Monroe County Legislature

Rochester, New York 14614

Subject: Amend the 2022-2027 Capital Improvement Program and the 2022 Capital Budget to Add a Project Entitled "Parks Forestry Heavy Equipment" and Authorize Financing for the Project

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022-2027 Capital Improvement Program and the 2022 Capital Budget to add a project entitled "Parks Forestry Heavy Equipment" in the amount of \$300,000 and authorize financing for the project.

In late 2021, the 1998 bucket truck used by the Parks Department's Forestry team, Horticulture division, failed a periodic safety inspection of the hydraulic systems used by the lift and was taken out of service. The County's Fleet Services division has been notified by Altec, the manufacturer of the truck's hydraulic lift accessory, that due its age and condition, Altec will no longer service the equipment or certify it for further use. Due to the age and condition of the truck body, complete replacement of the entire unit is warranted.

The Parks Department intends to replace the bucket truck with a functionally equivalent modern unit and supplement it with a smaller "crawler lift" that, instead of being self-propelled, can be moved from site to site by a trailer and then unloaded and deployed into much tighter spaces than any bucket truck. This lift will also be of benefit to the skilled tradesmen employed in the Parks Department's Support Services division for access to roofs and lighting enclosures on a variety of projects.

The Department's budget estimate for these purchases, based on similar bucket trucks recently bought by other County departments and quotes obtained on a few different models of crawler lifts, is:

Table with 2 columns: Item and Amount. Rows include Bucket Truck (\$150,000), Crawler Lift (\$125,000), Transport Trailer for Crawler (\$25,000), and Total (\$300,000).

(585) 753-1000 • fax: (585) 753-1014 • www.monroecounty.gov • e-mail: countyexecutive@monroecounty.gov

The specific legislative actions required are:

1. Amend the 2022-2027 Capital Improvement Program to add a project entitled "Parks Forestry Heavy Equipment" in the amount of \$300,000.
2. Amend the 2022 Capital Budget to add the project entitled "Parks Forestry Heavy Equipment" in the amount of \$300,000.
3. Authorize financing for the project entitled "Parks Forestry Heavy Equipment" in the amount of \$300,000.

This is a Type II action pursuant to 6 NYCRR 617.5(c)(31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created, and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Erroneous Assessment - Refund

Honorable Legislators:

I recommend that Your Honorable Body approve the refund and levy of a change of assessment due to a clerical error, the wholly exempt status was omitted from the final assessment roll, resulting in an incorrect assessment in the City of Rochester as per the attached list prepared by the Department of Finance, Real Property Tax Services.

The refund is requested because the incorrect assessment was used on the tax roll.

No additional net County support is required in the current Monroe County Budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

Listed below is pertinent information from an application for the refund of property taxes. The Real Property Tax Service Agency has the original application and support material available for review if needed. I am recommending the correction and refund of these Monroe County taxes because the same is erroneous. Listed below is the applicant's name, address, property location, tax year(s), tax account number, refund amount and reason for correction.

City of Rochester: Tax Account No. 105.76-1-58, City of Rochester, 30 Church St Rm 125, Rochester, NY 14614. Property Location: 448 Smith St. Tax Year: 2022 Amount of Taxes Currently Due: \$10,003.92. Amount of Corrected Taxes Due: \$2,702.86. Amount of Taxes to be Cancelled: \$7,301.06. Due to a clerical error, omitting the wholly exempt status, the property's assessed value was not adjusted after the Board of Assessment Review meeting. This resulted in an incorrect assessment value being utilized on the 2022 Town/County tax bill.

The necessary procedure to be followed by the Monroe County Legislature regarding this refund is for that body, by resolution, to approve this application, to authorize and direct the Controller to draw an order on the Director of Finance payable from the Erroneous Assessment Account for the heretofore stated sums and to authorize and direct the County Director of Real Property Tax Services to mail a duplicate copy of the approved application to said taxpayer.

Subsequently, a second award by the Treasury of \$455,503.19 was received from a reallocation of unspent awards made to other governments. The Treasury continues to monitor actual spending of ERA1 awards and has offered municipalities the opportunity to apply for a second round of reallocated funds. Under ERA2, Monroe County received \$22,050,597.30 (combined City and County allocations), which must be fully obligated by September 30, 2025.
