IBOB. The bridge-use schedule is set in accordance with permits issued by the U.S. Coast Guard.

Monroe County DOT plans to begin placement of the IBOB on Monday, November 2, 2020, at approximately 7:00 a.m.

For additional information about the IBOB, its history, and operation, visit www.monroecounty.gov/dot-bridgeops.
