Office of the County Executive
Monroe County, New York

Maggie Brooks
County Executive

October 27, 2011

To The Honorable
Monroe County Legislature
39 West Main Street
Room 407
Rochester, New York 14614

Honorable Legislators:

I am pleased to present for your review and approval the proposed 2012 Annual Budget for Monroe County.

This is the eighth budget that I am submitting as County Executive. I take great pride in presenting a budget that preserves the property tax cut we delivered in 2008 and honors my longstanding commitment to local taxpayers by proposing a flat property tax rate for an unprecedented eighth consecutive year. At \$8.99 per \$1,000 of assessed value, the tax rate is lower today than when I first took office in 2004.

As local governments across New York State struggle with mandated costs that are outpacing the growth of local revenues, I am pleased to present a 2012 County Budget that is balanced, fiscally responsible, reduces the size of government, maintains quality-of-life services, complies with the recently passed New York State Property Tax Cap, and abides by Monroe County's own historic Taxpayer Protection Act of 2007.

The continued growth of the State's nine most costly mandated programs - probation, early intervention, pre-school, indigent defense, youth detention, welfare, child welfare, pensions, and Medicaid - have forced several counties across New York to take drastic measures to balance their budgets, including significant service cuts and attempts to override the Tax Cap. Mandated costs, the single largest portion of the 2012 Operating Budget, comprise a staggering 82% of the Budget, and increase a total of \$5.8 million or 0.9%. In the days and months to come, I will continue to fight for mandate reform to help provide real relief to the overburdened property taxpayers of our community.

Our 2012 Budget embraces fiscal responsibility by holding taxpayer supported non-mandated spending – or the spending that we can control on a local level – far below the rate of inflation. Even in the face of significant economic challenges, the 2012 Budget holds non-mandated spending to an increase of only \$749,557, or 0.8%. This significant level of fiscal restraint has kept us in compliance with the Taxpayer Protection Act of 2007, which requires increases in non-mandated spending to be held below the rate of inflation. I am proud that this noteworthy achievement has been accomplished while maintaining the critical services that bolster our world-class quality of life.

This Budget enhances our efforts to make county government smaller, smarter, and more efficient. We continue to responsibly reduce the size of our workforce without impacting the provision of services for taxpayers. In 2012, taxpayers will fund 42 fewer positions, yielding an estimated savings of over \$2,000,000. In full recognition of the economic challenges faced by taxpayers across our community, we continue to lead the State in our efforts to control the costs of wages and benefits for county employees.

As County Executive, I am proud to deliver a 2012 Monroe County Budget that provides stable property taxes for the eighth consecutive year. Coupled with our efforts to enhance quality of life and encourage job creation, this Budget will be instrumental in keeping our community on the path to prosperity in the year to come.

Sincerely,

Maggie Brooks
Monroe County Executive

**2012 MONROE COUNTY BUDGET
EXECUTIVE SUMMARY**

GENERAL OVERVIEW OF THE BUDGET

Monroe County’s 2012 Budget is built upon a foundation of fiscal discipline that includes property tax rate stability, controlled spending, and forward-thinking financial planning. It bridges a significant structural resource gap caused by the continued growth of the State’s nine most costly mandated programs. Most importantly, the 2012 County Budget delivers an 8th consecutive year of property tax stability at a time when overburdened local property owners need it most. The 2012 Budget holds the property tax rate flat, responsibly funds quality-of-life services, reduces the size of government, and is in compliance with both the New York State Property Tax Cap and the Monroe County Taxpayer Protection Act. These achievements not only help to avert the crisis facing many counties in 2012, but also speak strongly to the Brooks Administration’s deep commitment to fiscal responsibility and the protection of taxpayer resources.

	Adopted 2011	Proposed 2012	Change	% Change
<u>OPERATING BUDGET (in millions)</u>				
Mandated	680.9	686.7	5.8	0.9
Non-Mandated	95.5	96.3	0.7	0.8
Debt Service	66.2	66.5	0.3	0.4
Non-Mandated User Fee Supported	89.1	90.3	1.2	1.3
Total Operating Budget	931.7	939.8	8.1	0.9
Amounts may not add due to rounding				

The 2012 Operating Budget totals \$939,761,316, a \$8,058,559 or 0.9% increase over the 2011 Adopted Budget. The 2012 Grant Budget totals \$172,120,074, a \$4,576,583 or 2.6% decrease over the 2011 Adopted Budget.

Mandated spending, which represents a staggering 82% of total expenditures, increases by \$5,844,946, or 0.9%. The relative magnitude of mandated spending in the budget reinforces a report by the New York State Association of Counties (NYSAC), that implicates nine mandated programs – probation, early intervention, pre-school, indigent defense, youth detention, welfare, child welfare, pensions, and Medicaid – as primarily responsible for 90% of the average county tax levy. While County Executive Brooks continues to lead the fight for mandate reform, these factors leave little doubt as to why Upstate New York shoulders one of the highest tax burdens in the Nation.

For 2012, non-mandated expenses are held below the rate of inflation through a combination of strict cost controls and the continued streamlining of County services. Even as exploding pension costs and other State mandates challenge counties, the 2012 Budget holds non-mandated spending to an increase of only \$749,557, or 0.8%. The Consumer Price Index (CPI) is currently 3.9%, leaving the budget in compliance with the County’s Taxpayer Protection Act of 2007.

Monroe County continues to reduce headcount by carefully examining each vacant position and filling only those that provide essential and efficient delivery of service. In 2012, the County will support 42 fewer full-time-equivalent positions, resulting in an estimated savings of over \$2,000,000.

The 2012 Budget requires other means to overcome the State's shifting of costs to counties. The 2012 Budget includes \$31.0 million from the sale of property tax liens and also reduces under-utilized and non-essential County infrastructure by calling for the sale of vacant county owned buildings, generating an estimated \$2.5 million.

Bolstering the County Budget again this year are enormous savings achieved by adopting the Medicaid Swap as the method of funding Monroe County's local share of the Medicaid Program. As a direct result of the Administration's decision, it is anticipated the County will save \$11.6 million in 2012.

During this period of great economic challenge for local taxpayers, County Executive Brooks' 2012 budget provides our community with much needed stability and security. However, as the multi-year forecast indicates, our shared future holds many challenges. Increases in personnel costs, anticipated reductions to state and federal aid and the continued burden of unfunded mandates will continue to test the resolve and ingenuity of County government. That being said, the Brooks Administration has proven itself highly capable of overcoming challenges in both the past and present – and its record of fiscal discipline suggests it is well positioned to do so in the future. As a result of County Executive Brooks' steadfast leadership, we are confident Monroe County will continue to experience economic stability in the years to come.

BUDGET DOCUMENT FORMAT

The budget document delineates mandated and non-mandated spending for each department. The budget for each elected office is also detailed and includes a summary of mandated and non-mandated services. In addition, the budget document contains a Multi-Year Forecast which shows the projected expenses and revenues for 2013 and 2014.

COUNTY SERVICES OVERVIEW

Below is an overview of services by Elected Official and their departments:

COUNTY EXECUTIVE

Included in the County Executive budget section are the departments of County government that are within the County Executive's management responsibility. Some of the major department highlights include:

Aviation: The Greater Rochester International Airport is a significant part of the region's economic development infrastructure. Through operating agreements with the airlines, the Airport is self-funded and requires no financial assistance from the County's general fund. In 2011, the Airport completed the design and construction of a new Airport Emergency Operations Center. The central theme of this project was to salvage, re-use and recycle materials in order to control costs and "Go-Green".

In 2012, the Airport will complete the ticket counter and building access improvement project that will improve public access into the terminal and improve the ticket counter transaction areas by upgrading service options available to airline passengers. The department will continue to work cooperatively with local business organizations and the community to attract new airline services and increase revenue to the Airport from non-airline sources.

Board of Elections: The Board of Elections conducts all national, state, county, city and town elections in Monroe County. In 2011, the department implemented an Election Night Reporting system that took advantage of the ability to read data cards, taken from the voting machine, into the system from remote locations. In 2012, the department will adapt all processes to handle increased activities in a presidential election year. The General Election, along with the Presidential Primary, historically sets the high water mark in the 4-year cycle. The dramatic increase in activity affects all areas of election support including voter registration, absentee and affidavit ballots, voting machines, election inspectors, information requests and staffing. This will be the first time in over 100 years that the Presidential Election will be run with new voting machines in Monroe County and throughout the State of New York.

Human Services (DHS): The Department of Human Services oversees federal and state mandated social service programs along with the County's investment in preventive and protective services. In 2011, the department completed a redesign of the internal Quality Control/Case Supervisory Review system. The new system includes enhanced reporting capabilities to identify case processing error trends.

In 2012, the department will continue to work with various state agencies on the service delivery models of the federal and state mandated programs.

Planning and Development: The Department of Planning and Development in 2011 created "Monroe on the Job," which provides match funding to manufacturers and skilled trade employees participating in a qualified certification program. Also in 2011, the department provided twelve land use and decision-making workshops to over 250 municipal board members and professionals.

In 2012, the department will continue joint coordination efforts with the City of Rochester, Greater Rochester Enterprise and Empire State Development to help grow our local economy and create jobs.

Monroe Community Hospital (MCH): MCH is one of the largest publicly owned nursing home facilities in the State and is recognized as a leader in rehabilitation and long term care. MCH continuously strives to provide high quality health care in the face of dwindling resources.

Public Health: This department provides a wide variety of services designed to promote health and protect the public from disease and environmental hazards. Programs include disease prevention and control, environmental health, maternal and child health as well as the Medical Examiner's Office. In 2011, the Starlight Pediatrics ("SLP") became fully operational in the new Monroe County Pediatrics and Visitation Center. Successful co-location of the medical home with the Department of Human Services families and staff involved in supervised visitation has improved efficiencies toward the goal of informing

and improving parenting skills of both foster and birth parents to ensure the success of both children and families.

In 2012, implementation of new data management software will be used collaboratively with other county departments and local municipalities involved in our public health emergency plans to enhance response visualization (such as POD plan recall on the GIS software), enabling quicker information response times and providing real-time situational awareness.

Public Safety: This department consolidates and manages functions related to the provision of public safety services to our community. These services include the 911 call center, radio communications system, emergency responder training and Probation. In 2011, Public Safety Communications continued to work as the lead agency in the Public Interoperability grant to interconnect the voice systems of the five surrounding counties and NYS Police.

The Monroe County Crime Laboratory hosted its grand opening on June 16, 2011 spotlighting the state-of-the-art LEED certified facility. The project was completed under budget, and the new facility provides work efficiencies and offers new functionality such as Digital Evidence analysis, the capability to process fingerprint evidence and a garage to perform vehicle examinations. Meanwhile, the Forensic Biology section of the lab is implementing concepts of Lean Six Sigma and validation robotic extraction instrumentation to streamline analysis methods while the Lab is exploring a “Virtual Crime Scene” program to standardize crime scene processing.

In 2012, the new Computer Aided Dispatch (“CAD”) system is scheduled to be “cutover” in May 2012. CAD is the “hub” of the Public Safety integrated Management system as most records will originate with a 9-1-1 call and is intended to avoid duplication of efforts by integrating all (police, fire, EMS) records management and jail/booking systems.

Public Works Sector: This sector includes the Departments of Environmental Services (DES), Transportation (DOT) and Parks. In 2011, DES completed construction of the Monroe County Crime Laboratory and executed an agreement between the Rochester Pure Waters District and the City of Rochester by which ownership of all remaining city-owned sewer assets, including property were transferred outright to the District. In 2012, DES will begin construction of Multi-Agency Green Fueling Stations with the City of Rochester and will begin design of the Civic Center Chiller Plant Improvements Project.

In 2011, DOT completed highway sealing and resurfacing projects covering approximately 167 lane miles and the reconstruction of two roads consisting of five lane miles. In 2012, the Sign Retroreflectivity Upgrade Project will continue. The objective of this seven year project is to replace 73,000 traffic signs with those having larger letter size and greater retroreflective to conform with new federal highway standards.

In 2011, the Parks Department completed the Rocky Coasts, Elephant and Lions exhibits at the Seneca Park Zoo. In 2012, the department plans construction of master plan improvements at Webster and Oatka Creek Parks.

COUNTY CLERK

The County Clerk is the County Registrar and the Clerk of the Supreme and County Courts. A hallmark of this office has been the use of technology to facilitate access to records and information. The Integrated Records Management System provides enhanced online document access, redacts the display of social security numbers in online documents and improves Pistol Permit record processing. In 2011, the Clerk's Office streamlined the process of ordering copies of records by creating an online document request procedure where customers can request files and copies of documents through the Clerk's website.

The Clerk's Office continues to provide expanded customer access for key services through Mobile DMV, DMV Saturdays, Passport Express and Passport Saturdays.

COUNTY LEGISLATURE

The County Legislature is comprised of 29 elected legislators representing the residents of Monroe County. The budget includes the appropriations for the legislators as well as the Office of the Legislature and Legislature Clerk, the Office of the Legislature President and staff support for both Republicans and Democrats.

DISTRICT ATTORNEY

The District Attorney (DA) is the Chief Prosecutor for Monroe County and his department oversees the prosecution of all crime in the County. The DA's Office services 70 courts. In 2011, the DA's Office continued to support the Project EXILE Gun Interdiction Program and Operation IMPACT, a program aimed at reducing violent crime rates and gang related violence. Further, the DA's Office sustained its support of Project Step Up with the Boys and Girls Club of Rochester, a summer program focused on helping at-risk youth resist gun, drug and gang peer pressure, and secured funding to support the Boys and Girls Club of Rochester's Accelerated Reading Program for younger students.

In 2012, the DA's Office will continue to pursue new grant funding for crime fighting initiatives and work toward expanding programs like Operation IMPACT, Project EXILE and its programs with the Boys and Girls Club of Rochester.

SHERIFF

The Sheriff is a constitutional officer elected to a four-year term and serves as an officer of the court and conservator of the peace in Monroe County. In 2011, the Sheriff's Office developed a special operations multi-year training and equipment plan to ensure compliance with national standards. In addition, the Sheriff's Office was awarded Court Security accreditation for the first time in its history. In 2012, the Sheriff's Office intends to pursue grant funding to conduct a multi-agency and multi-jurisdictional exercise to test Special Teams communication interoperability.

CONCLUSION

The 2012 County Budget is balanced and fiscally responsible. Non-mandated spending is held below the rate of inflation, the property tax rate is stable at \$8.99, and quality of life services are responsibly maintained. The Multi-Year Forecast section of this document demonstrates that Monroe County is deficit-free in 2012, but we continue to face the statewide challenge of managing the growth of mandated programs. However, County Executive Brooks' record of fiscal responsibility has set an outstanding precedent that will ensure the County is well positioned to overcome any and all challenges the future may hold. As a result, we are confident that Monroe County will continue to experience economic stability in the years to come.

COMMUNITY PROFILE

Monroe County and the City of Rochester are located in western New York State where the Genesee River meets the south shore of Lake Ontario. The Greater Rochester area ranked first in job growth by *Business Facilities Magazine*, a leading trade publication targeted at site selectors. The list measures job growth in mid-sized metropolitan statistical areas in July 2011. In June 2010, the *Brookings Institute MetroMonitor* ranked the Rochester metropolitan area as one of the 20 strongest metropolitan areas in the United States.

Kodak, Xerox and Bausch & Lomb, some of the world's most recognizable names in business, all make their home in Monroe County. The community is also home to nationally recognized and growing companies like Wegmans, Paychex, CooperVision, LiDestri Foods, and Harris RF Communications. The University of Rochester, along with its Medical Center, is now the area's largest employer.

There are a variety of industries that make up Monroe County's diverse economic culture: BioTech, Optics and Imaging, Alternative Energy and Fuel Cells, Business and Information Services, Food and Beverage Manufacturing, Telecommunications, Printing and Publishing.

We are a community of innovators on the cutting edge of research and discovery; a community of artists featuring world-renowned performers with a top-flight orchestra and one of the nation's premier schools of music; and a community of entrepreneurs, home to some of the world's best known brands and fastest growing companies.

Creating jobs and enhancing our economic vitality and quality of life is our continued goal. Monroe County is a great place to live and a great place to do business.

Monroe County Today

As of July 2010, the U.S. Census Bureau estimates Monroe County's population at 744,344 residents. A business-friendly infrastructure, a community centered on partnership and collaboration, nationally-ranked colleges and universities, four-season weather and affordable housing are just a few of the many reasons people locate in Monroe County. A strong industrial history, emerging technology sector and an emphasis on high quality services, including higher education, ensure a technically sophisticated and reliable workforce.

Monroe County has an intricate transportation system designed to allow residents the freedom to travel across the county with ease. The average commute time for residents is 19.6 minutes; according to *The Business Journals* our community is recognized as the shortest major metro commute in the nation. Multi-modal transportation is also available in Monroe County, at the Greater Rochester International Airport (GRIA), Amtrak and Rochester Genesee Regional Transportation Authority bus service. The Greater Rochester International Airport is the gateway to Rochester for those visiting the area for business or leisure and was recognized in 2010 by the travel website CheapFlights.com as being one of the top 12 Most Affordable Airports in the U.S.

Seven exceptional colleges and universities provide quality educational opportunities for students from throughout the Greater Rochester area, New York State, the nation and the world. These world-class institutions help support the local economy and bring a talented workforce of professionals into the community. The *US News and World Report* ranks The University of Rochester's Simon School of Business as one of the top 30 business schools in the country (April 2010).

According to the Department of Labor, our community leads New York State in private sector job growth. Businesses locating here can benefit from some of the most competitive incentive programs available. Monroe County offers a wide variety of financing programs and incentive packages for businesses looking to expand or locate here. Large corporations, small companies and start-ups all benefit from the area's excellent educational resources, skilled and knowledgeable workforce, available and convenient infrastructure, and economic development programs, while enjoying an outstanding quality of life.

In addition, home ownership is affordable in Monroe County. A variety of urban and suburban neighborhoods offer an array of housing options at reasonable prices. From downtown lofts to suburban subdivisions to rural farmhouses, high quality housing is within reach for Monroe County residents. According to the National Association of Realtors, median home prices for the metropolitan area remain well below the national median. In fact, when compared to other metropolitan areas throughout the country, the Rochester area ranks among the most reasonably priced.

Economic Profile of Monroe County

Until the last decade, Monroe County's economy was dominated by major manufacturers. As these companies restructured and transitioned, their highly skilled workers fueled the growth of numerous small and medium-sized firms in a range of industries. Today, 97% of the region's job growth is in small business, 70% of the companies in Monroe County have less than ten employees, and Monroe County's manufacturing workforce is the second largest county in New York State (NYS Department of Labor).

Monroe County's higher education and medical services sectors continue to drive economic growth and job creation in the community. Within the next decade, new research and patient care investments will change the footprint of the University of Rochester Medical Center (URMC) as it aims to become one of the top 20 academic medical centers in the nation. The plan calls for investing \$500 million over the next several years in new facilities, technology and strategic recruits. By 2015, the Strategic Plan will result in the hiring of 771 new staff at the Medical Center. A Center for Governmental Research (CGR) study estimates the plan will also result in the creation of an additional 1,000 permanent jobs in the community and the capital projects will sustain on average 1,400 construction jobs per year through 2012. CGR also estimates that by 2015, research funding at URMC will increase by approximately \$50 million over current levels.

The region's economic vitality is further energized by small and medium-sized manufacturers like Harris RF Communications, which in 2010 began a \$46 million project to consolidate existing operations to an 84 acre campus in Monroe County and Rochester Midland which will expand operations to Monroe County as part of a \$13 million project. LiDestri Foods, Inc., a private label and contract manufacturer of food products, primarily sauces, dips and salsas, is expanding to a 652,090 square foot facility in the Eastman Business Park. The project will include the purchase and renovation of the building at a cost of \$5.15 million. An additional \$5.35 million will be spent on equipment and other costs. The facility was chosen over facilities in South Carolina, New Jersey and California. The project will impact 425 jobs locally and create 60 new full-time equivalents (FTE) over three years.

Small and medium sized technology firms, including telecommunications firms; biotech firms such as Vaccinex and VirtualScopics; and information technology firms like Paychex, add significantly to the local economy. *Computerworld* magazine named Paychex one of the top 100 workplaces for information technology (IT) professionals. *Fortune* magazine lists Paychex and Wegmans Food Markets among its Top 100 Best Places to Work. Dixon Schwabl was ranked #1 among Best Small Companies to Work for in America in 2008 and 2009 by the Great Place to Work Institute. The University of Rochester, according to *The Scientist* magazine was rated among the top 10 non-profit institutions in the nation in the magazine's annual ranking of "Best Places to Work" for scientists in the life sciences.

The most tangible evidence of Monroe County's longstanding leadership in technology and innovation is the number of patents issued to inventors living in the Rochester area. *Forbes* magazine ranked Rochester "1st in innovation" with the highest number of patents issued per worker. On a per capita basis, Rochester has ranked 3rd in the nation for number of patents issued.

International trade by area exporters continues to be a significant component of the area's economic activity. Regional exports are estimated at over \$5 billion. Rochester is the second largest exporting region in the state (New York City is the largest). With four approved foreign trade zone sites in Monroe County, the Monroe County Foreign Trade Zone (MCFTZ) has been a catalyst for local export activity since its establishment in 1987.

Quality of Life

Monroe County is a dynamic, historically rich and culturally diverse metropolitan community, the third-largest urban area in the State of New York. This high-tech community has also preserved many links with the past as it claims more sites on the National Register of Historic Places than any other city its size.

Monroe County is recognized nationally for its leadership in arts and culture. The community's vibrant cultural district includes: the world-renowned Eastman Theatre and Eastman School of Music, which was ranked as one of the Top 10 Music Programs by the Fiske Guide to Colleges (2011); Memorial Art Gallery; Susan B. Anthony House; Rochester Museum and Science Center; and the George Eastman House International Museum of Photography and Film. National Museum of Play @ The Strong is ranked as one of the top ten children's museums in the nation, according to *Child Magazine* and is home to the National Toy Hall of Fame. In addition, Monroe County's Seneca Park Zoo is one of the top family attractions in the area.

Monroe County is home to professional sports teams in baseball, hockey, soccer, indoor football, lacrosse, basketball and hosts Buffalo Bills Training Camp. In 2009, *Street & Smith's Sports Business Journal* ranked Rochester in the "Top 10 Minor League Sports Markets in America". The prestigious Oak Hill Country Club has ranked among "America's 100 Greatest Golf Courses" by *Golf Digest* magazine and has hosted some of golf's premier events including the Ryder Cup, the PGA Championship, the US Amateur Championship and most recently the Senior PGA Championship. Locust Hill Country Club has hosted the Wegmans LPGA for 30 years, and continues to serve as the host for the LPGA Championship, one of four "major" tournaments on the LPGA schedule.

According to VisitRochester, Monroe County's tourism promotion agency, over 20,000 people are employed in tourism related industry. In 2010 tourism generated more than \$904 million for the Monroe County economy. Monroe County hosts a number of festivals that attract thousands of tourists to the region each year, including the annual Lilac Festival, Rochester International Jazz Festival and the 360|365 Film Festival.

Monroe County is known for its extensive parks system, one of the most beautiful and scenic in the nation. The county operates 21 parks with nearly 12,000 acres of parkland. Four season outdoor recreation opportunities in the region range from sailboat racing and deepwater fishing on Lake Ontario; camping, hunting and skiing in the Bristol Hills; and windsurfing and boating on the Finger Lakes. Numerous Finger Lakes wineries boast wines that are among the best in the world. The climate of the Finger Lakes is particularly well-suited for white wine production. The area is also home to the New York Wine and Culinary Center, founded by Constellation Brands, Wegmans Food Markets, Rochester Institute of Technology and the New York Wine and Grape Foundation.

Monroe County continues to excel and grow as our community moves forward. Our future is bright with opportunity.

Vision for Monroe County

Monroe County is a community of choice that is economically prosperous with a diverse business base, outstanding educational opportunities, sound infrastructure, access to a wide range of recreational and cultural assets as well as quality affordable housing for its residents. Ours is a community that will encourage future generations to live, work and raise their families here. Through stable property taxes, more efficient government and more effective partnerships and collaborations, Monroe County government will create an environment that promotes aggressive economic development and job creation.

Mission for Monroe County Government

Through the dedicated and productive efforts of its workforce, Monroe County will provide high quality service to its residents in a cost-effective manner. By engaging the community and working together with people from all walks of life, Monroe County will create a government structure that lives within its means and promotes fiscal stability. By fostering a spirit of teamwork and collaboration with community partners, Monroe County government will return to its core values, ensuring a safe and healthy community, with a quality of life second to none.

Monroe County Legislature
Office of the President

JEFFREY R. ADAIR
PRESIDENT

December 16, 2011

Dear Taxpayers,

On December 13, the County Legislature approved the proposed 2012 County Budget. The 2012 budget is a great accomplishment especially during this time of unprecedented economic difficulty. By offering stable property taxes and continuing to provide quality public services, the interests of our families and businesses are put first.

Facing the difficulty of dealing with a budget in which 82% has already been spent by New York State in mandates, the County has kept the interest of our taxpayers at the forefront, keeping the remaining 18% below the rate of inflation. The combined effort of strict cost controls and the continued streamlining of County services have allowed the County to control our non-mandated spending in accordance with the 2007 Taxpayer Protection Act. Additionally, this budget is in compliance with the newly passed New York State Tax Cap.

This balanced budget reduces the size of government without cutting quality-of-life services. County Executive Brooks has continued to keep the property tax rate stable at \$8.99 per \$1,000 of assessed value since 2008. This budget proves to you, the taxpayers, that you have the attention of your local government and that we are committed to putting your interests first.

The highest priority of the Republican Majority in the County Legislature is to serve and protect the taxpayers of this great community. We are proud to join the efforts of County Executive Maggie Brooks and her capable team of financial experts to produce a 2012 Budget that protects taxpayers and preserves our quality-of-life services. We look forward to cooperatively exploring new initiatives and efforts that will produce long-term cost savings in Monroe County.

Sincerely,

Anthony J. Daniele
Chairman
Ways and Means Committee

Jeffrey R. Adair
President

**ADOPTION OF THE MONROE COUNTY BUDGET
FOR FISCAL YEAR 2012**

The County Executive submitted the 2012 proposed budget to the County Legislature on October 27, 2011. On December 13, 2011, the Legislature passed Resolution 269 adopting the Monroe County annual budget for fiscal year 2012.

Operating Budget

	Appropriations	Revenue	Tax Levy
Proposed Budget	\$939,761,316	\$588,196,055	\$351,565,261
Amendments*	\$0	\$0	\$0
Adopted Budget	\$939,761,316	\$588,196,055	\$351,565,261

Grant Budget

	Appropriations	Revenue	Tax Levy
Proposed Budget	\$172,120,074	\$172,120,074	\$0
Amendments	\$0	\$0	\$0
Adopted Budget	\$172,120,074	\$172,120,074	\$0
Proposed FV Tax Rate	\$8.99		
Adopted FV Tax Rate	\$8.99

FUND SUMMARY AND TAX LEVY COMPUTATION 2012 BUDGET

This schedule presents appropriations and revenues by fund. A fund is a self-balancing group of accounts. For fund accounting purposes the entire real estate tax levy is received into the General Fund. The "Transfer From Other Funds" column includes the amounts required from the General Fund to support other funds. The Pure Waters Fund is supported by unit charges to users.

BUDGET PROCESS

Budget Preparation and Development

The procedures governing the preparation, submission and adoption of Monroe County's annual budget are stipulated in Article IV of the County Charter and Article VI of the Monroe County Administrative Code. The development of the capital budget involves a slightly different process and timing, as also stipulated in Article IV of the Charter.

Budgeting is a year-long process. In January of each year, the Chief Financial Officer and Director of Management and Budget brief the County Executive on the financial outlook for the forthcoming and successive budget years. After consultation with the County Executive, detailed budget instructions and specific budget targets are issued to operating departments and authorized agencies by mid-June to guide the preparation of the budget development process. In June and July, department heads and authorized agencies assess department/agency needs, prepare their respective operating budget requests and submit them to the Office of Management and Budget (OMB) on or before a set date in July. OMB personnel, in continued consultation with department staff, analyze budgets during the months of July through October. Many decisions are impacted by federal, state and local changes, which make it imperative to use the latest and most accurate information available before finalizing the budget. Final budget decisions are made by the County Executive, who prepares a proposed budget for submission to the County Legislature on or before November 15th.

Budget Adoption

Following submission of the budget to the County Legislature, the Legislature must meet to deliberate on the budget and also must hold at least one public hearing prior to budget adoption. If the Legislature passes the budget as proposed, no further action is required on the part of the County Executive. If the Legislature changes the budget, the changes must be submitted to the County Executive for her consideration. The County Executive then has 48 hours to approve or disapprove each of the legislative changes. The Legislature can override a County Executive veto within the next 48 hours with a three-fifths majority vote.

If a budget has not been passed on or before the second Tuesday in December, the Legislature must meet every day until the budget is passed or until December 16th, whichever occurs first. If the budget is not passed by December 16th, then the budget as submitted by the County Executive, with any legislative changes agreed to by the County Executive, becomes the adopted budget for the next year. The Monroe County budget takes effect January 1st.

Budget Amendments

During the course of a year the budget is routinely amended. The major reasons are to accept grant funding and to respond to unanticipated program requirements which may necessitate changes of authorizations from one portion of the budget to another. Estimated grant funding may be budgeted through the normal cycle in anticipation of grant funding of a program, but when actual grant amounts are verified through the course of a year, the budget has to be amended to account for exact amounts. Budget amendments which involve the acceptance of additional revenues and corresponding changes of expenses or involve a transfer of expense appropriations between funds have to be approved by the County Legislature. Budget amendments which involve a transfer of expense appropriations among line items between departments may (if they are \$10,000 or less to a particular line item) be approved administratively with the approval of a department head and the Budget Director. Major transfers between departments (amounts in excess of \$10,000 to a particular line item) require the approval of the County Legislature. Since amendments to the budget are done routinely, the year-to-year comparison in the department budgets and in the financial detail is made from the amended previous year budget (rather than the original adopted) to the new budget.

During the budget year, quarterly reviews of key appropriation and revenue accounts deemed critical to maintaining a balanced budget are prepared by OMB and submitted to the Legislature. On the basis of these reviews, OMB, in cooperation with the Controller, prepares a fourth quarter reallocation to revise appropriations for review and approval by the Legislature in anticipation of the current year close-out.

Capital Budget

Monroe County has a six-year plan for capital improvements. This plan is updated each year in the form of a Capital Improvement Program (CIP). As required by Article IV of the County Charter, the administration is required to submit an updated CIP to the Legislature by May of each year, and the Legislature is required to approve the plan on or before the first regularly scheduled meeting in July. The first year of that six-year plan becomes the Capital Budget for the next fiscal year (beginning the following January).

Future implications of the CIP projects on the operating budget are noted in the CIP document. Generally, the implications of capital projects on the operating budget have been to either reduce the cost of maintenance or avoid future increases in the cost of maintaining facilities. For some projects, the implication has been to increase costs because of additional staffing and other expenses required to operate expanded facilities. Other projects result in additional operating costs, but generate additional operating revenues which offset these costs.

The CIP document is separate from this operating budget document. For more information, see the "Capital Program/Debt Service" analysis toward the end of this budget document.

ORGANIZATION STRUCTURE

The department is the principal organization level of the county. The organization of county departments is depicted in the chart on the preceding page. Departments are identified either as operating departments, which provide direct services to citizens, or staff departments, which perform functions relating to the support of the operating departments. The County Clerk, District Attorney and Sheriff are directly elected by popular vote as are the County Executive and the 29 County Legislators.

Departments may be separated into divisions, as necessary, to reach a level which facilitates analysis and understanding. The department level, however, is the level at which the County Legislature actually authorizes appropriations. Within each department and division, unique funds centers are established to identify specific activities of the department. The number of divisions and funds centers presented generally varies according to a department's size and complexity.

The breakdown for a portion of the Planning Department is shown below. Note that the department is identified by a two-digit number shown in parentheses. For the departmental presentations, divisions are identified by a four-digit number and funds centers are identified by a ten-digit number.

FINANCIAL STRUCTURE

The county's financial system is organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise the assets, liabilities, fund balance, revenues and expenditures. The following fund types and account groups are used by the county.

GOVERNMENTAL FUND TYPES

Governmental Funds are those through which most governmental functions of the county are financed. The acquisition, use and balances of expendable financial resources and the related liabilities are accounted for through governmental funds. The following are the county's governmental fund types:

1. The General Fund is the county's principal operating fund and includes all operations not required to be recorded in other funds.
2. Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or capital projects) that are legally restricted to expenditures for specified purposes. The county's Special Revenue Funds include the following:
 - The Library Fund accounts for the activities of the Monroe County Library System, which exists to serve member libraries in the county.
 - The Road Fund accounts for certain public works functions relating to maintenance and improvement of county highways.
 - Special Grants Funds includes programs mandated and reimbursed by the Federal or State government.
3. The Debt Service Fund is used to account for reserve funds established for the retirement of outstanding debt, as well as activities in the county's coupon trust accounts. Other than for the proprietary funds, payments of principal and interest on bond anticipation notes, serial bonds, and capital notes are recorded and appropriated in this fund.
4. Capital Projects Funds are used to account for financial resources to be used for the acquisition of major equipment items and the construction of major capital facilities other than those accounted for in the proprietary funds.

PROPRIETARY FUND TYPES

Proprietary Funds are used to account for ongoing organizations or activities which are similar to those often found in the private sector. The following proprietary funds are used by the county:

1. Enterprise Funds are used to account for operations that provide services to the public and are financed primarily by user charges. The county's enterprise funds include Monroe Community Hospital, Pure Waters, the Airport and Solid Waste.
 - Monroe Community Hospital is a health-related facility for the care and treatment of the chronically ill.

- Pure Waters includes the financing of wastewater management public improvements, as well as operations and maintenance services which benefit the properties against which user fees are charged.
 - The Greater Rochester International Airport is served by a number of major air carriers and commuter lines providing air carrier services, as well as other related facilities and services. The facility, which is owned by the county, has been leased to the Monroe County Airport Authority, but under the Lease and Operating Agreement, continues to be operated by the county through the Airport Enterprise Fund.
 - Solid Waste finances the county's waste disposal and recycling operations.
2. Internal Service Funds are used to account for special activities or services provided by one department of the county to other departments or to other governments on a cost reimbursement basis. Included in this category are the following:
- Building Operations provides for the operation and maintenance of county-owned buildings including the Hall of Justice, County Office Building, Public Safety Building, Civic Center Complex, Crime Lab, Pediatrics and Visitation Center and the Health and Human Services Building.
 - Central Services provides interdepartmental and public mailing services.
 - Fleet Services provides for and services county-owned vehicles and motor equipment.
 - Information Services provides central information services, including computer and telephone systems and support.
 - Risk Management provides for the county's insurance requirements for general liability, workers' compensation and unemployment coverage. These funds are also used to account for certain claims and judgments.

BASIS OF BUDGETING/ACCOUNTING MEASUREMENT FOCUS

The Monroe County budget is prepared on a cash basis. Governmental funds are accounted for using the modified accrual basis of accounting. Under this basis of accounting, revenues are recognized when measurable and available to pay current liabilities. Expenditures are recognized when the related fund liability is incurred, except for principal and interest on long-term debt which are recorded as expenditures when paid, and compensated absences which are recognized as a liability in the applicable fund when due and payable.

Proprietary funds are accounted for using the accrual basis of accounting. Under this basis of accounting, revenues are recognized when earned and expenses are recorded when the liabilities are incurred.

BUDGET FORMAT

The budget document consists of two major parts: the narrative program description or "Department" budget and the line item or "Financial Detail" portion.

The program budget is organized by elected official. Departments under each elected official are presented in alphabetical order. For each department, an organization chart is presented which shows the breakdown of the department into its organizational components (divisions). For small departments that are not subdivided organizationally, the organization chart reflects the primary functions, or activities of the department. Pie charts for each department display operating budget appropriations and grant appropriations by division or category. In addition, there is a pie chart depicting the percentage of Mandated vs. Non-Mandated Services performed by each department along with a general description of these services.

Budget information is presented for each major organizational component within a department. While most budget pages follow the format described below, the format for some pages may vary slightly to include fee schedules or relevant statistical information in the form of bar charts, additional pie charts, or tables. Generally, the page format contains the following components:

Descriptions of each major organizational component summarize the functions of the department or division and include relevant information regarding any recent or proposed organizational or programmatic changes. Descriptions may also be provided for the department's funds centers.

Mission, Accomplishments and Objectives detail the philosophy of each department as well as what the department has accomplished in 2011 and the goals for 2012.

Budget Summary (financial information) presents appropriations by major category of expense, revenue by major source, and the net county support required by the department. Depending on the structure of the department, budget summaries may also appear for each division within the department. If a department has grants, appropriations are segregated by grant and operating budget appropriations. If no grants exist in the department, the budget total presented reflects the operating budget appropriations only. The net county support amount is the difference between a department's appropriations and its anticipated revenue and represents the amount of support required from property taxes and other general fund revenues. Financial data is presented for the 2011 budget as amended and the 2012 budget as proposed.

Performance Measures present data about the organization's input, output, service quality and efficiencies. Measures for the previous year, current year and budget year are presented.

Staff tables (a separate section in the back of the book) show the personnel for 2012 by title, number of full time equivalent positions, and pay group. Salary Schedules (a separate section in the back of the book) relate pay groups to annual salary amounts.

The Financial Detail portion of the budget document shows expenses and revenues in a line item format for major organizational components (divisions) within each department. Departments are presented in order by financial system account number. The financial data shows the actual expenses and revenues for 2010, the appropriations and revenues in the 2011 budget as amended, each department's funding request and revenue estimates for 2012, and the County Executive's proposed budget for 2012.

DEFINITION OF TERMS

ADOPTED BUDGET

This is the annual budget plan for the upcoming fiscal year as formally approved by the County Legislature pursuant to the provisions of Article IV of the County Charter and in Article VI of the County Administrative Code.

AMENDED BUDGET

This is the budget with changes in appropriations and revenues which occur after adoption of the budget by the County Legislature. Generally these changes result from appropriation transfers among commitment line items and the acceptance of grant funds during the year.

APPROPRIATED FUND BALANCE

The amount of fund balance estimated to be available from previous years and designated for use in the current year. The equation for a balanced budget is: Appropriations = Estimated Revenues + Appropriated Fund Balance.

APPROPRIATIONS

An authorization granted by the County Legislature to make expenditures and to incur obligations for specific purposes. An appropriation is limited in amount and to the time period during which it may be expended. Appropriations are divided into budgetary categories, each of which represents a unique type of expense and which facilitates an accounting of the use of county resources.

ASSESSED VALUATION

A value set upon real estate or other property by a government as a basis for levying taxes. In some cases the value may only be a fraction of the property's market value.

ASSESSED VALUE TAX RATE

The amount of tax levied for each \$1,000 of assessed valuation.

ASSET EQUIPMENT

One of the major categories of appropriations. This category includes equipment designated as fixed assets. Examples of equipment are office, computers, construction, plant, laboratory, grounds or motor vehicles, landscaping, law enforcement, safety, tools and shop equipment.

ATTRIBUTABLE REVENUE

The revenue generated as a direct consequence of the provision of a specific governmental activity, such as fees, federal or state aid for programs and income from sales. If the government no longer provided the service, the revenue would also stop.

AUTHORIZED POSITION

The status assigned to a position that has been created by either the County Legislature or the County Executive.

BUDGET

A plan of financial operation including estimates of proposed expenditures for a given period and the proposed means of financing them. It is generally a financial plan for a single fiscal year. For additional information, see Operating Budget, Grant Budget and Capital Budget.

CAPITAL BUDGET

The annual spending plan for major improvements and construction projects which are defined as capital projects (see below). It provides project details, project priority ratings, costs and funding sources.

CAPITAL FUND

An authorization by the County Legislature to spend a defined amount for a particular item or category of items (e.g., "construct a new building" or "reconstruct several culverts"). Each fund has a separate authorizing resolution by the Legislature. The source of funding is usually the sale of bonds or notes, but it might also include federal or state aid or funding by the City of Rochester, the Monroe County Water Authority, a town or a village.

CAPITAL IMPROVEMENT PROGRAM (CIP)

The six-year spending plan for major improvements and construction projects. It provides detail at summary level by functional area and department, funding source and year. The first year of a capital improvement program becomes the proposed capital budget for the next fiscal year.

CAPITAL PROJECT

Any object which is acquired, constructed or renovated having a useful life of three years or longer as defined under the New York State General Municipal Law, Section 11, with a "Period of Probable Usefulness."

CASH CAPITAL (PROVISION FOR CAPITAL EXPENSE)

One of the major categories of appropriations. Funds designated specifically for capital projects in order to avoid long-term debt financing are "Cash Capital."

COMMITMENT ITEM

A sub-category of expense (i.e., salaries, overtime and longevity) within a Commitment Item Class (i.e., Personnel Services). This is the lowest level at which appropriations and revenues are budgeted.

COMMITMENT ITEM CLASS

Categories of budget appropriation. Monroe County's financial platform changed with the implementation of SAP on January 1, 2006. The Financial Detail section is presented using the following major classes:

<u>Code</u>	<u>Commitment Item</u>
501000	Personnel Services
503000	Provision for Capital Expense (Cash Capital)
504000	Contractual Services
505000	Supplies and Materials
506000	Debt Service
507000	Employee Benefits
508000/900000	Interdepartmental Charges
541000	Asset Equipment

CONSTITUTIONAL DEBT LIMIT

In accordance with Article VIII of the State Constitution and Title 9 of Article 2 of the Local Finance Law, this limits the amount of debt which can be incurred to 7% of the five-year average full value of taxable real property.

CONSTITUTIONAL TAX LIMIT

In accordance with Section 10 of Article VIII of the State Constitution, this limits the amount Monroe County may raise in real estate taxes in any fiscal year, exclusive of debt service, to 1.5% of the five-year average full value of taxable real estate of the county.

CONTINGENCY ACCOUNT

A budgetary reserve fund established for unforeseen expenditures not otherwise budgeted. The County Legislature must approve each expense against this fund.

CONTRACTED DEBT SERVICE

The reimbursement to other parties for principal and interest payments made by these parties on amounts borrowed for capital purposes.

CONTRACTUAL SERVICES

One of the major categories of appropriations. Examples of contractual services are travel, mileage, memberships, equipment maintenance, rental of equipment, clothing, telephones, utilities, contracts for services, and rental of space.

DEBT SERVICE

One of the major categories of appropriations. The principal and interest payments for obligations incurred by borrowing to finance capital projects. These payments are similar to mortgage payments on a home.

DEPARTMENT

The highest organizational level for the provision and delivery of a specific government service or closely related services. A department may be comprised of divisions and/or funds centers.

DIVISION

The major organizational component of a department.

EMPLOYEE BENEFITS

One of the major categories of appropriations. Employee Benefits include retirement, social security, medical and retired medical.

ENTERPRISE FUND

A governmental accounting fund in which services provided are financed and operated similarly to those of a private business. User charges provide the majority of revenues necessary to support its operation.

EQUALIZATION RATE

A means for converting the assessed value of property to its full value.

EXECUTIVE'S MESSAGE

A general discussion of the proposed budget as presented in writing by the County Executive to the Legislature.

FEE FOR SERVICE (FS)

A sub-category within Interdepartmental Charges. Specific services (other than Internal Service or ICAP charges) charged by a county department or division to another county department or division. A positive expense appears in the funds center incurring the charge while a negative expense (Service Chargeback) appears in the funds center performing the service.

FINANCIAL DETAIL (LINE ITEM BUDGET)

The part of the budget document that provides line item information on appropriations and revenues for each department. Actual figures are given for the preceding fiscal year, while financial data is also provided for the current year's amended budget, and the department request and County Executive's estimate for the budget year.

FULL-TIME EQUIVALENT (FTE)

The staffing of employee positions, in terms of productive work hours.

FULL VALUATION

The term used to indicate a property appraisal at 100% of market value at a specified prior point in time.

FULL VALUE TAX RATE

The amount of tax levied for each \$1,000 of full valuation.

FUND

A self-balancing group of related accounts.

FUND BALANCE

In fund accounting, Fund Balance = Assets - Liabilities.

FUNDS CENTER

An organizational component of a division.

GENERAL FUND

The accounts of the county are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The General Fund is the county's principal fund, accounting for all financial resources not required to be recorded in other funds. Other types of funds consist of Enterprise, Debt Service, Internal Service and Special Revenue Funds such as the Grant Fund, Library Fund and the County Road Fund.

GRANT

Funding from sources outside the county (federal, state or private) to conduct a specific program to achieve a specific purpose.

GRANT BUDGET

The annual spending and program plan for grants received by the county.

HOTEL ROOM OCCUPANCY TAX

This is a tax calculated as a percentage of the cost of room occupancy on a daily basis (hotel, motel, bed and breakfast, etc.). The rate of taxation is 6% in addition to the standard combined sales tax rate (see the analysis of the Hotel Room Occupancy Tax in the Tax Analyses part of this budget document).

ICAP (INDIRECT COST ALLOCATION PLAN)

A sub-category within Interdepartmental Charges. This federally approved plan refers to the allocation of expenses of staff departments. A positive expense appears in the funds center incurring the charge while a negative expense (Service Chargeback) appears in the funds center of the staff department.

INTEREST ON INDEBTEDNESS

One of the sub-categories of appropriations under Debt Service. Interest on Indebtedness includes the annual interest payment on bonds and notes issued by the county to finance capital projects.

INTERDEPARTMENTAL CHARGES

One of the major categories of appropriations. The Interdepartmental Charges appropriation represents the expense to one county department for services or supplies provided by another county department. This category is divided into three types of expenditures: 1) Fee for Service charges, 2) Internal Services charges, and 3) ICAP charges. Each of these sub-categories is defined under its own heading.

INTERNAL SERVICES (IS)

A sub-category within Interdepartmental Charges. Services charged by a county department or division (classified as part of an Internal Service Fund) to other county departments. Internal Services departments or divisions include Facilities Management, Information Services and Unallocated Insurances. These services are consumed internally in the operations of county departments and are principally financed by charges to user departments. A positive expense appears in the funds center incurring the charge while a negative expense (Service Chargeback) appears in the funds center of the internal service department or division.

INTERNAL SERVICES DISTRIBUTION

An allocation of the budgeted costs of the Internal Services operations to the users of the services.

LINE ITEM BUDGET (SEE "FINANCIAL DETAIL")

MANDATED SERVICES

Mandated services are those which the county is required to provide through either federal or state law. The level of control of these services can range from no control to some control over the level of service provided. Federal/state initiatives, services that are significantly reimbursed by federal/state aid, are also included as mandated services.

NET COUNTY SUPPORT

The difference between appropriations and attributable revenue which must be raised through the property tax levy or non-attributable revenue.

NON-ATTRIBUTABLE REVENUE

The revenue flowing into the county which is not the direct consequence of providing a specific governmental service. Examples include Sales Tax, Off-Track Betting earnings and interest earned on investments. This revenue, together with the property tax, provides the net county support for programs.

NON-MANDATED SERVICES

Non-mandated services are those for which there is no federal or state requirement, nor are otherwise initiated by another level of government, but may be required by the County Charter.

OPERATING BUDGET

The annual spending and program plan for county operations and services. It includes appropriations by category of expense and revenue estimates to support county operations and services. It includes all appropriations and revenues not included in the Grant Budget.

PAY GROUP

Designation within the salary schedule establishing the compensation range for each class of position.

PERSONNEL SERVICES

One of the major categories of appropriations. Personnel Services appropriations include salaries for full-time and part-time employees, overtime costs, shift differential, holiday pay, longevity, educational reimbursement and mandated training.

PRINCIPAL ON INDEBTEDNESS

One of the sub-categories of appropriations under Debt Service. Principal is the amount originally borrowed to finance capital projects and principal payments redeem part of the amount borrowed.

PROGRAM BUDGET

The main part of the Monroe County budget consists of department budgets which describe the programs that the county administers. Each department, division and funds center has a description which is intended to explain the services it provides or the program it carries out.

PROPOSED BUDGET

The budget plan for the upcoming fiscal year recommended by the County Executive to the County Legislature for its formal approval. The budget is "proposed" until it is formally approved or "adopted" by the County Legislature.

PROVISION FOR CAPITAL EXPENSE (SEE "CASH CAPITAL")

REAL PROPERTY TAX

This is a tax on real estate based on the assessed value and the full or partial taxable status of property. Rates of taxation for county purposes vary among the taxing jurisdictions in the county depending on the assessment practice of each jurisdiction. See the analysis of the Monroe County Real Property Tax in the Tax Analyses portion of this budget.

REVENUES

The general category for all income sources which finance county services.

SALES TAX

A tax as a percentage of retail sales (with the general exceptions of food, pharmaceuticals, and other medical supplies) is levied by the State of New York and Monroe County. See the analysis of the Monroe County Sales Tax in the Tax Analyses portion of this budget.

SALES TAX CREDIT

The City of Rochester, villages, and school districts in Monroe County receive cash payments for their entire shares of sales tax. In towns outside of villages, property owners receive the benefit of the aggregate first \$55 million sales tax directly through a credit which reduces their property tax bills and represents their proportionate share of sales tax allocated to the town. Beginning in 1996, the town aggregate amount over \$55 million is distributed to the town governments in direct cash payments.

SEASONAL EMPLOYEE

The status assigned to an employee working a portion of the fiscal year and entitled to minimal fringe benefits.

SERVICE CHARGEBACKS

This includes three different types of interdepartmental charges: Internal Service charges, ICAP charges and other Fee for Service charges (see separate definitions for each). In each case a department will utilize staff and resources in their own budget to perform a service for another department or division. The department being charged for the service will show a positive expense under their interdepartmental charges budget. The department performing the service will show a negative expense in their budget. These negative expenses are categorized as Service Chargebacks. This presentation of the budget coincides with the accounting presentation in the county financial system.

STAFF

A section of the budget that lists the proposed personnel by title, number of positions and pay group.

SUPPLIES AND MATERIALS

One of the major categories of appropriations. Examples of Supplies and Materials appropriations are consumable items such as office, construction, technical, institutional, medical and laboratory, landscaping, law enforcement, safety, recreational, chemical supplies, computer software, fuel and gasoline, motor oil, vehicle parts, clothing, books and periodicals and non fixed asset equipment.

TAX LEVY

The total amount to be raised by the general real estate or property tax.

TAX RATE

The amount of tax levied for each \$1,000 of assessed or full valuation.

UNALLOCATED EXPENSE/REVENUE

Appropriations and revenues not directly related to any department operations are included in the Unallocated Expense/Unallocated Revenue part of the budget. Examples of such appropriations are the contingency account, the contribution to the Rochester-Genesee Regional Transportation Authority, and several debt service accounts for purposes such as the Water Authority and the Outdoor Sports Facility. Revenues include the real property tax, sales tax, interest earned on investments and several other categories.

UNIT CHARGES

The charges to users in Pure Waters districts based upon water consumption and/or assessed value.

USER FEE

The payment of a fee for direct receipt of a public service by the party benefiting from the service.

Financial Strategies for Monroe County

1. Maintain Stable Tax Rate

Aggressive efforts to reduce costs and enhance revenues from outside the County Tax Base will be continued, enabling the County to maintain the property tax rate at or below 2004 levels and provide quality services to its residents.

To this end, Monroe County will:

- Pursue cost-saving and revenue-enhancing measures that reduce the need for county taxpayer funding;
- Pursue federal, state, and other funding and financing strategies that reduce the need for county taxpayer funding;
- Pursue legislative reforms at all levels of government that facilitate the county's ability to deliver services efficiently and effectively.

Collaboration with other governments in and outside of Monroe County, as well as with local businesses and educational institutions, is critical to the success of these efforts.

2. Continue Multi-Year Budget Forecasting

The Monroe County budget document will include an annual budget plus a two-year budget forecast. This will assist policy-makers in their assessment of the proposed budget as well as highlight the potential impact of – and opportunities for change in – existing and proposed local, state and federal programs and policies. The net result will be a better basis for decision-making that supports sustainable programmatic and fiscal health in Monroe County.

3. Rebuild County Reserves

A Tax Stabilization Fund will be created and when fully funded will amount to 7.5% of the average annual sales and property taxes accruing to Monroe County. It will be funded with resources deemed available upon the closing of a year. Any or all of this fund may be applied during the annual budget process to stabilize taxes for the same fiscal year and restored to the target level in subsequent budget years as resources permit. This fund will be accounted for and used for General Fund purposes only.

4. Continue Conservative Cash and Debt Management Practices

The county administration's debt policy provides that debt shall be issued to finance capital projects where funding sources are not immediately available. The debt will be structured in the most efficient manner to limit the impact on the taxpayer and will take payment of existing debt obligations into consideration as well as the total projected operating cost of the county. The use of cash capital through the operating budget will be utilized to finance projects with a short useful life or with costs estimated at \$100,000 or less or for portions of the cost of other projects as financial and budgetary conditions permit without placing undue pressures on the taxpayers. Any and all debt issues will be structured and sold in accordance with sound debt management practices.

5. Maintain Appropriate Internal Controls

The system of internal controls will be maintained and monitored for enhancement opportunities to ensure compliance with all applicable laws and prudent stewardship of public funds. All employees will be responsible and accountable for the safekeeping of public assets and a professional internal audit function will be maintained to monitor the system of controls.

6. Enhance Economic Development Efforts

Economic development efforts will be fully coordinated and aggressively advanced in order to strengthen the underlying economic fundamentals of Monroe County. These efforts will contribute to Monroe County's ability to retain and attract business, labor and residents, maintain a stable tax rate and provide quality services to its residents.

7. Track Performance Towards Goals

Performance measures and targets will be established to measure, manage and promote attainment of Monroe County's financial goals.

MONROE COUNTY PROCUREMENT POLICY

1. **Background**

This policy has been developed to ensure that Monroe County is in compliance with New York State General Municipal Law concerning the procurement of goods and services as defined herein.

In accordance with New York State General Municipal Law §103, all purchase contracts involving an expenditure of more than \$20,000¹ and all contracts for public works involving an expenditure of more than \$35,000² must be publicly bid. This policy prescribes the manner in which expenditures for purchase contracts and public works contracts not subject to public bidding requirements are awarded, as well as contracts for professional services, which are not subject to public bidding requirements, and which are subject to approval by the County Legislature and/or the County Executive. This policy supersedes any policy previously issued and approved.

2. **Guidelines for Securing Competitive Quotations for Purchase and Public Works Contracts**

All County employees involved in the procurement process shall follow this policy for all purchase and public works contracts less than the public bidding limits of \$20,000 and \$35,000, respectively.

All purchases of \$25 and less may be made directly with petty cash, subject to the Petty Cash guidelines established by the Monroe County Controller.

Purchases of items above twenty-five dollars (\$25) up to and including five hundred dollars (\$500), or up to and including one thousand dollars (\$1,000) with the prior approval of the Purchasing Manager, may be made at the discretion of the various departments. The purchase of infrequent and limited services, such as repairs and maintenance, above twenty-five dollars (\$25) up to and including one thousand dollars (\$1,000) may be made at the discretion of the various departments. A cost quote(s) shall be obtained before any purchase. This policy recognizes that the benefits of cost savings from competition can be quickly outweighed by the costs inherent in seeking multiple quotations.

For all purchase and public works contracts in excess of \$1,000 and below the public bidding limits, the County will seek to secure at least three (3) competitive quotes, and shall make an award based on the lowest responsive and responsible quote. Any deviation from this policy shall have written justification from the Purchasing Manager and shall be included in the official file.

3. **When Competitive Bidding May Not Apply**

In accordance with General Municipal Law, there are instances in which Public Bidding is not required. These instances include:

- purchases through New York State contracts
- purchases made by Monroe Community Hospital (MCH) pursuant to Public Health Law
- items to be purchased from a "sole source"
- items procured through a "true lease"
- surplus supplies, materials or equipment purchased from another governmental or public benefit entity
- supplies, materials or equipment purchased from state correctional institutions or from qualified charitable not-for-profit agencies for the blind or disabled
- purchases or public works required in an emergency, subject to the requirements of the emergency purchase order procedures
- standardization of an item as approved by the County Legislature
- energy performance contracts
- professional services contracts

1 Chapter 56 N.Y. Laws of 2010

2 Chapter 494 N.Y. Laws of 2009

4. **Professional Services**

Professional services are not subject to public bidding requirements but are subject to approval by the Monroe County Legislature and/or the County Executive. Professional services are services which require special or technical skill, training or expertise that do not readily lend themselves to competitive bidding. General guidelines for determining professional services are as follows:

- a) Whether the services are subject to State licensing or testing requirements;
- b) Whether substantial formal education or training is a necessary prerequisite to the performance of the services;
- c) Whether the services require a relationship of personal trust and confidence between the contractor and municipal officials.

For all professional services agreements less than \$5,000, a Request for Proposal (RFP) is not required but may be used when practical.

For all professional services agreements above \$5,000 and less than \$25,000, an RFP or Request for Qualifications (RFQ) is preferred and should be used when practical. Other forms of soliciting competition, provided they offer an objective basis upon which to award said contracts, may be utilized upon the prior approval of the Purchasing Manager.

For all professional services agreements greater than \$25,000, an RFP or RFQ is required unless waived by the County Executive or her designee. A waiver may be issued only in the event of a public emergency, as defined under General Municipal Law or the New York State Defense Emergency Act. The County Executive or her designee shall notify the Monroe County Legislature within 90 days of the issuance of any waiver.

Professional services contracts in excess of \$5,000 are subject to approval by the Monroe County Legislature.

5. **Exception for Federal and State Funding**

Contracts for the procurement of all supplies, services, materials and equipment entered into by Monroe County that involve the expenditure of federal or state funds, shall be conducted in accordance with any mandatory applicable regulations of the funder.

Exceptions to this policy shall only be made upon the approval of the County Attorney.

BUDGET SUMMARY

	2011	2012	CHANGE	% CHANGE
<u>OPERATING BUDGET</u>				
Mandated ⁽¹⁾	\$680,903,995	\$686,748,941	\$5,844,946	0.9%

FUND SUMMARY AND TAX LEVY COMPUTATION 2012 BUDGET

This schedule presents appropriations and revenues by fund. A fund is a self-balancing group of accounts. For fund accounting purposes the entire real estate tax levy is received into the General Fund. The "Transfer From Other Funds" column includes the amounts required from the General Fund to support other funds. The Pure Waters Fund is supported by unit charges to users.

	Col. A	+ Col. B	- Col. C	- Col. D	- Col. E	- Col. F	= Col. G

MONROE COUNTY REAL PROPERTY TAX

Several factors influence the amount of county tax that a real property owner in Monroe County will pay:

- **Assessed Value** is the value placed on the property by city or town assessors. As a result of different assessing practices in each jurisdiction, there is a different relationship of assessed value to full value among jurisdictions within the county. In order to apportion the county tax levy across jurisdictions, the different assessed values are "equalized" to full value.
- **Full Value** represents the estimated market value of all the real property in a municipality at some prior point in time. Full value is based on surveys conducted by the State Board of Real Property Services in which actual field appraisals are performed. From these surveys, equalization rates are established by the state to convert assessed value to full value. As a result of changes in assessed value and equalization rates during this past year, full value has increased in Monroe County by approximately 0.7%.

It should be noted that a change in full value does not mean that individual properties have gained (or lost) real market value. Full value is a measurement tool used to compare properties from one jurisdiction to another. The importance of full value is its use in equitably apportioning the county tax levy.

- **County Tax Levy** is the total amount of money to be raised by the general real property tax. The share of the tax levy for each jurisdiction is based on its percent of the county's total full value. For example, Penfield represents 7.19% of the county's full value for 2012 therefore, 7.19% of the 2012 county tax levy is allocated to Penfield.

Once the 2012 county tax levy is determined, the full value tax rate is calculated by dividing the tax levy by the total full value expressed in thousands of dollars.

<u>Tax Levy</u>		<u>Full Value</u>		<u>F.V. Tax Rate</u>
\$351,565,261	÷	39,106,258,218	=	\$8.99 per \$1,000 of full value

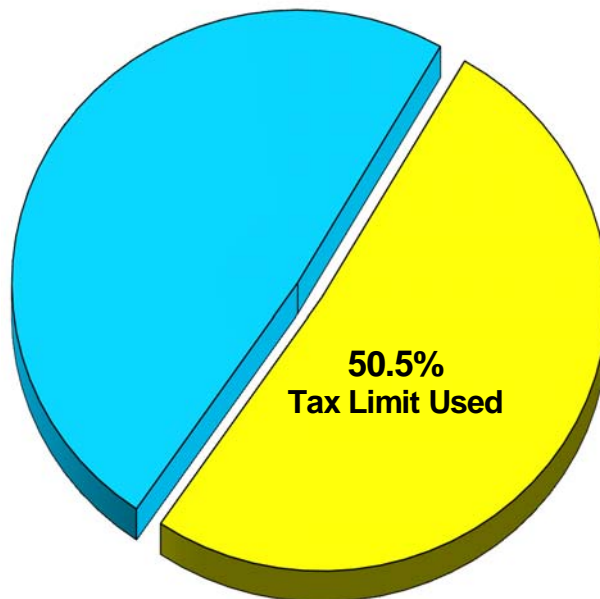

Full value tax rates can be compared from one jurisdiction to another, while assessed value tax rates cannot. The assessed value tax rate is the rate that appears on a homeowner's tax bill and is used to compute the tax bill. The tax bill is computed by dividing the assessed value of a home by 1,000 and multiplying that number by the assessed value tax rate. Sales Tax Credits, the share of total sales tax collections credited to towns, are then applied to reduce the county property tax liability for residents of towns outside villages.

MONROE COUNTY CONSTITUTIONAL TAX LIMIT

The Constitutional Tax Limit of the county is determined in accordance with Section 10 of Article VIII of the New York State Constitution. This limits the amount counties may raise in real estate taxes in any fiscal year, exclusive of debt service, to 1.5% of the five-year average full value of taxable real estate of the county. In the calculation, the Sales Tax Credit to towns is an offset to the tax levy for operating purposes.

2012 Estimated Total Taxing Power	\$572,357,635
2012 Estimated Tax Levy	<u>\$288,882,186</u>
TAX MARGIN	\$283,475,449

LOCAL GOVERNMENT EXEMPTION IMPACT REPORT

On July 7, 2008, Governor David A. Patterson signed into law Chapter 258 of the Laws of 2008. This new law adds Section 495 to the Real Property Tax Law, requiring counties, cities, towns, villages and school districts to attach to their budget an Exemption Report. The Exemption Report presentation is an effort to provide increased transparency to taxpayers in regard to the amount and impact of exemptions on the local tax base.

Date:	October 18, 2011
Taxing Jurisdiction:	Monroe County
Fiscal Year Beginning:	January 1, 2012
Total equalized value in taxing jurisdiction:	\$48,833,163,388

Percentage of market value used to assess:

Exemption Code	Exemption Description	Statutory Authority	Number of Exemptions	Percentage of Value Exempted
12100	New York State - Generally	RPTL 404(1)	225	1.07%
13100	County - Generally	RPTL 406(1)	490	1.08%
13800	School District	RPTL 408	214	2.41%
18020	County of Monroe Industrial Development Agency	RPTL 412-a	442	2.66%
25110	Non-Profit Corporation - Religious	RPTL 420-a	975	1.32%
25120	Non-Profit Corporation - Educational	RPTL 420-a	251	2.02%
-	Other	Various	56,167	9.36%

It is anticipated that Monroe County will receive \$7.0 million in payments in lieu of taxes from the County of Monroe Industrial Development Agency (COMIDA) for 2012.

FACTORS AFFECTING YOUR MONROE COUNTY PROPERTY TAX

FACTOR	CONTROLLED BY	Impact
Mandated Spending	Programs Required by the Federal or State Government	82% of budget is mandated
Non-Mandated Spending	Programs Controlled by the County Government	18% of budget is non-mandated
Monroe County Full Value Tax Rate	County Government	Remains at \$8.99 per \$1,000 of Full Value
Monroe County Real Estate Tax Levy	County Government	Grows by \$2.5 million for 2012
Assessed Value	Town or City Government	Varies by Jurisdiction
Equalization	State Government	Varies by State Formula
Exemptions	State Government	Varies
Sales Tax Receipts	Sharing Agreements	New York State retains 1.61% of Local 4% tax rate; County distributes remaining 2.39%
Medicaid Expenses	State Government	County Medicaid bill is now paid by New York State
Sales Tax Credit (towns only)	Local Economy	Frozen at \$55 million

MONROE COUNTY SALES TAX

RATE

New York State's sales tax rate is 4%. Monroe County's sales tax rate is 4%. The 4% rate in Monroe County has been in effect since March 1993.

SALES TAX REVENUE

Monroe County projects sales tax revenue to increase 1.0% over 2011 projected revenue.

2012 Projected Total Revenue	\$417,020,501
Medicaid Mandate Intercepted	<u>-\$167,850,752</u>
Sales Tax Received	\$249,169,749

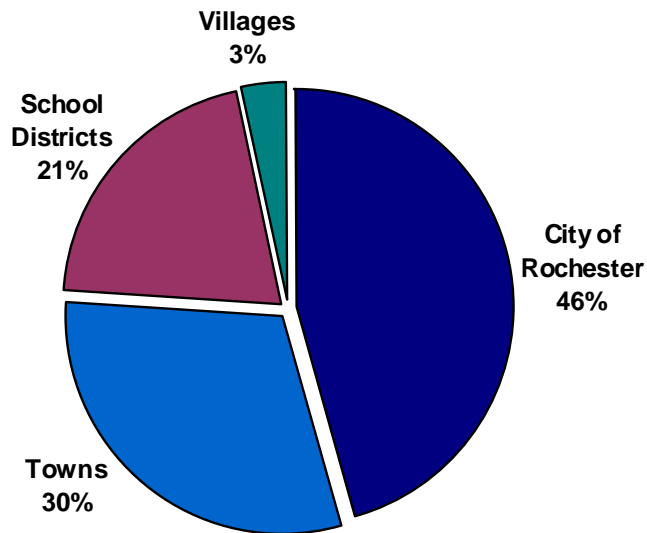

SALES TAX DISTRIBUTION

Monroe County shares the largest percentage of sales tax with its towns, villages and school districts of any county in New York State.

Estimated Sharing Agreements Total **\$285,963,207**

<i>Sharing Partners</i>	<i>Estimated Sales Tax Distribution</i>
<hr/>	
City of Rochester	\$131,057,292
Towns (19) ¹	\$ 85,691,793
Suburban School Districts	\$ 60,034,945
Villages (10)	<u>\$ 9,179,177</u>
	\$285,963,207

Sales Tax Sharing Agreement Distribution

¹ Of the \$85.7 million distributed to towns, \$55 million is via tax credit.

Sales tax sharing is permitted by New York State law. Forty-three of 57 counties share sales taxes with local governments. Only five counties, including Monroe, include school districts in their distribution agreements. Monroe County shares 100% of received sales tax revenues with local governments and school districts. In 2008 Monroe County opted to participate in the New York State program to intercept sales tax revenue to cover the local cost of Medicaid. The New York State Tax Commissioner determined that 1.61% of Monroe County sales tax would be intercepted to pay for Medicaid. The remaining 2.39% of the local tax rate along with a supplement fulfills Monroe County's commitment to the current sales tax sharing agreements.

DISTRIBUTION FORMULAS

Sales tax receipts are divided into two separate components for distribution calculation purposes. The two components, as noted in the Unallocated Revenue portion of the budget (12-1209) are the "**First three cents**" and the "**Additional one cent**".

"First three cents" Component (Morin-Ryan Act Formula)

- The 3% tax component is subject to a complex distribution formula whereby approximately 82.4% is distributed to political sub-divisions within the county and approximately 17.6% is retained by the county to finance the county budget. The Morin-Ryan Act of 1985 details the current formula which included the following stipulations:
 - The City of Rochester receives half the annual growth in sales tax collections.
 - The remaining half is divided among the county, city, towns (including sales tax credits up to \$55 million), villages and suburban school districts, with the villages and school districts "held harmless". According to this "hold harmless" provision, the county must compensate suburban schools and villages for any portion of the distribution they may have lost under the Morin-Ryan Act formula.
 - The city share of sales tax may never exceed 35.63% of total collections.

"Additional one cent" Component (Parity Formula)

- The additional 1% tax was fully enacted in March 1993.
- Beginning in December 1999 (calendar year 2000), after distributing 9.25% of the additional one cent to suburban school districts (5%), towns (3%) and villages (1.25%), the remaining balance (90.75%) is divided between the City of Rochester and the county so that when added to the "**first three cents**" component, the total share (4 cents) for the city and county is equal.

MONROE COUNTY HOTEL ROOM OCCUPANCY TAX

The current Hotel Room Occupancy Tax levied by Monroe County is 6% (this is levied in addition to the retail sales tax). The tax is collected from hotel operators quarterly based on the calendar year.

The revenue derived from the tax is allocated to support agencies, corporations, associations and services whose activities promote or enhance tourism and quality of life in Monroe County. State law provides local authority for distribution of revenue from the general fund.

<u>Agency/County Division</u>	<u>2012 Allocation</u>
VisitRochester ¹	\$ 2,795,000
City of Rochester ²	\$ 1,700,000

Total	\$6,419,663	\$6,362,136	\$6,332,662

¹Passage of this budget by resolution will hereby designate VisitRochester as the official tourist promotion agency of Monroe County for 2012.

²Allocated as \$905,000 for the Blue Cross Arena and \$795,000 for the Convention Center.

³Authorized Agencies and their allocations are detailed on the following page.

Authorized Agencies

Mid-Sized Arts Support

\$45,000

The budget includes a county contribution for arts and cultural organizations with annual budgets between \$95,000 and \$1.6 million.

Rochester Philharmonic Orchestra

\$160,000

The Rochester Philharmonic Orchestra (“RPO”) ranks among the top 20 major American symphony orchestras. The central mission of the RPO is to present symphonic and other music of the highest artistic quality and the presentation of educational concerts. Monroe County funding provides a series of educational concerts that are free or low-cost for area school students in addition to underwriting a series of free concerts in county parks for the enjoyment of the community.

Geva Theatre Center

\$15,000

Geva Theatre Center, Monroe County’s non-profit professional theatre and the most-attended producing theatre outside of Manhattan in New York, presents a season of six Mainstage productions, one holiday production, and a summer special musical each year. Selections include dramas, comedies, classics, musicals and both regional and world premieres. Geva also hosts local community theatres in Theatre ROCS, SpringFest and for fundraisers and special projects. In addition, Geva Theatre Center produces plays, musicals and innovative programs in the Nextstage. Geva provides sign-interpreted performances for the deaf and hard of hearing and audio-described performances for the blind and visually impaired members of the audience. Geva maintains a strong commitment to educational programs, community outreach and new play development. Funding from Monroe County significantly helps Geva Theatre Center maintain its strong cultural leadership in the community.

Memorial Art Gallery

\$60,000

The Memorial Art Gallery maintains a valuable collection of 11,000 art objects spanning 5,000 years and representing diverse cultures and periods of art history. In addition to exhibiting its own collection, the Gallery also hosts important traveling exhibitions organized by its own staff and by other institutions. The Gallery provides guided tours of the collection and special exhibitions, maintains a 44,000+ volume art reference library, and provides teacher training and curriculum consultation for public and private schools. In addition, the Gallery offers public programs of interest to the community’s diverse audiences. Monroe County funding helps the Gallery maintain its facility and extensive art collection and offer reduced price admission on Thursday evenings.

Genesee Country Village and Museum

\$30,000

Genesee Country Village and Museum, the largest living history museum in New York State and one of the largest in the nation, preserves and presents the lifestyles, customs, trade and crafts, horticulture, foodways and sport and recreation of the 19th century in the Genesee Country region. The Historic Village includes 68 historic structures, with trained staff interpreters in period clothing to demonstrate and describe the daily life in the 1800s. Monroe County funding provides essential operational and programming support, which allows the museum to continue to conserve, curate and interpret the history and heritage of Western New York and the Genesee Valley region for the benefit of this and future generations.

George Eastman House
\$30,000

The George Eastman House is located at the historic, restored house and gardens of George Eastman and contains the world's leading collection devoted to the art, history and science of photography and motion pictures.

Rochester Museum and Science Center
\$900,000

The Rochester Museum and Science Center ("RMSC") is a premier educational and cultural institution, serving Monroe County children and families, schools and community groups through exhibitions and programs that explore science and technology, the natural environment and our region's cultural heritage. The RMSC's East Avenue campus includes the Museum, with major permanent and topical hands-on exhibitions, programs and theater presentations; the Strasenburgh Planetarium, with a state of the art Challenger Learning Center; the Gannett Building, housing the fully accredited RMSC Preschool, Science Linkages and the Genesee Community Charter School; the Eisenhart Auditorium, host to many community events; and herb and flower gardens that provide a refreshing urban greenspace.

WXXI Public Broadcasting Council
\$20,000

WXXI Public Broadcasting Council operates six television stations, which includes WXXI-TV21 (cable 11), City 12, and four digital channels: WXXI-HD, WXXI-Q, WXXI-Create and WXXI-DT. WXXI's radio services include four radio stations: FM 91.5, FM 90.3, FM 88.5, AM 1370; three HD radio channels: FM-HD 91.5-1, FM-HD 91.5-2, and FM-HD 91.5-3; and Reachout Radio, a closed circuit 24-hour reading radio service for those who are visually impaired. WXXI's television and radio stations broadcast educational, cultural, news and public affairs, instructional and children's programming for viewers and listeners in the greater Rochester area. WXXI hosts a robust web site (WXXI.org) where visitors can stream the radio stations online, view TV and radio schedules, download educational materials, find play lists, access podcasts and stay current with local and national news. WXXI's Education and Interactive Services (E&IS) deliver education and information to the community through instructional programming, Ready to Learn, GED Connections, EdVideo Online, college telecourses, outreach initiatives and local educational productions. E&IS also provides professional development offerings for teachers, including Online Courses from PBS Teacherline New York and from the WXXI Mid-West Regional Adult Education Net.

Tourism
\$9,016

Monroe County receives funds from Hotel Room Occupancy Tax revenues in order to promote and enhance tourism. Appropriations provide for the County's participation in local promotional activities.

DEPARTMENT: Aviation (81) Greater Rochester International Airport

DEPARTMENT DESCRIPTION

The Greater Rochester International Airport is a major commercial air facility in New York State. The county leases the Airport's facilities to the Monroe County Airport Authority ("MCAA") which sublets land and terminal space to airlines, concessionaires and various other parties. The Aviation Department is responsible for day-to-day operations of the Airport including administrative services, building and field maintenance, security and emergency response to the MCAA under contract. The Airport is self-funded and requires no financial support from the county general fund. The Airport facilities include the three-story garage used as long term parking, three on-Airport surface lots used for short term parking, weekly parking, employee parking and Airport Shuttle Lot parking, as well as three lots off-Airport which are used for Airport Economy Shuttle Lot parking and overflow parking. The budget presented here is for operating costs provided by the Department of Aviation to the MCAA. All revenue from airlines, concessionaires, parking, etc. is paid to the MCAA and is not shown in this document.

Mission

The Monroe County Department of Aviation provides and operates a safe, secure and efficient air transportation facility for the benefit of the local community, the surrounding region and the air transportation industry to enhance economic well being and quality of life.

2011 Major Accomplishments

- Continued efforts to increase passenger boardings and utilization of the Greater Rochester International Airport.
- Completed the design and construction of a new Airport Emergency Operations Center located on Airport property by renovating a vacant building. This facility provides the Airport with a dedicated command post that is in a constant state of readiness for any emergency operation. The central theme of this project was the salvage, re-use and recycle of materials in order to control costs and "Go Green".
- Continued the Airport marketing program which interfaces with local travel agency representatives to encourage travelers to use the competitive low fare air service from Rochester to numerous cities throughout the United States.
- Held numerous public events at the Airport including the 12th Annual Lifetime Assistance "Walk the Runway 5K Race"; Rochester Wings General Aviation Program; Honor Flight; the ESL International Airshow featuring the U.S. Navy Blue Angels; the Fearful Flyers Program and a host of Airport tours for community organizations.
- Enhanced Monroe County's Airport webpage to include the latest generation of Real Time Flight Data and Flight Tracker, as well as weather forecast services.
- Developed a mobile website specific to the Greater Rochester International Airport to provide android and smartphone users with a mobile interface for Airport, airline and flight information.
- Continued to provide air travelers with expanded parking facilities and services, such as the new Parking Rewards program and Auto-Perks program allowing frequent parkers to earn points. For every dollar paid, parkers earn one reward point. Each 100 points redeemed lowers the parker's parking bill by \$8.00.
- Continued to provide improved access and assistance for people who are deaf and hard-of-hearing through the intertype communications system and the installation of the newest generation of videophone technology to improve the user's experience. Four of the videophones are located within the Airport terminal.
- Completed the installation of the Airport solar project with the installation of photovoltaic panels on the Airport terminal roof with 100,000 watt capacity that will reduce Airport power costs and offset the need to purchase carbon-based power.
- Received the Rochester Section of the "Illuminating Engineering Society's Excellence in Lighting" award for the lighting in the Airport parking garage. The award signified the best local lighting project.

- Continued to transition the Airport shuttle bus fleet to compressed natural gas as part of the Federal Aviation Administration's Voluntary Airport Low Emissions Program.
- Incorporated the use of social media such as Facebook to increase Airport awareness, market events and passenger services.
- Completed construction of Taxiway B extension and related improvements to Taxiway C. This new taxiway segment will provide access to the 600' runway extension at the Runway 28 end of the existing crosswind runway.
- Completed the pavement upgrade at the intersection of the two air-carrier runways, 4-22 and 10-28, and relocated Taxiway C at the end of Runway 10 to provide 300 feet of additional pavement for takeoff. This project commenced in 2008 and completes the necessary line-of-sight improvements for Runway 10-28.
- Designed the final project for the line-of-sight improvements between the two air-carrier runways. The project will lower Taxiway E and Taxiway D in the midfield area of the airfield to eliminate this obstruction to pilot and vehicle operators' views on the airfield.
- Developed a new and improved user friendly parking section of the Airport webpage to include a parking calculator that compares parking lot pricing based on the individual's parking needs and dates of service.
- Transitioned to a new valet parking system that stores customer's information for a more seamless and efficient pick-up and drop-off process.
- Assisted in the operation of a Public Safety Training Facility for the training of airport fire/rescue personnel and community firefighters.
- Completed the 2010 Monroe County Airport Authority Annual Report which provides an overview of the 2010 operating program and financial results of the Airport. The 2010 report was presented and distributed on DVDs in an effort to "Go Green".
- Continued to assess and review Airport tenants' compliance with regulatory policies.
- Continued the annual preventive maintenance program for the parking garage and related surface lots used for customer parking at the Airport.
- Continued improved security monitoring of the airfield perimeter.

2012 Major Objectives

- Continue efforts to attract new air services to the community. Specifically, attract air service that focuses on non-stop service west of the Rocky Mountains and to markets that are currently not being served by direct flights.
- Complete the Ticket Counter and Building Access Improvement Project that began in 2011 to improve public access into the terminal and improve the ticket counter transaction areas by updating service options available to airline passengers.
- Retain and enhance air service provided by AirTran Airways as it is acquired by Southwest Airlines.
- Begin update to the Airport Master Plan to set direction for enhancements to the Airport airfield and building infrastructure.
- Expand existing solar energy project.
- Complete the construction of the line-of-sight project that will lower Taxiway E and Taxiway D.
- Initiate a project for improvements to the Runway Safety Area at the west end of Runway 10-28. This project may include the replacement of the Engineered Material Arresting System that was installed in 2001.
- Initiate garage lighting project to reduce energy consumption and costs.
- Continue to research initiatives that will maximize non-airline revenues and maintain airline rates and charges at reasonable levels, including marketing Airport real estate for aviation-related development.
- Continue to explore and expand green energy initiatives.
- Continue development of the Student Art Wall in the Airfield Observatory which showcases artwork produced by local students.
- Continue to ensure Airport compliance with government environmental policies.

ENPLANEMENTS BY YEAR **(Total Number of Boarding Passengers)**

A common and valuable measure of an airport's activity is registered in terms of the number of passengers boarded each year (enplanements). The actual number of enplanements in 2010 was 1,268,792. The estimated number for 2011 is 1,225,000; the estimated number for 2012 is 1,240,000.

DIVISION DESCRIPTIONS

Administration (8101010000)

This division administers all airport field and terminal operations with the exception of air traffic control, which is the responsibility of the Federal Aviation Administration ("FAA"). Specific responsibilities include the development of procedures and policy alternatives, management of county personnel and operations, marketing and public relations programming and the coordination of activities performed under a variety of leases. Administration staff are engaged to some degree in all facets of airport operations and capital improvements.

Also included are debt service payments recorded in this account for 2010 and 2011 to reflect only those capital improvement projects that were not transferred to MCAA in 1989. Detailed information on projects currently serviced by debt is available in the Capital Program/Debt Service section of the budget document.

Airport Security (8102010000)

This division provides services for public safety and general property security and meets FAA requirements concerning the security of aircraft and air travelers. Law enforcement is provided on a 24-hour basis by the Sheriff's Office. A central communication and emergency dispatching center located in the east terminal building provides support to all security and emergency services.

Crash/Fire/Rescue (8103010000)

This division provides a firefighting and rescue station for airfield operation as required by FAA regulations. The Rescue and Firefighting team also responds to non-aircraft related emergencies occurring anywhere on the airport premises. The team responds to over 400 emergencies annually and is required by the FAA to respond to all aircraft emergencies within three minutes. In an effort to reduce and prevent airport and airfield emergencies, this team conducts safety programs for all airport employees and inspects all critical areas and equipment. Personnel of this division also continually conduct in-house training programs and joint training programs with the City of Rochester and various town fire departments to ensure a coordinated emergency response effort to the airport when required.

Field Operations (8104010000)

This division conducts regular inspections of the airfield in accordance with FAA mandated guidelines and maintains a safe airfield environment in all weather conditions. County personnel assigned to this division maintain runways, taxiways, ramps, access roads and landscaping on the airfield. Specific activities include repair of lighting systems, maintenance of turf and pavement and removal of snow and ice.

Custodial Operations (8105010000)

A full-time staff provides maintenance and custodial responsibilities for public portions of the terminal building and other airport facilities. Specific activities include office cleaning, snow removal, cleaning of sidewalks and roadways, terminal and roadway landscaping and the maintenance and repair of terminal equipment, furnishing and fixtures. Personnel monitor all facets of terminal operations to ensure that any day-to-day problems are corrected with minimal inconvenience to airport users.

Building Operations (8106010000)

Building Operations provides services for the plumbing, heating, air conditioning and electrical systems at the Airport. Maintenance services are provided to six buildings, including the Airport Terminal, Regional Transportation Operations Center, Rescue One Firehouse and several smaller freight buildings.

Performance Measures

Board of Elections is mandated by the State of New York to conduct all national, state, county, city and town elections in Monroe County.

BOARD OF ELECTIONS

2012 Budget - \$7,672,273

DEPARTMENT: Board of Elections (20)

DEPARTMENT DESCRIPTION

The Board of Elections conducts all national, state, county, city and town elections in Monroe County. National elections now require compliance with the Help America Vote Act. New York State Legislation identifies additional requirements and implementation procedures. In addition, the Board of Elections provides machines, support and relevant materials to villages, school districts, fire districts, union districts, water districts and other organizations both private and public. It currently maintains official election records on 432,602 voters and directs all aspects of voter registration, redistricting and administration of elections. Updated automated records provide a historical and legal source for governmental agencies and individuals requiring documentation for employment, residency and citizenship.

The Board of Elections continues to provide support for financial disclosure filings for all political and campaign committees supporting candidates within Monroe County.

The Board of Elections trains and manages over 3,500 Election Inspectors for 2011 who are employed for various elections.

Monroe County owns, maintains and programs our machines. The fleet of 900 Image Cast Machines, including 425 Ballot Marking Devices, is centrally stored in our Service Center facility, where ongoing preventive maintenance and testing is performed throughout the year. In addition, over 900 lever Voting Machines are maintained and stored in a secondary facility.

The National Voter Registration Act, NYS Motor Voter/Agency Law and Help America Vote Act affords the opportunity for the Monroe County Board of Elections to provide easy access to the voter registration process and maximize participation in the electoral process.

Mission

We will provide, as a New York State mandated department of Monroe County, through a skilled and dedicated staff, in collaboration with federal, state and county municipalities, for the highest degree of voter participation in honest and fair elections for all the citizens of New York in compliance with the Help America Vote Act.

2011 Major Accomplishments

- Developed a time efficient quarterly and pre-election testing computer program that automatically captures all the required elements for state and federal reporting.
- Revised the poll worker and coordinator training programs to reflect new equipment and change in procedures.
- Implemented a new Site Chair program based on polling sites instead of election districts to take advantage of machines that can handle multiple election districts.
- Developed and implemented a new Election Day Technician program that provides needed support as we move to electronic based voting machines instead of mechanical ones.
- Worked with Greece Central School District to support the implementation of new voting machines over a year before the legally required dates.
- Developed a procedure that eliminated the need to spend valuable staff time labeling many forms by preprinting the forms with the appropriate information.
- Implemented an Election Night Reporting system that took advantage of the ability to read data cards, taken from the voting machine, into the system from remote locations. Monroe County was the pilot site for the whole state for both the Primary and General Elections in 2010. It is now the standard used in two special elections in 2011, along with both the Primary and General Elections.
- Finalized a contract with NTS for a new Election Management System that will provide files to our Dominion Ballot Development system. This will eliminate duplicate entry of the same data in both systems.

- Implemented a new Election Management System from NTS which includes voter registration, absentee voter management, poll worker and poll site management, asset management, petition and candidate management, and election officials management.
- Both Commissioners served on the Monroe County Redistricting Commission to develop redistricting plans for the County Legislature. This resulted in the recommendation of a single plan from the Commission that met all the legal requirements and ultimately received bipartisan support from the members of the Legislature.
- Provided support for both the City of Rochester and the Town of Greece to successfully complete redistricting plans that achieve their goals, met state and federal laws and minimized impact on the voters.
- Implemented the changes, as a result of the redistricting plan, to move over 105,000 voters to new political jurisdictions in record time and with little disruption of our process.
- Reviewed all polling sites for accessibility and developed appropriate plans to support sites with additional ADA equipment where needed.
- Continued to develop new procedures to improve site layout of sign-in tables, privacy booths and voting machines as they related to usage by persons with disabilities.
- Worked with Dominion voting to improve software that runs the ballot creation on the Ballot Marking Device by providing a forum for input by the disabled community resulting in new software changes being submitted to the State Board for certification.
- Put four (4) staff members through the State Board certification training on the review and confirmation of polling sites.

2012 Major Objectives

- Standardize our processes and procedures by developing written documents that support vendor documents identifying the unique elements for Monroe County.
- Fully implement the integration of Dominion (our voting equipment) and NTS (our registrations system) in the ballot creation, election night reporting and canvassing process.
- Finalize and complete upgrade of security system for our Service Center that meets strict state regulations and federal guidelines.
- Implement new centralized high speed counting system for the Absentee Ballots.
- Implement State Assembly, State Senate, along with Congressional redistricting lines.
- Complete the implementation of electronic ballot delivery to overseas military voters.
- Implement and incorporate all legislative changes that affect NYS Election Law.
- Adapt all processes to handle increased activities in a presidential election year. The General Election, along with the Presidential Primary, historically sets the high water mark in the 4-year cycle. The dramatic increase affects all areas of election support including voter registration, absentee and affidavit ballots, voting machines, election inspectors, information requests and staffing. This will be the first time in over 100 years that the Presidential Election will be run with the new voting machines in Monroe County and throughout the State of New York.

DIVISION DESCRIPTIONS

Administration (2001)

Elections are administered in accordance with New York State Election Law and Federal Statute. Administration provides the managerial direction to the department through development of policies, procedures and oversight for all elections. Additionally, Administration Division responsibilities include the development, coordination and implementation of programs for the purpose of maximizing voter participation through voter outreach programs.

Elections Support (2003)

The Elections Support Division registers voters, trains election inspectors, tabulates election results and ensures the integrity of the election process. Instructional booklets, training manuals and financial disclosure information are provided for election inspectors, candidates and campaign treasurers to ensure that campaign financial reports are filed by legal deadlines and that candidates are informed of all necessary requirements and pertinent dates. A computerized election tabulating system has been implemented which provides the public, candidates and media with immediate updated election results.

The staff at the Service Center maintains and programs voting machines for use in primary, special and general elections as well as providing technical assistance to villages, school districts, fire districts and other community-based elections.

Secure storage, maintenance and conduction of an annual audit of official election records of Monroe County voters, including current registration, enrollments and annual redistricting, are performed by the Elections Support Division. Through the use of computerized verification systems, all state reports are filed accurately and within legal deadlines and information can be quickly provided in response to Election Day inquiries from the public.

Performance Measures

COMMUNICATIONS

2012 Budget - \$354,975

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Communications (18)

DEPARTMENT DESCRIPTION

The Department of Communications consolidates a number of county communication functions: Freedom of Information procedures, public information activities, emergency response, graphic coordination and special events planning.

Mission

The Department of Communications is the central source of information on Monroe County operations for all of its customers in the general public, the media and within Monroe County government. The department promotes the policies, programs and agenda of the Monroe County Administration, contributing to the success of those programs by developing community and internal support for them.

2011 Accomplishments

- Assisted in the implementation of several new taxpayer protection and workforce efficiency efforts that have established an unprecedented level of transparency, accountability, and oversight within county government, reinforcing the County Executive's commitment to the ethical stewardship of taxpayer resources.
- Interfaced closely with the County Administration, the Department of Planning and Development, and area private sector leaders to promote several economic development initiatives, including "Monroe On The Job", "Monroe JobLink", and "Monroe Manufactures Jobs LoanPlus", reinforcing the County's Executive's commitment to local job creation.
- Coordinated the dissemination of vital public information pertaining to several public safety and health related hazards, including an isolated outbreak of measles and advising precautionary measures for winter weather, potentially dangerous weather-related events, and sustained hot temperatures during summer months, in an effort to promote community safety as a whole and prevent wide-spread panic.
- Worked in partnership with the County Administration, various county operating departments, and multiple private sector vendors to develop, launch, and administer the Monroe County Prescription Discount Program and the Monroe County Dental Discount Program, reinforcing the County Executive's commitment to ensuring good health and world-class quality of life for residents and families throughout Monroe County.
- Continued to spearhead the innovative "Monroe County Summer Reading Program", to encourage middle school and elementary school age kids to read and further their overall education throughout the summer months, reinforcing the County Executive's commitment to providing Monroe County's next generation of residents with the tools required to achieve strong, vibrant futures.
- Played an integral role in administering and publicizing Monroe County's new "Recycling Education Campaign" and the expansion of curbside pick-ups to include plastics 1-7, in an effort to inform customers on the wide variety of paper and plastic products that can be recycled, further reinforcing the County Executive's commitment to a cleaner, greener, and more sustainable future for Monroe County.
- Continued to strive for excellence in fulfilling the core functions of the Communications Department, including media relations, social marketing, public information activities, emergency response, graphic coordination and special events planning, reinforcing the County Executive's commitment to open and accessible government.

2012 Major Objectives

- Continue to work on major projects such as the Monroe County Eco Park and the county's energy and environmental initiatives.
- Continue to work with the Department of Planning and Development and community partners to advance economic development initiatives and projects.
- Build on successful community outreach and collaborative efforts with local organizations, groups and agencies.

BUDGET SUMMARY

DIVISION DESCRIPTIONS

Administration (1801010000)

The Communications Department provides information about county programs and initiatives to the media and the general public. The division prepares and distributes press releases, schedules news conferences, arranges public appearances and writes and edits a variety of informational materials for public distribution.

The division, in addition to the coordination of public and media inquiries, addresses all requests under the Freedom of Information and Open Meeting laws. Staff is trained to coordinate public information during emergencies involving storms, nuclear power emergencies or other disasters.

Handicapped Parking Education Program (1802010000)

The Handicapped Parking Education Program funds education and public awareness projects to reduce illegal use of handicapped parking spots.

CULTURAL AND EDUCATIONAL SERVICES

2012 Budget - \$35,844,933

DEPARTMENT: Cultural and Educational Services (89)
DIVISION: Monroe Community College (8901)

DIVISION DESCRIPTION

Established in 1960, Monroe Community College (“MCC”) is part of the statewide system of 30 community colleges. The primary mission of the community college system is to extend affordable higher education opportunities to citizens.

For the 2011-2012 school year, full time tuition will increase \$60 to \$3,060 for resident students. Tuition revenue now supports 47.5% of the net college budget. Monroe County and the State of New York are primary funders for the remainder of the budget. The county contribution increases \$1,200,000 while the state base aid decreases \$138 to \$2,122 per student. The state aid level is 9.1% under the 40% state support levels contained in the community college funding regulations. MCC’s projected enrollment for 2011-2012 is 16,181 full time equivalent (“FTE”) students; 14,099 FTEs are projected at the Brighton campus, which includes the Applied Technology Center and Public Safety Training Facility students and 2,082 FTEs are projected at the Damon City Center.

Each year there is an operating budget review process. The College Board of Trustees and the College President submit the operating budget to the Monroe County Executive and to the County Legislature for review and approval. Prior to the beginning of the college fiscal year, which begins in September, the budget is reviewed and final appropriations are authorized by the Legislature. **The county contribution to MCC was approved by the Monroe County Legislature through Resolution #211 of 2011, which was adopted on August 9, 2011.**

Monroe County is also responsible for sponsor support associated with residents who attend other New York State Community Colleges outside of the county. Likewise, other counties sending students to MCC are obligated to support their students.

This cost center also includes debt service expenses generated by MCC capital projects authorized under the county’s Capital Improvement Program.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations</u>		
Contribution to MCC	16,680,000	17,880,000

DEPARTMENT: Cultural and Educational Services (89)
DIVISION: Monroe County Soil & Water Conservation District (8903)

DIVISION DESCRIPTION

Section 224 of the New York State County Law permits counties to support the services of specified types of non-profit organizations, corporations, associations and agencies, provided that services are rendered within the supporting county.

The Monroe County Soil and Water Conservation District was established by the Monroe County Board of Supervisors in 1953 to provide the public with on-site natural resource conservation planning, technical assistance with erosion control and water quality improvement and information and education on the conservation of natural resources.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations</u>		
Monroe County Soil and Water Conservation District	50,000	50,000
Total	50,000	50,000
<u>Revenue</u>		
	0	0
<u>Net County Support</u>		
	50,000	50,000

Performance Measures

	Actual 2010	Est. 2011	Est. 2012
Provide technical assistance to farmers, landowners, residents on natural resource concerns	1,423	1,500	1,600
Construction site compliance check	93	125	130
Educate engineers, developers, municipal staff and contractors on Phase II stormwater regulation/training sessions held	1,100/41	900/50	1,000/45
Agricultural acres planned for erosion protection practices	8,495	10,000	9,500
Educate target audiences on soil & water resources	8,363	8,500	8,800
Plans reviewed to reduce water pollution from stormwater runoff	10	10	10
Respond to and resolve citizen's complaints related to erosion/sediment control	19	30	35

DEPARTMENT: Cultural and Educational Services (89)

DIVISION: Libraries (8904)

DIVISION DESCRIPTION

Monroe County funding for Libraries is tracked in two cost centers: the Monroe County Library System ("MCLS") and the Rochester Public Library Central Services. The annual budget allocation is contained in a separate library fund.

Libraries in Monroe County are part of an independent federation united by a contract. The Monroe County Library System provides centralized services to all city, town and village libraries. MCLS was established in 1952 and is managed by an 11-member Board of Trustees and a Director under contract with the Board. The Rochester Public Library ("RPL") and its Board share the same Director. The RPL includes the Central Library and city community branches. Monroe County provides the majority of the funding to support the Central Library. Under a 1968 agreement between Monroe County and the City of Rochester, RPL provides central library services to MCLS.

MCLS and the Central Library have moved aggressively to utilize new technologies to expand the depth and breadth of access to quality information in the County.

2011 Major Accomplishments

- Completed a major upgrade of the MCLS library automation system, resulting in better customer service, including a mobile application for the library catalog, tagged catalog browsing, and online payment of fines and fees.
- Continued to position the Central Library as the cultural center of downtown through increased programming, which included a highly successful series of Sunday history programs; continued collaborations and programs with the International Sister Cities of Rochester; a continued partnership with the Rochester International Jazz Festival which brought five performances and more than 1,000 people to the Central library in June 2011; and in collaboration with Friends of the Rochester Public Library continued the Books Sandwiched In, Tuesday Topics and Thursday Thinkers programs.
- MCLS partnered for the third year with Monroe County and the County Executive's Office to sponsor a county-wide summer reading program. This partnership developed a multipage insert in City Newspaper advertising summer activities at the MCLS libraries and resulted in 11,879 children participating in summer reading throughout Monroe County in 2011.
- The Monroe County Library System obtained and distributed \$381,541 State Library Construction funds to member libraries in Gates, Brockport, and Rochester. MCLS also provided guidance and advice to the Gates and Mendon Public Libraries as they built new library buildings in 2010, resulting in both libraries opening new buildings in June 2011.
- Through a series of programs and events, celebrated the 100th anniversary of the Rochester Public Library.
- Examined role of the Technical Services Department in order to achieve operational efficiencies and improved customer service. A new service model has been developed resulting in staffing efficiencies. A fundamental change in how library materials are acquired, cataloged and processed is expected to result in further efficiencies in 2012.

2012 Major Objectives

- Analyze and revamp the Public Services delivery model with a focus on reducing costs and improving customer service.
- Continue to develop the Central Library's role in the development of new formats and digital content for the Monroe County Library System.
- Increase revenue generating sponsorships for the MCLS web page.
- Pursue sponsorship funding for other MCLS projects, such as the summer reading program booklet.

SECTION DESCRIPTIONS

Monroe County Library System (8904010000)

This cost center funds services that are directly related to the administration of activities with a system-wide impact. Included in the services funded are an automated circulation system and administration of contracts and activities that provide technical services. These technical services include the centralized ordering, cataloging, and processing of library material and the management of the system-wide bibliographic database.

Mission

The Monroe County Library System is a coalition of member libraries that provides materials and programs to meet the informational, educational and recreational needs of individuals, member libraries and local governments through: 1) collaborative ventures for cost effective delivery of quality services; 2) centralized delivery of selected services; and 3) the fostering of fast, accurate access to materials and services in a seamless, consistent and uniform manner.

Rochester Public Library Central Services (8904020000)

Under a 1968 agreement between Monroe County and the City of Rochester, RPL provides central library services to the Monroe County Library System. The county reimburses RPL for the new costs of the services provided.

RPL's Central Services are available to all county residents through support and consultant services to all libraries in the county.

Public services provided at the Central Library include loan of library materials and information services to library users. The entire collection of books, periodicals, pamphlets, newspapers, films, recordings, art reproductions and other non-print materials of the Central Library are available to all residents of the county, either through direct use or via interlibrary loan to community libraries.

Mission

The Rochester Public Library enriches the quality of life in Rochester and Monroe County by providing educational, recreational, aesthetic, and informational materials, services and programs to help people follow their own lines of inquiry and enlightenment.

Through a partnership of public and private resources, the library assists the city and county in meeting the needs of the community by operating the central and branch libraries, conducting outreach programs and providing services to member libraries of the Monroe County Library System.

In all its endeavors, the library maintains and promotes the principles of intellectual freedom and equality of access.

DEPARTMENT: Cultural and Educational Services (89)
DIVISION: Cultural District Development (8905)

DIVISION DESCRIPTION

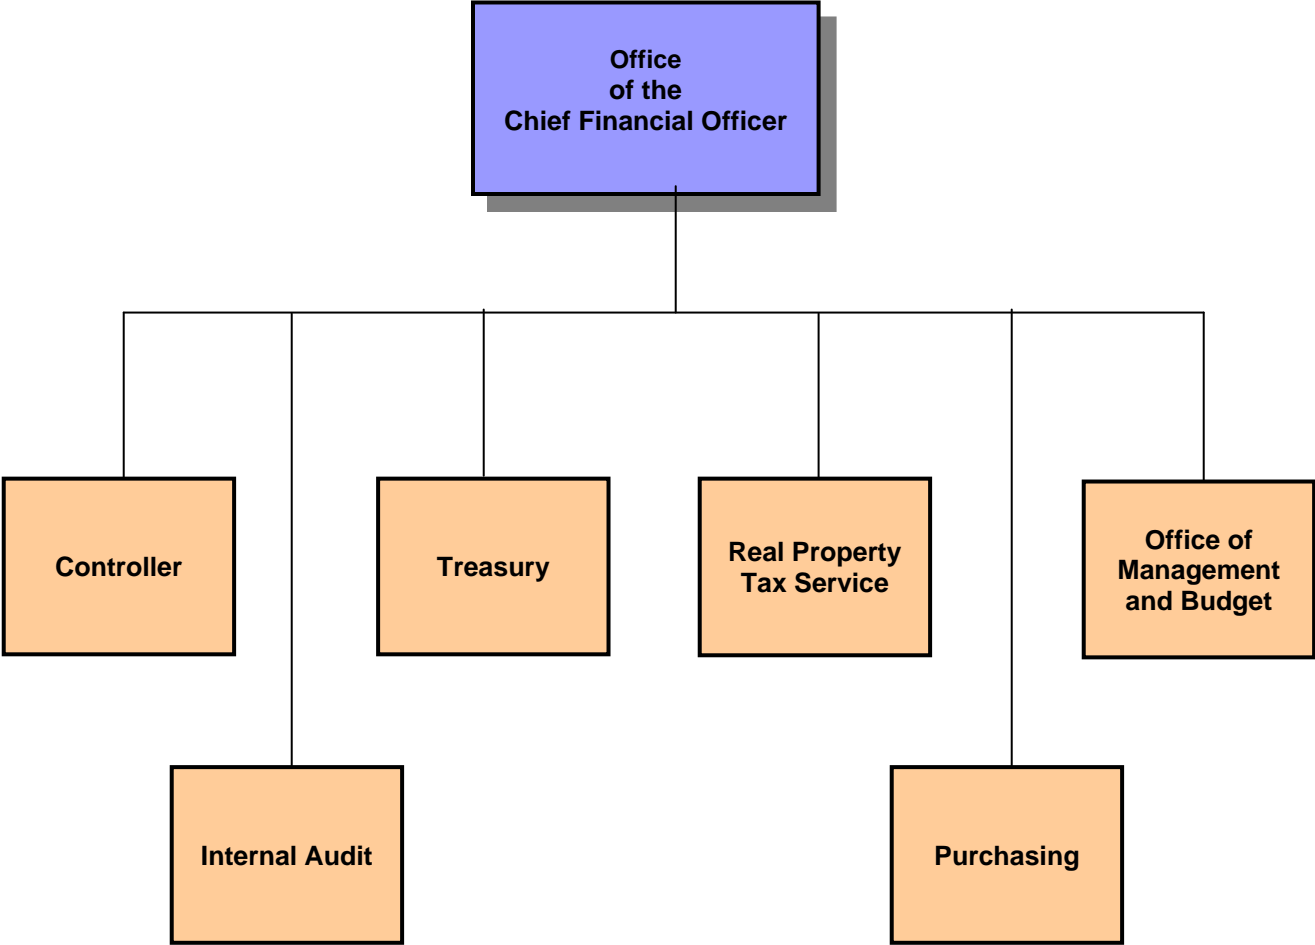

In 1979, as part of its effort to maintain and strengthen the County's economy, Monroe County joined with the City of Rochester and several private agencies in a venture to preserve and redevelop downtown Rochester. The City and County obtained special state legislation which permits joint sponsorship and establishment of a cultural district. The development involves renovation and construction of cultural and entertainment facilities, residential structures and various support facilities surrounding the Eastman Theatre.

FINANCE DEPARTMENT 2012 MANDATED/NON-MANDATED

The percentages above do not reflect the deduction of Service Chargebacks.

NON-MANDATED	6,699,378
MANDATED	3,902,158
SUBTOTAL	<u>10,601,536</u>
DEBT SERVICE	0
SERVICE CHARGEBACKS	<u>(3,789,794)</u>
TOTAL BUDGET	<u>6,811,742</u>

The Offices of the Chief Financial Officer, Controller, Management and Budget, the Divisions of Treasury, Purchasing and Internal Audit are non-mandated.

Mandated includes New York State Pension and Social Security costs. The functions performed by Real Property Tax Service, excluding Real Estate, are mandated by New York State. A subdivision of the Controller's Office provides staff support for state and federally mandated services in the Department of Human Services and the Department of Public Health.

FINANCE

2012 Budget - \$6,811,742

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Finance (12)

DEPARTMENT DESCRIPTION

Under the administration of the Director of Finance – Chief Financial Officer, the department serves to supervise and control the financial affairs of the county. This includes coordinating and managing the functions of the Office of the Controller, the Office of Management and Budget, and the Divisions of Treasury, Real Property Tax Service, Purchasing and Internal Audit as well as Debt Management.

Mission

To maximize the ability of Monroe County government to promote the social and economic well being of the community in a financially responsible and sustainable fashion, minimizing the reliance on county taxpayer resources.

2011 Major Accomplishments

- Issued the Comprehensive Annual Financial Report (“CAFR”), which documents and communicates Monroe County’s financial and various operating performances for the year ended December 31, 2010.
- Received an unqualified opinion on the county’s financial statements, for the year ended December 31, 2010, from the county’s independent auditor.
- Began development of paperless public bid process and paperless Requests for Proposals.
- Renegotiated contract for storage of Human Services permanent records to reduce storage footprint and implement bar coding to improve records tracking and retrieval.
- Implemented an upgrade to the county’s integrated financial system, SAP. Version 6.0 provides for greater functionality while allowing the county to remain current with the latest software release.
- Began pilot program for Accounts Payable Automation, which allows county vendors to receive payment electronically via credit card instead of paper check.
- Added Health Department, Community Development and DES Business Services Group to Contrack HQ (county electronic contracting system). A total of six operations are contracting electronically.
- Issued \$14,000,000 in Public Improvement Bond Anticipation Notes at a rate of 0.90%.
- Real Property Tax Services now processes tax rolls and tax bills for all nine villages in Monroe County.
- Worked closely with departments to gain an understanding of departmental operations and improve monitoring capabilities in specific areas.
- Produced the 2011 Budget Document on CD (and the internet), marking the 12th consecutive year that the budget has been made available in this format, thus saving county dollars.

2012 Major Objectives

- Implement paperless bid public and RFP process countywide, which will improve efficiency, reduce costs for vendors and reduce paper consumption.
- Expand the payment automation process to include more vendors.
- Transition of the current client server version of the property tax collection system to a new web “Cloud” browser-based version.
- Setup on-line request and delivery for subdivision and tax map requests.

- Continue to enhance the software application for the Office of Management and Budget with additional functionality to improve integration with the SAP system and to achieve greater efficiency for internal business processes.
- Continue to work closely with departments on monitoring issues, including the impacts of the New York State budget, for current and long term budget planning.

DIVISION DESCRIPTIONS

Office of the Chief Financial Officer (1201010000)

The Office of the Chief Financial Officer is responsible for formulating, evaluating and examining financial policies; directing investment, cash flow and borrowing programs; and supervising and coordinating the operations of the department. Assistance is given to other departments in order to improve their financial operations.

The Office of the Chief Financial Officer will implement and/or continue the fundamental strategies of financial management as articulated in the Financial Strategies section of the Monroe County Budget.

Controller (1203010000-1203040000)

The Office of the Controller is responsible for the accounting of all fiscal affairs of the county, and for providing financial statements in accordance with accounting principles generally accepted in the United States. This division is responsible for monitoring and safeguarding county assets through effective internal controls. The Controller's Office maintains and operates the county's central financial information system, disburses county funds including payroll, and monitors county revenue and cash flow. The office assists and works jointly with other departments within the county to accomplish the overall goals and objectives of the county's Finance Department.

Internal Audit (1204010000)

Internal Audit is an independent appraisal function established within the Finance Department. Internal Audit evaluates the adequacy of the county's internal control environment, the operating environment, related accounting, financial and operational policies, and reports the results accordingly.

Treasury (1205010000)

Treasury is responsible for collection of county taxes in the City of Rochester and town and county taxes in the county's nineteen towns. Treasury is also responsible for the efficient collection of delinquent taxes, interest and in lieu of tax payments.

All county revenues are received, posted and deposited on a daily basis. Treasury administers county trust funds as well as more than 240 court trust funds. Additionally, tax information is provided on a daily basis to the general public at the information counter, via the Internet and by phone.

Real Property Tax Service (1206010000-1206030000)

Real Property Tax Service ("RPTS") maintains assessment rolls, apportions the county levy among the 21 assessing jurisdictions in the county, advises local assessors on procedural and legal changes, updates tax maps, processes title change data and reviews both new subdivision and re-subdivision maps for filing. RPTS also investigates applications for correction of assessment errors as well as refunds, calculates tax rates on behalf of the towns, special benefit districts, Pure Waters districts and various special or delinquent charges.

RPTS calculates the apportionment of the semi-annual mortgage tax distribution, prepares tax warrants, state mandated reports, and participates in the training of local assessors. RPTS supports an on-line assessment processing system for the local assessors. RPTS processes Certificates of Residency for annual community college chargebacks to towns.

Purchasing (1207010000, 1285010000, 1290010000)

Purchasing is responsible for buying supplies, materials, equipment and services for all county departments in accordance with the requirements of competitive bidding and advertising as contained in the county's Administrative Code and New York State Law. Through the Monroe County web site, Purchasing provides information regarding upcoming and current bids, how to do business with the county and contract information for local municipalities and political subdivisions participating in the county's cooperative purchasing program. Purchasing establishes specifications and standards and identifies appropriate suppliers for the goods and services. It ensures that receiving departments have sufficient appropriations available to pay for their purchases.

Central Services, also budgeted within Purchasing, is administered by the Purchasing Manager. It provides funding and management for the County Office Building and CityPlace mailrooms. Expenses for these services are entirely charged back to user departments.

Purchasing also includes the Contracts Office, which coordinates the Request for Proposals/Qualifications process and the development of professional services contracts for County departments.

Office of Management and Budget (3001010000)

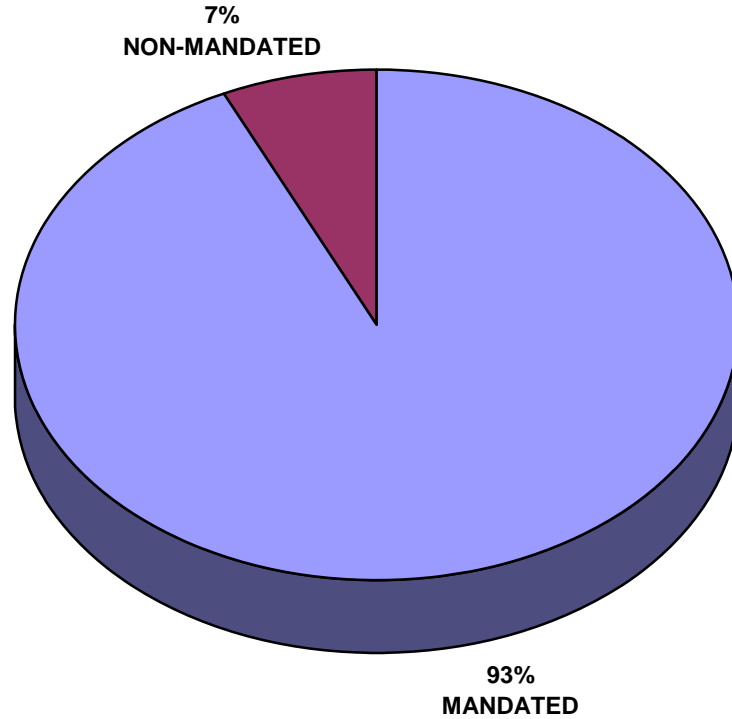

The Office of Management and Budget (“OMB”) prepares, publishes and administers the annual budget. The division monitors expenditures and revenues and conducts analyses of county operations for the purpose of improving efficiency and effectiveness. A typical annual work plan also includes the preparation of multi-year budget forecasts, analyses of the effect of the New York State budget on the county budget, and preparation of financial information and analyses for presentation to the credit rating agencies. OMB reviews recommendations to the County Legislature and contracts for services to ensure consistency with county financial and management objectives and policies.

<u>Real Property Tax Revenue</u>	349,088,376	351,565,261

SECTION DESCRIPTIONS – APPROPRIATIONS

County General (1209020000)

These appropriations include the Contingency Account, erroneous assessments and other miscellaneous expenses. The Contingency Account provides for unexpected expenses which may arise during the year. The account is established and administered in accordance with Article IV of the County Administrative Code. Expenditures against this account require approval by the County Legislature. Funding will remain the same in 2012 (\$100,000). Erroneous Assessments are repayments of property tax that result from factual or recording errors or failures to comply with certain legal requirements and are budgeted in this expense object along with successful challenges to assessments.

For 2012, expenses include payments to towns, villages, school districts and the City of Rochester whereby the county will distribute the same dollar amount of sales tax funding these municipalities would have received had New York State distributed the entire revenue from the 4% Sales Tax Levy to the county.

Other miscellaneous expenses include costs for memberships by the county in organizations, the costs associated with the issuance of bonds and notes, taxes and assessments paid on county-owned properties acquired after the taxable status date and costs to administer the employee benefit parking program, flexible spending program, prescription drug program and health savings accounts.

Contribution to Other Funds (1209030000)

The Facilities Management Division provides office space, building maintenance and utilities to operating departments. Each building charges user departments for the above services based upon a percentage of space occupied by the users. Generally, reimbursements to the buildings from user departments do not support the entire cost of operating every building. Therefore, a contribution from the general fund is required to balance these Internal Service funds.

Contribution to the Rochester-Genesee Regional Transportation Authority (1209050000)

The county provides assistance to support the operating costs of the Authority's subsidiary, the Regional Transit Service. The level of county assistance is mandated under Article 2, Section 18-b of the New York State Transportation Law as the local match to operating assistance provided by the State of New York.

Debt Service – Water Authority (1209060100)

In 1969, the County Legislature agreed to issue \$27 million in bonds on behalf of the Monroe County Water Authority to finance construction projects. Since that time, the Water Authority annually submits project proposals to the county for inclusion in the Capital Improvement Program. The county has been able to borrow at interest rates lower than the Water Authority would have been able to obtain. The Water Authority repays the county the amount of debt principal and interest costs paid each year by the county on the Authority's behalf; this reimbursement is budgeted as revenue in this division. This agreement helps reduce the cost of providing water treatment and distribution facilities in the county.

Debt Service – Medical Examiner/Lab Building (1209060300)

The Medical Examiner facility was completed in the fall of 1993. The Medical Examiner's Office is the focal point for the investigation, collection, analysis and dissemination of "medicolegal" information for Monroe County and several surrounding counties. The facility provides an improved level of support to meet the needs of physicians, other health care professionals, law enforcement officials and family members of decedents.

Note: Revenues associated with the use of the facility by the Medical Examiner are budgeted as other revenue in this division.

Debt Service – Resource Recovery Facility (1209060400)

The Resource Recovery Facility has ceased operation and is no longer an active part of the county's solid waste management program. Debt service on the construction fund is included in a separate account as an unallocated expense rather than as a solid waste program expense because the facility is inactive. The county's auditor recommended this change in the audit of 1992 financial statements. Appropriated fund balance from the debt service reserve is budgeted to offset the expense.

Debt Service – Greater Rochester Outdoor Sports Facility (1209060600)

The county has incurred debt service expenses for a share of the total cost of construction of the Frontier Field outdoor stadium used primarily by the Rochester Red Wings baseball team. The agreement with the non-profit organization, Rochester Community Baseball, Inc., provides for repayment of this cost from revenues generated by events at the facility. This debt service expense also includes the cost of the purchase of the former outdoor sports facility, Silver Stadium.

Debt Service – Other (1209060200, 1209060500, 1209060700)

Other debt service funding is provided for the Civic Center garage relating to the construction and repair of the garage, Geographical Information System projects and County General account borrowings.

SECTION DESCRIPTIONS – REVENUE

Real Property Tax

This is the tax levied on real estate owners for county purposes. See the Tax Analyses part of the budget for more information on the real property tax.

Property Tax Penalties

This represents the interest charges collected on overdue taxes as well as the interest, penalties and other charges attached to the original tax amount at the tax sale date (precedent to tax foreclosure action).

Payments in Lieu of Tax

The county receives designated payments, instead of taxes, from two major sources; Urban Development Corporation (UDC) subsidized housing projects and County of Monroe Industrial Development Agency (COMIDA) contract agreements. Payments in lieu of taxes serve as an incentive for industrial development and special types of residential construction. The payments change from year to year with the number of COMIDA contracts and the aging of existing contracts for which higher payments are required.

Sales Tax

The current county sales tax levy is 4%. The first 3% is allocated through a complex formula (Morin/Ryan Sales Tax Adjustment Act of 1985) to the county, the City of Rochester, towns, villages and suburban school districts. Effective September 1, 1992 the county, as authorized by state law, increased the sales tax rate in Monroe County by 0.5%. An additional 0.5% was authorized effective March 1, 1993, bringing the rate of increase to a full 1%. Under the current law, authorization for this 1% increase needs to be renewed every two years by the state. The additional 1% is also distributed to all sharing partners, based on prescribed formulas.

Total sales tax receipts are estimated to increase approximately 1.0% above 2011 projected, net of prior period adjustments. The estimated county revenue for 2012 (prior to distribution to sharing partners) is \$86.5 million.

See the Tax Analyses portion of the budget for more information on the sales tax.

OTB Distributed Earnings

The Western Regional Off-Track Betting Corporation distributes 50% of its net revenues among participating counties on the basis of wagering originating in the respective counties. The remaining 50% is distributed based on population.

Interest and Earnings – General Fund

This is interest earned on the investment of funds received prior to the time they are needed to meet current operating expenses. Funds available for investment are provided by revenues such as the property tax and sales tax. The income from temporary investment of funds is a function of both prevailing interest rates and the amount of cash available for investment.

Earning on Capital Funds

This represents interest earned on the investment of funds borrowed for capital projects. Borrowed funds are invested until they are needed to pay project costs. The income from the temporary investment of funds is a function of both prevailing interest rates and the amount of cash available for investment.

Interest & Earnings on Reserve for Bonded Debt

This represents interest earned on investment of Reserve for Bonded Debt balances.

Medicare Part D Reimbursement

Reimbursements from the Federal Government relating to Medicare Part D.

Other Revenue

This category includes revenue from rental of county property, commissions from minor sales not applicable to any specific department and revenue associated with the recovery of municipal tax refunds for erroneously assessed property. In addition, for 2012, the sale of property tax liens, reimbursement for retiree reinsurance program and the sale of assets are included.

DEPARTMENT: Finance – Unallocated Expense & Revenue (12)

Division: Unallocated – Insurances (1265 – 1280)

DIVISION DESCRIPTION:

The Insurances Division serves as a cost center for the financial management of the county's four self-insurance programs: Workers' Compensation, Unemployment, Liability and Dental. These programs are part of a modified self-insured approach used by the county which combines direct payment of judgments and claims with the purchase of certain policies that afford coverage against extraordinarily high claims. The insurance budgets are composed of estimates for direct payments of claims, premiums for policies against "excess claims" and other specific types of liability coverage such as property damage and administrative costs including professional service contracts. While there are no personnel directly assigned to this division, there is a charge from the Law Department for staff time required for the administration of insurance policies and the litigation of cases. The cost of maintaining the county's insurance programs is distributed to departments through interdepartmental charges.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations</u>		
Workers' Compensation	5,349,900	5,773,890
Unemployment Insurance	500,000	500,000
Liability Insurance	1,936,250	1,956,750
Dental Insurance	5,006,462	5,446,972
Risk Management Fund	65,000	65,000
Service Chargebacks	(12,780,612)	(13,665,612)
Total	77,000	77,000
 <u>Revenue</u>		
Participant Contribution to Dental Plan	77,000	77,000
Total	77,000	77,000
 <u>Net County Support</u>	 0	 0

SECTION DESCRIPTIONS

Dental Insurance (1260010000)

Since January 1980, all county employees are able to receive dental insurance coverage as a fringe benefit. In 1996, the maximum annual benefit was increased to \$1,000 per employee and each employee's dependents. In addition retirees also receive the same benefit. This program is self-insured and the cost is charged to each county department as a cost per employee.

Unemployment Insurance (1265010000)

In 1976, amendments to the Federal Unemployment Tax Act extended for unemployment compensation to government employees. The county has chosen to meet these costs by reimbursing the state for the actual costs for benefits paid to former employees rather than paying the state system a 4.4% premium on the first \$7,000 earned by each county employee. The costs of the unemployment benefit self-insurance program are charged back to each department on the basis of the relative cost of claims which each department has experienced in the recent past.

Workers' Compensation (1270010000)

Monroe County is self-insured for routine compensation claims from county employees who have been injured on the job. In addition to the annual appropriation to cover the estimated expense for these claims, the county maintains an insurance policy to meet the expenses of extraordinary claims. The cost of the Workers' Compensation self-insurance program is charged to each department on the basis of the relative cost of claims which each department has experienced in the recent past.

Liability Insurance (1275010000)

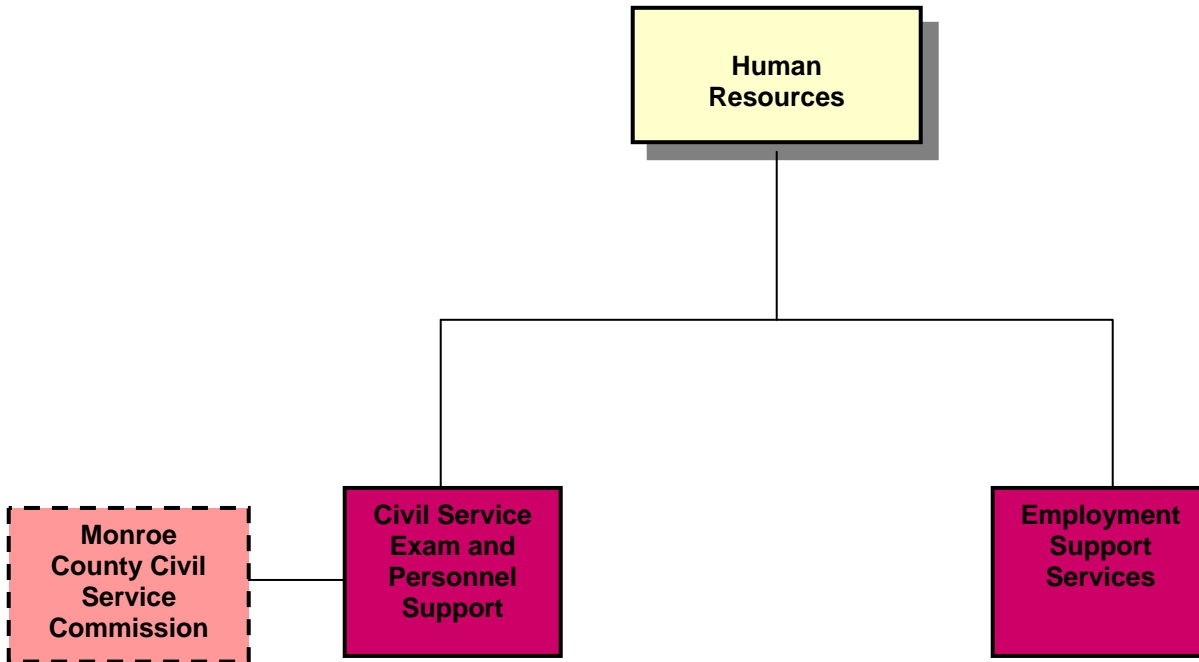

Monroe County is self-insured against routine general and vehicle liability claims, and it maintains an insurance policy which covers only extraordinary claims. This program is administered by the Law Department with the administrative costs charged back to the program. County departments are charged their share of the cost of the total liability program.

Risk Management Fund (1280010000)

The county maintains a risk management fund for payment of tort claims and judgments for which it is self-insured. The budget reflects the estimated insurance premium expense.

HUMAN RESOURCES (17)

HUMAN RESOURCES (17)

HUMAN RESOURCES 2012 MANDATED/NON-MANDATED

The percentages above do not reflect the deduction of Service Chargebacks.

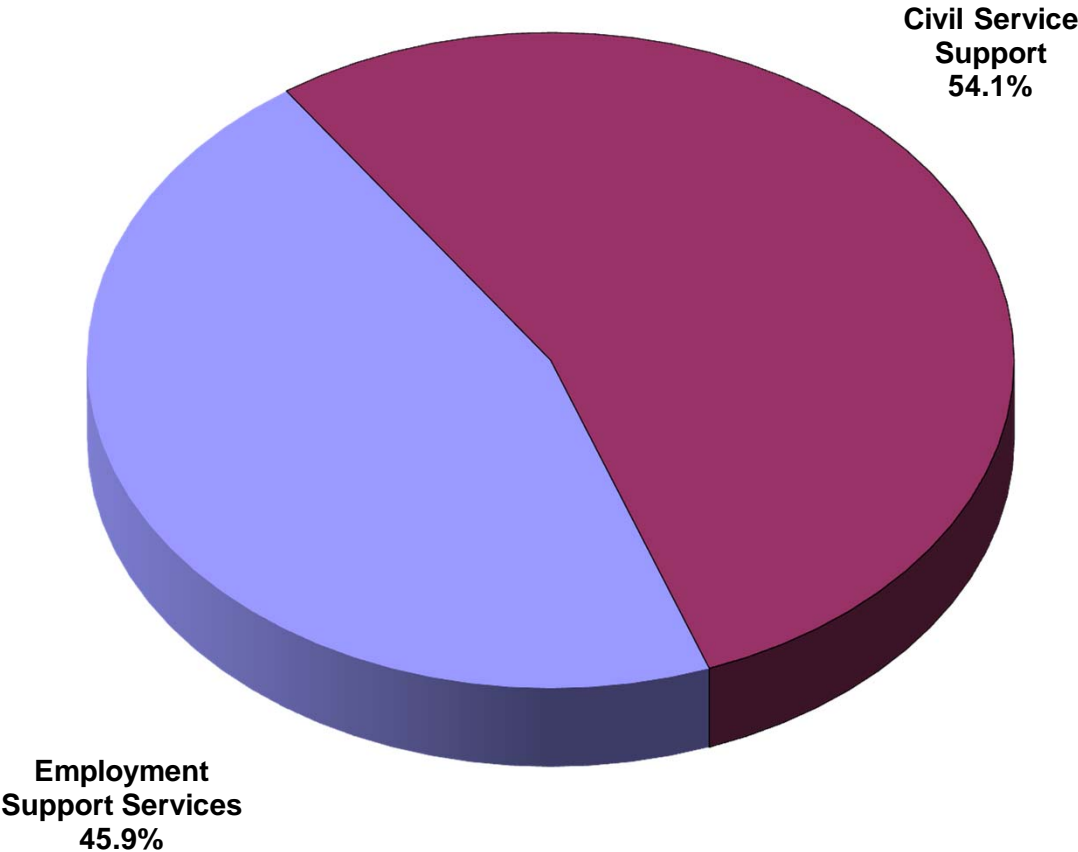

NON-MANDATED		1,254,350
MANDATED		1,767,559
	SUBTOTAL	3,021,909
DEBT SERVICE		0
SERVICE CHARGEBACKS		(790,228)
	TOTAL BUDGET	2,231,681

Mandated includes New York State Pension and Social Security costs. Mandated services include administering all aspects of the state mandated Civil Service system, performed by the Civil Service Exam and Personnel Support Division.

Non-Mandated services are performed by the Employment Support Services Division, which is responsible for the payroll, benefits, labor relations and equal opportunity functions of Human Resources.

HUMAN RESOURCES

2012 Budget - \$2,231,681

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Human Resources (17)

DEPARTMENT DESCRIPTION

The Department of Human Resources is responsible for the personnel function for Monroe County government as well as civil service administration for all 67 jurisdictions within the county, except the City of Rochester, which includes all Monroe County towns, villages, school districts, the Rochester City School District, fire districts, libraries, Monroe Community College ("MCC"), and the Monroe County Water Authority.

The Department of Human Resources contains six major functional units: the Benefits Unit, the Civil Service Exam Administration Unit, the Equal Employment Opportunity Unit, the Labor Relations Unit, the Payroll Unit and the Personnel Support Unit.

Mission

The Department of Human Resources will provide responsive, customer-friendly, and equitable service for its customers (hiring authorities, exam candidates, and public employees) in compliance with State Constitutional and other mandates while maximizing the efficient use of taxpayer funds.

2011 Major Accomplishments

- Designed and launched first ever county-wide ethics training using nationally recognized on-line training system at no cost to local taxpayers.
- Successfully trained all County employees in ethics.
- Implemented Greater Rochester Independent Practice Association ("GRIPA") clinical integration program designed to save money by helping employees/retirees and their families to better manage serious or chronic health conditions.
- Launched community dental discount card program to save money for uninsured residents at no cost to local taxpayers.
- Brought county employee/retiree health plans to market to assess potential savings from becoming self-insured.
- Successfully upgraded SAP system on-time and under budget.
- Conducted award winning "Retirement is a Three Legged Stool" symposium for employees nearing retirement that for the first time ever included representatives from the Social Security Administration, Deferred Compensation and the NYS Retirement System.
- Applied for state archives records management grant to digitally convert legacy personnel files.
- Conducted Civil Service training seminars for jurisdictional agencies.
- Expanded the voluntary benefits package offered to employees to include critical illness coverage at no cost to local taxpayers.
- Supplemented Leadership Academy curriculum to include a new course designed for newly hired/promoted supervisors.

2012 Major Objectives

- Continue collective bargaining process to control wage growth, provide more cost effective health insurance and restore management rights to labor agreements.
- Launch on-line manager self-service in SAP to automate personnel functions.
- Scope out process for launching employee self-service in SAP, including open enrollment.
- Evaluate Civil Service information management system.
- Reduce expense associated with time and attendance arbitration hearings by developing and implementing an expedited hearing process.
- Initiate retiree health insurance buy-down/buy-out plan to reduce county expenses while still providing quality health insurance.
- Move toward on-demand testing for certain continuous recruitment exams.

FEES AND CHARGES

Applicants for Civil Service examinations incur a \$25 per application charge for uniformed services and a \$15 per application charge for all other positions to cover mandated costs for the preparation and scoring of such examinations.

An exception to the processing fee will be made for persons receiving Supplemental Security Income (“SSI”) payments or public assistance (Safety Net or Family Assistance), certified as Workforce Investment Act (“WIA”) eligible or for those who are unemployed and primarily responsible for the support of a household. Employees covered by certain union contracts may also be eligible for a different processing fee as outlined in the agreements between the county and the respective unions. For example, employees eligible for county promotional examinations have a fee schedule of \$0.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations by Object</u>		
Personnel Services	1,474,538	1,426,394
Contractual Services	180,931	186,826

Federal Aid	154,953	168,409
Civil Service Exam Fees	100,000	100,000
Total	254,953	268,409
<u>Net County Support</u>	2,057,279	1,963,272

DIVISION DESCRIPTIONS

Civil Service Exam and Personnel Support (1701)

Civil Service Exam and Personnel Support is responsible for administering all aspects of the state's constitutionally mandated Civil Service system on behalf of the Monroe County Civil Service Commission. This includes exam administration, list maintenance, position and jurisdiction classification, application review, payroll certification and interpretation of the Commission's Rules. In addition to the county departments, Civil Service Exam and Personnel Support is both an enforcement and customer service agent for the 67 civil jurisdictions of the Commission which includes all Monroe County towns, villages, school districts, the Rochester City School District, fire districts, libraries, Monroe Community College and the Monroe County Water Authority.

Employment Support Services (1703)

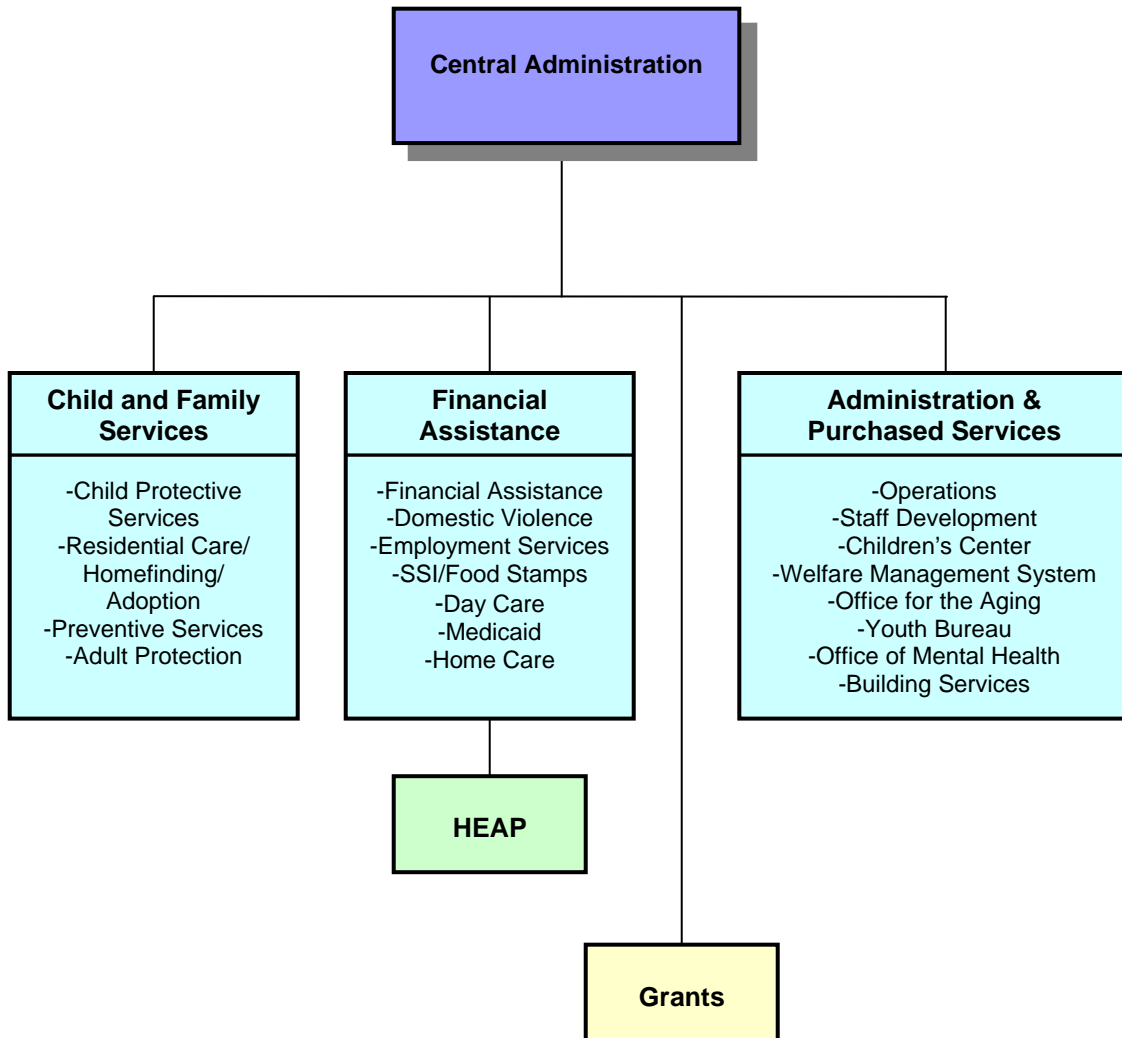

Employment Support Services is responsible for the payroll, benefits, labor relations, and equal employment opportunity function of Human Resources. Training, compliance and awareness of various laws, rules, regulations and contract provisions governing terms and conditions of employment are important aspects of this division. This division is also responsible for managing the county's Leadership Academy and wellness initiatives.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012
Examinations Administered	303	315	320

HUMAN SERVICES (51)

DEPARTMENT OF HUMAN SERVICES (51)

DEPARTMENT OF HUMAN SERVICES 2012 MANDATED/NON-MANDATED

The percentages above do not reflect the deduction of Service Chargebacks.

NON-MANDATED	1,689,496
MANDATED	374,491,411
SUBTOTAL	<u>376,180,907</u>

DEBT SERVICE	117,714
SERVICE CHARGEBACKS	<u>(1,862,781)</u>
TOTAL BUDGET	<u>374,435,840</u>

Mandated includes New York State Pension and Social Security costs. The Department of Human Services is almost entirely classified as mandated services through state and federal regulation. Although the services themselves are mandated, some programs have flexibility in the amount of service given.

The main service classified as non-mandated is the Building Services Division which is charged back to all users of the building.

HUMAN SERVICES

2012 Operating Budget - \$223,543,849

2012 Grant Budget - \$150,891,991

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Human Services (51)

DEPARTMENT DESCRIPTION

The Department of Human Services ("DHS") has as its goal a common sense human service delivery system that is comprehensive, responsive, coordinated and based on measurable results. DHS provides various forms of assistance and intervention to citizens of Monroe County to assist them in maximizing independence, safety and physical and emotional well-being.

The department is comprised of child, youth and adult development, welfare and mental health services. Mandated and non-mandated offices, services and programs are organized under one leadership and organizational structure to optimize Monroe County's ability to meet and exceed required outcomes and our core priorities: safety, self-sufficiency and healthy development, and effective and efficient utilization of limited resources. DHS is organized into three supervisory divisions: Child and Family Services; Financial Assistance; Administration & Purchased Services.

Mission

The Monroe County Department of Human Services develops, provides and coordinates services for eligible Monroe County residents to assist them in maximizing independence, safety and physical and emotional well-being.

2011 Major Accomplishments

Child and Family Services

- The number of youth in secure and non-secure detention has continued to decrease, through intervention with families to provide services without the filing of PINS petitions and developing initiatives focused on diverting arrested youth from detention and placement. In June of 2011 we decreased non-secure detention beds from twenty to twelve.
- The Monroe County Pediatrics and Visitation Center officially opened in November of 2010, with the ribbon-cutting ceremony occurring in June of 2011.
- Staff training was completed for Family Finding, a new practice initiative designed to locate and engage family members and other adult resources as lifetime connections for children in foster care.

Financial Assistance

- Fully implemented on-site scanning and electronic case filing management. Over 160 scanners were installed at DHS work sites. This has significantly reduced the movement of paper case files, the incidence of lost documents, and allows the electronic record to be available to any authorized user at any time.
- Redesigned our internal Quality Control/Case Supervisory Review system. The new database includes enhanced reporting capabilities to identify case processing error trends. The new system is the foundation for a waiver request submitted to the Office of Temporary and Disability Assistance which will eliminate the need to print, sort, sign, and store almost 700,000 authorization documents annually and allow for electronic authorization signatures and automatic referral to Accounting staff when questionable payment authorizations are detected by the system.

Operations

- Revamped Prosecution Referral Process in conjunction with Monroe County Sheriff's Office and Monroe County District Attorney's Office to ensure that individuals defrauding assistance programs and taxpayers will be prosecuted.

Office for the Aging

- MCOFA helped to create the Carolyn "Lizzy" Loboizzo Aging Resource and Wellness Center at the Maplewood YMCA. It is a partnership between the MCOFA, United Way, Maplewood YMCA, and Lifespan. This center is for adults age 60 and over and provides a wide array of social and recreational activities. A healthy lunch overseen by MCOFA registered dieticians is provided five days a week, serving an average of 25 older adults on a daily basis.

Youth Bureau

- Launched “Transition Mentors,” with Probation, Rochester Mentors, Career Start, and Compeer to decrease recidivism of youth in the Children’s Center. Mentors establish relationships with first-time detainees within 48 hours of their involvement in the judicial system, providing guidance, education, employment, and support for the youth.

Office of Mental Health

- The New York Care Coordination Program (“NYCCP”) has implemented complex care management focused on improving outcomes and reducing costs for individuals with a serious mental illness with the highest needs and highest costs of care. Strategies are in place for NYCCP to respond to the behavioral health components of Medicaid Redesign (Regional Behavioral Healthcare Organizations and Health Homes) building on NYCCP experiences.

2012 Major Objectives

Child and Family Services

- Complete and submit a Building Bridges proposal to New York State Office of Children and Family Services for a foster care rate waiver to allow for a “case rate” for youth who go into residential foster care placement. Blending funding for placement services with funding for aftercare services would allow greater continuity of services to families, more effective and timely transitions back to the community and decrease placement costs.
- Continue, in a partnership with the Probation Office, the implementation of an expanded range of Alternatives to Detention options available to PINS and JD youth, in an effort to further reduce the number of arrested youth who are detained and placed.
- Initiate training, coaching, and collaboration with community partners to develop trauma-informed service approaches designed to reduce the impact of traumatic events on children and families, with the goal of increasing knowledge about trauma, awareness of the potential to exacerbate vs. moderate stress reactions, and to screen and refer to appropriate evidence-based trauma services.

Financial Assistance

- Create separate Medicaid and Food Stamp operational units to maximize the capabilities of a task-based management system. Medicaid and Food Stamp eligibility requirements have changed in recent years resulting in significant caseload growth – 30% and 55%, respectively – since 2008. Having separate Medicaid and Food Stamp work units will allow us to streamline task-based operations to meet the increased workload demands with existing staff levels.
- Collaborate with the Special Investigations Unit to implement a Back End Detection System (“BEDS”) focusing on Temporary Assistance recipients. Back End Detection is a means to review eligibility for distinct groups of Safety Net recipients mid-way between the case opening and the first required recertification. Staff will review compliance with employment assignments and other mandated activities to make sure recipients are on track to achieve self-sufficiency.

Office for the Aging

- Expand the highly successful pilot program “Senior’s Breakfast Club” at area Friendly’s family restaurants.

Youth Bureau

- Youth Bureau leadership will evaluate the validity and importance of the programs we fund, redefine priorities based on challenging funding levels, and execute a plan that transcends the historical structure of the Youth Bureau. This goal is fluid, based on an evaluative process that is currently underway.

Office of Mental Health

- The NY Care Coordination Project will work with NYS Offices, Behavioral Healthcare Organizations, and community stakeholders in the implementation of the behavioral health components of Medicaid Redesign (Regional Behavioral Healthcare Organizations and Health Homes) to ensure that changes best meet the needs of Monroe County citizens and are implemented in a manner that is person-centered and recovery-oriented.

BUDGET SUMMARY

DEPARTMENT: Human Services (51)
DIVISION: Social Services (5100)

DESCRIPTION

This reflects accounting at the department level and consolidates revenues received from the state and federal government in the form of block grants or capped allocations designated to fund various children and family services. These funds support both administrative and programmatic activities, and as a result, most of the allocations are distributed as revenue to multiple budget accounts. Budget accounts receiving revenue from one or more of these sources include: Central Administration (5101), Child and Family Services (5102), Financial Assistance (5103), Operations (5105), Staff Development (5107), Welfare Management System Support (5109), Family Assistance (5111), Day Care (5113), Adolescent Care (5114), Child Welfare (5115) and Purchase of Services (5116). The distributed revenue is identified in the Budget Summary of each account in italics as revenue shifted to Division (5100). This represents the sum of all the Federal and State Allocation amounts. The Protective/Preventive funding is included. Although it is not a fixed allocation amount, it is received in one payment rather than specified to each reimbursed account.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Federal Allocations</u>		
TANF Fund for Family Services	29,114,005	29,793,172

DEPARTMENT: Human Services (51)
DIVISION: Central Administration (5101)

DIVISION DESCRIPTION

Staff in this division provide upper management and administrative support services to the Department of Human Services. The Commissioner of Human Services supervises the planning and delivery of all department programs, provides central policy direction and manages department personnel. Staff in this division also perform financial analysis, develop the department's annual budget request and perform other business process related activities. Charges to DHS for staff located in the Finance Department (12) are located in this division.

Administrative revenues which are received in one payment have been budgeted as one amount. For accounting purposes they are located in Division 5102, Child and Family Services and Division 5103, Financial Assistance. For the budget presentation they are distributed to the division they support and displayed as revenue shifted with the appropriate divisions noted. This is similar to the ongoing treatment of allocations at the department level 5100.

BUDGET SUMMARY

<u>Net County Support</u>	1,241,856	1,203,586

DEPARTMENT: Human Services (51)
DIVISION: Child and Family Services (5102)

DIVISION DESCRIPTION

The Child and Family Services Division provides direct and purchased services to increase safety and well-being, ensure permanency and enhance development for vulnerable children and families. The federal Adoption and Safe Families Act ("ASFA") was the most comprehensive child welfare legislation in two decades and is having profound impacts on Child Protective Services, Foster Care and Adoption. Three themes are central to ASFA. The first is that every decision about whether to keep a child at home, place the child in foster care or return the child home from foster care must be based on careful review and documentation of safety. The second theme is that every child has the right to a permanent, loving home whether with biological parents, other relatives or in an adoptive home. Child and Family Services is obligated to work toward this goal for all children. The third theme is timeliness. By creating tight timelines, ASFA requires that efforts to achieve safety and permanency be infused with a sense of urgency. As a result of both ASFA and major permanency legislation that took effect in late 2005, services to children are now subject to more frequent administrative and legal reviews.

The Child and Family Services Division also administers a contract to provide non-secure group homes for Persons in Need of Supervision ("PINS") children who are awaiting Family Court action. This contract is budgeted in Adolescent Care (5114030000). In addition preventive programs, budgeted in Purchase of Services (5116050000), offer services to youth at risk of residential placement (including Youth and Family Partnership and Family Access and Connection Team) to support families in keeping these youth safe in the community.

<u>Net County Support</u>	8,091,742	5,928,162

SECTION DESCRIPTION

Administration (5102010000)

This section is responsible for directing programs and personnel dedicated to the delivery of social services to eligible families, children and individuals. The Director of Child and Family Services has responsibility for coordinating with other community, public and private agencies to ensure that human service needs are being met efficiently, to reduce service gaps and to minimize duplication of efforts.

Program Support (5102020000)

This section monitors relevant input in three distinct state databases, interprets and distributes reports from the state, provides staff training and functions as a liaison between the county and state including management of federal, state and local program audits. It ensures accuracy of all foster care payment authorizations. It also maintains adoption subsidy cases, makes determinations of eligibility for federal reimbursement for foster care expenses and monitors internal claiming to maximize federal funding.

Residential Care/Homefinding/Adoption (5102040000)

Staff working in this section provide a variety of specialized foster care services. They are responsible for recruiting, training, certifying and monitoring foster homes. They are also responsible for arranging and monitoring placements in residential care facilities for PINS and Juvenile Delinquents who are placed in voluntary child care agencies. Finally, they are responsible for locating adoptive homes, monitoring pre-adoptive placements and completing the adoption process for children who have been freed for adoption.

Preventive Services (5102050000)

Preventive services are provided to children identified as being at risk of foster care placement, to children whose length of time in foster care can be shortened with this assistance and to children recently returned home from foster care to prevent their replacement into care. The staff in this section screen all preventive services cases, track the progress of children being served and monitor program effectiveness. Services to the families may be either purchased or provided directly by DHS staff. Preventive day care can also be provided as an additional supportive service as part of the case plan. DHS also manages the primary preventive program Building Healthy Children.

Child Protective Intake and After-Hours (5102060000)

Child Protective Services maintains a local hotline and is also responsible for taking child abuse calls reported to New York State twenty-four hours per day, seven days a week. Staff in this unit screen calls to see if they meet the standards for a CPS report, assign them to the appropriate investigative unit and initiate immediate investigations when necessary on weekends and late at night.

Child Protective Investigation (5102070000)

Staff in this section investigate reports of child abuse and neglect. These investigations must be initiated within twenty-four hours of receipt. Investigations include contacts with parents, children and collateral sources (e.g. doctors, schools), as well as with the source of the report. Families are referred to preventive services or community based service organizations, where appropriate. Children at imminent risk may be placed in foster care or with fit and willing relatives. CPS cases where there are serious concerns about the ability of the family to provide safe, appropriate care for the children are "indicated" cases. If a report is indicated a decision is made whether or not there needs to be family court involvement; if the court is petitioned, the case is then transferred to Child Protective Management.

Child Protective Management (5102080000)

Once cases are indicated and a court petition filed, they are the responsibility of the Child Protective Management teams. Families, most of whom DHS is ordered by family court to supervise, are provided with supportive and rehabilitative services. Children may be placed in foster care, with relatives or remain at home depending on the severity of the parents' needs and the availability of other family members to care for them. The goal of these teams is to provide safe, permanent homes for children either with their own parents, with relatives or by freeing them for adoption, if necessary.

Adult Protective (5102090000)

Adult Protective Services are provided to individuals 18 years of age or older who have physical or mental impairments and are unable to manage their own resources, carry out the activities of daily living or protect themselves from neglectful or abusive situations. Staff provide counseling as needed, help obtain appropriate legal and medical care and arrange for financial help and alternate living arrangements as necessary.

DEPARTMENT: Human Services (51)
DIVISION: Financial Assistance (5103)

DIVISION DESCRIPTION

The Financial Assistance Division is responsible for the delivery of Temporary Assistance, Medicaid, Food Stamps and day care and for ensuring that only persons eligible for public assistance services are provided such aid. This division also includes employment, domestic violence and managed health care services.

SECTION DESCRIPTIONS

Financial Assistance Administration (5103010000)

This section plans and directs the programs which provide Temporary Assistance, Food Stamps, day care and other assistance to individuals and families eligible for public assistance.

Financial Assistance Operations (5103020000)

This section is responsible for processing applications for Temporary Assistance, Food Stamps, income eligible child care, providing case management to certify continued client eligibility and for executing grant changes in response to changing circumstances. Determining eligibility for emergency services including the payment of fuel and utility bills, temporary housing, household furnishings, clothing and food are other major responsibilities carried out by this section. Also included are alcohol and substance abuse assessments. Eligibility assistance is provided to community Medicaid and Food Stamp applicants 65+ and Chronic Care Medicaid applicants utilizing Alternate Level of Care ("ALC") beds or in a nursing home.

Medicaid Administration (5103020100)

Medicaid Administration was developed during 2011 to manage the Medicaid specific operational needs of the Financial Assistance division. The Medicaid Eligibility Determination ("MEDS") team, Home Care Unit, and Managed Care team are included in this section. The Financial Assistance division is working to centralize all Medicaid administration in this cost center by the end of 2012.

Medicaid Managed Care is a mandatory program to enroll Medicaid recipients in the pre-paid, cost saving Health Maintenance Organizations ("HMO") as an alternative to fee-for-service Medicaid. Services are also provided to assist in locating medical providers for pregnant women through the Prenatal Care Assistance Program ("PCAP") and for Medicaid recipients under age 21 through the Child/Teen Health Plan ("C/THP"). The Disability Review Program gathers medical information and makes determinations of disability based on Social Security definitions in order to secure retroactive federal Medicaid reimbursement. It also assists Safety Net recipients with the Supplemental Security Income ("SSI") application process. The Third Party function monitors Medicare and private health insurance policies as a means of reducing Medicaid payments. A Medicaid recovery process is also conducted to collect improperly paid claims.

The Home Care Unit authorizes the home care services funded through a variety of program sources. The programs include the Long Term Health Care Program, the Personal Care Aide Program, Meals on Wheels, Independent Living for Seniors, Continuing Care Networks and the Homemaker/Housekeeper Program. Service authorizations include aid services, cleaning services, meals and long term care benefits to individuals and families at risk of more costly placement. Home Care also manages the Medicaid Restricted Recipient Program, which monitors recipients with unreasonable utilization of Medicaid services.

Emergency Shelter Program (5103040000)

This program provides a single point of entry for the homeless seeking shelter placements. Staff liaisons work with provider agencies to maximize the use of available beds, assist residents in securing financial assistance and locate safe housing and/or relocation services. Staff periodically inspect emergency housing providers to ensure that safe and sanitary housing is being provided.

Homeless/MICA Program (5103050000)

Staff in this program work with homeless individuals who have a mental illness and/or chemical addiction and also manage the county's portion of four HUD Shelter Plus Care grants.

Employment Services (5103060000)

The Employment Services Unit administers the state work rules for public assistance clients who require appropriate applicants/recipients to seek work and/or participate in employability development programs. The work performed by this unit directly affects the public assistance caseloads. Employment services are also provided for Food Stamp applicants and recipients.

Food Stamp Employment and Training (5103070000)

Staff in this section provide mandatory job readiness training, job placement and job retention services for food stamp recipients.

Supplemental Security Income ("SSI") Food Stamps (5103080000)

This group authorizes food stamp benefits for SSI beneficiaries and handles any incidental Medicaid issues for SSI recipients.

Fair Hearing (5103100000)

New York State Social Services regulations mandate that an applicant or recipient of any Social Services program may appeal an unacceptable decision or action and be provided an opportunity to have a hearing concerning the appeal.

The applicant or recipient may make the request for a Fair Hearing directly to New York State officials who in turn refer the applicant or recipient to the local Social Services district. Every applicant or recipient of Social Services programs must be informed in writing at the time of application or at the time of any departmental action affecting his or her receipt of assistance or services of the right to Fair Hearing.

Child Care Block Grant (5103110000)

Day care is provided to enable low-income parents to maintain employment. The staff in this section provide day care placement services to children beginning at six weeks of age and continuing through age 12. Staff for the Child Care Facilitated Enrollment Project (Child Care \$\$) are also located here. This project expands access to child care subsidies for working families with income up to 275% of the Federal Poverty Level.

Family Violence Option Program (5103150000)

The New York State Welfare Reform Act of 1997 included this program in its legislation to address the safety needs of victims of domestic violence and their children. This program funds a Domestic Violence Program Coordinator to coordinate existing domestic violence services provided by other county departments. This liaison function has the responsibility to ensure that all Family Assistance applicants have access to domestic violence support services.

MA Managed Care (5103520000)

This section combined in new section Medicaid Administration (5103020100) for 2012.

Home Care Unit (5103530000)

This section combined in new section Medicaid Administration (5103020100) for 2012.

SECTION DESCRIPTIONS

Special Programs Administration (5105010000)

The Special Programs area coordinates with the Financial Assistance Division and the Child and Family Services Division. This section houses costs shared by fraud investigations, special client services, publication services, records management, customer service, internal security and the overall operations area of the department.

Special Investigations Unit (5105020000)

The Special Investigations Unit performs services relating to client use of public assistance. The unit conducts validation checks of active cases and new applications to verify eligibility (close or open case decisions), investigates charges of fraud or misuse of public funds and claims of lost or stolen checks. The unit operates the Automated Finger Imaging System utilized by New York State to prevent individuals from receiving duplicate assistance. The unit also works with the Law Department and the District Attorney in all legal issues resulting from fraud investigation.

Records Management (5105030000)

This section is responsible for coordinating and storing case files and retrieving required files for use by all divisions, primarily Child and Family Services and Financial Assistance. Additionally, this section manages the elimination of files the department is no longer required to keep.

DEPARTMENT: Human Services (51)
DIVISION: Administration and Purchased Services
Staff Development (5107)

DIVISION DESCRIPTION

Human Resources and Staff Development areas are included in this division. Human Resources administers the payroll, benefits, policies and procedures, interprets Civil Service Law and is responsible for on-site employee and labor relations.

Employee orientation and training of Human Services staff is required under New York State Law Part 386. Staff Development plans, develops, coordinates and delivers program specific in-service training programs for employees. Staff Development provides an agency orientation for all new Financial Assistance and Child and Family Services staff. Trainers from this division interview and recommend for hire caseworker and examiner staff and coordinate their activities with Human Resources regarding Civil Service and personnel activities. The unit assists administration with organizational development and staffing and with performance management projects. This unit also coordinates and monitors continuing education and degree-oriented programs for staff to enhance their professional and managerial skill development.

SECTION DESCRIPTION

Systems Support Group (5109010000)

The Systems Support Group is a team of analysts whose primary responsibility is to provide ongoing support for four major state computer applications. In addition, this staff works closely with various state entities to develop and implement enhancements to the existing systems and applications. The Systems Support Group provides management analysis functions for Human Services administrators and implements automated processes for on-line staff.

Benefit Issuance Control System (5109020000)

The Benefit Issuance and Control System is operated and maintained by a team of computer operators. The BICS staff receives files created by data fed into state applications from the Welfare Management System program on a daily basis. From these files, BICS staff generates eligibility documents and accompanying reports for on-line staff each month. The BICS staff also produces vouchers and rosters each month for the Finance Department. The BICS staff produces monthly state reports in printed and electronic formats for staff at all Human Services sites.

Technical Support Group (5109030000)

The Technical Support Group is a team of technicians that is responsible for ensuring the daily availability of state and county networks and for the initial trouble-shooting of personal computers, printers and servers at all Human Services sites. This staff is also responsible for the inventory, user and system security, installations, relocations and hardware and software upgrades for this equipment.

DEPARTMENT: Human Services (51)
DIVISION: Safety Net Assistance (5110)

DIVISION DESCRIPTION

Safety Net Assistance is a state program that provides assistance to individuals not eligible for federal aid such as Family Assistance or Supplemental Security Income. Although primarily for childless adults, Family Assistance participants who exceed the five year limit can receive non-cash benefits under this program. Safety Net Assistance recipients are limited to two years for cash assistance. After two years, non-cash assistance can be provided.

Until July 2009, the state and the county shared equally in the cost of this program. In July of 2009 and 2010, state legislation increased the Basic Grant component of Safety Net by 10%. A planned increase for 2011 was postponed until July 2012. The state will cover the county's share of the 10% increase through March 2012. Beginning April 2011, the state reduced reimbursement on the main portion of the benefit from 50% to 29%.

As shown on the caseload bar graph that follows, the Safety Net caseload increased from 2001 to 2004 and then leveled off through 2009. Slight increases occurred for 2010 and 2011. The Safety Net caseload is budgeted to have a small reduction for 2012.

BUDGET SUMMARY

	Amended Budget 2011	Grant Budget 2012	Operating Budget 2012	Budget 2012
<u>Appropriations</u>				
Safety Net Assistance	58,166,400	16,728,238	42,149,212	58,877,450

SAFETY NET ASSISTANCE CASELOAD TRENDS

The graph below shows the average monthly caseload for Safety Net Assistance over the past ten years and the projected caseload for 2011 and 2012. In the Safety Net public assistance category, the average caseload is projected to reach an estimate of 7,830 in 2011. The average monthly caseload assumed in the 2012 budget is 7,617.

Safety Net Assistance Caseload

SAFETY NET ASSISTANCE EXPENSE TRENDS

The graph below shows the total annual expenses for Safety Net Assistance over the past ten years and projected expenses for 2011 and 2012. The shift of cases from Family Assistance to Safety Net took effect in 2002. The increase in 2008 includes retroactive payments made to recalculate benefits for cases with an SSI member in the family; ongoing benefits continue. Expenses depend on caseload levels and the cost per case. New York State began changing benefit levels in its 2009-2010 budget. The Basic Grant component has increased 10% in July 2009 and July 2010 and is planned to increase July 2012.

Safety Net Assistance Expenses

DEPARTMENT: Human Services (51)
DIVISION: Family Assistance (5111)

DIVISION DESCRIPTION

Family Assistance is a state program for needy families funded through the Temporary Assistance to Needy Families ("TANF") federal block grant. The major components of Family Assistance include: maximum five year lifetime participation, job assessments and mandatory work activities for recipients with children over three months of age, domestic violence screening, standardized drug screening and the requirement for teen parents to live at home. In addition, employed Family Assistance recipients will be able to retain more of their earned income. Although federal TANF funding is distributed to the states as a block grant, it is anticipated that there are sufficient funds to fund Family Assistance statewide. Up until 2011, revenue estimates were based on the traditional formula driven methodology: 50% federal, 25% state, 25% local. As of April 2011, the state has shifted its use of TANF funding and is fully financing Family Assistance.

State legislation increased the Basic Grant component of Family Assistance by 10% in July 2009 and 2010. A planned increase for 2011 was postponed until July 2012. The state will cover the county's share of the increase through March 2012.

As shown in the caseload bar graph that follows, the Family Assistance caseload declined in 2002 due to the shift of cases to Safety Net at their five year mark. The caseload reached a low point in 2008 and the yearly average increased through 2011. The estimate from the projected average of 2011 to 2012 is a slight increase allowing for economic trends.

FAMILY ASSISTANCE CASELOAD TRENDS

The graph below shows the average monthly caseload for Family Assistance over the past ten years and the projected caseload for 2011 and 2012. The Family Assistance average caseload is projected to reach an estimated 6,933 in 2011. The average Family Assistance monthly caseload assumed in the 2012 budget is 6,950.

Family Assistance Caseload

FAMILY ASSISTANCE EXPENSE TRENDS

The graph below shows the total annual expenses for Family Assistance over the past ten years and the projected expenses for 2011 and 2012. The shift of cases from Family Assistance to Safety Net began in 2002. The increase in 2008 includes retroactive payments made to recalculate benefits for cases with an SSI member in the family; ongoing benefits continue. Expenses depend to a large degree on caseload levels but changes in the cost per case also affect expenses. New York State began changing benefit levels in its 2009-2010 budget. The Basic Grant component has increased 10% in July 2009 and July 2010 and is planned to increase July 2012.

Family Assistance Expenses

DEPARTMENT: Human Services (51)**DIVISION: Medicaid (5112)****DIVISION DESCRIPTION**

The Medicaid program provides medical services for those who are elderly or have a physical or mental disability and for qualifying children and adults who cannot afford to purchase health care services for themselves.

Beginning in 2008, Monroe County's Medicaid obligation is fulfilled by the Medicaid Sales Tax Swap which totals 1.61% of the 4% sales tax levy. The county will continue to be responsible for the direct payment of certain services and for the administration of the Medicaid program. In addition, Monroe County participates in the New York State Demonstration Program that authorizes Monroe County to identify provider fraud, waste and abuse. All these costs are 100% reimbursed through a combination of federal and state funds. When repayments equal the appropriation level, no further revenues are needed.

DEPARTMENT: Human Services (51)**DIVISION: Day Care (5113)****DIVISION DESCRIPTION**

Day care is purchased from all types of legal child care providers for children beginning at six (6) weeks of age and continuing through age 12. The funds in this division provide child care for Family Assistance recipients so they can work or participate in required employment activities, for families that are making the transition from public assistance to self-sufficiency and for low income working parents. Day care is also provided when it is needed as part of a child services plan for children who have been abused or maltreated or whose caretaker is seriously ill in order to allow a child to remain at home rather than entering foster care.

Day care is primarily funded through the New York State Child Care Block Grant ("NYSCCBG"). The NYSCCBG allocation reimburses 75% of the cost of Family Assistance day care and 100% of Transitional and Low Income day care up to the level of the block grant allocation amount. Protective/Preventive day care is not included in the NYSCCBG funding mechanism but continues to be funded through a combination of other federal and state revenue sources and local funding.

In 2009, the NYSCCBG was increased partially utilizing federal stimulus funds. Funding was sufficient to restore Low Income eligibility to 165% of the Federal Poverty Level effective May 2009. Due to economic conditions and increases in the market rate, participation exceeded budget estimates for 2010 and 2011. Effective October 2010, the county began not opening any new Low Income subsidy cases. During 2012, new subsidy cases will be approved as funding is available. Day care for 2012 is projected at approximately 225 more children than the 2011 budget.

Funds set aside for the Facilitated Enrollment Grant in the state 2011-2012 budget for calendar year 2012 are also appropriated in this division.

DEPARTMENT: Human Services (51)
DIVISION: Adolescent Care (5114)

DIVISION DESCRIPTION

This division includes the costs of the care, housing and instruction/training of persons involved in the following programs: PINS and JD Care, New York State Juvenile Justice Facilities and Non-Secure Detention.

The Department of Human Services continues to coordinate appropriate supports to families, moving toward its goal of fewer placements and shorter stays in care. Caseloads in 2012 for JD/PINS reflect an increase, while placements in Juvenile Justice Facilities and Non-Secure Detention have decreased. The state calculated cost per day of care for Juvenile Justice Facilities is projected to increase 20% from the 2011 Budget to the 2012 Budget.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012

SECTION DESCRIPTIONS

JD/PINS Care (5114010000)

A Person in Need of Supervision is a youth, up to age 18, whose behavior is incorrigible and who is beyond lawful parental control. A Juvenile Delinquent is a youth between the ages of 7 and 16 years who has committed an act, which if it had been committed by an adult, would be considered criminal. Children are placed at various levels of care depending on the severity of the crime and individual circumstances.

In general, Family Court, upon recommendation from the Office of Probation-Community Corrections, places PINS children into various levels of care including foster homes, group homes and residential treatment centers/institutions. These youth and their families usually have been served by a diversion program prior to placement. Where the diversion has not been successful or when a judge believes the problem is too severe to attempt diversion, a placement is ordered.

JD youth are typically placed in a juvenile justice facility run by the NYS Office of Children and Family Services. However, they may be placed by Family Court in a lower level of care when an environment appears either too restrictive or the child's emotional needs would be better served through a child welfare residential institution.

Juvenile Justice Facilities (5114020000)

Children who have been adjudicated as Juvenile Delinquents or Juvenile Offenders by Family Court become the responsibility of the OCFS for placement. There are several levels of care within the structure. Children with severe behavioral or management problems – generally visible through the crime they have committed – are placed in secure facilities. Those with less severe problems or those who have benefited from higher levels of care can be placed in the least restrictive option – family foster care.

Non-Secure Detention (5114030000)

This category includes the county's contract with Hillside Children's Center to provide group and family situations for children requiring temporary placement pending a Family Court appearance. Youth are placed in group situations at Hillside.

DEPARTMENT: Human Services (51)
DIVISION: Child Welfare (5115)

DIVISION DESCRIPTION

This division includes the costs of services to children who need out of home assistance because of family problems, illness, neglect or abuse. Services include foster family care placements, adoption subsidies and care in institutions such as St. Joseph's Villa and the Hillside Children's Center. Additional services to children and their families, to prevent residential foster care placement, are located in the Purchase of Service Division (5116). Monroe County promotes collaborative efforts between Human Services, including Mental Health and Probation, to provide a system of intensive, in-home, community based services.

BUDGET SUMMARY

Total	31,403,310	33,838,109
 <u>Net County Support</u>	 7,715,690	 2,165,351

SECTION DESCRIPTIONS

Adoption Subsidy (5115010000)

Human Services is the public agency responsible for placement of children in permanent, adoptive homes, once they are freed for adoption. Subsidies are available for families wishing to adopt children who have special needs and hard to place children. Medical subsidies are also available to help families adopt children with on-going medical or psychiatric needs.

Foster Care (5115020000/5115030000)

Temporary residential care for children is provided in foster family homes, group homes and residences, and in institutions. Over half of the placements are child abuse or neglect-related. Although family foster care is substantially less expensive than institutional care, for some children with multiple service needs, family care is not appropriate.

Transitional and Residential Care (5115040000)

Transitional care is available to persons with mental or developmental disabilities who are in foster care and have reached the age of 21 and have no other appropriate placement alternative. Youth between the ages of 5 and 21 requiring fully integrated longer-term mental health treatment services may be placed in a residential treatment facility.

Independent Living Program (5115050000)

Youth leaving foster care receive intensive preparation and follow-up services designed to prevent the need to return to foster care. An agency works with youth on independent living skills, and with the youth and his/her parents where necessary to help with preparation from care to independent living arrangements.

Special Children's Services – Maintenance (5115060000)

Payment of maintenance costs (room and board) for school-age children placed by school districts in residential facilities is the responsibility of the counties. Rates are established by New York State. The county's role is restricted to payment and claims for reimbursement.

DEPARTMENT: Human Services (51)
DIVISION: Purchase of Services (5116)

DIVISION DESCRIPTION

Human Services enters into contracts for those services beyond its capacity or expertise to deliver. These services primarily involve preventive and protective services for both adults and children. There is continued emphasis on diversified programming to prevent foster care placement. The Monroe County Youth and Family Partnership and Family Access and Connection Team, collaborations with Probation and Mental Health, are cornerstones of the division. The state has changed the name and increased funding availability for Alternatives to Detention; it is now the Supervision and Treatment Services for Juveniles Program. Community Optional Preventive Services (“COPS”) funding has been greatly reduced; Nurse Family Partnership and Perinatal Home Visiting have been moved to the Public Health Department. The use of donated funds to leverage the remaining COPS state reimbursement is budgeted in miscellaneous revenue below.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations</u>

 <u>Net County Support</u>	 3,096,547	 3,165,671

SECTION DESCRIPTIONS

Homemaker/Housekeeper (5116010000)

Homemaker services and housekeeping services are purchased to help families and individuals remain in their own homes and avoid foster care placements or some level of out-of-home adult care, including hospitalization. Trained homemakers perform home and personal care tasks for clients.

Preventive and Protective Services (5116020000/5116050000/5116060000)

Preventive services for children consist of supportive and rehabilitative services provided to children and their families to prevent foster care placement or to enable a child to return to the family from foster care. The assumption underlying these efforts is that a child's best interest is staying with the biological family rather than in foster care if the family can resolve its problems with community based services. A family may receive preventive services alone or as part of a child services plan accompanying other services, such as day care or foster care. Protective services are provided on behalf of a child who has been neglected, abused or maltreated and consist of counseling, therapy, emergency shelter, legal representation, etc. Preventive and Protective services for adults assist persons, often the elderly, who are unable to protect their own interest and/or have problems that prevent them from functioning effectively in the community.

Adoption (5116030000)

Human Services is the public agency responsible for placement of children in permanent, adoptive homes, once they are freed for adoption. Adoption programs promote permanency planning and prevention of long-term foster care placement. Adoptive services include: evaluation of placement needs, identifying and securing adoptive homes, training and counseling prospective parents and instituting necessary legal proceedings.

Title XX – Other (5116080000)

This category provides interpreter services and transportation services to families in need, in order for them to attend preventive and/or day care services.

Domestic Violence (5116090000)

Funding for this program provides residential and non-residential services to victims of domestic violence. The program serves residents not eligible for public assistance.

DEPARTMENT: Human Services (51)
DIVISION: Home Energy Assistance Program (5117)

DIVISION DESCRIPTION

This division distributes funds available for relief from excessive energy costs to eligible low income households in Monroe County. Human Services works, in conjunction with the Office for the Aging and other community agencies, to certify applicants and provide administrative services for allocation of funds. The program is 100% federally funded. The Public Assistance Benefits payments are made by the state. Localities continue to budget for the administration of the program. Staff continue to be authorized, and partially funded, so that no delays in service will occur. Additional funding for this grant will be appropriated when received.

DEPARTMENT: Human Services (51)
DIVISION: Grants (5118)

DIVISION DESCRIPTION

The number of grants administered by the department varies annually depending on federal/state funding levels and initiatives. Monroe County has been fortunate to be the recipient of a number of grants designed to improve the quality of life for its residents.

In general, grants require no local revenues although occasionally some matching funds may be necessary. Most grants span specific time frames, generally one year. Grant funding for 2012 is partially appropriated and will be amended when fully received. All grants active in 2011 are listed in the descriptions.

GRANT DESCRIPTIONS

Food Stamp Nutrition Education Project

This grant enables Food Stamp recipients to manage their food resources more effectively, increase their consumption of plant food, adopt safe food handling techniques and incorporate healthy eating practices into their lifestyle.

Project to Reunite Families/Families First

This federal program was developed in response to Welfare Reform legislation requiring homeless youth and teen parents, ages 16-21, to reside with a relative or responsible adult in order to receive Temporary Assistance benefits. The department will assist homeless youth in locating an adult willing to care for them or provide housing in a "Second Chance Home". Oversight has moved to the Youth Bureau (5600).

Alternatives to Detention Grant

The purpose of this grant is to support Monroe County's efforts to create a framework of alternatives to detention services which will ensure that youth appear for all required court appearances and do not re-offend while pending case disposition, thereby reducing the likelihood of a court disposition for placement.

A Partnership for Youth Grant

The purpose of this grant is to help local programs better meet the workforce development needs of youth and improve youth program outcomes by aligning the workforce and youth development systems. Through a state-wide partnership, the NYS Office of Children and Family Services and the NYS Department of Labor joined forces to ensure youth development principles were integrated into workforce development programs to better prepare young people to successfully transition from youthful dependency to economic self-sufficiency.

NY Connects Grant

This grant provides a single point of entry for clients to access long-term care services. Oversight has moved to the Office for the Aging (5500) for 2012.

Disproportionate Minority Representation Project

This state grant provides funds to examine disproportionality and disparity issues as related to child welfare services and case practice.

Child Protective Services Staff to Client Ratio

Additional state aid is provided to social services districts to improve the staff to client ratio in the child protection workforce. Funds are utilized to conduct investigations of suspected child abuse or neglect.

Transitional Jobs Program

Funding subsidizes employment and training in the fields of customer service, manufacturing, environmental services, child care and health care.

Health Care Jobs Program

Funding subsidizes employment and training in hospital and nursing home positions such as patient transport, nursing assistant, personal care aide, surgical technician, phlebotomy technician, dietary aide and community health outreach worker.

Green Jobs Program

Funding subsidizes employment and training in industries that strive to improve energy efficiency, increase use of renewable energy sources, secure environmental improvements and conservation, and protect and preserve natural resources. This includes traditional occupations such as weatherization of buildings and recycling.

DEPARTMENT: Human Services (51)
DIVISION: Administration & Purchased Services
Office for the Aging (5500)

DIVISION DESCRIPTION

The Office for the Aging has the responsibility to plan, coordinate, fund and advocate for a comprehensive system of services that reflect the needs of older county residents. Each year a service plan is developed with services targeted to persons with the greatest economic and social need, and with emphasis placed on serving minority individuals. An 18-member Council for Elders, appointed by the County Executive, assists in determining funding and programmatic priorities.

Program Description

The Office for the Aging receives funding from a variety of sources including federal, state, local and participant contributions to provide services in various program areas. Local sources include county, corporate, United Way and foundation funds. The county's administrative expenses are included within program areas. A brief description of the programs sponsored through this office and their funding sources follows.

Administration & Program Management (5501010000)

This section is responsible for the fiscal and programmatic planning and administration of all operations included within the strategic framework of the Office for the Aging. This Section includes management support and service monitoring and providing information, assistance and technical support to subcontractors and constituents. In addition, this section provides health advocacy surrounding a variety of health care topics including Medicare, Medicaid and private health insurance programs. The section also provides direct services in nutrition and counseling education, senior center sanitation training and weatherization assistance.

Aging Contract Services (5501020000)

Nutrition Services for the Elderly

This program is responsible for the Congregate and Home Delivered Meal Programs. The Congregate Meal Program provides hot, nutritious meals in a group setting to persons age 60 years and older and their spouses. The Home Delivered Meal Program funds the provision of at least one home delivered meal, seven days a week, to eligible homebound persons age 60 years and older.

Education and Training

This program is responsible for providing, through subcontractors, a variety of health, education and caregiver training, subsidized employment and job training, and health promotion and disease prevention programming.

Wellness and Assistance

These programs provide funding in order to assist seniors with numerous activities that facilitate and promote the overall wellness of our elderly population. Services include: legal and financial counseling, weatherization services, care management, personal care, respite, escorted transportation services and information and assistance.

DEPARTMENT: Human Services (51)
DIVISION: Administration & Purchased Services
Youth Bureau (5600)

DIVISION DESCRIPTION

The Rochester-Monroe County Youth Bureau plans for and administers comprehensive youth services dedicated to improving the lives of children and youth. Among the services funded are youth development programs, risk prevention programs, juvenile justice diversion programs, homeless youth services, an annual asset building recognition, positive youth development, recreational services and intergenerational events. A three-year Child and Family Services Plan recommending funding level priorities is developed and submitted to the state. It is also used by the Youth Board and staff to evaluate programs. The board is appointed by the Monroe County Executive and the Mayor of the City of Rochester.

SECTION DESCRIPTIONS

Administration (5601010000)

The Administration section provides contract management, monitoring and assessment, capacity building, technical assistance, positive youth development, asset building activities and special events, collaboration and coordination with other funders, county departments and supports the citizen member Youth Board. It networks and partners with other funding agencies and planning groups and oversees the development of the three-year Child and Family Services Plan for youth services. Additionally, this organization seeks out external funding sources, coordinates program development and performs financial and clerical functions for the Youth Bureau.

Youth Contracts (5603010000)

Appropriations fund city and county contracts for recreational and positive youth development services in accordance with OCFS regulations. These projects provide constructive use of leisure time activities, crisis counseling, case management, school and neighborhood based services, shelter for runaways, youth advocacy, positive youth development and asset building, after-school programs, cultural and educational programs and municipal youth employment services. Funding levels for Youth Contracts are consistent with the state's level of support. Funding for the Community Asset Partnership Network program supports asset-based initiatives and positive youth development within communities throughout the city and the county.

Runaway and Homeless Youth Services (5602010000) HUD Supported Housing Services Program (5604010000)

Runaway/Homeless Youth ("RHY") funds provide for the coordination, planning and monitoring of a continuum of community-based services targeted toward youth, in accordance with the RHY Act. The Youth Bureau oversees and monitors current program services, as well as plans for the development of enhanced/new services to address gaps and obstacles to better serve the target population. Through this funding, the county contracts with non-profit agencies to provide 24-hour crisis counseling, shelter, case management, transitional housing and support services.

The Youth Emergency Housing Project provides older homeless youth with needed services to encourage youth to access independent living sites and permanent housing. The HUD Supportive Housing Program, along with DHS, assists homeless youth age 16 to 20 by locating emergency, short, and long-term housing while providing connection to and coordination of mainstream services that address the underlying causes of homelessness.

Special Delinquency Prevention (5605010000)

Appropriations within this section fund contracts with non-profit agencies for projects meeting delinquency prevention and risk reduction criteria as defined by NYS OCFS. Programs provided by these projects include housing for homeless youth, prevention/education programs, crisis intervention, violence prevention and positive youth development. Delinquency Prevention also allows the Youth Bureau to facilitate the development and implementation of youth/adult partnerships through the Youth As Resources ("YAR") Program. YAR provides mini-grants of up to \$1,000 (funded through The Community Foundation) to youth groups to conduct community service projects that promote civic engagement and foster a youth-led approach to addressing community issues, providing implementation of asset-based solutions to community concerns. Transition Mentors also serves youth offenders in three areas – health, education, and life-direction. During the first 48 hours that a first-time youth offender is incarcerated, he/she will be matched up with a mentor as well as with services that are positive life influences.

Positive Youth Development (5606010000/5606020000)

Appropriations within this section fund capacity building efforts within the city and county that support the creation of youth-adult partnerships; increased supports and opportunities provided by community members, organizations and institutions; and improved practices and approaches to engage youth as active participants in creating community solutions and improvements. Project funds come through a state/federal partnership. This will strengthen asset initiatives and asset building in both the county and city. Youth focused and/or intergenerational ("IGL") events enhance and bring focus to positive youth development. Events include: Positive Youth Development Night, IGL Fishing Derby, Major League Baseball Pitch, Hit and Run, Legislative Youth Awards, Summer Reading Program, Wilson Day, IGL Holiday Ball, Asset Awards at the Zoo, IGL Fall Clean-Up, YAR Cardboard City, YAR Service Learning Project grants, Trivia Bowl, and mentoring programs.

DEPARTMENT: Human Services (51)
DIVISION: Administration & Purchased Services
Office of Mental Health (5700)

DIVISION DESCRIPTION

The Office of Mental Health is responsible for the planning, oversight and administration of a comprehensive community mental hygiene system for all residents of Monroe County. Activities include: community-wide assessment of mental hygiene service needs, service development, coordination and integration of voluntary, county and state mental hygiene services, coordination and integration of the mental hygiene services system with other service delivery systems, allocation of state and local funds, system oversight and encouragement of programs aimed at the prevention and treatment of mental illness, mental retardation, developmental disabilities and alcohol and other substance abuse.

SECTION DESCRIPTIONS

Administration (5701010000)

This section is responsible for the fiscal and programmatic planning and oversight of all operations included in the network of mental hygiene services. In an effort to develop services which address the priority needs of the community, on-going planning is conducted in collaboration with consumers, state representatives, families, providers and other service delivery systems that evaluate the mental hygiene needs of the community. The Director of Mental Health makes funding level and service development recommendations based on this evaluation process.

The Office of Mental Health works with the New York State Offices of Mental Health, Alcoholism and Substance Abuse Services and Developmental Disabilities and is responsible for the interpretation, implementation and oversight of state mental hygiene policy at the local level.

The Office of Mental Health contracts with Coordinated Care Services, Inc. ("CCSI") for the management and coordination of community mental health, alcoholism and substance abuse and developmental disabilities services in accordance with the local mental hygiene services plans. CCSI maintains subcontracts with community agencies for a comprehensive range of services within each of the mental hygiene disability areas.

Socio-Legal Center (5701030000)

The Socio-Legal Center provides a variety of mental health related services and supports to both the criminal justice system and to individuals with mental illness involved in the criminal justice system and their families. Contracts are maintained with psychiatrists to provide competency to stand trial and court-ordered psychiatric evaluations and testimony to the courts as needed. The Center also offers consultation and training to the courts, other criminal justice agencies and support to the Mental Health Court. The Socio-Legal Center serves as a community collaborative, drawing upon partnerships with other agencies serving a forensic mental health population to better meet the needs of this population. The Center is also responsible for monitoring admissions to the forensic mental health unit, appropriateness of discharge plans and in setting quality indicators and standards across the forensic mental health system.

The Assisted Outpatient Treatment ("AOT") program (also known as "Kendra's Law") is operated at the Center. The AOT program serves individuals with serious mental illness who, due to noncompliance with outpatient treatment, may require supervision in the community. The AOT program seeks to link individuals with mental health treatment in the community on a voluntary basis if possible. If voluntary linkage is not possible, the AOT program may seek court-ordered outpatient treatment for those who meet the criteria for an AOT order. Transition management is available to individuals with serious mental illness, to ensure that necessary services (e.g., mental health treatment, medications, basic needs) are available upon release from incarceration. A Medication Grant Program, administered by the Center, makes psychiatric medications available at no cost to individuals until public benefits are in place.

Mental Health Services (5702010000)

On behalf of the County Office of Mental Health, CCSI maintains subcontracts with numerous community agencies for the provision of a range of emergency, crisis, outpatient treatment, residential and community support programs for adults, children and youth. Community support programs include a wide range of service options such as vocational support, respite, family support, self-help, consumer initiatives, socialization and recreation opportunities. There are a number of specialized mental health programs, targeting specific populations: children, older adults, multicultural populations, persons with co-occurring disorders such as Mental Illness - Chemical Abuse ("MICA"), homeless and those involved in the criminal justice system. Community mental health services are aimed at offering individuals and families treatment and support services that are person-centered and that assist them in recovery and successful living in the community, avoiding unnecessary hospitalization or out-of-home placement. Mental Health services are funded through state aid, county support, and agency voluntary contributions.

Developmental Disabilities Services (5702020000)

On behalf of the County Office of Mental Health, CCSI maintains subcontracts with several not-for-profit community agencies for the provision of Developmental Disabilities services to residents of Monroe County. Local assistance funding, which consists of state aid, county support and voluntary match dollars, supports pre-vocational and vocational day services and a variety of family and community support programs.

Pre-vocational and vocational services include day training, sheltered workshop and supported employment programs. These programs provide a range of skills training, work opportunities and support services according to individual needs and preferences, aimed at assisting individuals in maximizing their individual vocational potential. Support services are provided for individuals with disabilities and their families, including information and referral, advocacy, public education and awareness, assistance in ensuring client rights, counseling and case management. A number of programs target specific population groups such as persons with epilepsy, older adults, children with severe handicaps and individuals with a co-occurring developmental disability and mental illness.

Alcohol and Other Drug Services (5702030000)

On behalf of the County Office of Mental Health, CCSI maintains subcontracts with numerous community agencies for the provision of alcoholism and substance abuse services. Programs offered by these subcontractor agencies include inpatient detoxification/withdrawal, outpatient and residential treatment, community residential living, prevention, intervention, education and information and referral services. Funding for these services includes state aid, county support and voluntary match contributions.

Residential services include residential treatment homes, halfway houses and supportive apartments. A number of these programs include specialized services which target females (pregnant and/or with children), individuals with co-occurring disorders ("MICA"), deaf/hard of hearing, HIV positive, criminal justice and monolingual Spanish-speaking populations. Outpatient treatment services target a number of these populations as well. Funded outpatient programs serve a high percentage of Medicaid and uninsured clients.

Prevention, intervention, education, and information and referral programs are provided for both adults and youth. These services range from general community education and awareness activities to intervention programs designed to reach specific target populations such as youth, children of alcoholics, deaf/hard of hearing and multicultural populations. Prevention/intervention services are offered at a variety of school and community sites.

Criminal Court Ordered Cases (5703010000)

The Criminal Court Ordered Cases Division funds the county share of costs for criminal court or family court ordered inpatient hospitalization for mental health evaluation and treatment.

The New York State Office of Mental Health and Office of Developmental/Disabilities bills counties for forensic incarceration of inmates. A psychiatric evaluation, rather than a court order, determines whether an inmate requires treatment and should be transferred to a psychiatric facility.

Performance Measures

SECTION DESCRIPTIONS

Administration (5191010000)

This section coordinates and manages Building Services activities. In addition to the supervision of division personnel, specific duties include the monitoring of office space assignments.

Customer Service (5191020000)

This section receives calls and inquires about various Department of Human Services programs. Staff assist where necessary and direct callers to appropriate offices throughout the department.

Stockroom (5191030000)

Central stockroom activities include the ordering, receiving, storage and distribution of supplies and equipment.

Mailroom (5191040000)

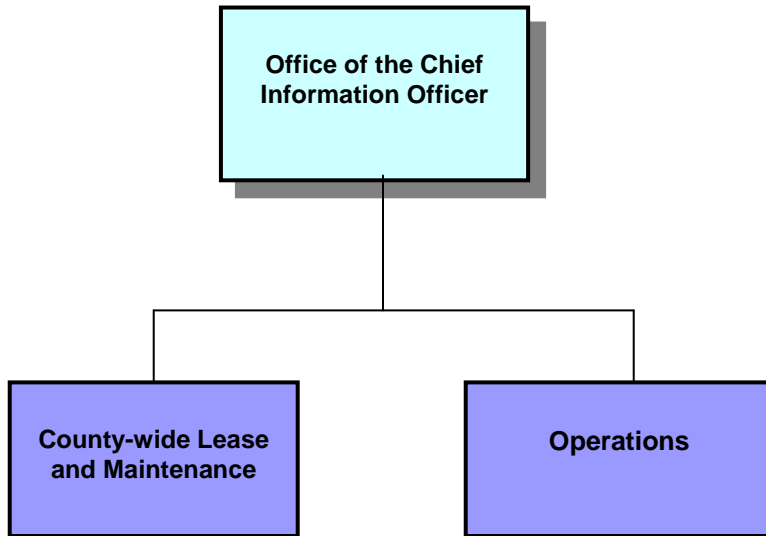

Mailroom operations staff receive and distribute all incoming and outgoing mail for pickup by the United States Postal Service. The staff also process interdepartmental mail for county-wide distribution.

Inter-Building Services (5191050000)

This section transports mail, supplies and other materials to sites throughout Monroe County.

INFORMATION SERVICES (19)

INFORMATION SERVICES (19)

INFORMATION SERVICES 2012 MANDATED/NON-MANDATED

The percentages above do not reflect the deduction of Service Chargebacks.

NON-MANDATED		13,382,248
MANDATED		466,680
	SUBTOTAL	13,848,928
 DEBT SERVICE		 631,685
SERVICE CHARGEBACKS		(14,479,613)
	TOTAL BUDGET	1,000

Mandated includes New York State Pension and Social Security costs and the services performed by Information Services are considered non-mandated. Information Services supports all of the various county departments in technology areas, including computer systems and telephone operations.

INFORMATION SERVICES

2012 Budget - \$1,000

The percentages above do not reflect the deduction of Service Chargebacks.

The department's gross appropriations are offset by charges to user departments.

DEPARTMENT: Information Services (19)

DEPARTMENT DESCRIPTION

Information Services provides solutions to meet the county's requirements for digital information for both internal departments and external customers such as towns, villages, the city and citizens. The department performs business process re-engineering and user needs assessments; then matches information requirements with cost-effective information technology. Information Services coordinates the installation, operation and maintenance of county mainframe, mid-range and micro-computers. It is also responsible for monitoring and evaluating technological developments and formulating standards and guidelines for computing within Monroe County government.

Departments are charged for their use of information services resources. The charges include telephone connections and use, information systems consulting services, network access and leases of computing equipment such as personal computers, terminals, printers and multifunction devices. Costs for general-use applications, such as payroll, are also allocated to other departments via utilization-based charges.

Mission

Monroe County will use information technology to simplify and streamline government operations, enable county employees to provide quality services to our customers and deliver information and services to citizens at home, at work and in the community.

2011 Major Accomplishments

- Continued replacement of all county-wide PCs, laptops, servers as part of technology refresh project.
- Completed SAP 6.0 upgrade.
- Continued consolidation of Directory Services Database (i.e. user identity/access management).
- Continued implementation and consolidation of the 911/Public Safety applications, including CAD, RMS, MoRIS and field reporting.
- Implementation of county needs for business continuity plan of critical computer systems such as e-mail, etc.
- Continued to upgrade older applications for new Windows 7 platform.
- Investigated upgrade/replacement of county-wide telephone system.
- Implemented Secure File Transfer Protocol program to automate SAP transmissions.
- Continued implementation of the Environmental Health Management System for the Health Department.
- Upgraded Jail Management System.
- Continued implementation migration of Enterprise Backup system to a new platform.
- Began replacement of Mobile Data Terminals for Public Safety users.
- Researched and evaluated potential migration from DES Hansen to SAP.
- Investigated upgrade/replacement of county-wide Data Network.
- Implemented new version of Information Services Helpdesk ticketing system.

2012 Major Objectives

- Continue replacement of all county-wide PCs, laptops, servers as part of technology refresh project.
- Continue consolidation of Directory Services database (i.e. user identity/access management).
- Continue implementation and consolidation of the 911/Public Safety applications, including CAD, RMS, MoRIS and field reporting.
- Continue to upgrade older applications for new Windows 7 platform.
- Begin upgrade/replacement of county-wide telephone system.
- Continue implementation of Secure File Transfer Protocol program to automate SAP transmissions.
- Complete implementation of an Environmental Health Management System for the Health Department.
- Continue replacement of Mobile Data Terminals for Public Safety users.
- Begin implementation of potential migration from DES Hansen to SAP.
- Continue to investigate upgrade/replacement of county-wide Data Network.
- Begin planning for telephony and network infrastructure replacement.
- Begin planning for multifunction device replacement.

DIVISION DESCRIPTIONS

Office of the Chief Information Officer (1901)

The Chief Information Officer oversees the strategic planning and implementation of departmental technology initiatives, provides central policy direction for county departments, and manages IS department personnel and budget. Staff members identify information requirements that span the boundaries of departmental jurisdictions and perform administrative functions such as equipment ordering, hardware and software inventory management and equipment maintenance negotiations with service providers.

County-wide Lease and Maintenance (1902)

This is a holding account for the costs of county-wide hardware leases, contracts for all hardware, county-wide software maintenance and client licenses and common computer supplies which are used by other county departments. It was established to separate the costs of support to other departments from the costs of operating the Information Services Department.

Computer leases for county-wide hardware, maintenance, and data lines are budgeted in this account and charged back to the respective departments receiving the services. This allows better control of expenditures and increased flexibility to meet the rapidly changing information technology environment.

Operations (1903)

The Operations division provides end-user support services, information technology solutions, consulting services and project management for other departments. They also assist in locating solutions to satisfy business requirements and maintain the existing base of county-wide information systems.

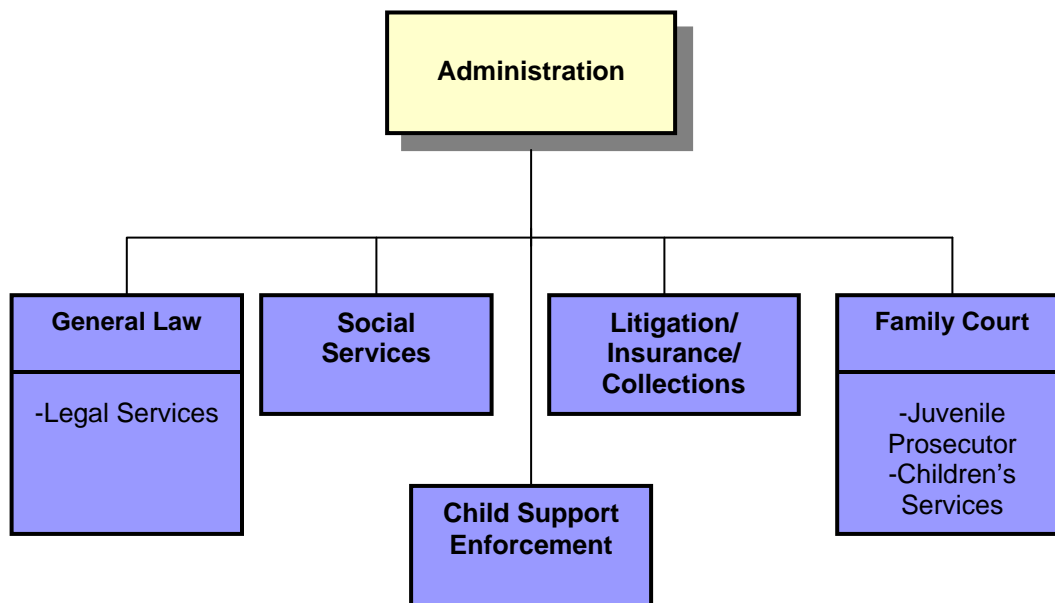

Staff investigate new technology and developments in existing technology in order to develop standards for county hardware, software and connectivity. They manage and operate county computers of various client locations throughout the county. They install new equipment, troubleshoot problems with existing equipment, provide Help Desk support for county computer users and provide management of telephone services.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012

LAW DEPARTMENT 2012 MANDATED/NON-MANDATED

The percentages above do not reflect the deduction of Service Chargebacks.

NON-MANDATED		1,669,283
MANDATED		10,364,586
	SUBTOTAL	12,033,869
DEBT SERVICE		0
SERVICE CHARGEBACKS		(4,158,827)
	TOTAL BUDGET	7,875,042

Mandated includes New York State Pension and Social Security costs. State law mandates that Monroe County provide legal services in all aspects of Social Services, ranging from Medicaid and Public Assistance to all child welfare matters including Family Court, Foster Care, the Child Support Enforcement Unit and the Juvenile Prosecutor's Office. Mandated services also include Litigation/Collections.

The non-mandated portion of the Law Department provides legal services in the area of General Law.

LAW

2012 Budget - \$7,875,042

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: LAW (16)

DEPARTMENT DESCRIPTION:

The Monroe County Law Department provides to county departments and residents high quality legal representation and counsel that are of value to the community at large. These services meet client and public needs, are delivered expeditiously and result in client and public confidence.

Mission

The Law Department shall deliver responsive, efficient, effective legal representation and counsel to county departments and residents, in order to assist in providing the highest return to the community on their investment. The Law Department provides quality legal services to enable Monroe County government to ensure a safe, healthy, prosperous and stimulating environment which results in a world class place to live, work and enjoy life.

2011 Major Accomplishments

General Legal Services

- Trained county departments on local legislative process and referral writing, in order to improve accuracy and efficiency.
- Implemented and utilized DAMION case management program.

Social Services Unit

- Continued success with Medicaid and Temporary Assistance ("TA") monetary recoveries.
- Continued success with SSI Advocacy Unit in assisting TA clients in moving from TA to SSI/SSD benefits.

Litigation Unit

- Resolved over 99% of claims and lawsuits within set reserve values.
- In the first half of 2011, won ten (10) motions for dismissal, one (1) summary judgment motion and one (1) trial no cause for action, saving the county further costs.

Juvenile Prosecutor's Office

- Continued to protect the community and address the concerns of crime victims by prosecuting approximately 650 Juvenile Delinquent petitions in Monroe County Family Court.
- Worked in conjunction with Monroe County Probation's Alternative to Detention program to successfully reduce the number of low risk youth in secure detention.

Child Support Enforcement Unit

- Expanded outreach services to non-custodial parents, including collaborations with prison re-entry projects, fatherhood programs, and veteran's outreach groups.
- Assumed responsibility for and streamlined the process for serving legal papers for all divisions of the Law Department, including using the automated Waiting Room Tracking System application to monitor and track progress and outcomes.

Children's Services Unit

- Continued to work closely with DHS Child Protective staff to ensure the best possible results were achieved in child protective cases.
- Aggressively pursued relief from the appellate court when Child Protective management felt such action was necessary to ensure the safety of a child, and successfully opposed appeals brought against decisions which were rendered in favor of the Child Protective position.
- Worked closely with the Family Court Child Welfare Collaborative and the Family Court Planning Committee to continue to find ways to make the Family Court process more efficient in order that permanency for children is achieved more quickly, which is a better outcome for the children and is a more efficient use of foster care monies.

2012 Major Objectives

General Legal Services

- Implement training program for county departments in insurance coverage requirements and contract preparation.
- Continue to standardize county contract provisions across departments.

Social Services Unit

- Work closely with DHS staff to assist with implementation of their initiatives and in responding to NYS initiatives.

Litigation Unit

- Continue to resolve claims and lawsuits within set reserve values.
- Continue emphasis on dismissal motions wherever practicable.

Juvenile Prosecutor's Office

- Continue to protect the community and address the concerns of crime victims by prosecuting Juvenile Delinquents in Family Court thereby holding them accountable for their actions.
- Continue participation on various committees designed to improve the effectiveness of the juvenile justice system in Monroe County.

Child Support Enforcement Unit

- Expand program for referring non-custodial parents to employment services in order to increase economic stability for both custodial and non-custodial parties.
- Implement a case stratification project to target enforcement actions and activities on cases most likely to produce successful outcomes using research-based models from other states.

Children's Services Unit

- Continue to explore with our Child Protective clients, as well as with the courts and other agencies involved in the process, new policies and procedures which might be utilized to reduce the time children spend in foster care so that they achieve permanency in a familial setting as quickly as possible.
- Continue to build out attorney-client relationship with the staff of DHS Child Protective in order to continue to achieve mutually satisfying results.

DIVISION DESCRIPTIONS

Administration (1601)

The County Attorney directs the activities of all divisions of the Law Department, develops policies and procedures and supervises the staff. Administrative support staff perform personnel/payroll, budgetary and office management functions.

General Law – Legal Services (1602)

The goal of this division is to provide legal advice and analysis to the County Executive, county departments and offices, the County Legislature and all bodies created or authorized by the County Legislature and all county officers and employees on county related matters. This division renders legal opinions, drafts state and local legislation, reviews legislative communications, reviews contracts, specifications and other legal documents and is responsible for special legal projects. This division is also responsible for all real property transactions involving the county. These transactions include acquisition of real property, sale of real property, easements, negotiation and drafting of leases involving the county and condemnation actions for the acquisition by the county of interests in real property.

General Law – Social Services (1603)

The goals of this division are: 1) to provide professional legal representation to Social Services in order to advocate within the confines of the law for results that maximize the delivery of their services (Public Assistance, Medicaid, conservatorships) at the lowest cost; and 2) to maximize the collection of monies owed Social Services at the lowest cost. Outcome measures include the decrease in the percentage of lawsuits brought against Social Services that result from allegations that Social Services violated the law.

Litigation/Insurance/Collections (1604)

The goal of this division is to provide litigation, collection and insurance services to the County of Monroe and all its officers and employees in litigation matters, in order to maximize recoveries and minimize payments. This division also represents the county in human rights cases and administrative hearings. The division is also responsible for administering the

county's self-insurance program and procuring insurance coverage in those areas for which the county is not self-insured. Outcome measures include the percentage of cases concluded within reserved values.

Family Court – Juvenile Prosecutor's Office (1606)

The Juvenile Prosecutor's Office ("JPO") is responsible for prosecuting youth under the age of 16 who commit an act that would constitute a crime if committed by an adult. The goals of this division are to protect the community, address the needs of crime victims, hold delinquent youth accountable for their actions and develop the competencies of delinquent youth in an effort to reduce their risk of re-offending. In addition to prosecuting juvenile delinquency cases, the JPO attorneys present evidence in violation of probation cases, assist crime victims, provide advice to law enforcement agencies and appear as required in Juvenile Drug Treatment Court and Domestic Violence Court. The JPO attorneys also have a strong presence in the community, contributing to the planning and implementation of strategies to reduce juvenile crime.

Child Support Enforcement Unit (1607)

The Child Support Enforcement Unit seeks to establish paternity for children born out of wedlock, and to establish and enforce support orders issued by Family and other courts for the benefit of families in receipt of public assistance benefits and for other custodians of children in this community and elsewhere. Legal services for court proceedings are provided to the Department of Human Services and to other parties upon request and for a fee. Outcome measures include the percentage of children for whom paternity is established, the percentage of cases in which a support order is obtained and the percentage of accounts on which a support collection is achieved.

Family Court – Children's Services (1608)

The goal of this division is to provide legal services to Social Services on all child welfare matters to protect the children of Monroe County. This division provides legal support in matters before Family Court seeking relief on behalf of children who have been the victims of abuse or neglect. Children's Services also represents Social Services in the court review of the status of children placed in foster care either voluntarily, through a guardianship proceeding, or by termination of parental rights by court order or parental surrender. Division legal staff appear in juvenile delinquency and Persons in Need of Supervision ("PINS") proceedings involving Social Services, represent Social Services in administrative fair hearings regarding child protective and foster care issues, and prosecute and defend appeals involving legal issues related to child welfare.

MONROE COMMUNITY HOSPITAL

2012 Budget - \$71,662,501

DEPARTMENT: Monroe Community Hospital (62)

DEPARTMENT DESCRIPTION

Monroe Community Hospital ("MCH") provides multi-disciplinary services for the extended care and treatment of people of all ages. MCH is licensed as both an Acute Care Hospital and Nursing Home. In part due to its dual licensure, and the fact that since 1965 MCH has had a formal affiliation with the University of Rochester to meet all of the medical and dental needs of its residents, MCH has become a highly specialized facility for individuals requiring chronic medical care. As the only provider of such services in our community, MCH serves as a critical component of the region's entire health care delivery system. MCH's acceptance of such complex patients provides the community a cost-effective alternative and eases overcrowded conditions in the region's emergency departments and acute care hospitals. The primary mission of the facility is to provide high-quality, comprehensive patient-centered care with the emphasis on functional restoration.

Mission

Monroe Community Hospital is a health care organization that provides specialized long term care for the most medically complex cases, serving a unique and vital need in the community.

2011 Major Accomplishments

- Maintained Facility Compliance with the New York State Health Department Acute Hospital and Nursing Home Regulations.
- Worked diligently to minimize impact of statewide Medicaid reimbursement reductions and reduction of 13 positions from MCH Operations.
- Obtained \$20,000 gift from the Rochester Regional Healthcare Information Interchange ("RRHIO") and connected MCH software systems to the RRHIO community-wide medical information interchange.
- Advanced several internal Information Technology initiatives towards goal of a fully electronic medical record.
- Completed upgrade/renovations to the Short Term Physical Rehabilitation Unit.
- Expanded MCH's complement of private rooms so we can better serve people with complex infections and medical needs.
- Entered into an agreement with the Rochester Philharmonic Orchestra ("RPO") for a Holiday Gala Concert in support of MCH.
- Trained staff and implemented systems in preparation for a vastly different NYS Department of Health regulatory survey process.
- Submitted and obtained Certificate of Need approval from New York State Health Department to relocate MCH's 5-bed Acute Care Hospital Unit to maximize operational efficiency.
- Began billing for physician services outside of those historically included in MCH's daily payment rates.
- Completed parking lot, roadway, and Faith Building masonry re-pointing construction projects.
- Participated in several clinical research studies along with the University of Rochester Medical Center.
- The Monroe Community Hospital – T.F. Williams, MD Foundation raised over \$322,500 in cash and \$110,700 in in-kind contributions. This amount includes proceeds from our Annual Golf Tournament, which raised \$56,268 and Wine Tasting event raising \$31,225.
- MCH staff continued to participate on several regional planning committees and the facility continued to serve as a vital outlet for hard to place patients from our region's overcrowded acute care hospitals.

2012 Major Objectives

- Work to ensure Facility Compliance with the New York State Health Department Acute Hospital and Nursing Home Regulations under a completely new regulatory survey process.
- Continue to investigate ways to increase revenue/reduce expenses while maintaining quality of care and quality of life for those receiving services at MCH.
- Continue Information Technology Systems implementation (Wireless Network and Electronic Medication Administration Records).
- Expand the Foundation's outreach and donor base to enhance MCH's programs through contributions and gifts.
- Relocate MCH's Acute Hospital Care Unit from the Friendship Building to the Faith Building.
- In partnership with the University of Rochester, hire and orient a new Medical Director at MCH.

DIVISION DESCRIPTION

Monroe Community Hospital

Monroe Community Hospital includes Administrative Services, Nursing/Professional Services, Support Services, and Medical Administration. Administrative and financial management of the Hospital are the primary responsibility of Administrative Services. Administrative Services directs personnel and training programs, maintains patient information, performs admission and discharge functions, and operates the Hospital's management information systems. It is also responsible for developing hospital goals in conjunction with the medical staff and other health care providers to meet present and future needs of the community and to ensure the quality of life for hospital residents. Other responsibilities include patient billing, reimbursement analysis, purchasing, and the storing and issuing of supplies and equipment.

Nursing/Professional Services provides nursing and other direct services to patients. Additional responsibilities include directing and organizing the nursing staff in carrying out supportive and restorative nursing care; operating the Acute Care Unit, the Residential Health Care Facility, Outpatient Clinic and rehabilitation programs; and developing ongoing training programs for all nursing staff.

Support Services ensures that the physical complex is maintained in a safe, clean and code-compliant manner and that adequate communications are maintained for the facility.

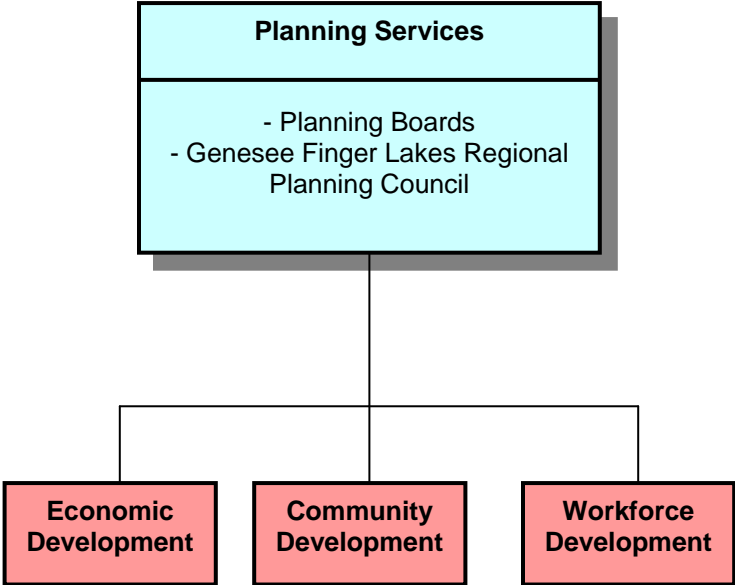

Medical Administration provides for all medical and dental needs of hospital residents through an affiliation agreement with the University of Rochester and Strong Memorial Hospital.

PLANNING AND DEVELOPMENT

2012 Budget - \$2,025,292

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Planning and Development (14)

DEPARTMENT DESCRIPTION

The Planning and Development Department provides and coordinates a broad range of programs focusing on job retention and creation, employment and training services, land use planning and resource conservation as well as housing and neighborhood preservation. The department integrates planning services with economic and community development activities through partnerships with local governments and the private sector.

Mission

The department provides planning and development information and assistance, project administration and employment services that improve the quality of life for county residents through public and private sector cooperation.

2011 Major Accomplishments

Planning Services Division

- Assisted the Greater Rochester International Airport in implementing further Geographic Information System applications including intranet applications and data development and maintenance.
- Worked with the U.S. Census Bureau, Genesee Finger Lakes Regional Planning Council and municipalities on 2010 Census Local Update of Census Addresses resulting in over 6000 new and corrected addresses. Assisted in distribution of Census Data.
- Continued to provide the public, developers, other county departments, and community, regional and national agencies with information and mapping, technical advice, project review, training and education. Coordinated local and regional planning activities.
- Prepared the 2012-2017 Capital Improvement Program. Worked with the Finance Department on the Capital Budget Annual Report and the State Environmental Quality Review ("SEQR") Status report.
- Completed four Green Space Initiative projects.
- Provided twelve land use and decision-making workshops to over 250 municipal board members and professionals.

Economic Development Division

- Approved 122 projects in 2010, and 77 in the first half of 2011, which will result in the investment of \$927 million in the community within three (3) years and will create 2,644 new jobs and retain 15,779 existing jobs; leveraged over 92% in private funds.
- Created new program, Monroe On The Job, which provides matched funding to manufacturers and skilled trade employees participating in a qualified certification program.
- The Procurement Technical Assistance Center ("PTAC") assisted 61 companies which secured \$29.5 million in government contracts in 2010. To date they have assisted 52 companies which secured \$37.4 million in contracts.
- Monroe County Sports Development Corporation ("MCSDC") brought new visitors to the county by assisting events such as the National Senior Games Championship, USA Hockey Development Camps and the Full Moon Vista Cycling Grand Prix.

Community Development Division

- 35 families received down payment or closing costs assistance, totaling \$123,000, which allowed them to achieve the American dream of home ownership by purchasing a first home.

- Completed 95 housing rehabilitation projects in participating towns and villages totaling \$860,415, which improved housing conditions for low to moderate income homeowners.
- Completed 21 public works and facilities projects in participating towns and villages; 14 of which improved accessibility for persons with disabilities and the elderly.
- Expended \$752,424 of HOME Investment Partnerships Program funding that contributed to the construction and/or rehabilitation of 194 units of affordable rental housing.

Workforce Development Division

- 14,045 job seekers found employment with the help of RochesterWorks!
- 1,800 job seekers and workers received training or upgraded skills.
- 651 youth were enrolled in employment programming.

2012 Objectives

Planning Services Division

- Assist the Greater Rochester International Airport in implementing further GIS applications including intranet applications and data development and maintenance.
- Continue to provide the public, developers, other county departments and community, regional and national agencies with information and mapping, technical advice, project review, training and education and coordinated local and regional planning activities.
- Prepare the 2013-2018 Capital Improvement Program. Continue to work with the Finance Department to improve capital project monitoring.
- Complete the remaining Green Space Initiative projects.

Economic Development Division

- Increase number of companies that receive benefits through county economic development programs.
- Increase job creation at local businesses through incentive programs.
- Increase awareness of all economic development programs through presentations to accountants, attorneys, bankers and civic groups.
- Continue joint calling efforts with the City of Rochester Economic Development staff, Greater Rochester Enterprise, Empire State Development and the Procurement Technical Assistance Center ("PTAC").
- MCSDC will continue to partner with VisitRochester in attracting new visitors and events to Monroe County.
- Increase marketing efforts for the Monroe County Foreign Trade Zone through improved collaboration with the International Business Council and the trade zone operators.
- Work with Greater Rochester International Airport to secure additional low-cost carriers.

Community Development Division

- Complete 22 public works and facilities projects in participating towns and villages, 13 of which will improve accessibility for persons with disabilities and the elderly.
- Maintain the number and dollar value of housing rehabilitation projects.
- Provide First Time Homebuyer subsidy to 40 program participants to enable them to purchase their first homes.
- Increase development of quality, affordable rental housing for low and moderate income people in municipalities that do not currently provide affordable rental units developed with county CDBG and/or HOME funding.

Workforce Development Division

- Recognize future employment opportunities, identify skill gaps and provide funding for training and meaningful skill development.
- Increase the use of technology to maximize quality and availability of service.

DEPARTMENT: Planning and Development (14)
DIVISION: Planning Services (1401)

DIVISION DESCRIPTION

The principal role of the Planning Services Division is to assist the County Executive, other county departments and local governments in setting, evaluating and achieving the long term objectives of the community. Planning Services provides data and information, issue and policy analysis, and alternatives and solution evaluation to decision makers. Planning Services also undertakes special studies related to zoning and land use matters.

SECTION DESCRIPTIONS

Planning Services (1401010000)

Planning Services provides services to customers through prepared technical and census tract data reports, assists municipalities in the review of development proposals and the preparation of master plans, zoning and subdivision codes, provides planning and development education, and prepares the annual county Capital Improvement Program. Funding is also provided for support of the Monroe County Council of Governments.

County Planning Board (1402010000)

County Planning Board advises the County Administration, Legislature and other municipal officials on planning matters. They coordinate plans and planning programs among all levels of government in Monroe County by providing forums for public discussion, education and participation in resolving planning issues and concerns.

Genesee Finger Lakes Regional Planning Council (1402040000)

Genesee Finger Lakes Regional Planning Council ("GFLRPC") provides technical assistance on development programs which have regional impact. Representatives from nine member counties (Monroe, Genesee, Livingston, Ontario, Orleans, Seneca, Wayne, Wyoming and Yates) participate in this program. GFLRPC provides a forum to discuss matters of regional concern, formulates development plans and provides technical assistance to maximize understanding of regional programs.

DEPARTMENT: Planning and Development (14)
DIVISION: Economic Development (1403)

DIVISION DESCRIPTION

Through private, state, federal and county financial resources and technical assistance, the Economic Development Division supports businesses, developers, units of local government and major county facilities such as the Airport in economic development activities. The division provides administrative support to the County of Monroe Industrial Development Agency (“COMIDA”) and the Monroe County Industrial Development Corporation (“MCIDC”).

Division staff provide community leadership and outreach by coordinating and guiding development to achieve maximum public benefit, seeking ways to address major economic issues facing the county and developing strong working relationships with other economic development agencies in the region. Other services include a business outreach program, loan packaging services, administration of business financing programs, technical assistance to businesses interested in undertaking expansion or relocating to the area, site analysis and identification, coordination of project reviews and permits, implementation of tax incentives and other programs and coordination of job training/education resources.

Services provided by the Public Defender's Office are mandated by state and federal law, with the county having limited control over service levels.

PUBLIC DEFENDER

2012 Operating Budget - \$7,488,651

2012 Grant Budget - \$407,200

DEPARTMENT: Office of Public Defender (26)

DEPARTMENT DESCRIPTION

The Public Defender is appointed by the County Legislature for a two-year term. The Public Defender's Office represents indigent individuals in criminal court proceedings, Family Court, and Surrogate Court. Services are mandated by state and federal law, but are subject to some county control. The Public Defender heads a professional staff which includes attorneys and support staff.

Mission

In compliance with federal and state constitutions, the Monroe County Public Defender's Office is a legal service component of Monroe County government which: provides quality legal representation to its clients; advocates for the protection of the constitutional rights of its clients; contributes to the efficient and effective operation of the criminal justice system in Monroe County; advocates and works toward achieving results that have the greatest likelihood to help rehabilitate clients and prevent them from committing new crimes; and creates a work environment that supports the empowerment and teamwork of its employees.

2011 Major Accomplishments

- Effectively represented clients in over 30,000 cases in courts throughout Monroe County, an increase of almost 20% over 2006 caseloads.
- Due to the reputation as one of the top public defender offices in New York State, the department was chosen to be one of twelve (12) host sites in the country for the Public Defender Corps Fellowship Program created by Equal Justice Works.
- As an accredited Continuing Legal Education ("CLE") provider, conducted over twenty free CLE programs for attorneys in the criminal defense community.
- Continued internal trial techniques program to improve the trial skills of less experienced attorneys.
- Developed externship programs for law students, and successfully placed law students from local law schools.
- Expanded the college internship program for college and high school students. Placed over 40 college and high school students with the Public Defender's Office in 2011.

2012 Major Objectives

- Develop a regional criminal immigration advisory clinic to provide advice to attorneys who represent indigent non-citizens of the consequences of a criminal conviction.
- Continue to provide quality legal services to our clients while facing caseloads that far exceed national standards and goals.

DIVISION DESCRIPTIONS

Administration (2601)

The Public Defender, with the support of administrative staff, develops policy alternatives and operating procedures, and provides direction, coordination and planning for all department activities. Specific administrative tasks include payroll, personnel, records management, technology support, facilities management and budget functions.

Criminal Trials (2602)

This division defends persons who are charged with crimes but cannot afford private counsel. Clients are represented at arraignments, preliminary hearings, trials and other court proceedings. Specific activities include: the processing of bail applications, the investigation of cases (interviews with defendants, witnesses and victims) and the preparation of motions and supporting legal memoranda.

Family Court (2603)

This division represents indigent persons in all phases of Family Court proceedings as required by Section 262 of the Family Court Act. When appropriate, clients are referred to various agencies for counseling and other services.

Appeals (2604)

The Appeals Division represents indigent persons who appeal the judgments, dispositions or orders of the trial court, Family Court or Surrogate Court. Attorneys assigned to this division prepare the legal briefs which are necessary to perfect a case on appeal.

Public Defender Grants (2606)

Mental Health and Drug Treatment Court Defense

This program has enabled the department to hire additional attorneys and support staff to better represent the increasing caseload of drug arrests in Monroe County. Federal Anti-Drug Abuse Block Grant funding is distributed to certain localities by the State of New York.

Aid to Localities

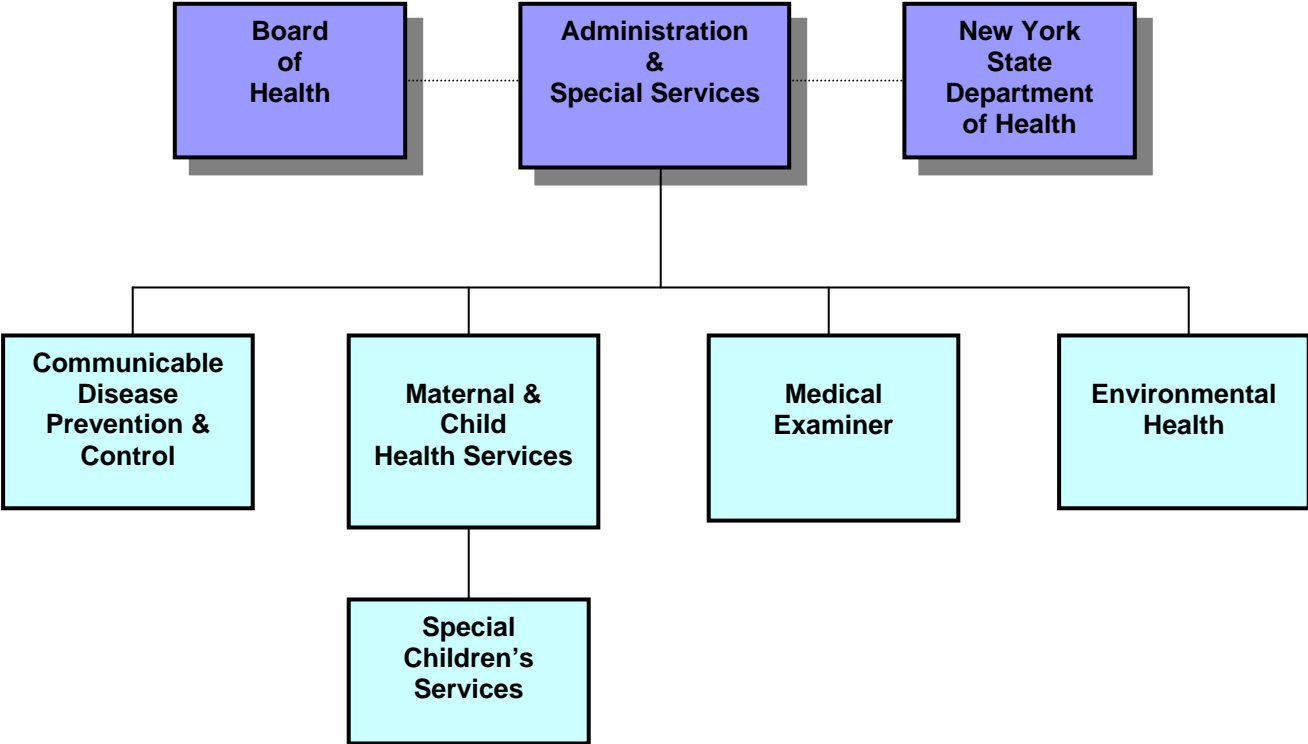

The state provides funding for attorneys and support staff in the Public Defender's Office through the Aid to Localities Program. Specific activities include researching cases, preparing briefs, motions, and other elements of cases, and representing clients at arraignments, preliminary hearings, trials and all other court proceedings.

2012 Operating Budget - \$66,584,148

2012 Grant Budget - \$2,137,229

The percentages above do not reflect the deduction of Service Chargebacks.

Department: Public Health (58)

DEPARTMENT DESCRIPTION

The Department of Public Health provides a wide range of services designed to promote health and protect the public from disease and environmental hazards. Services focus on prevention of health problems through education, preventive services and enforcement of health codes and medical policies. Categories of service include maternal and child health, environmental health, communicable disease prevention and control (including clinic services) and medical examiner services.

Mission

The Department of Public Health provides direct public health services and leadership to ensure improved health status of individuals, families, the environment and the community. The department strives to achieve excellence in its performance to advance Monroe County as a leader in the field of public health, collaborate with community partners to achieve optimum health status in the community and interact proactively with the changing health care environment to ensure that public health issues are recognized and addressed.

2011 Major Accomplishments

Administration and Special Services

- Completed Monroe County's Civil Preparedness Initiatives ("CPI") plan (our local implementation of the federal Strategic National Stockpile plan) and validation of all 36 sector planning teams ("SPT"s) municipal points of dispensing ("POD") plans. All 36 POD amateur and VHF communications capabilities were tested through two communications exercises in 2011.
- Health data: the Youth Risk Behavior Survey was administered; the Cancer Incidence and Death Report was completed; and the Maternal Child Health Report Card was completed.

Communicable Disease Prevention and Control

- Raised public awareness related to the increase in HIV morbidity in youth under twenty-five years of age by disseminating local and national trend data to community partners, including educational institutions, educational forums, community-based organizations, medical providers, and local media.
- Starlight Pediatrics ("SLP") became fully operational in the new Monroe County Pediatrics and Visitation Center. Successful co-location of the medical home SLP with the Department of Human Services families and staff involved in supervised visitation has improved efficiencies toward the goal of informing and improving the parenting skills of both foster and birth parents to ensure the success of both children and families.

Maternal Child Health

- Created a strong community collaborative to maintain progress on the Healthy Mom-Healthy Baby Grant working toward five essential elements outlined by NYSDOH, including the development of infrastructure for a coordinated system of care.

Office of the Medical Examiner

- Completed significant portions of cataloging historical skeletal remains held in Medical Examiner custody using current forensic standards. Working to acquire necessary samples to establish DNA profiles.
- Completed additional surge planning for mass fatality/pandemic flu event, including a grant funded acquisition of a refrigerated trailer unit, for better mass fatality response.

Environmental Health

- Implemented a new tanning facility licensing and inspection program pursuant to the New York State Sanitary Code (NYCRR Title 10). All tanning facility operators are now required to obtain a permit to operate and are inspected to confirm compliance with the NYS Sanitary Code.
- Established a partnership with a refugee resettlement organization and a group and family daycare licensing organization (NYS Office of Child and Family Services) to implement Lead Primary Prevention Interventions for these target populations.

2012 Major Objectives

Administration and Special Services

- Incorporate new data management software tools to be used collaboratively with other county departments and local municipalities involved in our public health emergency plans to enhance response visualization (such as POD plan recall on the GIS software), enabling quicker information response times and providing real-time situational awareness.
- Identify co-location areas for Vital Records staff with Department of Motor Vehicles on scheduled days to enhance customer satisfaction.
- Administer the 2012 Adult Health Survey, which provides important information on health indicators for Monroe County.

Communicable Disease Prevention and Control

- Raise awareness about local and national HIV/STD trends by partnering with and leveraging community resources, optimizing the use of social media, and by providing partner notification services to control the spread of infection by providing targeted short and long term intervention and prevention strategies to individuals at risk or infected with HIV.
- Support the new Center for Disease Control ("CDC") and New York State Department of Health prevention goal of improved surveillance to effectively prevent transmission of Acute Hepatitis A and Acute Hepatitis B cases by capturing complete risk factor information for cases identified in Monroe County.

Maternal Child Health

- Nurse-Family Partnership will implement use of the new national service office database system ("ETO") to monitor program outcomes and determine quality improvement priorities.

Office of the Medical Examiner

- Complete inspection required for National Association of Medical Examiners (N.A.M.E.) accreditation.

Environmental Health

- Implement "Digital Health Department" business system to help streamline our business processes and begin performing computerized field inspections.
- Incorporate individual wastewater system records and private well samples results into the county GIS system.

SECTION DESCRIPTIONS

Public Health Director (5801010000)

The Director of Public Health articulates public health policy and provides the technical information that citizens need for health protection. The Director of Public Health is responsible for providing clinical oversight to all local public health programs, coordination of health business operations and management, overall leadership to the health department and ensuring services are appropriate and consistent with department goals and state requirements.

The Office of Public Health Preparedness (“OPHP”) is responsible for effectively coordinating the preparation for the response to public health emergencies, such as communicable disease outbreaks and bioterrorism events. OPHP staff work collaboratively with Department of Public Health divisions/programs, other county departments, municipalities, and other partners to: develop and update integrated public health preparedness (“PHP”) plans; provide education/training; and conduct drills/exercises. The Public Health Preparedness and Response to Bioterrorism Grant and other grants support OPHP efforts.

Community Health Improvement (5801030000)

Staff in this section prepare **HEALTH ACTION** report cards and provide staff support to Board of Health **HEALTH ACTION** committees and community partnerships. Staff also responds to approximately 500 requests each year for health data and assist in special studies carried out by the department such as the Youth Risk Behavior Survey and the Adult Health Survey.

Vital Records (5801040000)

Vital Records is responsible for processing and issuing birth, death and related certificates, recording statistical data and interacting with federal, state and local agencies, hospitals, funeral directors, physicians, attorneys and the general public.

Emergency Medical Services Support (5801050000)

While the Emergency Medical Services budget/operations now reside in Public Safety, the laws and regulations guiding the operations remain in Public Health. Dual reporting and oversight on cross operational issues will be maintained.

Health Education Program (5801070000)

The Health Education Program provides public health information/education and referral on diverse health topics of concern in Monroe County.

Various grants are obtained throughout the year to implement small scale public health education campaigns. These grants will be accepted and appropriated as they are received.

Employee Wellness Program (5801080000)

Staff coordinates workforce preventive health initiatives designed to ensure Monroe County employees are healthy and available to provide services to Monroe County residents. Initiatives include educational events and other activities that promote healthy living.

SECTION DESCRIPTIONS

Clinic Administration (5802010000)

Communicable Disease Prevention and Control ("CDPC") Administration's responsibilities include ensuring regulatory compliance for licensure as a Diagnostic and Treatment Center; HIPAA compliance; community consultation and leadership; program planning; data analysis; staff supervision; and administration of budgets, contracts, grants and special projects.

Tuberculosis Control Programs (5802020000)

The goal of these programs is to provide effective TB screening, education, outreach, treatment, case management, follow-up, referrals and preventive medicine to Monroe County residents to decrease the incidence of tuberculosis. Programs are partially supported by grants from the New York State Department of Health.

STD/HIV Prevention and Control Programs (5802030200)

The goal of these programs is to provide confidential, high quality STD/HIV prevention services, targeted case management of the reportable infection, behavioral counseling, disease surveillance and interventions to reduce the rates of STD/HIV cases in the community. Several grants from the New York State Department of Health partially support these programs. Education, technical assistance and support are given to providers around issues related to reporting and notification.

At the New York State Department of Health level, the STD Control Program and the AIDS Treatment & Prevention Programs have merged under the NYS AIDS Institute. These programs are now integrated at the county level and are included together in this budget section.

HIV Surveillance Program (5802040300)

The goal of this program is to confirm cases of HIV and AIDS in Monroe County through medical record review. Electronic case updates are prepared, identifying information such as risk factors, demographics and lab results. Provider education for HIV reporting law is provided as needed.

Immunization Program (5802050100)

The goal of the Immunization Program is to reduce or eliminate vaccine preventable diseases and to be an educational resource regarding immunization for health care providers and residents of Monroe County. To accomplish these goals, the program provides weekly immunization clinics for adults and children, offsite outreach clinics to vaccinate at-risk populations throughout the community, daily immunization information by phone and email to physicians, schools and the general public and immunization audits of provider practices related to immunization rates and practices. A Center for Disease Control/New York State grant, the Immunization Action Plan, partially funds this program.

Disease Control (5802060000)

The goal of this program is to prevent the transmission of reportable communicable disease by means of surveillance, investigations, intervention, education and research.

Foster Care (Starlight) Pediatric Clinic (5802070000)

The goal of this program is to provide coordinated, pediatric health care services to the children in Foster Care in Monroe County in order to ensure continuity of medical and preventive services to this high-risk population. This program improves children's access to quality health care and provides intensive health case management. These efforts promote placement stability and permanency, reduce lengths of stay and help prevent residential placements.

Performance Measures

DEPARTMENT: Public Health (58)**DIVISION: Maternal and Child Health Services (5803)****DIVISION DESCRIPTION**

The goal of this division is to provide public health services to children and families in order to ensure healthy births and improve health and developmental outcomes for all children. Services include home visiting and outreach through nurses and community health workers to high risk pregnant women and their families, and visits by Early Intervention (“EI”) staff to families and children with suspected developmental delays. Administrative staff in this division oversees all of the child and family health services in the department including those in the Nutrition grants, Children with Special Health Care Needs Grant (“SCHCN”) and in the Special Children’s Services Division (5807).

SECTION DESCRIPTIONS

Maternal and Child Health Services and Administration (5803010000)

This section is responsible for overall management of the Maternal and Child Health Division and Special Children's Services. Staff works closely with community agencies involved with maternal and child issues to achieve common goals.

The Nutrition Program includes the following components: Women, Infants & Children ("WIC"), Peer Counselor, and Healthy Lifestyle grants. These components target low-income, nutritionally at risk, pregnant, breast feeding and post-partum women as well as their infants and children up to the age of five years. The Nutrition Programs provide (1) nutrition and health education counseling; (2) supplemental food for low-income infants and children up to age five; (3) supplemental food for low-income pregnant, breastfeeding and post-partum women; (4) infant feeding education with an emphasis on breastfeeding promotion and support through paraprofessional peer counselors; and (5) referrals to other community services to improve the nutritional health as needed.

Physically Handicapped Children's Services (5803020000)

This section includes medical support funding which is provided to children with special health care needs. This program is 50% funded through state aid.

Nurse Family Partnership (5803050000)

The Nurse Family Partnership is an evidence-based nurse home-visitation program serving low-income, first-time mothers and their children. Visits begin early in the pregnancy, by 28 weeks gestation, and continue through the child's second birthday. Goals of the program are to improve pregnancy outcomes, infant health, child development and economic self-sufficiency for mothers and their children.

Perinatal Home Visiting Program (5803060000)

The Perinatal Home Visiting Program ("PHVP") is a para-professional home visiting program serving pregnant women and their families. PHVP provides the evidenced-based Parents as Teachers ("PAT") "Born to Learn" curriculum. Clients are visited during the pre-natal period and up to one year following the birth of the child. PHVP provides health, prenatal and parenting education to ensure optimal birth outcomes, improve child development and promote maternal life and health status.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012
Percent of PHVP clients who enter prenatal care in the first trimester	84%	70%	85%
Percent of PHVP clients who receive adequate prenatal care during pregnancy	87%	88%	89%
Percent of PHVP clients whose children receive adequate well child care while enrolled in program	98%	100%	100%
Percent of WIC Caseload Achieved	92%	94%	96%
Percent of WIC infants who are breastfed on hospital discharge	61%	65%	67%

DEPARTMENT: Public Health (58)
DIVISION: Office of the Medical Examiner (5804)

DIVISION DESCRIPTION

The Office of the Medical Examiner (“OME”) is responsible for the investigation and certification of all suspicious and unattended deaths in the community. To these ends, advances in forensic science have been incorporated into the work process to provide the most accurate and efficient results possible. The Medical Examiner and staff may provide court testimony on the results of these investigations. The office also provides forensic autopsies on a contractual basis for multiple counties in the region. The goal of the OME is to perform forensic death investigations for Monroe and the surrounding contractual counties and to provide data that can be utilized for public health and educational ends. The OME also maintains an educational component, speaking with various community groups and offering educational programs to various schools in the area. The OME has also been involved in the planning process in working to mitigate any potential public health emergency, especially significant fatalities associated with a pandemic flu event.

SECTION DESCRIPTIONS

Forensic Pathology and Administration (5804010000)

Comprehensive, sophisticated medical-legal death investigation services, forensic pathology, toxicology and other ancillary expert services are provided in over 2,900 investigations per year. Additionally, this section is responsible for all administrative and policy setting activities of the Office of the Medical Examiner.

Medical Examiner grants, primarily from the New York State Division of Criminal Justice Services and the United States Department of Justice, will be accepted and appropriated as received. They typically provide funding for staff and instrumentation upgrades for the Forensic Toxicology Laboratory as well as technology improvements and training for the Autopsy and Field Service sections.

Forensic Laboratory (5804020000)

The Forensic Toxicology Laboratory is responsible for screening blood and other body tissues for the presence of drugs or other foreign chemicals and for determining the amount of drugs present once they have been identified. These laboratory results are then interpreted as to their contributory role in a death.

Autopsy (5804030000)

The autopsy section prepares bodies and tissues and then performs physical examinations to determine a cause of death. Items of evidence are also secured and processed to ensure proper documentation of custody is maintained.

Medical Examiner Field Services (5804040000)

The Field Services section responds to a death location and initiates investigations to determine the cause of death. These death locations can vary from in-house scenes to detailed skeletal excavations in remote areas of the county. Cases requiring further investigation are transported to the morgue for more detailed inquiry. In addition, staff interacts with the community by providing lectures/demonstrations to schools and other organizations as requested. Data is obtained and can be provided to the community to help plan and implement programs to limit or reduce mortality. The Field Services area also provides coverage for other Department of Public Health operations by triaging calls from the public requesting assistance from the DPH after normal business hours and on weekends and holidays.

Performance Measures

Total Cases with Records Review	119	104	100
Total Other County Cases	379	288	400

DEPARTMENT: Public Health (58)
DIVISION: Environmental Health (5806)

DIVISION DESCRIPTION

Environmental Health promotes the improved health status of the community including individuals, business and industry, institutions and government by providing information and education; inspection of facilities or conditions that affect public health and the environment; enforcement of provisions of the Public Health Law, Environmental Conservation Law, the New York State Sanitary Code and the Monroe County Sanitary Code; emergency response to incidents that threaten public health and the environment; and coordination of program planning for county activities that protects public health and the environment.

<u>LEAD PROGRAM</u>		
Lead Clearance Testing and Analysis	\$100	\$100
Lead Screening	\$13.50	\$13.50

The Lead Screening Fee will be waived for families with income less than 200% of the federal poverty level and will be adjusted based on a sliding scale for incomes between 201% and 350% of the federal poverty level as determined by family size.

Note: Charitable non-profit organizations with annual budgets of \$50,000 or more are assessed a fee equal to fifty percent (50%) of the standard fee. Charitable non-profit organizations with annual budgets of less than \$50,000 will be exempt from Environmental Health fees. Governmental agencies that receive more than fifty percent (50%) of their operating funds from general tax revenues will be assessed a fee equal to fifty percent (50%) of the standard fee. Fee exemptions are not applicable to Food Worker Certification Fees as they are specific to the individuals receiving certification.

LATE PAYMENT FEE:

An additional late fee of \$25.00 will be applied to all fees less than \$100.00 that are received past the date due.

An additional late fee of \$50.00 will be applied to all fees of \$100.00 or greater that are received past the due date.

SECTION DESCRIPTIONS

Environmental Health Administration (5806010000)

This section is responsible for program administration, budget control, and staff development and planning. Additionally, Administration provides consultation and technical assistance to private groups and local governments concerning environmental matters and serves as the Records Access Office for all Freedom of Information requests directed to the Monroe County Department of Public Health.

Grants that are budgeted in this section include Drinking Water Enhancement, Healthy Neighborhoods and Adolescent Tobacco Use Prevention Act. The 2012 Grant Budget will be amended as additional funding is received during the year.

Engineering Field Operations (5806020000)

Engineering Field Operations monitors public water supplies, public swimming pools and bathing beaches. Staff provides oversight over individual wastewater system construction and perform site evaluations, soil testing and inspect repairs to all on-site wastewater treatment systems. Staff responds to complaints for drinking water (public and private), public bathing facilities and sewage overflows and provides drinking water sampling as requested. Staff provides information to the public for private water supplies and individual wastewater treatment systems.

Engineering Plan Review/Water Supply (5806030000)

This program regulates the public water systems and provides review and approval of plans related to water main extensions and cross connection prevention devices and public bathing facilities. This section also provides review and approval of plans of new on-site wastewater treatment systems for residential properties, realty subdivisions, commercial projects and provides oversight for rehabilitation of former waste sites. Plans are also reviewed and approved for public sanitary sewer extensions for realty subdivisions, commercial properties and for new and replacement sanitary sewer projects. This section also provides comments for projects for the County Development Review Committee. This section also administers the Drinking Water Enhancement Grant sponsored by the NYSDOH.

Temporary Residences and Institutions (5806050000)

Migrant farmworker housing, children's camps, day care centers, temporary residences, tanning facilities, campgrounds and mobile home parks are inspected, and permits issued where required, to ensure housing and sanitation standards are followed. Violations are recorded and enforcement actions are taken to correct any deficiencies. Additionally, this section also handles complaint response for smoking violations at work sites and public places and the enforcement of New York's Adolescent Tobacco Use Prevention Act.

Food Protection Service (5806060000)

The goal of this program is to reduce the incidence of food borne illness through activities that eliminate or decrease significant public health hazards and improve sanitary conditions in food service establishments. Activities include routine inspections of all food service establishments and complaint investigations in these facilities. This program also investigates potential food borne disease outbreaks to determine implicated foods and causative organisms.

Food Worker Certification Program (5806070000)

This Food Worker Certification program is designed to ensure that trained food handlers are present in all food service establishments to oversee the food handling practices of employees. All food service operators are required to have trained workers present at all times during the operation of the kitchen and bar facilities. The program offers two levels of certification: Level 1-Food Manager and Level 2-Food Worker, as well as recertification classes in both levels.

General Sanitation and Housing, Rabies and Rodent Control (5806080000)

The General Sanitation and Housing section investigates complaints and initiates actions to ensure that housing and commercial sanitation violations are corrected. Additionally, this section responds to animal bite complaints, and submits samples for rabies analysis if required. Rabies clinics for household pets are also conducted annually. Rodent complaints are also investigated and rodent baiting is provided. The Department of Public Health provides education and surveillance activities as needed for West Nile Virus and other arthropod borne diseases affecting Monroe County residents.

Environmental Assessment (5806100000)

The goal of this program is to analyze and provide information on health impacts related to indoor and outdoor air quality, releases of hazardous materials and exposure to toxic substances. Staff provides information to the public for indoor and outdoor air concerns and inspects properties as requested. Staff also provides information via Freedom of Information Act on former or suspected waste sites and environmental spills.

Lead Programs (5806110000)

This program includes county and grant funding in order to screen children for possible lead poisoning and ensure that medical and environmental follow-up occurs as required.

The goal of this program is to protect young children (0-18) from exposure to lead hazards by serving as a resource for current information; educating health professionals and the community at large; providing case management and ensuring professional adherence to lead regulations; and providing environmental assessment and enforcement of lead hazard reduction measures to ensure a lead safe environment for children in Monroe County.

Grants funded in this section include: the New York State Department of Health funded Childhood Lead Poisoning Prevention Grant described above; the multiyear federally funded HUD Lead Abatement Grant that provides direct funding for lead hazard control activities in housing units; and the New York State funded Lead Primary Prevention Program Grant that provides lead inspections and healthy home interventions to families to prevent children from reaching levels of exposure that require mandated response.

Environmental Quality Planning and Monitoring (5806120000)

The goal of this program is to improve and protect the quality of the environment in Monroe County. Staff supports the Environmental Management Council, the Water Quality Coordinating Committee, Water Quality Management Agency, Ontario and Durand Beaches Monitoring and Monroe County Watershed groups, as well as enforces and monitors the Monroe County Pesticide Neighbor Notification Law.

Grants including the NYS Bathing Beach Grant, the NYS Beach Survey Grant, the Rochester Embayment Remedial Action Plan Grant and the Finger Lakes-Lake Ontario Watershed Protection Alliance Grant are used to support water quality programming. Additional grant funds will be appropriated during 2012 as received.

Performance Measures

DEPARTMENT: Public Health (58)
DIVISION: Special Children's Services (5807)

DIVISION DESCRIPTION

Special Children's Services are federally-mandated programs under the Individuals with Disabilities Education Act ("IDEA") for children who are diagnosed with or at risk of developmental delays. Through early intervention, the functional abilities of the children are maximized and the need for costly services later in childhood is reduced.

SECTION DESCRIPTIONS

Early Intervention Program (5807010000 – 5807050000)

This program ensures that families of infants and toddlers with suspected or confirmed developmental delays receive services appropriate to their needs through the provision of service coordination and development of Individual Family Service Plans ("IFSP").

Staff provide initial service coordination and municipal oversight to children and families eligible for the program to ensure that the child's and the family's needs are met and that the Early Intervention services provided are effective and appropriate.

Preschool Special Education Program (5807500000 – 5807570000)

This program ensures that children ages 3-5 with disabilities receive special education services appropriate to their needs in a cost effective manner, through the development of Individualized Education Plans ("IEP").

Ages 3 - 5

Under section 4410 of the Education Law, school districts are responsible for eligibility and placement determinations for preschool children. Committees on Preschool Special Education ("CPSE") exist in each school district. Evaluations are conducted and service recommendations are made by the CPSE participants.

Ages 5 – 21

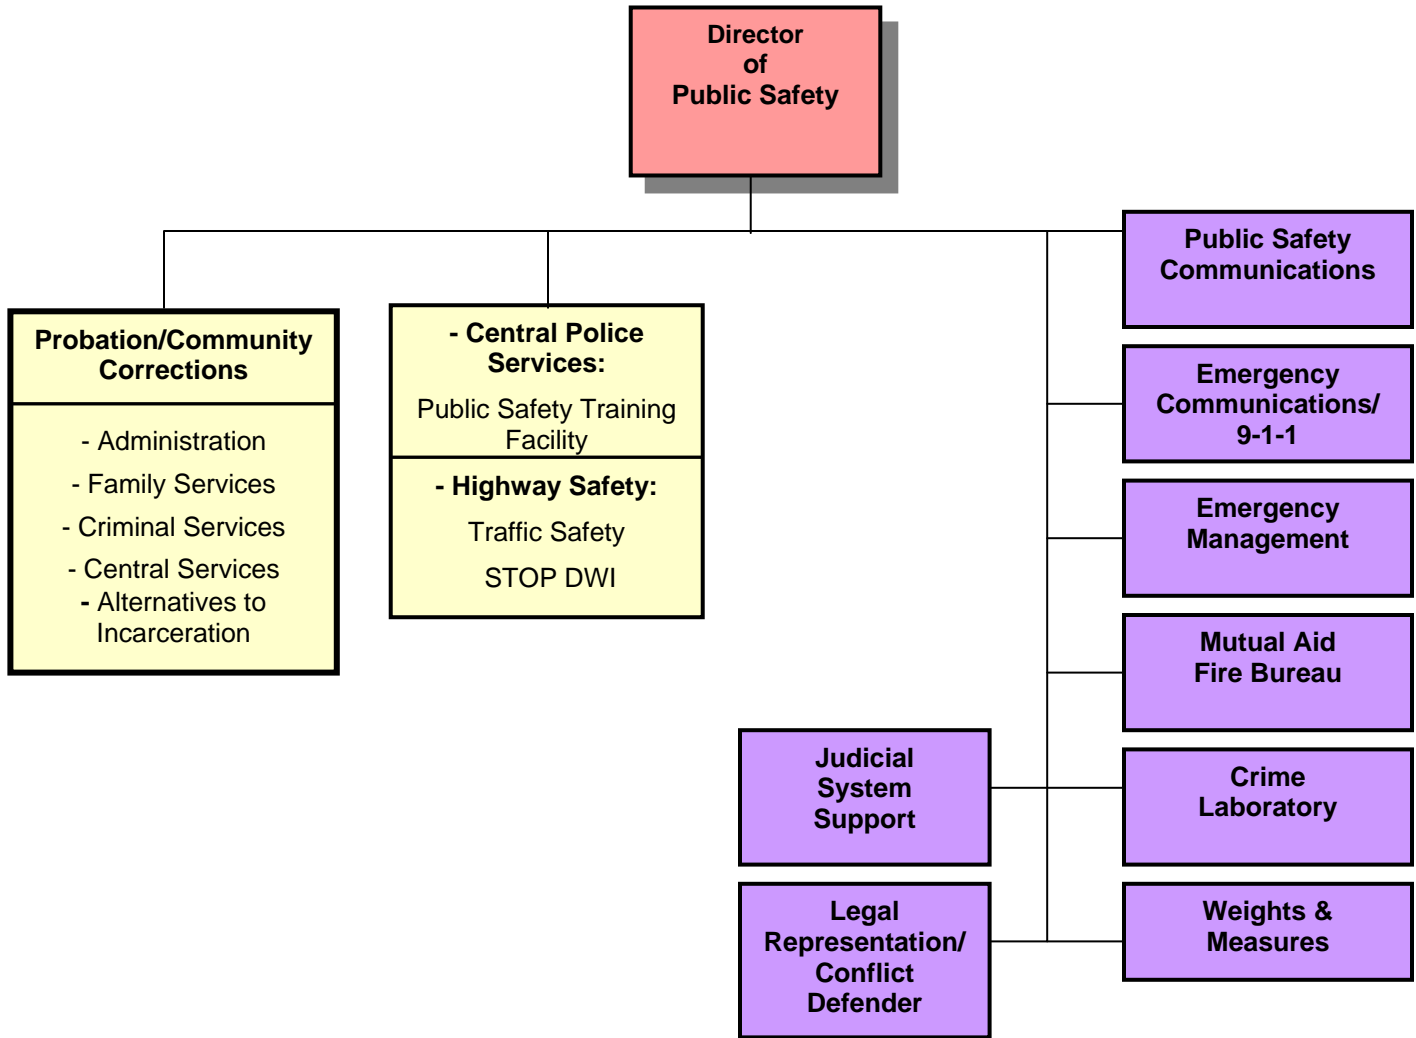

School-age children receiving special education may be eligible for the summer program as determined by the school district Committee on Special Education ("CSE"). On an annual basis, 10% of these costs are charged back to the county by the State Education Department.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012
Percent of infants/toddlers with EI with an Initial IFSP completed within 45 days of referral	98%	98%	98%

PUBLIC SAFETY (24)

PUBLIC SAFETY (24)

PUBLIC SAFETY 2012 MANDATED/NON-MANDATED

The percentages above do not reflect the deduction of Service Chargebacks.

NON-MANDATED	24,274,482
MANDATED	43,480,615
SUBTOTAL	67,755,097
DEBT SERVICE	6,535,806
SERVICE CHARGEBACKS	(2,113,462)
TOTAL BUDGET	72,177,441

Mandated includes New York State Pension and Social Security costs. Public Safety incorporates the state mandated services for: Judicial System Support, Legal Representation, Probation, Emergency Management, Crime Laboratory and Weights & Measures.

As local, non-mandated services Public Safety provides: Jail Utilization Systems Team, STOP-DWI, Alternatives to Incarceration, 9-1-1 Emergency Communications, Central Police Services and Mutual Aid Fire Bureau.

PUBLIC SAFETY

2012 Operating Budget - \$66,941,558

2012 Grant Budget - \$5,235,883

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Public Safety (24)

DEPARTMENT DESCRIPTION

The Department of Public Safety consolidates and manages functions related to the provision of public safety services. The offices of the Sheriff, District Attorney and Public Defender, which are headed by elected or County Legislature-appointed officials, are managed as separate departments. The Department of Public Safety is responsible for planning, funding, implementing and servicing the support infrastructure for public safety agencies and responders.

The largest division of the Public Safety Department is the Office of Probation/Community Corrections, which includes Alternatives to Incarceration. Other Public Safety services include: 9-1-1 Emergency Communications, Office of Emergency Management, the Mutual Aid Fire Bureau, the Crime Laboratory, Weights and Measures, Public Safety Communications and Central Police Services which includes Traffic Safety, and STOP-DWI. The Legal Representation/Conflict Defender Division and Judicial System Support for the Unified Court System and the State Appellate Court are also included.

The Public Safety Department provides support services and tools to first responders through coordinated efforts with all agencies and disciplines to ensure their protection in serving the entire community. The department shares the responsibility for county safety and security, including that of employees, clients and buildings, with the Department of Environmental Services ("DES"). DES attends to the infrastructure, while Public Safety manages the operational component to ensure public safety within county-operated facilities.

Mission

The Monroe County Department of Public Safety, through the effective, dedicated efforts of its divisions, contractors, employees, volunteers and the community, provides education, prevention, technical support, interagency coordination and direct services that meet or exceed the expectations of the courts, individuals and the public and private agencies receiving these services in order to enhance the quality of life in Monroe County.

2011 Major Accomplishments

- The Crime Laboratory hosted its grand opening on June 16, 2011 spotlighting the state-of-the-art LEEDS certified facility. The project was completed under budget, and the new facility provides work efficiencies and offers new functionality such as Digital Evidence analysis, the capability to process fingerprint evidence and a garage to perform vehicle examinations. Meanwhile, the Forensic Biology section of the lab is implementing concepts of Lean Six Sigma and validation robotic extraction instrumentation to streamline analysis methods while the Lab is exploring a "Virtual Crime Scene" program to standardize crime scene processing.
- In conjunction with Information Services and the Sheriff's Office, Public Safety upgraded the jail management software as "Phase I" of the Public Safety Integrated Records Management System. Testing and training for the new Computer Aided Dispatch ("CAD") system replacement at 9-1-1 (Phase II) began in 2011. In May 2011, 9-1-1 celebrated its 25th anniversary of operation in Monroe County.
- Testing of the Mobile Data computers in police vehicles was completed in 2011 to provide current technology such as on-line Pictometry, alleviating hard drive space and providing timely updates along with the elimination of use of thumb drives for the New York State Traffic and Criminal software application.
- The Office of Emergency Management ("OEM"), jointly through their Homeland Security Exercise and Evaluation Program ("HSEEP") manager and the federal Terrorism Prevention Exercise Program ("TPEP") representatives have conducted Lake Ontario Border Security Information Sharing conferences and exercises with various local, federal, state and international (Canadian) officials to strengthen border security and specifically, local and cross-border communications. These exercises clarify issues and challenges by coordinating efforts to mitigate possible damages before an actual crisis occurs.
- OEM is implementing a web-based critical incident management system in 2011 and it may be offered to other agencies in 2012 to reinforce interoperable communications. Similarly, OEM is exploring the use of the State Emergency Management Office ("SEMO") sponsored, web-based NY-ALERT that offers public alerting and emergency information via e-mail, telephone, fax, pager or other devices.

- OEM continues to support the efforts of Monroe Community College's Homeland Security Management Institutes' Community Emergency Responses Team ("CERT") training. CERT classes encompass citizen volunteers across the community; the 2011 program focused on strengthening local, municipal readiness with outreach to special populations.
- 2011 was the first full year of the implementation of Leandra's Law that mandates probation or conditional discharge sentences upon DWI convictions and Ignition Interlock monitoring.
- Monroe County Fire Bureau continues to adapt to changes made at the state level, specifically, reductions for training hours, resources and assets affiliated with the Office of Fire Prevention and Control. Instructors will successfully accomplish over 290 training evolutions for Monroe County firefighters along with continuing to offer specialized operations based training programs (ice-cold water rescue, trench, confined space, structural collapse, etc).
- Monroe County STOP DWI purchased Public Service Announcements targeting underage drinking. These brief educational videos are available at <http://www.monroecounty.gov/safety-stopdwi.php> as they can be used by anyone in Monroe County.
- Public Safety Communications continues to work as the lead agency in the Public Safety Interoperability Communications ("PSIC") grant program to interconnect the voice systems of the five surrounding counties and NYS Police. There has been a delay due to our proximity to Canada in getting Canadian frequency approval, but we have been working with the FCC to obtain usable frequencies. Group members have been planning and developing operational protocols and procuring equipment, while capitalizing on existing assets.

2012 Major Objectives

- The new Computer Aided Dispatch ("CAD") system is scheduled to be "cutover" in May 2012. CAD is the "hub" of the Public Safety Integrated Management system as most records will originate with a 9-1-1 call and is intended to avoid duplication of efforts by integrating all (police, fire, EMS) records management and jail/booking systems.
- Monroe County Public Safety will continue to actively participate in federal, New York State and the New York State Association of Counties initiatives such as the broadband network and interoperability coordination.
- Monroe County Public Safety will continue to creatively research funding opportunities and regional partnerships.
- As part of the M3SLDC, county security cameras, fire alarms, access control, etc. will be consolidated into one Monitoring and Reaction Center ("MRC"). The MRC will be located at the Greater Rochester International Airport and also house the backup 9-1-1 Center and some Public Safety Communications equipment and operations.
- At various forums in 2011, town supervisors and village mayors, as well as the Council of Governments, we provided briefings on the capabilities of the new communications system. In 2012, further discussion will ensue to focus on the opportunities to participate in the system.

DEPARTMENT: Public Safety (24)

DIVISION: Office of the Director of Public Safety (2401)

DIVISION DESCRIPTION

Created by County Charter, Section C6-18, the Director of Public Safety administers the county's provision of public safety services with the exception of those services provided by the Sheriff, District Attorney and Public Defender. The Director develops county public safety policy and promotes cooperation among county, municipal and state public safety agencies and officials. The Director also chairs the Monroe County Criminal Justice Council and is a member of various other public safety teams, councils and boards. The Director provides divisional oversight, budgetary review, grant coordination, technical assistance, planning guidance, training services and management for all divisions of the department.

Total	0	0
<u>Net County Support</u>	561,593	545,707

DEPARTMENT: Public Safety
DIVISION: Legal Representation/Conflict Defender (2402)

DIVISION DESCRIPTION

The Legal Representation Division was conceptually developed through collaboration with the Monroe County Bar Association reflecting an enhanced effort by the county to coordinate and fund the work of private attorneys who are appointed by the courts to represent indigent clients. While the Public Defender's Office usually provides legal services to indigent persons, occasions often arise in which two or more such individuals are accused of involvement in the same crime. Providing representation to more than one co-defendant can result in a conflict of interest for the Public Defender's Office. To avoid that possibility, the courts are mandated by New York State to assign counsel.

To better serve the client community and to reduce the costs associated with rates paid to private counsel, effective January 1, 2004 the county and the Monroe County Bar Association amended the Joint Plan for Conflict Assignments to create a Conflict Defender Office. This office employs attorneys to represent clients in conflict cases in Family Court, misdemeanor cases in Rochester City Court and all Appellate Courts. Other expenditures involve payment of attorney fees, preparation costs for legal transcripts and expenses associated with providing expert testimony (psychiatric evaluations, etc.). Beginning January 1994, expenditures from Legal Representation involve payment to foreign language and hearing impaired interpreters for services rendered in the local criminal courts. Under Judiciary Law, the county is responsible for payment of these expenses.

DEPARTMENT: Public Safety (24)**DIVISION: Office of Probation – Community Corrections (2403)****DIVISION DESCRIPTION**

The Office of Probation – Community Corrections (Probation) provides a multitude of state mandated services. Among the activities performed are preliminary services and investigations of all eligible clients of Family Court, investigation services to the Criminal Courts and supervision and treatment services to all clients sentenced to probation. All Probation efforts have the underlying objective of identifying services and programs that encourage the offender to become a law-abiding citizen.

Probation is dedicated to assisting the courts in rendering decisions and then enforcing the orders of the Court. Officers are responsible for client screening, initial risk and needs assessment and recommendations prior to final court disposition. Officers enforce the conditions of the probation sentence, refer clients to treatment and monitor progress and report violations to the sentencing court. For appropriate persons, programs exist as alternatives to traditional court processing. Staff collaborates extensively with the state regulatory agency, NYS Division of Probation and Correctional Alternatives, along with the Division of Criminal Justice Services, Office of Children and Family Services, law enforcement agencies, victims, community/neighborhood organizations, governmental entities, judges, schools, treatment agencies and offenders and families to enhance the public safety of Monroe County.

Probation staff is deployed to various units: Administration, Family Services, Criminal Services, Central Services, and Alternatives to Incarceration. Probation officers and other staff perform field work with offices located at the Hall of Justice, Monroe County CityPlace, 1099 Jay Street and various schools, neighborhood centers and police stations.

While Probation is the community's primary alternative to incarceration, detention or placement, the Alternatives to Incarceration (ATI) programs are designed to provide enhanced, safe options in lieu of costly jail detainment.

Contractually managed by Probation, the Pretrial Services Corporation provides services such as alternatives to monetary bail, diversion programming (including assessment, counseling, referral services) and supervised release programming for eligible defendants.

SECTION DESCRIPTIONS

Administration (2403010000)

Responsibilities of the Administration Section includes overall management of personnel and operations, policy development and implementation, enforcement of state laws and regulations, financial planning and budget management, contract and grant administration, juvenile and criminal justice system planning and research, staff safety and security, incident management, management of firearms related matters, 2-way radio and 2-way pager services, fleet assignments and management (including mobile data systems), community complaint resolution, management of data systems and communication with the judiciary and other officials. Critical programming relating to pretrial or reentry services are managed by Administration.

The Finance Unit administers collections and disbursement of restitution, surcharges and fines, as well as reception services. The Central Intake Unit processes thousands of court orders, ensures the prompt assignment of adult and juvenile cases, maintains records and coordinates data exchanges with the courts, prosecutors and other agencies.

Family Services (2403020000)

Family Services Section probation officers provide a variety of services to judges, families and youth relating to Juvenile Delinquency ("JD") arrests (ages 7-16) or Persons In Need of Supervision ("PINS") complaints and petitions (ages 7-18). Probation is designated as Monroe County's PINS lead agency to assist families, schools and police in seeking help for ungovernable or truant youth. Through a collaborative Probation/Human Services (DHS)/Mental Health team, referred to as the Family Access and Connection Team ("FACT"), officers and staff provide assessment, triage and diversion/supervision services in lieu of Family Court petitions to avoid costly and ineffective detention and institutional placement.

Other programs provide similar alternatives for JD youth and more intensive intervention with PINS youth. The Alternatives to Detention ("ATD") team is a similar collaborative team whereby safe release of the JD to the family is monitored and supervised to ensure adherence to judges' orders.

Several specialized supervision efforts provide more intensive services to higher risk youth including the Juvenile Intensive Supervision Program (funded by DHS), the Enhanced Supervision Program and the Juvenile-Risk Intervention Services Coordination ("J-RISC") initiative. Some probation officers provide services directly within city and some suburban high schools and community centers.

Probation is an active partner in the Disproportionate Minority Contact and Representation program to develop strategies to reduce the disproportionate number of minority youth within the Juvenile Justice System, along with the Crossover Youth Effort to work with juveniles involved in both the Juvenile Justice and Child Welfare systems and the Detention Reform Effort to improve decisions relating to detention both at initial arrest and upon court remand.

Criminal Services (2403040000)

The Criminal Services Section includes Investigating probation officers who conduct presentence investigations based on court orders from Supreme, County, City, Town, or Village Courts for all defendants convicted of a felony, defendants whose sentence exceeds 90 days incarceration, persons sentenced to probation and those convicted as an eligible youth prior to a determination of Youthful Offender status. Courts may also order presentence investigations on any case they deem appropriate, as judges rely on the information when making prison, jail or probation sentencing decisions. Probation officers contact crime victims to assess their losses and obtain their view toward sentencing. Defendants are interviewed to assess legal, social, employment, mental health, substance abuse and other factors that judges must consider prior to sentencing. Certain felony cases where state imprisonment is imminent receive expedited presentence investigations in an effort to speed the sentencing process and reduce local jail costs.

Supervising probation officers enforce the order and conditions of probation as imposed by the sentencing judges. Most caseloads are generic and include a large and diverse group of offenders with varying levels of risk and need. Probation officers work to manage offender risk through regular contact with the probationer, home visits, surveillance, collateral contacts with family, police and other persons, urinalysis and breath testing and through other means. Risk to the community is reduced through referral for substance abuse and mental health treatment, educational or vocational programming, job placement and housing, and by probation officers' efforts to effect change in criminal thinking and decision-making.

Specialized caseloads are supervised intensively for higher-risk probationers, including sex offenders, domestic violence batterers, arson offenders, repeat DWI offenders, those diverted from prison sentences through Rockefeller Drug Law reform, persons with mental illness and chemical addiction and those offenders involved in gang activity or with a history of violence. Ignition Interlock Orders, a product of the recently enacted Leandra's Law, are enforced when an offender is also

on probation. Probation officers work evenings and weekends to conduct curfew checks and surveillance on gang-involved offenders and others (Operation Nightwatch).

Central Services (2403050000, 2403060000)

This Section provides services to both adult and juvenile offenders and supports operations of all other sections. The Electronic Monitoring Team provides traditional monitoring (where a transmitter attached to the offender's ankle sends a signal to a home) and Global Position Systems ("GPS") monitoring (where probation officers constantly monitor the offender's whereabouts and alerts are received upon entrance to any "exclusion zone", such as a crime victim's home or place of employment).

The Domestic Violence Intervention Unit provides Family Offense Intake services by assisting thousands of victims of domestic violence to prepare petitions and receive Orders of Protection. Probation warrant officers execute Violation of Probation Warrants by locating and arresting offenders who fail to abide by judge's orders. Probation officers conduct extensive searches of probationer's homes, vehicles and persons in an effort to confiscate firearms and other contraband. Operation IMPACT and numerous other efforts to reduce crime (Exile, TIPS, Uplift, US Marshalls warrant initiatives, Second Chance, After-School Probation patrols, Probation Bike Patrol, etc.) are coordinated by Central Services Section staff. Staff development, including extensive state mandated and regulated training, is provided as well.

Alternative to Incarceration ("ATI") staff provide criminal court judges with enhanced planning, treatment referral and monitoring where residential treatment and other services can be maintained in lieu of county-funded incarceration. Community Service staff enforce court orders for community service, linking offenders with appropriate not-for-profit, educational or government agencies where work is performed in lieu of short periods of incarceration. These ATI and Community Service staff also monitor Conditional Discharge court orders for Ignition Interlock, the breath-testing devices that prevent a convicted drunk driver from starting a vehicle when alcohol is detected (Leandra's Law mandate). Other alternative services (assessment, monitoring, counseling, referral services, etc.) and assistance to the courts are contractually provided by Pre-trial Services Corporation.

*Measurement based on New York State's criteria. Jail Days Saved doesn't apply to time spent on Electronic Monitoring ("EM"), but only time spent on EM if no jail time was included as part of the sentence.

DEPARTMENT: Public Safety (24)
DIVISION: Alternatives to Incarceration (2404)

DIVISION DESCRIPTION

Alternatives to Incarceration (“ATI”) programs are designed to provide safe options to costly jail detainment and are partially funded by state grants.

Services provided by Pre-Trial Service Corporation include:

Pre-Trial Release offers an alternative to monetary bail for defendants held in custody in the Monroe County Jail by determining eligibility and assisting released defendants in attending court. As an alternative to prosecution and incarceration for defendants at risk of cycling through the criminal justice system, the Pre-Trial Diversion Program offers assessment, counseling and referral services to eligible defendants, monitors client progress and provides reports to the court. The Enhanced Pre-Trial Services Program expands resources to provide staff for universal screening of all pre-trial options, including bail expediting by monitoring defendants and sustaining court appearance rates. Graduated Restrictions serves defendants not released at arraignment through any other means by providing an array of supervised release programs including increased contact, urinalysis testing, monitoring treatment intervention, and pre-trial electronic home confinement. Some graduating restriction services for pre-trial defendants are available to sentenced offenders as graduated sanctions.

The Domicile Restriction Program through Electronic Monitoring is a sentencing alternative to incarceration for selected jail-bound offenders who are observed daily with electronic transmitters/monitors, random telephone calls and face-to-face home contacts.

ATI functions are consolidated within the Office of Probation – Community Corrections (2403) for 2012.

DEPARTMENT: Public Safety (24)
DIVISION: Highway Safety – STOP DWI/Traffic Safety (2405)

DIVISION DESCRIPTION

Monroe County’s Special Traffic Options Program-Driving While Intoxicated (“STOP-DWI”) seeks to reduce the number of deaths and injuries resulting from traffic crashes caused by intoxicated drivers. The program emphasizes DWI enforcement, prosecution and treatment for felony DWI defendants, public information and prevention education and DWI data collection.

The Felony Diversion program is a voluntary, deferred prosecution program offering an opportunity to earn a reduced plea to defendants charged with Felony DWI. Clients are assessed, qualified and recommended for diversion, then referred, monitored and evaluated in treatment. The Pre-Trial Day Reporting program offers a sentencing option for those convicted of DWI through an intervention-focused approach via structured weekend classes addressing issues such as alcohol abuse, personal responsibility and reducing risk-taking behaviors.

The goal of the STOP-DWI unit is to educate residents of the county to understand the impact of intoxicated driving on their lives and the community by disseminating information to diverse audiences to help prevent intoxicated driving crashes and the resulting injuries and deaths from these crashes.

The Governor’s Traffic Safety Council grant provides funding for public information, education and enforcement presentations to promote highway safety in Monroe County. The Office of Traffic Safety seeks to promote occupant restraint use, motorcycle safety, teen safe driving, older driver safety, railway crossing safety, bicycle, school bus and pedestrian safety and to discourage aggressive/distracted driving.

STOP-DWI and the Office of Traffic Safety staff visit schools, attend events and offer contests to distribute information and deliver preventive education to the community.

DEPARTMENT: Public Safety (24)
DIVISION: Public Safety Communications (2406)

DIVISION DESCRIPTION

Public Safety Communications is responsible for the planning, operation and maintenance of radio, data and microwave communications systems used by Monroe County departments, the City of Rochester, all municipal law enforcement agencies and most of the fire protection and emergency medical services in the county. Technicians routinely respond to service calls on user equipment and infrastructure, along with calls for on-scene communications during emergencies and special events. This division works comprehensively with the Emergency Communications/9-1-1 Center and all public safety agencies to ensure the safety of the general public and the responders through their most important tool: communications. Public Safety Communications is responsible for the public safety community’s “Communications Infrastructure” 24 hours per day/7 days per week/365 days per year.

Past challenges maintaining systems drove the initiative to ensure long-term, stable, continuous funding for Public Safety Communications infrastructure that will be integrated and comprehensive.

DEPARTMENT: Public Safety (24)
DIVISION: 9-1-1 Emergency Communications (2407)

DIVISION DESCRIPTION

The county funds the 9-1-1 Emergency Communications System and oversees the operation of the Emergency Communications Department ("ECD"). The ECD is the point of central reception and response to 9-1-1 dialed calls, dispatch of emergency equipment and relay or transfer of service calls to the appropriate public service agencies. Over one million dispatches are made to police, fire and emergency services each year. For 25 years, the City of Rochester has operated the ECD under a contractual agreement with the county.

Through the Director of Public Safety, this division administers the operating contract with the city, coordinates the participation of other public service agencies and executes subscriber agreements. With ever changing technology, the Director must develop long range plans for system development and enhancement by utilizing the 9-1-1 Operating Practices Board (consisting of government, public safety, private sector and citizen representatives) advisory policy recommendations.

DEPARTMENT: Public Safety (24)
DIVISION: Judicial System Support (2410)

DIVISION DESCRIPTION

Judicial System Support includes funding for court-related services and programs. Under state law, the cost associated with housing the court system, which includes building maintenance, utilities and other indirect charges, is a local responsibility. The state also requires that the county pay a fee to town justices for services related to the arraignment and preliminary hearing of felony cases.

DEPARTMENT: Public Safety (24)
DIVISION: Central Police Support Services (2411)

The Principal Central Police Services Administrator provides support services to assist the Law Enforcement Council to develop policies and coordinate strategies for the county's municipal police agencies: Rochester City Police; the Monroe County Sheriff's Office; Brighton, Gates, Greece, Irondequoit, Ogden and Webster Town Police; and Brockport, East Rochester and Fairport Village Police. Services include program evaluation, contract administration, joint purchasing, communication coordination, centralized information sharing and police officer training. Until fiber development is completed throughout Monroe County, wireless aircard services are provided to local department vehicles in order to access mobile data. All basic police recruit, in-service, management, supervisory, technical and specialized police training is performed for the local law enforcement agencies through State University of New York ("SUNY") accredited Monroe Community College at the Public Safety Training Facility, located at 1190 Scottsville Road. Specialized team training at Rush Range is also supported.

DEPARTMENT: Public Safety (24)
DIVISION: Mutual Aid Fire Bureau (2412)

DIVISION DESCRIPTION

The Mutual Aid Fire Bureau trains over 3,000 firefighters and officers in the 37 town, village and suburban fire districts outside the City of Rochester. Highly specialized volunteers are trained as members of the county’s Hazardous Material (“HAZMAT”) Response Team, available twenty-four hours per day, seven days per week. The HAZMAT Team is fully equipped and certified to respond to any chemical, nuclear or biological incident. This team conducts Weapons of Mass Destruction training with the Sheriff’s Bomb/Hazardous Devices Unit and Special Weapons and Tactics (“SWAT”) team, the FBI and U.S. military. The county HAZMAT team has the distinction of being recognized by New York State as a regional response team in Western New York.

The Fire Bureau Coordinator reviews and updates the Mutual Aid Fire Plan and responds to major fires and disasters with manpower, equipment and command post operations in compliance with the National Incident Management System (“NIMS”). The Fire Bureau assists Incident Commanders and Command Post operations in local community Fire Districts as Monroe County Fire Departments answer over 36,000 emergencies each year.

The Fire Bureau oversees the implementation of the county’s Arson Control Plan, which was adopted pursuant to state law. This plan allows for development of public awareness programs to educate residents on the effects of arson on the community. The Fire Bureau provides support for fire investigation services, such as the Juvenile Fire Setter Intervention Program, along with positions in the District Attorney’s Office, Sheriff’s Office and Monroe County Crime Laboratory to investigate and prosecute arson crimes.

Expenses for the Mutual Aid Fire Bureau are reimbursed through the Local Government Services Charge, a component of the county property tax bill. Monroe Community College reimburses the county for Fire Instructor Training at the Public Safety Training Facility.

DEPARTMENT: Public Safety (24)
DIVISION: Emergency Management (2413)

DIVISION DESCRIPTION

In accordance with State Executive Law 2-B, the Office of Emergency Management (“OEM”) executes Emergency Management services within Monroe County. The office delivers an all-hazards, comprehensive program of mitigation, readiness, response and recovery functions in accordance with professional Emergency Management standards. Program components are coordinated with towns, villages, the City of Rochester, county departments, public safety providers and non-government agencies.

State Law (Chapter 708 of the Laws of New York State, 1981) requires utilities that operate nuclear reactors to pay fees that are used to enhance county resources. Emergency Services receives this funding to support public safety activities related to federal regulatory requirements for local government.

OEM coordinates Department of Homeland Security grants available to the community. Federal revenue supports both general Emergency Management program costs and specific initiatives.

DEPARTMENT: Public Safety (24)**DIVISION: Monroe County Crime Laboratory (2414)****DIVISION DESCRIPTION**

The Monroe County Crime Laboratory is a regional crime laboratory serving an eight county area (Monroe, Genesee, Livingston, Ontario, Seneca, Wayne, Wyoming and Yates). The laboratory provides analytical and physical examination of a wide variety of material to be used as evidence in criminal cases, including all controlled drugs seized in the region. Traditional testing and analysis done by the lab in Biology/DNA, criminalistics/trace evidence, drug and chemistry, firearms and fire debris will be expanded by offering new functionality including digital evidence analysis, vehicle examination and fingerprint evidence analysis in the new lab. The staff gives technical aid and provides expert testimony to law enforcement agencies, the courts and other governmental agencies in the region. This division receives partial funding through the State Aid to Localities Program.

DEPARTMENT: Public Safety (24)
DIVISION: Weights and Measures (2415)

DIVISION DESCRIPTION

Weights and Measures performs the state-mandated service of consumer protection within Monroe County under the marketing laws of New York State. The objective of Weights and Measures is to verify that all commercial measuring devices including scales, petroleum/gasoline meters and taxi meters conform to the standards certified by the National Institute of Standards and Technology. This division is also responsible for collecting samples of motor fuel for testing under the New York State petroleum-testing program; checking pre-packaged commodities and ensuring pricing accuracy of scanner devices.

The monitoring of commercial business enterprise standards requires frequent inspection and testing of all weighing and measuring devices within the county. Inaccurate measuring devices and meters are reported and ordered for repair by the inspectors. Civil penalties are imposed for non-fraudulent violations while fraudulent cases are referred to the District Attorney for prosecution.

DEPARTMENT: Public Works Sector – Environmental Services (84)

DEPARTMENT DESCRIPTION

In 1992, the Department of Public Works was reorganized into five separate departments, (Environmental Services, Facilities Management, Transportation, Parks and Aviation). The Division of Pure Waters and the Division of Solid Waste Management were organizationally joined to form the Department of Environmental Services (“DES”). The operations of both divisions are administered by the Director of Environmental Services.

The Division of Engineering was created as a result of the decentralization of the Department of Engineering in 1996. The newly-created Division of Engineering was also placed within DES. As part of the county’s 2003 cost-saving measures, the Department of Facilities Management merged with the Division of Engineering. This consolidation resulted in reduced administrative and overhead costs. Centralizing these services provides greater flexibility in delivering the necessary services associated with building operations and capital project management.

Proper disposal and management of waste materials from water and solid waste are the most basic aspects of environmental protection. The sheer magnitude of the wastes generated by our society from residences and industries demands a coordinated and comprehensive approach to the problem. The Monroe County Department of Environmental Services’ total concept approach to waste management combines advanced wastewater and solid waste management in one sophisticated organization. The Department’s progress is the result of dedicated individual effort and close cooperation on the part of industry, federal, state and local governments.

The Division of Pure Waters’ treatment plants produce wastewater effluent which consistently meets state and federal standards for water quality. The Pure Waters Division strives to protect the environment through effective programs of waste management and abatement. The Division also strives toward a standard of excellence for clean water, pollution control and effective solid waste management.

The Department’s wastewater treatment system and solid waste programs stand as evidence of the county’s commitment toward a clean environment and economic stability. The benefits of these investments are obvious, as sport fishing returns to Lake Ontario and tributary creeks.

The future role of the Department will be to continue to provide dependable wastewater treatment and solid waste disposal for area homes and businesses at the lowest possible cost. Effective toxic reduction in both the wastewater and solid waste streams will become increasingly important for the success of the Department’s programs.

The Department will be challenged in coming years. Meeting new environmental standards with existing facilities will require careful planning for new processes and construction. An aging sewer infrastructure is being given the attention it deserves. The Department’s ongoing effort in inflow and infiltration reduction planning and efficient collection operation has laid the ground work for future efforts.

The success of department programs will be a reflection of our efforts to communicate the environmental and economic needs of our community.

Mission

The mission of the Department of Environmental Services is to enhance the environment, preserve natural resources, reduce environmental impacts of county government, provide leadership in promoting regional environmental sustainability and protect the public health of our community. Accomplishing this will require effective and efficient use of the waste disposal facilities under our charge, provide environmental education and public awareness programs, evaluate and implement new cost effective and environmentally beneficial technologies, recruit and train an enthusiastic and competent workforce and ensure that infrastructure, services and resources meet the demands of the county population and its visitors.

2011 Major Accomplishments

- Conducted additional county pharmaceutical collections in conjunction with Monroe County's Household Hazardous Waste Programs including coordination with NYSDEC, NYSDOH, EPA and other departments and municipalities.
- Continued coordinating the County's Storm Water Coalition Program to include a county-wide district and consolidated Municipal Separate Storm Sewer System ("MS4") permit compliance.
- Continued the mercury reduction program and education/outreach curricula consistent with Great Lakes Initiatives water quality goals and conducted workshops on waste reduction, water quality and energy conservation and green energy alternatives.
- Continued the infiltration/inflow abatement program with the Town of Greece and remediation of illicit discharges into county storm water systems.
- Began design for the second Mill Seat Landfill Gas Energy Facility (Phase II).
- Updated the 20-year Solid Waste Management Plan.
- Obtained registration for a 10,000 cubic yard Brew Road Yard Waste Composting Site.
- Continued education and outreach program to increase residential recycling.
- Planned and coordinated the annual County Fleet auction.
- Hosted the County's annual "Careers in Construction Day" at Fleet.
- Installed a propane fuel dispenser at the Scottsville Road Multi-Agency Green Fueling Station.
- Executed an agreement between the Rochester Pure Waters District and City of Rochester by which ownership of all remaining City-owned sewer assets, including property were transferred outright to the District.
- Continued comprehensive Pure Waters collection system and treatment plant improvements.
- Achieved exemplary performance at Pure Waters Northwest Quadrant ("NWQ") and Frank E. VanLare Wastewater Treatment Plants ("WWTP") including compliance with all state and federal effluent removal standards.
- Continued significant reduction of WWTP processes odors through operational and procedural modifications including the replacement of biofilter media, addition of fan/blower controls, and installation of additional chemical feed equipment.
- Continued design of the Northwest Quadrant Secondary Clarifier Project.
- Began construction of the Frank E. VanLare Aeration System Improvement Project (Phase I).
- Completed construction of Irondequoit Bay Pump Station Meter Replacement Program (Phase II).
- Implemented an operations succession plan including creation of a new entry-level trainee title and implementation of an in-house operator certification training program including an in-house math and lab training program for assistant operators.
- Began design of the Public Safety Building Renovations Project (Phase IV).
- Began construction of the Civic Center Control Upgrades Project.
- Continued construction of the Civic Center Plaza (Green Roof) Rehabilitation Project.
- Completed construction of the Monroe County Crime Laboratory Project.
- Completed start-up of the Avion Drive EcoPark to provide county residents one-stop recycling of difficult to recycle household items.
- Continued planning and design of the Monroe Community College Downtown Campus Project.

- Continued the County-wide energy management program including comprehensive monitoring, consolidated procurement and upgrades for improved efficiency.
- Continued enhancement of web-based applications for mapping service requests and Pure Waters maintenance crew locations; delivery of plans and specifications for capital projects; access to record drawings through street addresses and real time flood modeling.
- Implemented Pictometry Online (“POL”) self-hosting application which facilitates internet access to the full library of Monroe County aerial imagery.
- Deployed MCU4, the Mobile GID Technology Vehicle. The vehicle takes the full compliment of Geographic Information System (“GIS”) based mapping technologies, including GPS, Pictometry, wireless networking and real-time weather sensing into the field to support Public Works and Public Safety initiatives.
- Provided GIS support to the Board of Elections (“BOE”) using new Census data to update election, legislative, assembly, congressional and senate district boundaries.
- Using GIS technology, created waterway flood models using laser-based, high resolution, digital elevation model.
- Developed Heating, Ventilation and Air Conditioning (“HVAC”) control scheme for the Civic Center that will serve as a model for County-wide facilities HVAC upgrade projects. The work included integrated monitoring and control strategies for energy management.
- Developed a document management system using web-based Dynamic Access to streamline the application and approval process for construction and term services contracts.
- Enhanced Monroe County’s Global Positioning System (“GPS”) with two GLONASS (Russian radio-based satellite navigation system) receivers. The new technology will facilitate greater measurement accuracy to survey the community.
- Extended fiber optic connectivity to the Mill Seat Landfill and Pure Water’s Churchville Wastewater Pumping Station enhancing the monitoring and control capabilities of those facilities.
- Continued support of Health Department outreach and Regional Secure Stockpile (“RSS”) program efforts.
- Implemented Inflow and Infiltration Reduction Project Phase I along with Monroe County towns and villages.
- Added plastics #’s 3 - 7 and pots and pans to recycling program.
- Solicit proposals for Operation & Maintenance of the Monroe County Recycling Center and Program.
- Completed Amended and Restated Host Community Agreement with the Town of Riga for the Mill Seat Landfill.
- Completed the Mill Seat Landfill Permit to Operate and soil borrow environmental review and permit modification.

2012 Major Objectives

- Begin migration of Public Works’ asset management system to SAP.
- Explore migration of existing telecommunication cabling from leased RG&E conduit to county-owned conduit.
- Deploy WebEOC, a web-enabled crisis information management system, inside the Emergency Operations Center (“EOC”), that provides secure real-time information sharing to help Public Safety managers make sound decisions quickly.
- Capture new library of Pictometry oblique aerial imagery for Monroe County.
- Continue to work with Monroe County Stormwater Coalition to identify long-term funding to meet federal Phase II storm water regulations.
- Begin design of the Civic Center Chiller Plant Improvements Project.
- Begin construction of Multi-Agency Green Fueling Stations with the City of Rochester.

- Implement initiatives from Solid Waste Management Plan update for the next ten years.
- Continue compliance with all permitted state and federal effluent removal standards at Pure Waters NWQ and FEV WWTP's and public outreach program through additional tours.
- Construct NWQ Secondary Clarifier and complete construction of the FEV Aeration System Improvement Project (Phase I).
- Continue implementation of operator succession planning to rebuild the employee base, needed to address significant number of pending retirements. Begin local training/certification program for assistant operators and new hires.
- Complete the Monroe County Jail and County Office Building Master Plans and begin phased, planning and design of building improvements.
- Continue planning and design of the MCC Downtown Campus Project.
- Expand and enhance the county-wide energy management program including comprehensive monitoring, consolidated procurement and upgrades for improved efficiency.
- Begin acceptance of treatment of Seneca Meadows landfill leachate to enhance Pure Waters revenues and provide rate stability to Gates-Chili-Ogden ("G-C-O") ratepayers.
- Complete construction of the Irondequoit Bay Pumps Station Force-main Improvements.
- Implement yard waste management and organics diversion initiatives from Solid Waste Management Plan update.
- Update the Solid Waste and Recycling Law.
- Commence agreement for Operation & Maintenance of the Monroe County Recycling Center and Program.
- Obtain registration for a third Yard Waste Composting Site in Monroe County.
- Continue long-term strategies for Mill Seat Landfill and Host Community negotiations with the Town of Bergen, Village of Bergen, Bergen Fire District and Byron-Bergen Central School District.
- Complete design of the second Mill Seat Landfill Gas Energy Facility (Phase II).

SECTION DESCRIPTIONS

Administration (8201010000)

The Division of Solid Waste staff was responsible for implementing the Monroe County Solid Waste Master Plan (“SWMP”) and Comprehensive Recycling Analysis (“CRA”), which detail an environmentally sound and cost-effective plan for managing the county’s solid waste through the year 2010. The SWMP was updated in 2010 for the next ten years. In addition to current program and facility updates, it weighs the costs and benefits of implementing various waste management and monitoring practices such as organics separation, “Pay As You Throw” programs, waste and recyclables reporting mechanisms and an assessment of energy and climate change impacts of various solid waste management options. The CRA is performed every year and reports the County’s progress, both public and private, towards a 40% recycling goal, to the New York State Department of Environmental Conservation. The Solid Waste staff monitors industry trends, private facility development and regulatory changes, gathers waste generation data from facilities for reporting by the county, administers recycling operations, including the contract for operating the county’s Recycling Center and provides customer service and billing services.

Transfer/Haul/Disposal (8202010000)

This section handles all activities associated with solid waste transfer operations, hauling of solid waste to disposal sites, and disposal tipping fees. The county is responsible for the disposal of refuse collected by the City of Rochester, and also accepts refuse from local municipalities, private collectors operating in area towns and villages, and individuals. Solid waste from these organizations and individuals is received at the Monroe County Resource Recovery Facility (“MCRRF”) Transfer Station, loaded onto hauling vehicles, and transported to the Mill Seat Landfill where it is disposed of in an environmentally-friendly and regulatory-compliant fashion. The county charges tipping fees for all waste received at the RRF Transfer Station; these tipping fees are utilized to pay for solid waste transfer, haul and disposal.

Mill Seat Landfill (8203010000)

The Mill Seat Landfill is designed and operated to protect the environment and ensure the safe and responsible disposal of solid waste and wastewater biosolids. Waste Management of New York operates the landfill under a life lease agreement and has assumed all the existing county debt, engineering and construction of additional liners, daily operations, honoring of existing host agreements and closure responsibility. In the event Waste Management meets a specific threshold, the county will receive a royalty. This section includes the expenses associated with host community agreements that the county must pay which are reimbursed by Waste Management. The permit will remain in the county’s name.

As part of the county’s green energy program, Waste Management Renewable Energy, LLC began operating a 4.8 MW LFG Energy Facility at the landfill in 2007 and was expanded to 6.4 MW in 2008. The county has selected a team for LFG Energy Facility – Phase II which is expected to be operational in 2013 as gas quantities increase with the incorporation of wastewater biosolids into the solid waste.

Recycling (8204010000)

This section includes all expenses associated with recycling activities to meet the goals of Monroe County’s Solid Waste Master Plan. The county’s Recycling Center has been operating since December 1992 to process recyclables and prepare them for market. Curbside recycling programs and drop-off centers will continue to operate to divert paper, glass, metal, and plastic from the waste stream to comply with the 1992 mandatory county-wide recycling programs. Recyclable markets are expected to remain stable; however, private facilities will continue diverting materials away from the county’s Recycling Center. The economic feasibility of collecting and marketing additional materials is being studied in an effort to increase the percentage of materials recycled from the county waste stream. The county plans to operate two 10,000 cubic yard registered leaf composting facilities and is looking to site a third. Moving forward, the county will continue to assist local businesses, industries and institutions to reduce their waste with waste minimization and recycling plans; the county also has plans to implement a public education campaign to encourage residents and businesses to reduce their waste, increase recycling participation, reduce yard waste through grasscycling and composting; and increase recycling participation through compliance and enforcement of local recycling and reuse laws.

Municipal Solid Waste Processing Center (8205010000)

The Monroe County Resource Recovery Facility, designed to extract refuse-derived fuel and other marketable materials from the solid waste stream, operated on a limited basis from 1979 until 1984; in 1984, those operations were suspended, and the facility began operating strictly as a transfer station. In addition to its use as a solid waste transfer station, it is used to receive tires for reuse/disposal. In 2008, the Monroe County Legislature approved a service agreement with Metro Waste Paper Recovery U.S., Inc. for the operation and maintenance of the MCRRF. In addition to the Solid Waste Transfer-Haul Operation, the agreement included a Recyclables Processing Operation within the MCRRF. These operations consist of processing source-separated recyclables, dry targeted industrial, commercial and institutional waste, construction and demolition debris, wood and pallets. The Metro Waste Paper Recovery U.S., Inc. agreement enhances recycling to the private sector and decreases direct county operational costs through diversion of materials that otherwise would be directed to a landfill.

Debt Service (8201010000)

This section of the Solid Waste budget outlines the payment of debt service on borrowings associated with services related to the planning of other solid waste management facilities and programs identified in the county’s Solid Waste Master Plan.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Engineering (8300) and Facilities Management (8600)

DIVISION DESCRIPTION

As part of the county's cost saving measures for 2003, the Department of Facilities Management and the Division of Engineering were merged. This consolidation resulted in reduced administrative and overhead costs. Centralizing these services has provided greater flexibility in providing the necessary services associated with building operations and capital project management. The computer-aided facilities management system continues to be used in conjunction with the other divisions of the Department of Environmental Services to provide a central location for service calls, work order management, asset management and preventative maintenance.

The Division also manages county-owned and leased buildings. Security, code enforcement, building maintenance, fire alarm and security maintenance, custodial and office refurbishing services in the County Office Building, the Hall of Justice, the County Public Safety Building and the Health and Social Services Buildings are provided by the Division. Heating, ventilation and air-conditioning services are provided to the County Office Building, the Civic Center, the Blue Cross Arena, the Monroe Community College, the Public Safety Training facility, the Monroe County Jail, the Monroe County Correctional Facility and the Greater Rochester International Airport.

While organizationally a division of the Department of Environmental Services, Engineering and Facilities Management operate as a central county resource. All expenses for management of leased and owned buildings are charged back to the residing departments. A portion of the cost of this division is billed to the operating budgets of customer departments and various capital funds.

BUDGET SUMMARY

SECTION DESCRIPTION

Engineering Administration (8301010000)

Engineering Administration provides professional services to County departments that require technical support in the areas of capital planning, design, construction, code compliance and surveying for capital improvements to county facilities and infrastructure.

Building Operations (8600010000)

This section provides supervision and administrative support for Building Operations, including Code Enforcement. This section also oversees county and contracted security forces. It also assists with the design of fire, intrusion, card access and closed-circuit television ("CCTV") systems.

Security (8605010000)

Security functions are budgeted under one unit. This provides for all contracted guards under one management structure, centralized cost accounting and control for security expenses, uniform procedures and increased flexibility in responding to emergency situations.

Fire Alarm/Security Maintenance (8610010000)

The Fire Alarm/Security Maintenance section provides repairs and maintenance to county facilities that have card access, fire alarm and CCTV systems.

Record Retention (8615010000)

The Record Retention section is an off-site record storage facility that provides daily pick-up and delivery of records. The administration of this section is included in the Engineering and Facilities Management budget. All expenses associated with this budget line are charged back to the user departments by interdepartmental charges.

Maintenance and Construction (8670010000)

This section provides repairs and renovations to county buildings. Specific activities include the repair of mechanical, electrical, plumbing and heating, ventilation and air conditioning systems; the maintenance of interior areas; and work related to changes in office spaces.

Building Section Descriptions

Civic Center Complex (8620010000)

The Civic Center Complex consists of the Hall of Justice, County Public Safety Building and an underground parking garage. It is served by a central utility plan, which distributes electric power and water and provides heat, ventilation, air conditioning and fire protection. The Civic Center Complex also provides chilled water for air conditioning of the Blue Cross Arena.

Hall of Justice (8625010000)

The Hall of Justice is located in the Civic Center Complex at 99 Exchange Street in Rochester. It contains state, county, and city courtrooms and Judges' Chambers and other offices related to the judiciary.

Watts Building (8630010000)

The Watts Building, including the Ebenezer Watts House, was built between 1825 and 1827 and is located at 49 South Fitzhugh Street. It is the oldest surviving residence structure in downtown Rochester. This building contains the District Attorney's Office and the Ebenezer Watts Conference Center.

County Office Building (8635010000)

The County Office Building is located at 39 West Main Street in Rochester. This historic building was constructed from 1894 to 1896 as the third Monroe County Courthouse. It now houses the central administrative offices of county government. These include the offices of the County Executive, County Legislature, County Clerk, Board of Elections, Communications, Human Resources, Law, and Finance including the Office of Management and Budget.

CityPlace (8640010000)

CityPlace is located at 50 West Main Street in Rochester. This historic building was constructed in 1904 through 1907 as the Duffy-McInerney Retail Dry Goods Store. This building is leased by the county and contains several county offices including the Department of Transportation, Department of Environmental Services, Information Services and administrative offices of Public Safety, Probation and the Planning Department.

Iola Complex (8645010000)

The Iola Complex consists of a group of buildings located at the intersection of Westfall and East Henrietta Roads in Rochester, which houses the Monroe County Children's Center.

Iola Powerhouse (8645020000)

In 2003, the Iola Powerhouse was purchased under an agreement with Monroe Newpower. The budget consists only of remaining debt.

Health and Social Services Building (8650010000)

The Health and Social Services Building is located at 111 Westfall Road in Rochester. It contains the departments of Public Health and Human Services.

County Public Safety Building (8655010000)

In 2000, Monroe County purchased the city's former Public Safety Building and began a series of phased building renovations. Now known as the County Public Safety Building, located at 85 Exchange Street, the building contains Parts I and II of City Court, Monroe County Sheriff's Offices, portions of the Monroe County Jail and the consolidated Sheriff's Headquarters. The Monroe County Crime Laboratory moved into its new building in mid 2011.

691 St. Paul St. (8660010000)

In 2003, the Department of Human Services offices at 255 N. Goodman Street and 50 Genesee Street were consolidated at 691 St. Paul Street. Engineering and Facilities Management provide the property management services for the building.

150 E. Main St. & 37 S. Fitzhugh St. (8665010000)

These buildings were acquired through donation in 2003 and the county is responsible for maintaining these buildings until future use is determined.

County Pediatrics & Visitation Center (8680010000)

The Pediatrics & Visitation Center is a newly constructed building located at 451 E. Henrietta Road on the campus of the Monroe Community Hospital. The facility will house staff from the Department's of Public Health and Human Services that will provide a combination of pediatric health services, health care coordination, mental health services, developmental screening, a supervised visitation center, birth parent education, extended health care for children and youth in transition out of foster care, and supervised visitation to victims of domestic violence and their children.

County Crime Laboratory (8685010000)

The Monroe County Crime Laboratory is a newly constructed building located at 85 West Broad Street in Rochester. The facility commissioned in 2011 and replaced the previous Crime Lab located in the County Public Safety Building. The high-performance, state-of-the-art facility will house existing and future laboratory staff that provide regional forensic services to Monroe and neighboring counties.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Pure Waters (8500)

DIVISION DESCRIPTION

Pure Waters was established by the County Legislature to implement the Pure Waters Master Plan to reduce the levels of pollution to safe public health levels in Irondequoit Bay, the Genesee River, areas of Lake Ontario and other waters of Monroe County. The Division of Pure Waters consists of four geographic districts containing over 1,000 miles of collection sewers, 100 miles of major interceptors, 30 miles of deep tunnels, two wastewater treatment plants (Northwest Quadrant and Frank E. VanLare), 52 pump stations and the sewer collection systems for the Rochester and Gates-Chili-Ogden districts. Collection sewers in the other districts are operated, maintained and funded by local municipalities.

The County Legislature, which also serves as the Pure Waters Administrative Board, oversees the districts, approves contracts, holds public hearings, establishes the annual rates and approves the division's operating budget. Support services, such as finance, personnel and purchasing, are provided by other county departments and expensed as interdepartmental charges. Engineering services, including project design, construction supervision, and operation and maintenance improvements, are provided by the Division of Engineering either directly or through contractual services with private engineering firms. Debt service in each district repays the notes and bonds used to finance construction projects.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations</u>		
Personnel Services	12,849,871	12,631,599
Asset Equipment	1,308,300	2,249,260

PURE WATERS
2012 FEES AND CHARGES

CURRENT CHARGES

CHARGES JANUARY 1, 2012

<u>PURE WATERS DISTRICT</u>	<u>O&M</u> ^[A]	<u>CAPITAL</u> ^[B]	<u>PARCEL</u> ^[C]	<u>O&M</u> ^[A]	<u>CAPITAL</u> ^[B]	<u>PARCEL</u> ^[C]
Northwest Quadrant	\$1.29	\$18.56	\$1.00	\$1.29	\$28.56	\$1.00
Irondequoit Bay/South Central	1.285	17.39	1.00	1.285	27.39	1.00
Gates-Chili-Ogden	1.61	84.69	1.00	1.61	94.69	1.00
Rochester	2.47	1.34*	N/A	2.47	1.34*	N/A

*Per \$1,000 Assessed Value

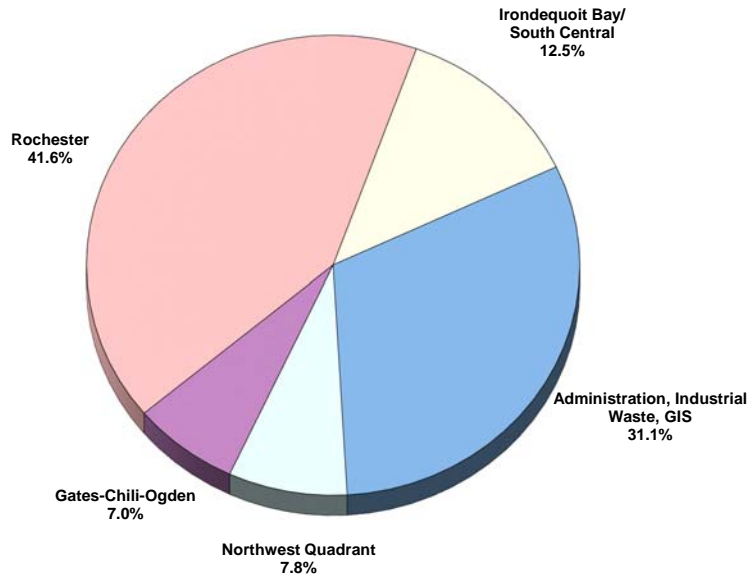

[A] Cents/1000 gallons of water consumption

[B] Rate per unit (single family house) or per \$1,000 of assessed value in the City of Rochester

[C] Amount per parcel or tax account

Pure Waters includes four separate districts. The districts obtain the majority of their revenue from user charges. Suburban district charges have three components. The first component is the charge for operation and maintenance (O&M) in the district. This charge is in terms of cents per 1,000 gallons of water consumption. The second component is a charge to cover debt service (capital) costs in the district. This charge is in terms of a rate per unit, where a unit is equivalent to a single-family house. The final component is an amount charged per parcel or tax account. The Rochester Pure Waters District has only two types of charges. One is a water use charge which is in terms of cents per 1,000 gallons of water consumption. The capital component is a charge per \$1,000 of assessed value.

APPROPRIATIONS BY PURE WATERS FUND

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Pure Waters (8500)
SECTION: Administration (857201)

SECTION DESCRIPTION

Pure Waters Administration plans, controls and directs the county’s comprehensive wastewater collection and treatment program. Pure Water personnel develop and implement system-wide improvements to maximize efficiency while operating within state and federal regulations. The administrative staff also maintains over 225,000 customer files for revenue collection; receives and reviews all requisitions and the resulting purchase orders for supplies and materials; functions as liaison between Pure Waters operational units, vendors and county support departments; develops the annual budget, monitors projected to actual results throughout the year, maintains required accounting records and performs personnel and payroll functions for all districts. Starting in 2010, all personnel and materials were budgeted in Pure Waters Administration. This significant change was done to improve accountability and chargebacks to the various areas and programs supported by the section.

Expense appropriations for department support services from county departments such as Finance, Human Resources, Information Services and Law are reflected in inter-fund transfers. These and the other administrative expenses are proportionately chargedback to the Pure Waters districts.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Pure Waters (8500)
SECTOR: Industrial Waste and Laboratory (857202)

SECTION DESCRIPTION

Industrial Waste enforces the Monroe County Sewer Use Law, which regulates industrial discharges into the sewer system. This section has a federally-approved pre-treatment program designating it as the controlling authority. The laboratory provides technical support and laboratory services to the two wastewater treatment plants: Frank E. VanLare and Northwest Quadrant, plus the pre-treatment program. This section manages the Household Hazardous Waste Collection Programs and Stormwater Management Programs. Expenses in this section are supported by service charges to the user districts, Stormwater grants from the NYSDEC and Stormwater Coalition membership fees from participating municipalities.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012

<u>Net County Support</u>	0	0

UNIT DESCRIPTIONS

Industrial Waste (8572020100)

This section has the responsibility to implement and provide enforcement of the local Sewer Use Law and Rules and Regulations, as well as the United States Environment Protection Agency ("USEPA") Pretreatment Program, as required by the operating permits of the two wastewater treatment plants. This section permits, monitors and inspects industrial users of the sewer system to assure compliance with local and federal regulations. This activity helps protect Monroe County employees, facilities and the receiving waters from potentially dangerous and toxic wastewater discharges. This section also performs sampling and monitoring activities associated with closure conditions for the Northeast Quadrant Landfill. This section is responsible for the operation of the Household Hazardous Waste Collections and the county's Stormwater Management Program.

Environmental Laboratory (8572020200)

This section provides central laboratory technical and analytical support to the two wastewater treatment plants, the Monroe County Health Department, the Industrial Waste Control Section and the Mill Seat and Northeast Quadrant (Gloria Drive) Landfills. The laboratory performs a variety of determinations on influent and fully-treated wastewater, industrial discharges, groundwater, leachate, sludges, ash and other materials. The lab also tests underground and surface water with special attention given to public and private drinking water supplies, public bathing beaches and closed landfills. Underground and surface water monitoring includes the Irondequoit and Lake Ontario West drainage basins, as well as the Genesee River and the New York State Barge Canal. These analyses are required by the operating permits of the treatment plants and landfill. This activity is permitted and regulated by the New York State Department of Health. The laboratory has the ability to determine pollutant levels of nutrients, heavy metals, purgeable organics and other pollutants. The output of the laboratory documents the high levels of treatment and control that DES provides in our ongoing efforts to protect and preserve Monroe County's natural resources.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Pure Waters (8500)
SECTION: Geographic Information Services (GIS) (857203)

DIVISION DESCRIPTIONS

This division was created to develop and maintain a county-wide Geographic Information System. GIS promulgates standards for the development and distribution of data. It provides support to county departments and other agencies in the areas of GIS implementation, operation and applications development. In 2004, GIS was consolidated with Pure Waters.

BUDGET SUMMARY

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Pure Waters (8500)
SECTION: Northwest Quadrant District (8573)

SECTION DESCRIPTION

The Northwest Quadrant Pure Waters District includes 40 miles of interceptor sewers which collect sewage from municipal sewer systems, three major pump stations and a wastewater treatment plant. The treatment plant has an average capacity of sixteen million gallons per day (“MGD”) with a peak capacity of 45 MGD. The system serves a population of 150,000 in an area of 222 square miles including the towns of Clarkson, Greece, Hamlin, Parma, Sweden, northwestern Gates and Spencerport.

The treatment plant continues to achieve a degree of pollutant removals higher than the standards established by state and federal health laws. Continuous process improvement controls operational costs and ensures process equipment is well maintained to ensure that the plant continues to meet high standards.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations</u>		
Asset Equipment	240,000	240,000

<u>Net County Support</u>	0	0

UNIT DESCRIPTIONS

Special Expense Administration (8573010000)

This unit provides an accounting of district appropriations to pay for debt incurred for building sewage treatment facilities, for personnel assigned to perform work in the Northwest Quadrant District and for interfund transfers.

Personnel, supplies and materials utilized to perform the tasks associated with the operation and maintenance of both the Northwest Quadrant Treatment Plant and the sewer collection system reside in Pure Waters Administration. The expenses are charged on the basis of actual work as determined from labor accounting through our work order/asset management system.

Maintenance (8573020000)

The unit maintains the operational systems, buildings and grounds of the treatment plant and pump stations. Through daily inspections and a preventive maintenance program, they seek to minimize the time during which equipment and systems are out of service.

Operations (8573030000)

Wastewater treatment plant operations involve two major processes: liquid handling and solids handling. The liquid process removes solid matter from raw sewage and produces sludge and treated water effluent. The solids process involves chemical treatment, dewatering and disposal at the Mill Seat and High Acres Landfill.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012
Environmental Indicators (Pollutant Removals)*:			
BOD (Biochemical Oxygen Demand) (25 ppm/85% removal)	6/93%	5/94%	5/94%
TSS (Total Suspended Solids) (30 ppm/85% removal)	9/94%	9/95%	8/95%
Phosphorus (1.0 ppm)	.8	.8	.8
Other Indicators:			
Flow Million Gallons/Day Treated	15.5	16.5	15.5
Tons Processed (Sludge) Metric Tons	4,403	4,500	4,468
Commodities Indicators (Cost/Million Gallons):			
Electrical	\$107.28	\$113.20	\$119.41
Natural Gas	\$11.63	\$9.62	\$11.55
Polymer	\$35.37	\$24.94	\$26.59
Sodium Hypochlorite	\$10.96	\$7.71	\$8.35
Ferric Chloride	\$17.86	\$17.45	\$18.93
Bioxide	\$5.94	\$6.30	\$5.87
Deodorant Masking Agent	\$0.90	\$0.27	\$0.29
Deodorant Oxidizer/Catalyst	-	\$4.21	\$5.63

*Facility permits require a certain degree of removals in the concentration (parts per million-ppm) and percent removals. The indicator description shows the degree of removals required by the plant operating permit. The concentration shown is the upper allowable limit and the percent removal is the lower allowable limit. Self-imposed standards for treatment are higher than those required by the permit.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Pure Waters (8500)
SECTION: Irondequoit Bay/South Central District (8574)

SECTION DESCRIPTION

In 1997, the South Central Pure Waters District was combined with the Irondequoit Bay Pure Waters District. Encompassing the towns of Brighton, Irondequoit, Penfield, Perinton, Pittsford and Henrietta, this district provides for the conveyance of wastewater for a population of more than 260,000 residents. The district's infrastructure consists of the Cross-Irondequoit Pump Station, nine (9) Remote Pump Stations, the Cross-Irondequoit Tunnel and 50 miles of interceptor sewers.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations</u>		
Asset Equipment	388,000	1,138,000
Contractual Services	7,127,009	8,146,567

Total	12,369,524	13,602,145
<u>Net County Support</u>	0	0

UNIT DESCRIPTIONS

Special Expense Administration (8574010000)

This unit provides an accounting of district appropriations for payment of debt incurred for the construction of sewage collection facilities and of the debt remaining on town facilities the district has taken over. The district pays the Rochester District for treatment of its sewage at the Frank E. VanLare Treatment plant. The amount is a percentage of the plant's operating and debt service expenses based on sewage flow to the plant. This arrangement has eliminated the need for separate treatment facilities in the Irondequoit Bay/South Central District.

Personnel, supplies and materials utilized to perform the tasks associated with the operation and maintenance in the Irondequoit Bay/South Central District reside in Pure Waters Administration. The expenses are charged on the basis of actual work as determined from labor accounting through our work order/asset management system.

Pump Station Operations (8574030000)

The Cross-Irondequoit Pump Station controls the rate of flow into the Frank E. VanLare treatment plant by regulating pumping and storage of wastewater in the interceptor system to avoid overburdening the plant. Staff regularly inspect the pump stations and interceptor sewers and perform preventive maintenance on the equipment.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Pure Waters (8500)
SECTION: Rochester District (8575)

SECTION DESCRIPTION

The Rochester Pure Waters District operates the Frank E. VanLare Treatment Plant in the City of Rochester. The facility serves the Gates-Chili-Ogden and Irondequoit Bay/South Central district as well as the Rochester District. Costs are distributed among the two districts according to the volume of sewage contributed by each. The plant services an estimated population of 481,000 in an area of 196 square miles and has an average treatment capacity of 135 million gallons per day (“MGD”). The treatment plant continues achieving a high degree of efficiency of pollutant removals; higher than the standards established by various state and federal health laws. This is accomplished by engaging in continuous process improvements. The plant has the ability to treat 200 MGD through the conventional process and an additional 400 MGD during excess wet weather flows. In 1999, a permit was issued which stresses the need to control metals and other organic pollutants as well as to monitor excess weather flows.

This section also operates and maintains the sewer collection system in the City of Rochester. The system includes 572 miles of combined sewers, 128 miles of separate sanitary and storm sewers, 11 sewage pump stations, 2 screening facilities and 30 miles of CSOAP tunnel system.

BUDGET SUMMARY

UNIT DESCRIPTIONS

Special Expense Administration (857501000)

This unit provides accounting of district appropriations to pay for construction debt, charges from other districts for use of their facilities, special construction project costs, special services and for personnel assigned to special jobs at the Frank E. VanLare Treatment Plant.

Sewage is sent from southwestern portions of the Rochester District into the Irondequoit Bay system for transmission to the Frank E. VanLare Treatment Plant. The Rochester District pays a share of the Irondequoit Bay District operating and debt service costs in proportion to its use of the Irondequoit Bay System.

Sewer bills are added to the Monroe County and town tax system and are prepared by utilizing water consumption data supplied by the City of Rochester.

Personnel, supplies and materials utilized to perform the tasks associated with the operation and maintenance of both the Frank E. VanLare Treatment Plant and the sewer collection system reside in Pure Waters Administration. The expenses are charged on the basis of actual work as determined from labor accounting through our work order/asset management system.

Maintenance (8575020100)

This unit maintains the mechanical, electrical and instrumentation systems, buildings and grounds of the treatment plant and pump stations. Also maintained in this unit are: 57 remote pump stations, 31 tunnel facilities and other equipment installations. Construction crews repair house laterals, replace deteriorated or damaged sewers, catch basins and manholes and install new sewer connections. Through daily inspections and preventive maintenance program, they seek to minimize the time during which equipment and systems are out of service.

This unit services 736 miles of surface sewers, house laterals, 16,000 manholes and 24,000 catch basins of the Rochester collection systems. It seeks to clean 25% of the system or about 300,000 feet of main sewers per year, and operates the combined sewer overflow abatement system. Development and review permit office manages all new sewer installations.

Operations (8575020200)

Wastewater treatment operations at the Frank E. VanLare plant involve two major processes: liquid handling and solids handling. The liquid process removes solid matter from raw sewage and produces sludge and treated water effluent. The solids process involves drying and disposing of the sludge, through landfilling.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012
Environmental Indicators (Pollutant Removals)*:			
BOD (Biochemical Oxygen Demand) (30 ppm/85% removal)	12/91%	14/89%	13/92%

*Facility permits require a certain degree of removals in the concentration (parts per million–ppm) and percent removals. The indicator description shows the degree of removals required by the plant operating permit. The concentration shown is the upper allowable limit and the percent removal is the lower allowable limit. Self-imposed standards for treatment are higher than those required by the permit.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Pure Waters (8500)
SECTION: Gates-Chili-Ogden District (8571)

SECTION DESCRIPTION

The Gates-Chili-Ogden Pure Waters District includes the G-C-O pump station, forcemain and sewer system. This section operates and maintains the Gates-Chili-Ogden pump station in the Town of Chili. The pump station transmits sewage from the towns of Gates, Chili and Ogden and the western Henrietta portion of the Irondequoit Bay/South Central Pure Waters District. It serves an area of 99 square miles with a population of approximately 55,000. It has an average capacity of 15 million gallons per day (“MGD”) with a peak capacity of 40 MGD.

In 1999, the G-C-O treatment plant was shut down and converted into a pump station and forcemain. The sewage formerly treated at G-C-O is transmitted to the Frank E. VanLare treatment plant for processing. Sewage in the Gates-Chili-Ogden Pure Waters District is collected through a system of 325 miles of sewers and 31 remote pump stations. This section funds the operations and maintenance of that collection system.

UNIT DESCRIPTIONS

Special Expense Administration (8571010000)

This unit provides an accounting of district appropriations to pay for debt incurred for constructing sewage collection systems, treatment facilities and charges for personnel who are assigned to jobs in the Gates-Chili-Ogden District and for interfund transfers.

The district sends approximately 20% of sewage collected to the Northwest Quadrant treatment plant and the remainder to the Frank E. VanLare treatment plant, and pays the appropriate share of the plant operating and debt service costs in proportion to its use of these facilities.

Personnel, supplies and materials utilized to perform the tasks associated with the operation and maintenance of the Gates-Chili-Ogden sanitary sewer collection system reside in Pure Waters Administration. The expenses are charged on the basis of actual work as determined from labor accounting through our work order/asset management system.

Pump Station Operations (8571030100)

The Gates-Chili-Ogden Pump Station pumps flow from the district to the Frank E. VanLare treatment plant. Pump stations and interceptor sewers are regularly inspected along with preventive maintenance on equipment.

DEPARTMENT: Public Works Sector – Environmental Services (84)
DIVISION: Fleet Services (8675)

DIVISION DESCRIPTION

Fleet Maintenance is a division of DES that maintains and repairs most county licensed and non-licensed motor vehicles, construction and snow removal equipment, firefighting and other motor equipment; except for vehicles and equipment for the Sheriff's fleet. Fleet operates a centralized "green" fueling facility located at Scottsville Road. Funding for the acquisition of county vehicles which are leased or purchased through the Fleet Maintenance budget are charged back to departments. Repairs to light, medium and heavy equipment are performed at the combined Fleet Center maintenance garage, located on Paul Road. In 2009 and 2010, the Monroe County Fleet received the distinction of being recognized as one of the "Top 100" in the country.

DEPARTMENT: Public Works Sector - Parks (88)

DEPARTMENT DESCRIPTION

Parks in Monroe County were established in 1888 with the creation of the Rochester Parks Commission and the dedication of Highland Park. In 1926, the county began to assume direct responsibility for the management of local parklands. Today the Parks Department operates 21 parks totaling more than 11,200 acres. Almost all 21 county parks have picnic and hiking areas and most are equipped with sports facilities, shelters and lodges.

Mission

The Parks Department is comprised of dedicated staff working with community partners in effectively and efficiently providing an array of park services. This ensures that everyone may enjoy recreational and educational opportunities while treasuring the natural, zoological, horticultural, historical and geological features of the Monroe County Parks System.

2011 Major Accomplishments

- Completed Rocky Coasts exhibit improvements at the Seneca Park Zoo.
- Constructed Phase I improvements at Abraham Lincoln Park.
- Implemented shared use trails at Tryon Park and Irondequoit Bay Park West.
- Constructed master plan improvements at Greece Canal Park.
- Initiated the Powder Mills Park Master Plan.
- Renovated the Wolf exhibit at the Seneca Park Zoo.
- Initiated the Oatka Creek Park Master Plan.
- Established an off-leash dog park in Ellison Park.
- Completed the Lion Exhibit at the Seneca Park Zoo.
- Constructed Elephant Exhibit improvements at the Seneca Park Zoo.
- Completed tennis court improvements at Webster, Ellison, Churchville, Greece Canal and Ontario Beach Parks.
- Renovated the Seneca Park restroom building.

2012 Major Objectives

- Construction of Master Plan Improvements at Webster Park.
- Roadway improvements at Seneca Park.
- Construction of the Durand-Eastman Park infiltration basin.
- Implementation of stream bank erosion protection in Powder Mills and Ellison Parks.
- Construction of Master Plan Improvements at Oatka Creek Park.
- Design of Master Plan Improvements at Mendon Ponds Park.

DEPARTMENT: Public Works Sector – Parks (88)
DIVISION: Parks Administration (8801)

DIVISION DESCRIPTION

Parks Administration includes management and support personnel who coordinate and administer all departmental activities. Parks Administration plays a central role in the planning of all capital improvements and expansion, as well as the maintenance of acceptable operational standards for all parks. The goal of Parks Administration is to provide administrative services to staff operating departments, vendors and the general public in order to maximize resource use and park utilization while remaining within the budget limits.

DEPARTMENT: Public Works Sector – Parks (88)**DIVISION: Parks Operations (8802)**

DIVISION DESCRIPTION

Parks Operations is an administrative grouping of 15 Monroe County park areas. This division includes developed parks with ball fields, tennis courts, playgrounds, lodges and shelters, as well as undeveloped parklands which offer camping, boating and fishing. The parks in this group also offer access to Irondequoit Bay, the Genesee River, Lake Ontario and several other ponds, creeks and streams. Ontario Beach Park and Tryon Park are owned by the City of Rochester but maintained and operated by Monroe County through the Parks Operating Agreement of 1961 and as amended in 1975. The goal of Parks Operations is to provide parks services to Monroe County residents in order to meet conservation, education and recreational needs. Outcome measures include the percentage of parkland set aside for active conservation and the percentage increase in the use of park facilities.

SECTION DESCRIPTIONS

Administration (8802010000)

This section includes the Administration staff and clerical support staff. It serves as a cost center for particular district-wide administrative expenses such as workers' compensation benefits and various interfund transfers. Management objectives focus on maintaining standards of appearance, cleanliness, safety, security and performance for all recreational facilities and equipment. The wide range of activities in Parks Operations requires a high level of coordination in order to provide efficient and effective management.

Churchville Park (8802030000)

Churchville Park occupies 724 acres of land in southwestern Monroe County with a portion of the park located in the Village of Churchville. Facilities include four tennis courts, playground areas, a disc golf course, softball fields, five soccer fields, five lodges, eight picnic areas, an ice skating rink, fishing and canoe access to Black Creek. Churchville Golf course is operated under a contractual agreement with Jack Tindale, Inc.

Black Creek Park/Oatka Creek Park (8802040000)

Black Creek Park, situated in the Towns of Chili and Riga, features 1,505 acres of rolling hills, wetlands and forests. Facilities include hiking, bridle and cross-country ski trails, picnic areas and two small ponds. Black Creek Park also offers two lodges, a picnic shelter and playground.

Oatka Creek Park, comprising 461 acres of land in the Town of Wheatland, offers a natural setting providing for excellent trout fishing in Oatka Creek. Facilities include a lodge and hiking and cross-country ski areas.

Northampton Park (8802050000)

Located in the Towns of Sweden and Ogden, this 973 acre park includes hiking, bridle and cross-country ski trails, two lodges, a special permit camping area, playgrounds, two soccer fields, two softball fields, a model airplane field and a lighted downhill ski hill. Springdale Farm, a demonstration farm operated under contract with Heritage Christian Services, is located in Northampton Park.

Ontario Beach Park (8802060000)

The central feature of this park is its supervised natural sand beach located on Lake Ontario. Its 39 acres also include a boat launch to the Genesee River, an antique carousel, soccer field, two softball fields, seven picnic shelters and a performance pavilion. Ontario Beach Park is owned by the City of Rochester, but maintained and operated by Monroe County through the Parks Operating Agreement of 1961.

Webster Park (8802070000)

Located in the Town of Webster on the shore of Lake Ontario, Webster Park's 550 acres include five lodges, eight shelters, playgrounds, tennis courts, ball fields, hiking and cross-country ski trails and special permit youth and family campgrounds. Also available is a fishing pier and access to Lake Ontario.

Ellison Park/Ellison Wetlands/Tryon Park/Devils Cove Park/Irondequoit Bay Park West/Abraham Lincoln Park (8802080000)

Ellison Park, in the Towns of Brighton and Penfield, offers 447 acres with tennis courts, softball fields, four lodges, eight picnic shelters, playgrounds and hiking, bridle and cross-country ski trails and a disc golf course.

Tryon Park contains 82 undeveloped acres on the western shore of Irondequoit Bay within the City of Rochester. The park is owned by the City of Rochester, but maintained and operated by Monroe County under a 1975 amendment to the Parks Operating Agreement of 1961. It offers trails and natural scenic areas.

Irondequoit Bay Park West and Abraham Lincoln Park consist of 292 natural undeveloped acres offering woodlands and access to the Irondequoit Bay shoreline.

Powder Mills Park (8802090000)

Located in the Town of Perinton, Powder Mills Park contains 380 acres which include five shelters, seven lodges, hiking and cross-country ski trails, picnic areas, playgrounds, a fish hatchery and a lighted downhill ski hill.

Mendon Ponds Park (8802100000)

The largest county park is Mendon Ponds located in the Towns of Pittsford and Mendon. Its 2,462 acres have been designated as a National Natural Landmark by the United States Department of the Interior due to its unique geological glacial landforms. Facilities include hiking, bridle and cross-country ski trails, boat launch, fishing and picnic areas, two softball fields, eight picnic shelters and six lodges.

Greece Canal Park (8802110000)

Greece Canal Park's 577 acres are located in the Town of Greece with facilities for picnics and hiking. Development of the park has occurred in phases over a period of years. This park includes softball fields, a soccer field, tennis courts, two lodges, a picnic shelter, playgrounds and special permit youth camping.

DIVISION: Support Services (8803)

DIVISION DESCRIPTION

The Parks Support Services undertakes department capital projects, major repairs, construction and general maintenance. Support Services is involved in the improvement of roads, parking areas, water lines, drainage systems, as well as electric and plumbing systems. This group also receives and responds to all park work orders and undertakes building improvement projects including new buildings, major renovations of existing structures, roof replacements, window and door replacement and masonry upgrades. These services are provided to all park areas, including the Seneca Park Zoo.

BUDGET SUMMARY

SECTION DESCRIPTIONS

Administration (8803010000)

The Administration section includes staff for oversight and direction for all aspects of support services. These include scheduling, material acquisition, and contractual services for park maintenance and construction projects.

Construction (8803030000)

The construction section consists of equipment operators responsible for projects in all park areas, including roads and parking lots, drainage, water and sanitary systems and utility improvements.

DEPARTMENT: Public Works Sector – Parks (88)
DIVISION: Seneca Zoological Park (8804)

DIVISION DESCRIPTION

Located on the eastern bank of the Genesee River in the City of Rochester, Seneca Park Zoo is owned by the city, but maintained by the county under the Parks Operating Agreement of 1961. The goal of this division is to provide a quality zoo experience to the visiting public. Outcome measures include the percentage increase in zoo attendance compared to the Statistical Metropolitan Area, the percentage increase in return zoo visits and percentage increase in the Species Survival Program.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012
<u>Appropriations</u>		
Personnel Services	1,281,390	1,271,436
Contractual Services	556,000	533,000
Supplies and Materials	243,463	230,300
Employee Benefits	476,432	507,150
Interdepartmental Charges	159,735	145,377
Service Chargebacks	(20,000)	(20,000)
Total	2,697,020	2,667,263
<u>Revenue</u>		
Park Fees	1,269,000	1,269,000
Miscellaneous	40,000	40,000
Total	1,309,000	1,309,000
<u>Net County Support</u>	1,388,020	1,358,263

SECTION DESCRIPTIONS

Administration (8804010000)

The Administrative staff supervises and coordinates all field operations within the division. Staff establishes programs, conducts research projects and ensures compliance with all governmental regulations pertaining to zoological activities.

Animal Management (8804020000)

The Animal Management section exhibits zoological species in a safe and where possible, natural setting. It has responsibility for the construction and refurbishment of exhibits, the care and feeding of animals and the protection of all specimens from vandalism.

Animal Health (8804030000)

The Seneca Park Zoo maintains a comprehensive veterinary hospital which functions with one zoologist and veterinary attendant and additional contracted professional services. Zoo staff are trained to implement recommendations of the zoo's veterinary team and to conduct behavioral observations. This section strives to improve animal health and longevity and increase the animal birth/hatching rate.

Buildings and Grounds (8804050000)

The Buildings and Grounds section is responsible for the beautification of the zoo park land as well as the maintenance of the buildings.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012
Zoo Attendance	351,124	340,000	395,000

DEPARTMENT: Public Works Sector – Parks (88)
DIVISION: Horticultural Division (8805)

DIVISION DESCRIPTION

The Horticultural Division is responsible for the planting and care of plants, shrubs, and trees. It provides the horticultural resources used to beautify and maintain landscaping throughout the parks system.

Maintenance and oversight is provided for four Parks: Durand Eastman, Highland, Genesee Valley and Seneca. Additional responsibilities include the coordination of Highland Park – Lamberton Conservatory programs, preservation of the arboreta located in Durand Eastman Park and Highland Park and assessment of tree planting and trimming requirements throughout the parks system. The goal of the Horticultural Division is to provide a diverse horticultural collection to the general public parks and other governmental agencies to maintain our unique horticultural heritage, as well as providing recreational and educational opportunities. Outcome measures include the percentage increase in visitor attendance to Conservatory shows, the percentage increase in Horticultural educational program attendance and the percentage increase in plants labeled.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012

<u>Net County Support</u>	1,444,772	1,500,658

SECTION DESCRIPTIONS

Administration (8805010000)

The Administration section supervises and directs the division’s horticulturists and support staff. It is responsible for maintaining efficiency and productivity within the division and it encourages professional enrichment through seminars and training programs.

Arboretum (8805020000)

The Arboretum, begun in the 1880s, is one of the oldest and largest municipal arboreta in the United States. Arboretum staff collect and nurture plants, trees and shrubs for the Monroe County Parks System, performing horticultural research and offering public service education through workshops, guided tours and publications. Among its specific activities is the care and maintenance of the world’s largest lilac collection located at Highland Park. The arboretum section includes not only the arboreta located in Durand Eastman Park and Highland Park, but also the Lamberton Conservatory at Highland Park which offers seasonal and permanent displays of flowers.

Forestry (8805030000)

The Forestry staff is responsible for the maintenance of healthy and desirable trees and shrubs throughout the park system. Forestry personnel regularly survey park areas to assess existing conditions. Trees and plant life which are diseased or have become hazardous to the public are replaced with new specimens by the staff. The staff also identifies park areas which are appropriate settings for new plantings. Additional tree and plant life is continually propagated and developed for the beautification and conservation of the county's parkland.

Highland Park/Genesee Valley Park (8805040000)

Highland Park is the horticultural showcase of the Parks Department. Its 150 acres contain the Garden Center of Rochester headquartered in the historic Warner "Castle", the Lamberton Conservatory, a portion of the county's Arboretum, and various botanical and floral collections. Highland Park supports the world's largest lilac collection and attracts thousands of visitors to the annual Lilac Festival occurring during May. Located on the southern edge of Rochester, its facilities include hiking paths, an ice skating rink, and a softball field. Highland Park is owned by the City of Rochester but maintained and operated by the county through the Parks Operating Agreement of 1961.

Genesee Valley Park offers fishing and boating facilities, as well as playing fields for soccer, cricket and softball. It contains eight picnic shelters in addition to trails for hiking, biking and cross-country skiing. Genesee Valley Park is owned by the City of Rochester but maintained and operated by the county through the Parks Operating Agreement of 1961. Genesee Valley Golf Course is operated under a contractual agreement with Jack Tindale, Inc.

Durand Eastman Park (8805050000)

Situated on the shore of Lake Ontario, Durand Eastman Park contains botanical collections, steep wooded slopes, small lakes and scenic vistas. Recreational facilities include hiking, bridle and cross-country ski trails, eight picnic shelters and playground areas. Durand Eastman Park is owned by the City of Rochester (with the exception of several county-owned portions) but is maintained by the county through the Parks Operating Agreement of 1961. Durand Eastman Golf Course is operated under a contractual agreement with Jack Tindale, Inc. The county also operates the boat launch at the Irondequoit Bay Marine Park.

Seneca Park (8805060000)

Seneca Park offers a scenic view of the Genesee River Gorge. The lower park has the focal point of the pond and is bordered by three rustic shelters. There is also a trail system for hiking, which parallels the steep river gorge terrain. Park Operations is responsible for park maintenance outside the immediate area of the zoo. Activities include groundskeeping, landscaping and building maintenance.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012

DEPARTMENT: Public Works Sector – Parks (88)
DIVISION: Recreation and Education Programs (8806)

DIVISION DESCRIPTION

The goal of the Division of Recreation and Education Programs is to provide coordination, promotion, scheduling and production services to park visitors in order to meet recreation and education needs in the park system. Outcome measures include the percentage increase in the amount of special event permits issued, Nature Center attendance and department program participants.

BUDGET SUMMARY

SECTION DESCRIPTIONS

Administration (8806010000)

The Recreation and Education Division supervises and coordinates various services within the Parks Department, including reservations for lodges, shelters, camping and weddings, web page updates, special events, rentals of athletic facilities, various recreational tournaments, downhill skiing programs and festivals.

Swimming (8806030000)

The Parks Swimming Program provides safe swimming and recreation at Ontario Beach.

Interpretive Services (8806040000)

Interpretive and educational services are also coordinated in this division in the areas of nature programming, historic features, field trips and exhibit formulation and maintenance.

TRANSPORTATION (80)

TRANSPORTATION (80)

TRANSPORTATION 2012 MANDATED/NON-MANDATED

The percentages above do not reflect the deduction of Service Chargebacks.

NON-MANDATED		14,603,961
MANDATED		5,857,997
	SUBTOTAL	20,461,958
DEBT SERVICE		12,361,751
SERVICE CHARGEBACKS		(1,670,500)
	TOTAL BUDGET	31,153,209

Mandated includes New York State Pension and Social Security costs. The Department of Transportation's mandated services as regulated by NYS are the Permits Office and the Consolidated Highway Improvement Program (CHIPS). The Federal Government mandates the operation of the Colonel Patrick O'Rorke Bridge.

Non-mandated services provided include Highway Engineering & Operations, Traffic Operations & Permits, Administration and Planning, Traffic Signal Engineering & Operations, and Bridge Engineering & Operations.

TRANSPORTATION

2012 Budget - \$31,153,209

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Public Works Sector – Transportation (80)

DEPARTMENT DESCRIPTION

The Department of Transportation is responsible for the safe and efficient operation of approximately 1,489 lane miles of county highways, 177 bridges and 276 culverts. It is also responsible for the installation, operation and maintenance of all traffic control devices on county highways and on the streets within the City of Rochester including 784 traffic signal devices, as well as the operation of the Colonel Patrick O’Rorke Bridge.

Mission

The Department of Transportation constructs, operates and maintains a safe and efficient highway, bridge and traffic network to move people and goods throughout the county to enhance community growth, economic well-being and the quality of life.

2011 Major Accomplishments

- Completed highway sealing and resurfacing projects covering approximately 167 lane miles and the reconstruction of two (2) roads consisting of five (5) lane miles.
- Reduced the number of deficient bridges and culverts by completing major rehabilitation or reconstruction of six (6) bridges and seven (7) culverts.
- Continued/completed the public participation advisory group process for three (3) highway projects and the design of nine (9) highways, sixteen (16) bridges and three (3) culverts.
- Continued the multi-year replacement program of regulatory, warning and street name signs (installing approximately 6,000 signs in 2011) to meet the federal requirements for retroreflectivity, letter size and location.
- Provided pavement marking services (striping over 13 million lineal feet of 4” lines) and sign fabrication services for county, town, city roads and other county departments.
- Processed 800 highway permits and issued and resolved 5,800 service requests for signals, signs and highways.
- Completed the construction of the Communications Conduit Replacement Project Phase I & II (rerouting four miles of cable from RGE leased conduit to our own) and completed/initiated the design of the ITS Phase III Project and Communications Conduit Replacement Project Phase III.
- Converted 50 additional traffic signals from coaxial cable to fiber optic cable communications, thereby improving reliability and operation.
- Completed the Safe Routes to School program which installed countdown pedestrian signals, school flashers, upgrade school warning signs to fluorescent yellow green sheeting, and received/deployed portable driver speed feedback signs to enhance traffic safety at schools in the county.
- Completed one (1) Unified Planning Work Program (“UPWP”) study (Sign Inventory Location Upgrade Program); continued progress on the annual high accident location program and the accident rate database GIS conversion project. Initiated study for the horizontal curve sign project.
- Worked closely with our state/federal lobbyists to enhance funding opportunities.

2012 Major Objectives

- Complete highway sealing and resurfacing of 150 lane miles of county highways, continue/complete the design of seven (7) highway capital projects and complete/initiate the reconstruction of eight (8) capital highway projects.

- Complete the bridge/culvert maintenance program; continue/complete the design of 12 capital bridge and culvert projects and the rehabilitation/replacement of nine (9) capital bridge and culvert projects.
- Manage the planning phase of county capital highway projects and continue to provide traffic engineering expertise to City of Rochester projects.
- Continue to expand the fiber optic communications plant and the centralized traffic signal system to add new intersections and install additional traffic monitoring cameras through the construction of Intelligent Transportation System (“ITS”) Phase III Project.
- Complete the accident rate database GIS conversion and horizontal curve sign projects. Continue progress on the annual high accident location program.
- Construct the Communications Replacement Project Phase III, which will eliminate the County’s reliability on RG&E leased conduit.
- Manage 33 groups (38 In-Bloom sites) and 58 groups (64 Adopt-A-Highway roads), (139 centerline miles).
- Continue to provide traffic engineering services, sign fabrication services and pavement marking services to the city, town, villages and other county departments.
- Continue implementing the upgrade of our 80,000 traffic signs to meet National Manual of Uniform Traffic Control Devices Standards.
- Continue a comprehensive time study of all major permit types to reflect our true costs for permit reviews and inspections and recommend any changes for the 2013 budget.

SECTION DESCRIPTIONS

Administration/Planning (8001010000)

This division is responsible for the management of administrative activities of the department. Specific responsibilities include the development of policy alternatives and work procedures, the supervision and planning of all transportation activities and the administration of various financial and personnel activities.

This division also manages the planning phase of department capital highway projects and moderates the public participation component of capital highway projects. It prepares the department Capital Improvement Program and solicits and coordinates county, state and federal funding. This division is also responsible for preparing the department's legislative referrals. Division responsibilities include the review and coordination of traffic features (signs, striping and traffic signals) for major/arterial city street projects.

Traffic Investigations (8002010000)

The goal of this program is to review, conduct and update traffic information to ensure appropriate traffic control devices are in place on a city or county roadway. This division investigates the need for additional and modified traffic signs in response to citizen requests and it processes all traffic regulatory device changes for city streets and county highways. Outcome measures for this program include the percent reduction in accidents and the percent investigations completed within two business days.

Sign Fabrication/Installation (8002020000)

The goal of this program is to fabricate and install traffic sign control devices to ensure a safe road network throughout the city and county. This division manufactures and installs all road signs along county highways and city streets, and upon request, for towns, villages and other county departments. Also, this division maintains approximately 80,000 traffic signs on county highways and city streets (plus parking signs). Outcome measures for this program include the percent of sign fabrications completed within thirty days and the percent of sign installations completed on time.

Pavement Markings (8002030000)

The goal of this program is to install and maintain traffic pavement marking control devices to ensure a safe road network throughout the city and county. This division schedules and performs work required to maintain lane delineation, passing zones, stop bars, crosswalks and railroad crossing symbols on county, city and town roads as well as installation of markings on airport runways and county parking lots. County highways require the application of pavement markings every one to six years depending on traffic flow and the type of marking. Outcome measures for this program include the percent of pavement marking installations completed per specification.

Maintenance of Roads (8002040000)

The goal of this program is to improve the condition of county highways by constructing and maintaining a safe and efficient road network in order to move people and goods throughout the county. This division maintains a safe and serviceable highway system. It is responsible for day-to-day maintenance of the 1,489 lane mile Monroe County Highway System. Major activities include drainage improvements, crack filling, pothole patching, spray patching, hot grader patching and shoulder improvements.

State Supported Highway Capital Program (8002050000)

The goal of this program is to improve the condition of county roads by constructing and maintaining a safe and efficient road network in order to move people and goods throughout the county. This division collects the state-aid for capital expenditures under provisions of the Consolidated Local Street and Highway Improvement Program ("CHIPS"). The state allocates a specific sum of aid for capital projects with greater durability (highway resurfacing, recycling, reconstruction, bridge rehabilitation and replacement) and longevity (minimum useful life of ten years) than might be expected from routine maintenance efforts. Outcome measures for this program include the percent of lane miles with a pavement quality index greater than 7.0.

Permits (8003010000)

The goal of this program is to issue and inspect permits for work in the county right-of-way to ensure a safe and efficient roadway system, while allowing for economic and community growth. This division conducts design reviews of proposed highway developments, issues highway permits, inspects the highway work performed by the permittee, maintains records, collects permit fees and ensures contractor conformance with county requirements during construction. Outcome measures for this program include the percent of permitted work meeting current standards.

Highway Engineering (8003020000)

The goal of this program is to improve the condition of county roads by constructing and maintaining a safe and efficient road network in order to move people and goods throughout the county. This division is responsible for the operating and capital highway improvement projects. It is also responsible for the planning, design and management (or construction supervision) of highway maintenance work performed by town and contractor forces.

The Capital Highway Design and Construction Section is responsible for the administration of the capital highway and spot safety program, including planning, design and construction supervision activities.

Snow and Ice Control (8003030000)

This division funds the cost of snow and ice removal and snow fence installation to ensure safe travel on the county highway system during the winter season. The county enters into agreements with each town for the provision of snow and ice control services. Contract amounts reflect prevailing wage agreements in the towns, equipment rental rates determined by the state, current state bid prices for salt and the number of highway lane miles plowed and cleared in each town. Outcome measures for this program include the percent of contract standards met.

Traffic Studies (8004010000)

The goal of this program is to review, conduct and update traffic information to ensure appropriate traffic control devices are in place on a city or county roadway. This division conducts traffic engineering studies and analyses, as well as maintaining an ongoing traffic count program and a high accident identification program on county highways and city streets. Design and inspection support is also provided for the milling and resurfacing program, as well as drafting assistance for various projects. Outcome measures for this program include the percent reduction in accidents and the percent studies completed within two months.

Traffic Control Center (8004020000)

The goal of this program is to operate traffic signals throughout the city and county and to ensure the safe and efficient movement of the public and goods. This division, housed in the Regional Traffic Control Center, continuously monitors 460

traffic signals primarily located along major city streets (312), on selected county highways in the towns of Brighton, Gates, Greece, Henrietta, Irondequoit and Penfield (73), and on selected New York State highways (75). This computerized system monitors traffic flow and adjusts signal-timing patterns to meet traffic flow conditions. The highway system is also monitored through a network of 86 traffic monitoring cameras (37 county-owned) utilized by both Monroe County DOT and the New York State Department of Transportation and located in the City of Rochester and in the Towns of Brighton, Chili, Gates, Greece, Henrietta, Irondequoit and Webster. In addition, calls are received, dispatched and phasing and timing modifications are made for the remaining 169 signals and 155 flashers not on the system. Outcome measures for this program include percent reduction in vehicle stops, delay and emissions due to signal coordination.

Signal Maintenance/Operations (8004030000)

The goal of this program is to operate and maintain traffic signal control devices to ensure a safe road network throughout the county. This division is responsible for the construction and maintenance of 629 traffic signals and 155 flasher devices, 3 speed feedback signs and 37 traffic monitoring cameras located on state highways, county highways and city streets. Work also includes the testing and repair of all signal components. Included in this division is the maintenance responsibility for all components of the computerized signal system, the traffic monitoring camera system and electrical maintenance support for the O'Rorke Bridge. Outcome measures for this program include the percent of change in signal flash calls, communications related calls and repeat calls.

Highway Lighting (8004040000)

The goal of this program is to operate, maintain and upgrade county/city-based expressway lighting systems in order to have safe, efficient and reliable lights. The county currently maintains 4,407 light fixtures on the expressways, including 2,812 outside the city and 1,595 within the city limits. This division funds the cost of operating and maintaining the lighting system on some state arterial highways (757 fixtures) and some county highways (255 fixtures). This division contains the costs of energy, maintenance and capital acquisition for operating the county highway lighting system on both expressway and arterial highways. Outcome measures for this program include the percent of luminaries operating properly.

City of Rochester Programs (8004050000)

County funded programs which support expressway lighting in the city (1,595 fixtures) and the rehabilitation and reconstruction of the city arterial street system include:

131 K-Debt Service - Debt service on city street and bridge capital projects which the county has undertaken in accordance with the New York State Highway Law, Section 131

Expressway Lighting - County cost for operating the expressway lighting system within the city

Bridge Engineering and Operations (8005010000)

The goal of this program is to improve the condition of county bridges and culverts by programming, pursuing funding options, constructing, maintaining and operating a safe and efficient bridge and culvert network to move people and goods throughout the county. This division is responsible for the planning, engineering, inspection and maintenance of 177 (121 with full ownership and 56 that have co-maintenance with NYS DOT and NYS Thruway) bridges, including the Irondequoit Bay Outlet Bridge and 274 culverts. This division designs bridges, reviews plans, inspects, inventories, programs and monitors bridges and culvert construction projects in the Capital Improvement Program. Outcome measures for this program include the percent of deficient bridges and culverts.

O'Rorke Bridge Operations (8005020000)

The goal of this program is to operate a safe and efficient bridge in order to move people and goods across the Genesee River. The bridge operates 24 hours per day, 7 days per week from April 1st through December 15th, and other times with 12 hours advance notice. It is estimated that 900 bridge lifts will be required in 2012 and that the vehicle traffic count will be approximately 20,000 per day. The lower part of the Genesee River is classified by the U. S. Coast Guard as a navigational channel and federal law requires that the waterway be unobstructed (CFR 117.785). This division is reimbursed by NYSDOT for the operation and maintenance of the Col. Patrick O'Rorke Bridge. Outcome measures for this program include the percent of bridge lifts without problems.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012
Permit Project Reviews Completed	336	350	350
Permits Issued	903	800	850

The Veterans Service Agency is a mandated department as outlined by New York State guidelines.

VETERANS SERVICE AGENCY

2012 Budget - \$391,251

Administration
100%

DEPARTMENT: Veterans Service Agency (74)

DEPARTMENT DESCRIPTION

Monroe County Veterans Service Agency counsels and assists veterans and their dependents in areas such as pension and compensation, health and medical, rehabilitation, educational and life insurance services. The agency advocates on behalf of all Monroe County veterans to ensure they receive the maximum benefits to which they are entitled under federal, state and local law. Service Officers actively assist veterans in pursuing claims for burial benefits, disability compensation, pension benefits, real property tax exemptions and other benefits. Presentations to veteran organizations and civic groups keep veterans informed of agency functions and new laws affecting their benefits. Agency staff assists with activities associated with memorial decorations and services honoring veterans.

Service Officers are certified by the Department of Veterans Affairs as Accredited Representatives in accordance with USC Title 38.

Mission

The Monroe County Veterans Service Agency advocates on behalf of all Monroe County veterans and their eligible dependents to ensure that they have the opportunity to apply for and receive maximum entitlements under federal, state and local law.

2011 Major Accomplishments

- Continued high level of service to all customers.
- Assisted veterans and dependents in collecting an estimated \$25 million in federal benefit payments.

2012 Major Objectives

- Maintain high level of customer confidence.
- Maximize federal benefit payments for eligible veterans and their dependents.
- Utilize Veterans Advisory Committee in expanding services where needed.

The Monroe County Clerk is the County Registrar and Clerk of the Supreme and County Courts and acts as an agent for state government as mandated by the state.

MONROE COUNTY CLERK

2012 Budget - \$7,044,977

DEPARTMENT: Monroe County Clerk (21)

DEPARTMENT DESCRIPTION

The Monroe County Clerk is the County Registrar and Clerk of the Supreme and County Courts. The Clerk is responsible for filing, recording and storing official documents and acts as agent for state and federal governments for passports, pistol permits, sporting licenses and motor vehicle related transactions.

The County Clerk's Office is comprised of the Downtown Operations Division, located in the County Office Building, and the Auto License Bureau with several branches strategically located throughout the county.

Mission

The Office of the County Clerk provides accurate and timely processing of transactions, delivery of information and responsible records management to the public in a customer-friendly atmosphere to ensure the fulfillment of federal, state and county laws.

2011 Major Accomplishments

Downtown Operations

- Successfully advocated for passage of e-recording legislation in New York State which will allow land records to be recorded electronically; helped shape state legislation expanding electronic filing of court records in New York State.
- Conducted successful beta testing with local firm to submit, and for the Clerk's office to receive, e-filed court documents.
- Increased the number of County Clerk forms available on the Clerk's website to provide further convenience to customers.
- Completed software integration to manage new Gunkeeper Pistol Permit database system.
- Streamlined the process of ordering copies of records by creating an Online Document Request procedure whereby customers can request files and copies through the Clerk's office website.
- Maintained a state-of-the-art records management system including a greatly enhanced online office to provide document access to customers in their homes and offices; digital redaction software to prevent the display of social security numbers on documents and protect customers from identity theft; and multiple layers of redundancy to protect and preserve data.
- Continued "Renew Monroe!" to encourage residents to process their passport transactions with the Clerk's office, which keeps taxes as low as possible and pays for other vital county programs.
- Continued permanent Passport Saturday program on the last Saturday of every month, outreach events in the community and Passport Express in partnership with the Towns of Greece and Pittsford, bringing services to residents where it is a convenience to them as well as ensuring that all passport customers who contact the County Clerk's Office received their documents in time to travel.
- Continued partnership with the Integrated Domestic Violence Court providing faster filing and service of Orders of Protection, enhancing the safety of victims of domestic violence.
- Continued a comprehensive redaction policy to prevent the filing and release of customer's social security numbers.

Auto License Bureau

- Continued "DMV Saturdays," on the last Saturday of every month, offering added access to DMV services for customers.

- Maintained new state-of-the-art queuing software to better manage customer workflow and continued reduced wait times for DMV customers as well as a new secure document scanning technology at all DMV locations.
- Successfully processed over 37,000 Enhanced Driver's License applications that allow customers to travel by land or sea to Canada and Mexico.
- Maintained a training program for car dealers in Monroe County to improve processing of vehicle registrations, enhancing the dealers' ability to meet the needs of their customers.
- Continued "Renew Monroe!" program to encourage residents to do business locally and keep up to an additional \$500,000 from vehicle registration renewals in Monroe County.
- Continued Mobile DMV outreach events at snowmobile shows, in partnership with NYS Snowmobile Association, to encourage snowmobile enthusiasts to join a local club and help maintain trails and the local environment, improving safety for all involved in this important wintertime activity.
- Continued Mobile DMV outreach at the 2011 Rochester International Auto Show, in partnership with the Rochester Auto Dealers Association (RADA), to provide extended DMV service hours processing a wide variety of transactions including license and registration renewals.
- Conducted a marina outreach event as a convenience to customers to process boat and trailer registration renewals.
- Maintained the Metro Mobile DMV service in the City of Rochester so city residents retain convenient access to vital DMV services and extended hours at each of the DMV Mobile Units to provide customer access to DMV services in their own neighborhoods.
- Increased awareness of the New York State Organ and Tissue Donation program and Cancer Mission 2020, by providing customers with detailed information on these significant causes; participated in county-run "Project Homeless Connect" to provide DMV services to those in need.

2012 Major Objectives

Downtown Operations

- Continue working with committee of local attorneys and members of the judiciary to oversee the ongoing implementation of e-filing of court records.
- Expand the number of case types for which electronic filing is available.
- Fully implement state-of-the-art pistol permit program that replaces old paper permits with more durable plasticard permits.
- Under newly passed state law, help establish the procedures by which customers will be able to record land records electronically.
- Develop and implement new computer program to accept electronically submitted land records.
- Provide additional training opportunities to educate customers on how to record documents electronically and increase the number of electronic filers.
- Seek additional outreach opportunities to provide passport services to schools, businesses and community partners.
- Continue to increase the number of forms and tools available to customers online.

Auto License Bureau

- Continue to implement proper management procedures to ensure minimal customer wait times while dealing with increased customer volume due to the end of the transition from the five to eight year Driver's License renewals and the issuance of Enhanced Driver's Licenses.
- Continue to lobby the New York State Legislature to allow county-run Auto License Bureaus to keep more of the revenue they generate, in order to maintain the current level of customer service they provide.

- Continue fraud detection efforts with enhanced training curriculum for all staff.
- Continue to increase the number of forms and tools available to customers online.
- Explore opportunities for additional mobile outreach efforts to increase access to DMV services.

BUDGET SUMMARY

DEPARTMENT: Monroe County Clerk (21)
DIVISION: Downtown Operations (2101)

DIVISION DESCRIPTION

The Downtown Operations Division is responsible for overall administration, recording, filing and storage of official documents, issuance of passports, permits and naturalization of new citizens.

SECTION DESCRIPTIONS

Administration (2101010000)

This section is responsible for policy development and the coordination of management, personnel, financial, purchasing and other central services of the Clerk's Office as well as preparation of required county, state and federal reports.

Recording, Filing and Licensing (2101020000)

This section's responsibilities include intake, indexing, preservation and retrieval of official documents as required by law. Items processed, recorded and filed by this section include mortgages, deeds and civil, criminal and divorce actions.

The County Clerk additionally acts as agent for the state and federal governments for issuance of passports, pistol permits and conservation licenses. The County Clerk also administers the Oath of Allegiance at naturalization ceremonies for new citizens.

Performance Measures

	Actual 2010	Est. 2011	Est. 2012

Total Transactions	237,899	227,351	249,501

* Other includes DBAs, corporations, notaries and other miscellaneous transactions.

DEPARTMENT: Monroe County Clerk (21)
DIVISION: Auto License Bureau (2102)

DIVISION DESCRIPTION

As agent for the New York State Department of Motor Vehicles, the Auto License Bureau operates three branch offices and three Mobile Units which process vehicle registrations, driver license renewals and other motor vehicle related transactions.

SECTION DESCRIPTIONS

Henrietta Auto License Bureau (2102020000)

The Henrietta Auto License Bureau provides public counter service for motor vehicle and license transactions, primarily serving residents in the southern portion of the county. Bulk processing of work for auto dealers from throughout the county is provided and funded within this section. The Henrietta Bureau additionally provides training for all Auto License Bureau staff and is the base of operations for the Metro Mobile Unit, serving the City of Rochester.

Greece Auto License Bureau (2102030000)

The Greece Auto License Bureau provides public counter service for motor vehicle and license transactions, primarily serving residents in the northwestern portion of the county. Commercial Driver License testing from throughout the County is provided and funded within this section. Additionally, the Greece Bureau is the base of operations for the Westside Mobile Unit, which makes stops in the towns of Chili, Clarkson, Gates, Ogden and Parma.

Irondequoit Auto License Bureau (2102040000)

The Irondequoit Auto License Bureau provides public counter service for motor vehicle and license transactions, primarily serving residents in the northeastern portion of the county. The Irondequoit Bureau additionally is the base of operations for the Eastside Mobile Unit, which makes stops in the towns of Penfield, Perinton, Pittsford, Webster, and the Village of East Rochester.

Performance Measures

DIVISION DESCRIPTIONS

Legislature and Legislature Clerk (1001)

The Legislature Clerk staff prepares legislative calendars, records legislative activities and publishes official records to provide an accurate and timely account of all legislative and committee meetings. Staff maintains office hours when the Legislature is not in session and answers public requests for information. Salary expenses for most of the Legislators are budgeted in this division.

Legislature President's Office (1002)

The President of the Legislature is elected by a majority of the Legislature as set forth in the County Charter. The President supervises the Clerk of the County Legislature and other Legislative staff, presides at meeting of the Legislature, can participate in committees as a voting member and appoints members and chairpersons of committees, commissions, task forces or other such groups created by the Legislature.

Republican Staff (1011)

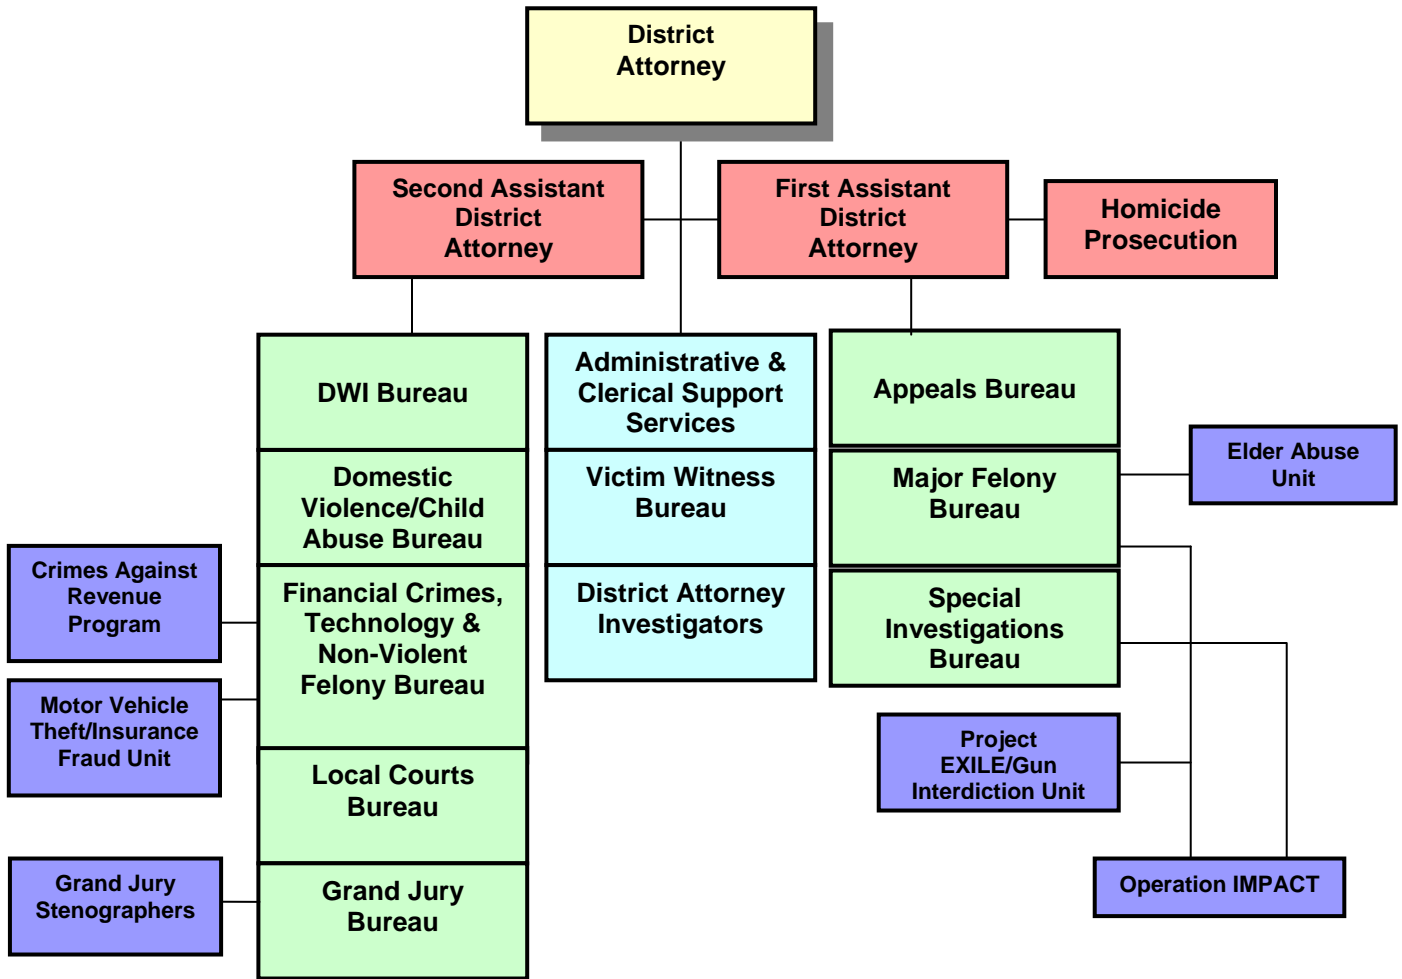

The Republican Staff Division provides its party's legislators with independent research personnel skilled in public policy and financial analysis. They collect data on public policy matters and identify policy options. Staff members prepare critical reviews and analyses of proposed legislation, programs, the annual operating and capital budgets and the Capital Improvement Program to identify cost containment options.

Democratic Staff (1021)

The Democratic Staff Division provides its party's legislators with independent research personnel skilled in public policy and financial analysis. They collect data on public policy matters and identify policy options. Staff members prepare critical reviews and analyses of proposed legislation, programs, the annual operating and capital budgets and the Capital Improvement Program to identify cost containment options.

2012 Grant Budget - \$1,667,908

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: Office of District Attorney (25)

DEPARTMENT DESCRIPTION

The District Attorney is a constitutional officer elected to a four-year term as Chief Prosecutor for Monroe County. The office oversees the prosecution of all crimes committed in the county. The work performed by this department is mandated by state law, but the county exercises some control over service levels. The operating divisions in the department are grouped according to functional objectives reflected in the department's organizational chart.

The District Attorney's Office will continue to pursue established priorities such as the delivery of specialized services to the victims and witnesses of crime and the enhancement of prosecutorial efforts in cases involving violent felonies, drug abuse and homicide.

MISSION

With the efficient utilization of limited resources, the Monroe County District Attorney's Office provides effective prosecution services which enhance our community's respect for the rule of law and secure the appropriate disposition of cases while ensuring the rights of victims.

2011 Major Accomplishments

- Continued success in obtaining convictions in homicide cases, with 34 homicide convictions in 2010 and 11 homicide convictions through June 30, 2011.
- 181 felony trials in 2010; 91 felony trials through June 30, 2011.
- Closed over 5,046 felony cases in 2010; over 2,819 closed through June 30, 2011.
- Continuation of Project EXILE Gun Interdiction Program.
- Continued to support Operation IMPACT in conjunction with other law enforcement agencies and the City of Rochester in an effort to reduce the homicide and violent crime rate and to curb gang-related violence.
- Continuation of the Motor Vehicle Theft and Insurance Fraud Prosecution Program, which is partially responsible for a significant decrease in the number of reported motor vehicle thefts in Monroe County since the program began in 2004.
- Continued expansion of the asset forfeiture program to include funds being held by state and local law enforcement agencies.
- Secured continued funding for the Crimes Against Revenue Prosecution Program to prosecute individuals and businesses that fail to pay sales, employment, and NYS income tax, and to recover from them the taxes they owe to Monroe County and New York State.
- Continued to support the Project Step UP partnership with the Boys and Girls Club of Rochester, a summer program to help at-risk youth resist peer pressure to get involved with guns, drugs and gang activities. Secured continued funding to support the Boys and Girls Club's Accelerated Reading Program for younger students.

2012 Major Objectives

- To screen and appropriately prosecute violent and non-violent felony cases, seeking outcomes that at all times protect the community and reduce the incidence of recidivism.
- Continue to seek significant state prison terms when appropriate for offenders convicted of violent felony offenses and for repeat offenders that are determined to be an ongoing threat to the safety and security of the citizens of Monroe County.

- Continue working with the Rochester Police Department, the Monroe County Sheriff's Office, the Monroe County Probation Office, and Federal and State law enforcement agencies on the Operation IMPACT and Cease Fire programs.
- Continue the Project EXILE Gun Interdiction Program in cooperation with the U.S. Attorney's Office.
- Continue the Motor Vehicle Theft and Insurance Fraud Prosecution Program.
- Continue to seek out new grant funding for crime-fighting initiatives and funding to expand existing programs like Operation IMPACT.
- Continue aggressive asset forfeiture program aimed at confiscating the proceeds of illegal drug dealing activities and using the funds obtained to reduce county support for expanded anti-crime activities.
- Continue to fund the Project Step UP Program with the Boys and Girls Club, and seek out additional partners to expand this type of educational effort.

DIVISION DESCRIPTIONS

Monroe County District Attorney's Office

The Monroe County District Attorney's ("DA's") Office is charged with prosecuting felony and misdemeanor crimes and violations perpetrated against the citizens of Monroe County. In addition, as a non-mandated service, the office prosecutes traffic infractions in many of the town and village justice courts in the county. With a staff of over 70 authorized attorneys, the DA's office is one of the largest law firms in Monroe County. Based on caseload (over 5,000 new felony case referrals and over 27,000 non-felony arraignments in 2010), the Monroe County District Attorney's Office ranks in the top ten offices in counties statewide.

The District Attorney is a constitutional officer elected to a four-year term as Chief Prosecutor for Monroe County. The First Assistant District Attorney is appointed by the District Attorney and is responsible for supervision of several bureaus, as well as overseeing all homicide prosecutions, evaluating each homicide arrest to determine the best prosecution strategies to insure a conviction, and assigning such cases to other experienced Assistant District Attorneys ("ADA"s) on staff. The office is structured into a number of specialized bureaus, with each bureau overseen by a bureau chief. Some bureau chiefs report to the First Assistant District Attorney and the others to the Second Assistant District Attorney.

Administration/Support Services (2501)

Manages the DA's budget, undertakes grant writing and grants management, oversees personnel procedures, provides clerical, data entry and other support services as required. All expenses involving the operation of the District Attorney's Office, including all supplies and infrastructure support (phones, computers, and duplication services for example) are funded through this organizational unit. Additional support services funded within this division include the **Victim Witness Unit**, the **Clerical Support Services Unit**, and the **District Attorney Investigators Unit**.

Victim Witness Unit staff work with crime victims, helping them cope with the demands of the criminal justice system. They also make referrals to counseling programs, arrange rides to and from court, provide interpreters when needed, assist in the preparation of victim impact statements and make referrals for assistance to the NYS Crime Victims Board. Victim witness advocates also work with ADAs and Probation staff to obtain court orders for restitution for losses.

District Attorney Investigators locate additional witnesses to enhance the prosecution of cases, interview witnesses and transport victims and witnesses to court appearances. The investigators also undertake sealed investigations under the direction of ADAs and provide assistance to other police and government agencies in auto theft, insurance fraud and domestic violence investigations. In 2010, investigators assigned to this unit served over 23,800 subpoenas involving witnesses in felony case prosecutions (including material witness orders), and helped to locate over 1,400 victims and witnesses.

Staff assigned to the Clerical Support Services Unit provides secretarial support to the trial attorneys assigned to the various specialized prosecution bureaus, and also is charged with updating and maintaining all case records tracked by the office's information management system.

Grand Jury Bureau (2502)

Grand Jury administrative staff assists all felony attorneys in scheduling cases for Grand Jury presentation, and works with the Office of the Commissioner of Jurors to ensure the smooth operation of the several Grand Juries that are empanelled each court term in Monroe County. The ADA who supervises the bureau also advises prosecutors on presentation procedures and techniques, and coordinates the work of Grand Jury stenographers, as well as personally presenting hundreds of cases to Grand Juries each year and overseeing felony cases transferred by courts to the statutorily created Judicial Diversion Part.

Appeals Bureau (2503)

Responds to all appeals made in felony cases and makes appellate motions on behalf of prosecutors assigned to the other bureaus. The Appeals Bureau handles all fugitive matters, extradition cases, Federal Habeas Corpus requests and Freedom of Information Act inquiries. Attorneys argue cases before all appellate courts, including the US Supreme Court. Appeals Bureau ADAs also work with and advise prosecutors during trial when legal issues arise which may effect the ultimate disposition of a case.

DWI Bureau (2504)

Prosecutes all defendants charged with felony DWI, vehicular assaults and homicides and related cases (Aggravated Unlicensed Operation of a Vehicle 1st, for example). In 2009, 73% of those convicted in both felony and misdemeanor DWI cases were convicted of DWI, the highest percentage of any large county in New York.

Domestic Violence/Child Abuse Bureau (2505)

Prosecutes all felony child abuse and domestic violence cases. ADAs assigned to this bureau also work closely with law enforcement, the Domestic Violence Consortium, the Bivona Child Advocacy Center and other interested community groups to hold child abusers and offenders accountable and prevent and reduce the incidence of domestic violence and child abuse. The bureau has increased its use of evidence-based prosecution strategies in attacking domestic violence, which reduces the need for the eyewitness testimony of the often traumatized and intimidated victims and witnesses, who are commonly involved in this type of crime.

Local Courts Bureau (2506)

Prosecutes all misdemeanors and violations in city, town and village courts, and handles traffic matters in most village and town justice courts. Those assigned to this bureau staff nine (9) City Court Parts, as well as Drug Court and the Integrated Domestic Violence Court and the forty-six judges who preside over cases in the various Monroe County town and village courts located in Monroe County. The ADAs assigned to the Local Courts Bureau prosecuted over 27,000 misdemeanors and violations in 2010, as well as overseeing the majority of City Court felony arraignments and traffic prosecutions in many of the town and village justice courts.

Financial Crimes/Technology/Non-Violent Felony Bureau (2507)

Financial Crime and Technology ADAs prosecute cases of major fraud (generally involving amounts of \$10,000 or more) on the part of individuals, businesses or their employees. They also investigate and prosecute county-wide check fraud schemes, all cases of felony insurance fraud, welfare fraud, bank robberies not involving the use of firearms, prevailing wage cases under the labor law and identity theft. Non-Violent Felony Bureau ADAs prosecute non-violent felony burglary cases, grand larceny, felony criminal mischief and fraud cases not prosecuted by the other more specialized bureaus. A sub-unit of this bureau, the Motor Vehicle Theft and Insurance Fraud Prosecution Program began targeting the twin problems of motor vehicle theft and auto insurance fraud through a grant from the State of New York beginning in 2004. There were 1,698 motor vehicle thefts reported in 2008, a 20% decrease from the 2007 figure of 2,122. This number represents an even more dramatic decrease in the motor vehicle theft from the 4,461 thefts reported in 2003, prior to the start of the project operations. These statistics appear to support the idea that the anti-auto program first began in 2004 under this grant has had an impact.

In 2005, the District Attorney's Office received a grant from the State of New York to create another sub-unit of the Financial Crimes Bureau that would pursue the prosecution of those individuals and businesses who violate New York State income, sales, excise, and employment tax laws, with a goal of recovering lost revenue for the state's citizens. In 2010, the Crimes Against Revenue Prosecution Program was again renewed, and cases that have been successfully prosecuted through it by the end of 2009 have resulted in restitution of over \$695,000 being ordered from those prosecuted.

Elder Abuse Prosecutor (2505, 2507, 2508)

In 2008, the District Attorney's Office again assigned a felony ADA to work full time on the prosecution of crimes involving elder abuse. The Major Felony Bureau Chief is primarily responsible for supervising the work of this ADA, who is charged with the prosecution of felonies involving victims who are aged 65 and over.

Major Felony/Gun Violence Bureau (2508)

Prosecutes career criminals and violent felony offense categories of robbery, burglary, assault, rape, sexual abuse and cases involving the use of firearms in the commission of a felony. In addition, the Major Felony Bureau Chief supervises the ADAs assigned to two additional sub-units (the Gun Bureau/Project EXILE Program and the Arson Bureau) and shares supervision with the Special Investigations Bureau Chief of the Operation IMPACT Program.

The ADAs assigned to Project EXILE specialize in prosecuting felonies involving the illegal possession and sale of firearms, and work with the US Attorney's Office to prosecute some of these cases in Federal Court in order to obtain longer prison sentences than State Courts may allow.

Special Investigations Bureau (2509)

Prosecutes all felony drug possession and sale cases, obtains court orders for wiretaps when required and works with arresting agencies to seize the assets of convicted drug dealers. This bureau is also responsible for initiating the majority of the asset forfeiture cases in which the District Attorney's Office has a claim. The Special Investigations Bureau Chief shares responsibility with the Major Felony Bureau Chief in supervising the prosecution component of the Operation IMPACT Program.

Operation IMPACT

Beginning in 2004, ADAs assigned to Major Felony and Special Investigations units began working together with the Rochester Police Department, Monroe County Sheriff's Office, New York State Police, United States Attorney's Office, Probation Office, Parole Office, the Mayor's Office and other agencies in a comprehensive effort to reduce homicides, street violence and related drug trafficking. The implementation of this program involved restricting and eliminating plea bargaining on armed violent felonies, gun possession cases and drug dealers, and instituting other changes to keep felons in custody while cases are pending. This initiative resulted in a sharp increase in the number of violent felons receiving stiff state prison sentences for their crimes. ADAs funded through this program are assigned to the Major Felony/Gun Violence Bureau and the Special Investigations Bureau. The \$1,847,719 combined City of Rochester/County of Monroe 2009-2010 IMPACT grant award was the largest given to any county outside of New York City, and the program was again renewed for the period of July 2011 through June 2012 in the amount of \$1,181,800 for the county.

OFFICE OF THE SHERIFF (38)

OFFICE OF THE SHERIFF (38)

OFFICE OF THE SHERIFF 2012 MANDATED/NON-MANDATED

The percentages above do not reflect the deduction of Service Chargebacks.

NON-MANDATED		41,776,959
MANDATED		88,659,967
	SUBTOTAL	130,436,926
DEBT SERVICE		4,955,130
SERVICE CHARGEBACKS		(2,993,300)
	TOTAL BUDGET	132,398,756

Mandated includes New York State Pension and Social Security costs. The Sheriff provides the state-mandated Jail and Civil Bureau as well as supporting a contract with the state for Court Security. The Road Patrol is considered a non-mandated service due to the flexibility and options included in its operation.

OFFICE OF THE SHERIFF

2012 Operating Budget - \$120,879,458

2012 Grant Budget - \$11,519,298

The percentages above do not reflect the deduction of Service Chargebacks.

DEPARTMENT: SHERIFF (38)

DEPARTMENT DESCRIPTION

The Office of the Sheriff consists of an administrative division and five bureaus – Civil, Police, Jail, Court Security and Staff Services. The Civil Bureau is the enforcement arm of the courts in all civil matters. The Police Bureau provides law enforcement services throughout the county and operates specialized patrols at the airport, in county parks and on navigable waterways. The Jail Bureau provides housing for inmates remanded by the courts. It also transports prisoners to and from courts and to state correctional institutions. Court Security provides safety and protection in the courtrooms of the Hall of Justice and the Appellate Court Building on East Avenue. Staff Services provides administrative support services to all bureaus within the Sheriff's Office.

Mission

The Monroe County Sheriff's Office ("MCSO") is committed to securing a safe community and maintaining the trust and respect of those we serve by providing exemplary law enforcement and correctional services.

2011 Major Accomplishments

- Replaced/repared the current loading dock for the Quartermaster.
- All Sheriff vehicles purchased in 2011 are equipped to use the E85 fuel.
- Developed a special operations multi-year training and equipment plan to ensure compliance with national standards.
- Secured Homeland Security grant to fund secondary critical incident response vehicle.
- Instituted video visitation in conjunction with our law enforcement partners to gain operational efficiencies throughout the Monroe County Law Enforcement community.
- The Sheriff's Office went through Commission on Accreditation for Law Enforcement Agencies reaccreditation in July 2011. We are hopeful and expect to receive official notice of a successful reaccreditation.
- The Sheriff's Office was awarded Court Security accreditation for the first time in its history.
- Review conceptual drawings and select a design for the addition to the booking area and locker rooms at the Monroe Correctional Facility to be finalized late 2011.
- Complete product test and implement wireless data feed from deputies in the field to Civil View to provide real-time information on cases. Also, upgrade the CivilServe software to improve the operations of the Civil Bureau. Implementation is contingent on County IT support installing a new server and Windows 7 scheduled for late 2011.

2012 Major Objectives

- Enhance our ability to monitor the exterior of the Civic Center Plaza Complex with upgrades of the security systems. Enhancement included in the Civic Center Plaza renovation project.
- Phase IV planning and design for the 5th floor of the County Public Safety Building. This move will involve the Civil and Staff Services Bureaus. Demolition work started in 2011 for completion in 2012.
- Replace the Panasonic Mobile Data Terminals (MDT) in the cars with new computers. The Panasonics are seven years old and are in need of replacement. Replacement with new Fujitsu computers started in 2011 and will take 18 months to complete.
- Secure grant funding for a total explosive containment unit for the BOMB Squad.
- Pursue grant funding to conduct a multi-agency and multi-jurisdictional exercise to test Special Teams communication interoperability.
- Train, equip and replace four Sheriff's explosive/nitrate and narcotics K-9's through grant monies and other secured funding.
- Utilize the redesigned Sheriff's Zone Substation template to identify appropriate space and location to modernize outdated Zone Substations.

DEPARTMENT: Sheriff (38)
DIVISION: Sheriff Administration (3801)

DIVISION DESCRIPTION

The Sheriff is a constitutional officer elected to a four-year term and serves as an officer of the court and conservator of the peace in Monroe County. He administers the Civil, Police, Jail, Court Security and Staff Services bureaus. The Sheriff's administrative staff perform financial, budgetary, personnel, strategic planning and legal advisory functions for the department. The all-bureau Internal Affairs unit is based in this division.

DEPARTMENT: Sheriff (38)
DIVISION: Civil Bureau (3802)

DIVISION DESCRIPTION

The Civil Bureau is authorized by statute to act as the enforcement officer for all courts within the County of Monroe. The responsibilities delegated to this bureau are in two distinct areas. One is the service of process such as summons, subpoenas, notices, petitions and orders. The second area, enforcement, involves evictions, executing on personal and real property, sales of personal or real property seized by the Sheriff and orders and warrants of arrest for civil contempt. The Sheriff is mandated by law to perform these services with a productive, dedicated and accountable work force.

Revenue is attained through receipt of fees and mileage for service and/or executing and poundage (the retention of 5 percent of every dollar collected via an execution). The Civil Bureau also must perform service of process and other acts at no charge by mandate of law. Examples are orders of protection, process for other Sheriff's departments and governmental agencies and the Legal Aid Society.

Through consistent internal review and audit, and proactive marketing of services, the Civil Bureau continually strives to maximize revenue received from the public and private sector.

DEPARTMENT: Sheriff (38)
DIVISION: Police Bureau (3803)

DIVISION DESCRIPTION

The Police Bureau includes the two primary law enforcement activities of road patrol and criminal investigations. Staff also conduct associated support functions and specialized police activities at the County Office Building, county parks, the airport and on navigable waterways. Police Bureau Administration directs and oversees all operations from the Monroe County Public Safety Building on South Plymouth Avenue. The uniformed road patrol activities, which are decentralized into zones, operate from three substations. Several administrative chargebacks for the Sheriff's Office are consolidated within this division's budget.

Road Patrol Calls for Service

SECTION DESCRIPTIONS

Administration (3803010000)

Management personnel in this section supervise Patrol Division staff and Tactical Unit activities, respond to public inquiries concerning the division, and maintain liaisons with other police and emergency units throughout the county. Building space charges, tuition reimbursements and debt service charged to the Police Bureau are consolidated in this section's budget.

Road Patrol Zone A (3803020000)

Road Patrol Zone B (3803030000)

Road Patrol Zone C (3803040000)

The uniformed deputies of the Road Patrol's three zones are the largest and most visible segment of the Police Bureau. Working primarily in municipalities that have no police force of their own, the Road Patrol enforces traffic laws, patrols neighborhoods, investigates complaints and crimes, and conducts community education programs.

Criminal Investigation (3803050100)

The Criminal Investigation Section (CIS) investigates all felony and violent crimes reported to the Sheriff's Office, investigates all criminal complaints within the Jail and performs other investigative duties as required. Upon request from local police departments, this section also renders specialized investigative services for solution of major crimes.

Community Services (3803060000)

This section performs the community outreach functions for the Police Bureau which includes developing and implementing crime prevention and safety programs, communicating with county residents on police-community matters, coordinating and teaching the county's DARE and conflict resolution programs and providing juvenile counseling. Community Services programs enhance positive community attitudes toward law enforcement and instill a sense of community security.

Tactical Unit (3803070000)

Five special police activities make up the Tactical Unit. The Special Weapons and Tactics (SWAT) unit responds with special techniques and weapons to critical situations. The Hazardous Devices Squad performs the technical functions necessary to handle and neutralize explosives. The SCUBA Squad locates and retrieves drowning victims, submerged vehicles, weapons and other evidence. The K-9 Unit uses trained dogs for searches and in situations where the life of an officer might be placed in jeopardy. A Hostage Recovery Team works to free those held against their will. No staff is permanently assigned to the Tactical Unit. When an adverse situation develops, specially trained deputies from throughout the department are called upon for their expertise. Funding reflects the cost of supplies and materials associated with these activities.

Navigation Enforcement (3803080000)

The navigable waterways in Monroe County are patrolled by the Sheriff's Office during the summer boating season. These deputies enforce laws and speed limits, render assistance to boaters in distress and provide safe boating instruction. Most expenses related to this activity are 50% state reimbursable.

Traffic Enforcement (3803100000)

The Sheriff's Traffic Enforcement Unit is a combination of Sheriff's Tactical Accident Reduction (STAR) and the day-time traffic unit. The day-time traffic unit is an expansion of the STAR Unit with patrols during the day-time hours. This unit directs the county effort to reduce the occurrence, frequency and severity of traffic accidents, especially when alcohol is a contributing factor. The effort involves identification of high-risk accident locations, intensified patrol and enforcement activities and evaluation of the impact of stricter enforcement on the incidence of traffic accidents.

Victim Assistance Program (3803110000)

The Sheriff's Victim Assistance Program is a comprehensive program that engages victims at the scene or immediately thereafter, and walks them through the criminal justice system as needed. Direct services provided by this program include: crisis support; outreach through the home, workplace and hospital; information and referrals; case status information; short term counseling for victims and their families; advocacy; court procedure information and accompaniment; assistance with property recovery; reimbursement assistance for lost wages and medical bills.

Special Services (3803120500)

This section supervises the operations and personnel of the marine and parks security programs. Staff patrol county parks during the summer season, enforcing laws and maintaining peace and order. Remote park areas are patrolled on horseback to provide increased security. To segregate expenses for purposes of reimbursement, the Navigation Enforcement staff is in a separate account (3803080000).

Airport Security (3803140000)

The Airport Security Unit patrols the Greater Rochester International Airport complex, provides law enforcement support to the pre-board screening process and directs the flow of traffic on airport roadways.

DEPARTMENT: Sheriff (38)
DIVISION: Jail Bureau (3804)

DIVISION DESCRIPTION

The Jail Bureau is responsible for the care and custody of inmates confined by the courts, the New York State Division of Parole and the U.S. Marshal. The inmate population of the Monroe County Jail and the Monroe Correctional Facility consists of non-sentenced inmates awaiting trial or sentencing, sentenced prisoners serving a maximum one-year sentence, parole violators and federal detainees. The Jail Bureau provides staff and facilities for security, prisoner transport, medical care, inmate rehabilitation and support activities.

Average Daily Jail Population

SECTION DESCRIPTIONS

Administration (3804010000)

The Jail Bureau functions under the supervision of the Jail Superintendent who ensures that the jail is operated in compliance with state laws and minimum standards established by the State Commission of Correction. Command staff reporting to the Superintendent are responsible for the daily operation of the sentenced and non-sentenced facilities. The Superintendent, assisted by sworn officers and civilian personnel, supervises jail personnel, and is responsible for the safety, security and efficient operation of both facilities. Staff perform budgetary, payroll and other administrative functions. Building space charges, temporary help, tuition reimbursement and debt service for the jail facility are consolidated in this section's budget.

Prisoner Transport (3804020000)

Jail Bureau staff transport inmates from facilities to and from courts, medical facilities and other penal institutions and guard inmates while in courtrooms and hospitals.

Prisoner Services (3804030000)

Prisoner Services develops and coordinates programs and services to help inmates adjust to incarceration and prepare for re-entry into the community. The staff provides and arranges for academic and vocational instruction, recreational activities, religious services, job placement and work release programs. A comprehensive chemical dependency program for the sentenced population aggressively combats this prevalent inmate problem.

Security Unit (3804050000)

This section guards inmates and maintains security within the jail. Activities of security personnel include monitoring inmate housing areas, booking inmates, processing unarraigned inmates and supervising inmate activities.

Jail Visitation Program (3804060000)

This program provides for closely supervised visits, promoting inmate morale and maintaining important ties with family and friends.

Food Services (3804080000)

A contracted vendor produces three meals a day for the jail inmates. Special meals are prepared for those requiring medical, religious or vegetarian diets.

Medical Unit (3804090000)

Physical, mental health and dental needs of inmates are contractually provided while they are in custody. Daily sick calls are provided with further treatment, where appropriate.

Jail Records (3804100000)

The maintenance of documents related to prisoner commitment and discharge is performed by Jail Records. Bail money is also collected in this area.

Jail Service Maintenance (3804110000)

This section maintains the jail buildings, equipment and operating systems for the health and safety of inmates and the jail staff. This includes maintenance of all HVAC, plumbing, electrical and jail security and control systems.

Quartermaster (3804120000)

The staff of the Quartermaster orders and distributes equipment and supplies required by the Jail Bureau. They also maintain life-saving and fire fighting equipment, riot control equipment and the department's weapons.

DEPARTMENT: Sheriff (38)
DIVISION: Court Security (3805)

DIVISION DESCRIPTION

Under state law, the county must provide security services to County Court, Supreme Court, City Court, Family Court and Surrogate Court. In addition, an agreement is now in place to provide security services for the Appellate Court Building. Although court operations are a state function, the security of the courts remain a local responsibility with cost reimbursed by New York State. Under supervision of the Monroe County Sheriff, Court Security personnel maintain security and enforce the laws in the courtroom and adjoining areas, provide for the protection of judges and all court participants, screen for weapons by operating metal detectors at all building entrances, guard and transport juries, place persons into custody on order of a judge and are responsible for all emergency responses at the Hall of Justice and the Appellate Court Building on East Avenue.

DEPARTMENT: Sheriff (38)
DIVISION: Staff Services Bureau (3806)

DIVISION DESCRIPTION

The Staff Services Bureau is charged with providing administrative support services to all bureaus within the Sheriff's Office. Functions include agency training, recruitment and selection, policy development, internal inspections, accreditation efforts, facilities management, information services, health and safety and capital improvement budgeting. Other units within the Staff Services Bureau include Criminal Records, Property and Evidence, Fleet Services and Quartermaster. Due to the division's multi-bureau oversight, Staff Services impacts every employee within the Sheriff's Office.

BUDGET SUMMARY

	Amended Budget 2011	Budget 2012

<u>Net County Support</u>	7,006,841	6,910,218

SECTION DESCRIPTIONS

Administration (3806010000)

Administrative functions relative to the activities of fleet maintenance, 911 liaison, staff services, property management, records maintenance and quartermaster are performed by this section. These functions also include the formalization of department directives and monitoring of vehicle assignments.

Information Services (3806020000)

Information Services provides funding for software and hardware not included in the county Information Services budget. This unit is responsible for the budget, management and maintenance of the Sheriff's software systems such as MoRIS, ILEADS, JMS, TraCS and the Xerox Digital Repository Services System.

Fleet Maintenance (3806030000)

The fleet consists of almost 300 cars, trucks, vans and motorcycles plus an assortment of scooters, boats, trailers and small motors. The budget for this section includes funds for the purchase of replacement vehicles, as well as repair and replacement of parts and lubricants.

Records (3806040000)

The Records section performs the central records retention and control functions of the department. Files are maintained on all complaints to which Sheriff's personnel respond and on all traffic summonses, persons arrested and pistol permit applicants. Criminal record checks are provided through fingerprint comparisons, photos and computer database searches.

Property Clerk (3806050000)

The Property Clerk's Office secures all property (excluding prisoner property) taken or received into custody by the Sheriff's Office. When no longer needed by the department, property is returned to its owners, auctioned off or legally disposed.

Police Quartermaster (3806060000)

The Quartermaster operates as the central receiving and distribution center for equipment and supplies. Inventories of office supplies, uniforms, weapons and ammunition are maintained for departmental use.

MULTI-YEAR BUDGET FORECAST

OVERVIEW

Since County Executive Brooks took office, her budgets have included a Multi-Year Budget Forecast. The purpose of the Multi-Year Budget Forecast is to provide an analysis of what the future financial picture looks like. Since the objective of the forecast is to predict the results from events that have not occurred, it is based on educated assumptions.

The model used for this forecast does not anticipate changes in current service mandates, but because of existing fiscal conditions it projects revenues from federal and state sources decreasing as a proportion of expense. The costs of existing services are forecasted forward and are compared with expected revenue to determine the forecasted deficit.

While the projection is supported by the most current data available, changes in economic conditions and changes in federal and state funding sources are among the many factors that can affect the forecast presented. In addition, the model does not presume or speculate what changes the County Legislature or County Executive will make that will impact expenses or revenues. These projections do not assume the cost containment or revenue enhancement strategies that may be implemented in the ensuing years.

Given the assumptions noted, the county's cumulative gap through 2014 is projected to be \$106.2 million. This gap is predominately due to the increased cost of providing mandated services, which comprise 82% of the total budget and increases in Personnel Service costs. It is anticipated that revenue will not keep pace with these increased costs, nor be sufficient to replace any loss in aid.

FORECAST TRENDS/ASSUMPTIONS

Public Assistance Benefits

Public Assistance Benefits include several programs. Family Assistance and Safety Net, the programs that provide families and individuals with support, are forecast at a 2% increase. The state increased benefit levels 10% in July 2009 and 2010 and plans a 10% increase July 2012. The state reimbursement for the county's share of the increase for Safety Net ends in April of 2012. Family Assistance is now fully supported through TANF funds with no local share. Caseloads for Adolescent Care and Child Welfare, consisting of Foster Care and Adoption are projected to remain at 2012 levels. Special Children's Services, comprised of Early Intervention and Education for Children with Disabilities, is forecast at a 3% cost increase. Other programs are Day Care and the Purchase of Services Division which include Preventive and Protective Services for children and adults. These programs are all forecast at the 2012 levels.

Personal Services/Employee Benefits

The county negotiates with various unions with regard to wage increases and benefit packages for employees. The economic climate and the current financial condition of the county weigh heavily during negotiations. Medical expenses for active employees and retirees have increased significantly in recent years. The county has made great strides in containing the growth of these costs by adopting experience rated insurance, increasing employees' contribution to premiums, and moving to more cost efficient plan designs. As a result of current economic conditions pension costs are expected to grow at an unprecedented rate beginning in 2011 and continuing into future years. Monroe County has been able to moderate the impact of this huge growth by opting to amortize a portion of these pension costs.

Expenses (equipment, contractual, supplies, services)

Expenses for equipment and supplies constitute a very small percentage of the total appropriations. The majority of appropriations in this category are for contracts and services required to maintain the activities of each department. The forecast assumes maintenance of effort budget with a nominal increase. Funding for certain inter-municipal agreements are represented in this area.

Municipal Sharing Partners Expense

Included in this category are the funds necessary to pay towns, villages, school districts and the City of Rochester in accordance with our mandated sales tax sharing agreement.

Debt Service

Debt Service reflects primarily the principal and interest payments required for borrowings on capital projects. Capital projects are approved by the County Legislature as part of the Capital Improvement Program and the Capital Budget. The forecast reflects existing debt service schedules as well as anticipated borrowing needs for authorized projects and initiatives identified in the 2012-2017 Capital Improvement Program.

Departmental Revenues

Components of this category include revenues attributable to departments which support their appropriations. Revenues come from a variety of sources such as federal and state aid, fees and intergovernmental revenues. In some cases the forecasted revenues are expense driven, while others are projected at historical levels.

Non-Departmental Revenues

Components of this category include sales tax revenue, property tax revenue and other non-departmental miscellaneous revenues. The forecast assumes a rate of growth based on current economic trends. The current Property Tax rate of \$8.99 per thousand of assessed property value is projected to remain flat, following County Executive Brooks' commitment to not raising property tax on already overburdened taxpayers. Other non-departmental, miscellaneous revenues include interest income, penalties, fees and charges for services. These revenues are projected at historical levels. No one time revenue measures are assumed in this Multi-Year Forecast.

CLOSING

Although the 2012 budget is balanced, the forecasted gap clearly shows that considerable challenges remain. This forecast shows where Monroe County finances will be if no further action is taken.

Despite these challenges, we are confident that with County Executive Brooks' steadfast leadership and commitment to controlling local spending, collaborating with public and private partners to provide services, and leading the fight for mandate reform, Monroe County will continue to experience economic stability in the years to come.

FORECAST DETAIL

2012-2017 CAPITAL IMPROVEMENT PROGRAM AND 2012 CAPITAL BUDGET

On March 24, 2011, the Monroe County Planning Board transmitted recommendations concerning the 2012-2017 Monroe County Capital Improvement Program (CIP) to the County Executive. The County Executive submitted the proposed Capital Improvement Program to the County Legislature on June 14, 2011 and it was adopted on July 12, 2011. The adopted program proposed \$369.7 million to finance the costs of projects over the six-year period. \$194.1 million will come from federal, state and special district sources. The remaining \$175.6 million will be contributed by the county, with \$18.9 million of that contributed by enterprise funds. Full details of the adopted CIP are published in the 2012-2017 Capital Improvement Program Report, which may be obtained from the Monroe County Department of Planning and Development. (Call 753-2037 for more information.)

Table 1, "2012-2017 CIP Summary," summarizes annual planned expenditures by funding source, over the six-year period.

In accordance with Resolution 272 of 1978 and Section 411 of the County Charter, in which the County Legislature defined and established policy for the development of the Capital Budget, the Planning Board prepared a list of capital projects by priority. Table 2, "2012 Capital Projects", details the projects, their costs and those portions of the costs to be met by county funds and outside aid. This list represents the capital budget for the first year of the six-year program. The 73 projects listed require a total of \$67,036,000 to finance; \$28,994,750 from net county sources and \$38,041,250 from all other sources.

PART I - DEBT SERVICE AND CONTRACTED DEBT

DEBT SERVICE

Each year, Monroe County undertakes numerous capital projects to increase and improve the public facilities which it provides to the community. These projects include expansion and enhancement of recreational areas, reconstruction of highways and bridges, and improvements at the Greater Rochester International Airport, Monroe Community Hospital, and Monroe Community College. They also include projects which improve the environment such as the pure waters program and major renovations and improvements to existing structures at the Civic Center Complex and other County owned buildings. This protects and improves the investments which have been made in these facilities. Additional projects have been undertaken to provide facilities to effectively manage solid waste disposal and provide improved public safety and correctional facilities.

The cost of the above described projects are normally financed by the issuance of debt obligations which are then repaid over several years along with the interest incurred on the borrowings. An amount is included in each year's budget to make these payments, which when combined, are defined as debt service. The amount included in the 2012 Budget for capital projects is \$65,413,966 and is included in the following operating budgets along with \$415,666 to finance General Fund operations and \$121,834 for Monroe Community Hospital operations.

FUND	2010 ACTUAL	2011 ADOPTED BUDGET	2012 BUDGET
GENERAL FUND			
Capital Projects	\$ 25,612,881	\$ 22,991,406	22,242,727

LIBRARY FUND	331,684	361,231	277,682
TOTAL, ALL FUNDS	\$ 74,746,837	\$ 64,677,640	65,951,466

CONTRACTED DEBT SERVICE SUMMARY

Some of the categories of debt service are self-supporting. In each of these, sufficient revenue is expected to be generated from sources other than general revenues of the County including the real property tax (i.e. state aid, federal aid, commissions, fees, etc.) to meet all operating costs and debt service. No general revenues of the County (including real property tax levy) are expected to be used to finance debt service for these areas. The self-supporting debt categories are those relating to the Airport, Water Improvements, Pure Waters Districts, Solid Waste (exclusive of the Resource Recovery Facility) and Monroe Community Hospital.

Debt service included in the General Fund has been shown by its major components. This has been done to identify the amount included for Water Facilities Improvements which is fully reimbursed by the Monroe County Water Authority under the terms of a lease agreement and the amount necessary for debt related to General Fund operations.

The 2012 budget for the Greater Rochester International Airport assumes self-supporting operations, including all debt service costs. Certain major improvements were completed and have been financed by the Monroe County Airport Authority, an independent entity, without payment from the County. Any and all improvements underway or to be undertaken at the airport will ultimately be paid through Airport generated revenues, state aid and / or Federal aid.

Pure Waters debt service is supported from special assessments, public sewer rents, and other revenues generated by Pure Waters. Monroe Community Hospital debt service is provided for by the capital cost portion of its reimbursement rates pursuant to Medicare and Medicaid legislation. Debt service related to the Solid Waste Fund is expected to be funded from tipping fees and other revenues of the Fund.

CONTRACTED DEBT

Monroe County and its Pure Waters Districts have entered into agreements and leases for the use of facilities. These agreements generally call for rental payments to be made by the County equal to the debt service incurred by the lessor for the facilities. These payments are considered contractual obligations since the County has not issued any direct debt instruments (notes or bonds).

A. Pure Waters

The Rochester Pure Waters District has assumed an obligation to reimburse the City of Rochester for certain payments made by the City for City indebtedness on sewer facilities leased by the Rochester District. Other Pure Waters Districts have similar agreements for the use of facilities of other districts, such as treatment plants or interceptor sewers.

B Solid Waste

The County has an agreement with the Monroe County Water Authority which requires payments by the County to the Authority in connection with the cost of providing water facilities to certain portions of the Town of Riga. This agreement was entered into in conjunction with the construction of the Mill Seat Landfill. Certain costs associated with the gas to energy facility at the Mill Seat Landfill, payable pursuant to a contract, are also accounted for in contracted debt.

The preceding Schedule of Bonded Debt Service does not take into consideration the defeasance and/or future payment of certain bond principal as the result of monies received or to be received by the County in conjunction with a lease agreement entered into as of January 15, 2002 relating to the Mill Seat Landfill.

Amounts may not add due to rounding.

PART VII - CONSTITUTIONAL DEBT LIMIT

The Debt Limit of the County is computed in accordance with the provisions of Article VIII of the State Constitution and Title 9 of Article 2 of the Local Finance Law. These provisions limit the amount of debt which can be incurred to 7% of the five-year average full value of taxable real property. The amount of indebtedness outstanding and subject to the debt limit is the total indebtedness outstanding less certain exclusions such as debt incurred for water facilities improvements and debt for sewers subject to the approval of the State Comptroller.

Debt Limit	\$2,616,736,294
Total Net Indebtedness (as of September 30, 2011)	<u>389,380,281</u>
Debt Margin	<u><u>\$2,227,356,013</u></u>

EMPLOYEE BENEFITS OVERVIEW

RETIREMENT

Under New York State Retirement and Social Security Law, Monroe County employees who work full time are required to participate in the New York State and Local Employees' Retirement System ("NYSERS"). The county is mandated to contribute to the NYSERS on behalf of these employees an amount prescribed by the New York State Comptroller. Major changes in recent years have significantly affected the county's annual pension costs. In 1992, a New York State court decision was rendered which disallowed the continued use of the "Projected Unit Credit" (PUC) method of determining actuarial pension liability within the NYSERS. As a result of that decision, the NYSERS phased in over several years a return to the traditional aggregate cost method of pension funding. The 2012 budget for retirement is \$29.7 million.

MEDICAL BENEFITS

The medical insurance cost for each employee varies with the type of coverage. Medical benefits for retired employees are budgeted in the department to which they were last assigned. The total county cost for medical benefits for both active and retired employees is estimated at \$67.5 million for 2012. Employees may choose from a variety of plans and coverage options. Cost to the employee and county depends on the type of coverage chosen, employee's hire date and whether they are covered under union contracts.

SOCIAL SECURITY

A two-tier calculation system is used to determine the county's share of Social Security costs, based on rates specified and mandated under the Federal Insurance Contributions Act ("FICA"). A rate of 7.65% is applied to each employee's salary up to a maximum salary amount of \$106,800. Any salary amount over \$106,800 is subject to a rate of 1.45%. For example, FICA taxes for a position with an annual salary of \$110,000 would be calculated as follows:

\$106,800 X 7.65%	=	\$8,170
\$3,200 X 1.45%	=	<u>\$46</u>
Total FICA	=	\$8,216

The 2012 budget also includes coverage for temporary county employees. Beginning July 1, 1991, federal regulations have required that all local government employees must be covered by Social Security whether or not they are members of a public employee retirement system. Temporary employees not in the NYS Retirement System are included in FICA estimates. The total estimated cost for Social Security in 2012 is \$17.9 million.

WORKERS COMPENSATION AND UNEMPLOYMENT

Workers Compensation covers the cost of claims against the county by employees who have been injured while on the job. The cost is budgeted to each department on the basis of the relative cost of claims which the department has experienced. Unemployment insurance provides federal and state-mandated unemployment coverage to former county employees. The cost is budgeted to departments primarily on the basis of each department's share of the county's total payroll cost. The county is self-insured for these two benefits. It pays routine claims from current funds and maintains insurance policies only to cover extremely large claims. For 2012, the county has budgeted \$5.8 million for Workers' Compensation and \$500,000 for Unemployment.

DENTAL INSURANCE

This coverage provides maximum annual payments of \$1,000 per family member. The county is self-insured and the program is administered by contract. Claims are paid by current operating funds. The 2012 budget for dental insurance, including insurance for retirees, is \$5.4 million.
