Subject: Enacting a Local Law Entitled "Expanded Veterans and Cold War Veterans Tax Exemption"

Honorable Legislators:

Over the past few years, our local Veterans have been hit hard from the global pandemic. Back in 1997 and 2005, Monroe County took advantage of an alternative Veteran tax exemption under New York State Real Property Tax Law Section 458-a by increasing the maximum allowable exemption. The basic minimums under that State law are (a) \$12,000 for wartime Veterans, (b) \$8,000 for combat zone Veterans, and (c) \$40,000 for disabled Veterans, but subsection (d) allows for taxing jurisdictions to increase or decrease these amounts. Additionally, Cold War Veterans who do not qualify under Real Property Tax Law Section 458-a are also eligible for an exemption under Section 458-b. Under this local law, the maximum exemption allowed for Cold War Veterans is expanded to \$45,000 and for disabled Cold War Veterans to \$150,000.

While we have all been working to ensure our Veterans get the protections they need, there has been a dire need for much more growth and improvement. In 1997, the maximum exemptions in Monroe County under Section 458-a were raised to \$18,000, \$12,000, and \$60,000 and in 2005, the maximum exemptions were raised to \$60,000, \$24,000, and \$120,000.

One of our neighboring counties has already decided to take that next step in ensuring our veterans get the best services available. In 2022, Erie County raised their maximum exceptions to \$30,000, \$20,000, and \$100,000. Under state law, the maximum levels Monroe County can raise subsections (b) and (c) to are \$30,000 and \$150,000 respectively, and we seek to raise our exemption levels to that maximum allowable amount.

Utilizing this enabling legislation available to counties all across New York, we are looking to increase this under the current state law. This increase will allow Veterans of the past, present, and future to take advantage of this tax exemption. In a time where the worldwide pandemic has ended and normality has begun to set back in, anything and everything we can do to help our Veterans needs to be done.

The specific legislative actions required are to:

1. Hold a public hearing on the proposed Local Law
2. Enact a Local Law entitled “Expanded Veterans and Cold War Veterans Tax Exemption”

The legislative action requested in this referral is not an “Action” as that term is defined in 6 NYCRR 617.5(b), and is not subject to review under the State Environmental Review Act. This action will have no impact on the revenues or expenditures of the current Monroe County budget.

Subject: Enacting a Local Law Entitled "Expanded Volunteer Firefighter and EMS Tax Exemption"

Honorable Legislators:

By Local Law No. 2 of 2022, Your Honorable Body adopted a new Article XV under Chapter 357 of the Monroe County Code that provided for a 10% exemption of assessed value of real property for voluntary firefighters and ambulance workers for all County, part County, and special district purposes. This action followed enabling legislation enacted by New York State under § 466-k of Real Property Tax Law. Since the passage of Local Law No. 2 of 2022, the State has enacted further enabling legislation allowing counties to extend that exemption to un-remarried spouses of volunteer firefighters or voluntary ambulance workers provided certain qualifications are met. These qualifications include: that the un-remarried spouse is certified by the agency, company, or department of which the decedent was a member; that the decedent had been an enrolled member for at least five years if killed in the line of duty or twenty years if they die of other causes; and that the decedent had been receiving the exemption prior to his or her death.

Volunteer firefighters and EMS technicians sacrifice not only time and safety for their communities, but sometimes even their lives in the line of duty. It is only right that should one die in the line of duty or after a lifetime of service, the survivors of such heroes receive the tax exemption that they earned through their volunteerism. Through this Local Law, Monroe County will be providing an additional form of thanks to the spouses of volunteer firefighters and EMS technicians. Despite the decline in the number of volunteer workers, those who continue to serve are dedicated and we must continue to find ways to provide our gratitude for their steadfast protection of our community.

The specific legislative actions required are:

1. Schedule and hold a public hearing.
2. Adopt the Local Law as attached.

The legislative action requested in this referral is not an "Action," as that term is defined in 6 NYCRR § 617.2(b), and is not subject to review under the State Environmental Quality Review Act.

This action will have no net impact on the revenues or expenditures of the current Monroe County budget.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Subject: Home Rule Message for Senate Bill No. S.4135 Entitled "An Act to amend the retirement and social security law, in relation to the retirement of deputy sheriffs-civil in the county of Monroe"

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body adopt a Home Rule Message in regard to the above bill that will change the retirement classification for Deputy Sheriffs-Civil Bureau to Retirement Plan 89-P and allow for retirement after twenty-five (25) years of creditable service.

The Civil Bureau is responsible for the service and enforcement of court orders, process of service, execution of civil judgments, and the collection and eventual sale of property seized (real property and personal property). Civil deputies are fully certified police officers having completed the same law enforcement academy as road deputies, as well as possessing the same powers of arrest and investigation. Both patrol and civil deputies are recorded on the New York State Division of Criminal Justice Police Registry.

Transitioning the Civil Bureau to the twenty-five (25) year retirement eligibility status will bring the Civil Bureau into step with both the Jail Bureau and Court Bureau, both of which are eligible for retirement at twenty-five (25) years, and help retain newly hired staff. In addition, as civil deputies retire, the Sheriff desires to incorporate road deputies into the Civil Bureau, enabling a more flexible use of Sheriff personnel.

The specific legislative action required is to adopt a Home Rule Message for Senate Bill No. S.4135 Entitled "An Act to amend the retirement and social security law, in relation to the retirement of deputy sheriffs-civil in the county of Monroe."

Adoption of this Home Rule Message will have no impact on the revenues or expenditures of the current Monroe County budget.
