Cheryl Dinolfo
County Executive

Dear Friends:

Monroe County remains fully committed to keeping our roads safe for travelers and families through aggressive DWI enforcement and prevention.

Together, the Monroe County Public Safety Department, Office of Probation, and STOP-DWI collaborate with the Sheriff's Office and other law enforcement agencies to discourage anyone from driving while intoxicated.

In 2018, local law enforcement agencies made 2,462 arrests due to drunk driving and driving under the influence of other substances. These arrests are not only a testament to our community's commitment to combating DWI, but to public safety as a whole. Each and every arrest makes our roadways that much safer.

The pain and anguish that DWI victims suffer can last a lifetime. Through the Monroe County Victims Resource Center, victims are able to seek the assistance and support they need to help cope with tragedy. Additionally, the County's STOP-DWI Education Program remains an effective tool in the prevention and education of the harmful impacts caused by driving while intoxicated.

Despite all of our progress, it is important to always remember that every driver has the opportunity to make this community a safer and better place by choosing not to drive under the influence of drugs or alcohol.

Sincerely,

A handwritten signature in black ink that reads "Cheryl Dinolfo".

Cheryl Dinolfo
Monroe County Executive

The 2018 Monroe County STOP-DWI Annual Report is dedicated to the following DWI victims who volunteer to serve on the Monroe County DWI Victim Impact Panel (VIP):

Lorie Brown
Jane Butera
John Chirinko
Peggy Duffy
Mary Elkins
Ruth Gates
Don Halstead
Chris Humphrey
Bruce Lockhart
Sue Gaiter
Pete Navratil
Sarah Palermo
Mark Philippy
Carol Preston
Justin A. Randall, Jr.
Henry Rivera
Nilia Rohatsch
Tom Schamerhorn
Phil Schultz
Robin Scott
Bary Siegel
Lindsay Tomidy

We would like to thank you for your continued dedication and support.

MONROE COUNTY STOP-DWI Program

2018 OVERVIEW

Since 1982, the Monroe County STOP-DWI Program has served to educate the community regarding the dangers of impaired driving and provide funding to groups and organizations engaged in activities related to anti-alcohol/other drug-related crashes. STOP-DWI is funded 100% by local fines and fees collected from intoxicated drivers.

Monroe County STOP-DWI offers:

- Anti-impaired driving programs including speakers and videos
- High school mini-grants to assist with alcohol & other drug-free events
- An annual high school STOP-DWI media contest
- Handouts and printed material
- Exhibits and displays

Monroe County STOP-DWI supports the efforts of:

- Rochester Against Intoxicated Driving (RAID)
- Mothers Against Drunk Driving (MADD)
- Students Against Destructive Decisions (SADD)
- Finger Lakes Collegiate Task Force
- Coalition for Crime Victims of Monroe County
- Hilton Parma Drug Intervention & Community Education (HPDICE)
- Monroe County Office of Traffic Safety
- Parents Who Host Lose the Most
- Many Town Alliance
- Western New York Coalition for Crime Victims

Monroe County STOP-DWI provides funding to:

- Monroe County Law Enforcement Agencies
- Monroe County Office of Probation and Community Corrections
- Monroe County District Attorney's Office
- Pre-Trial Services Felony DWI Diversion Program and Day Reporting Center

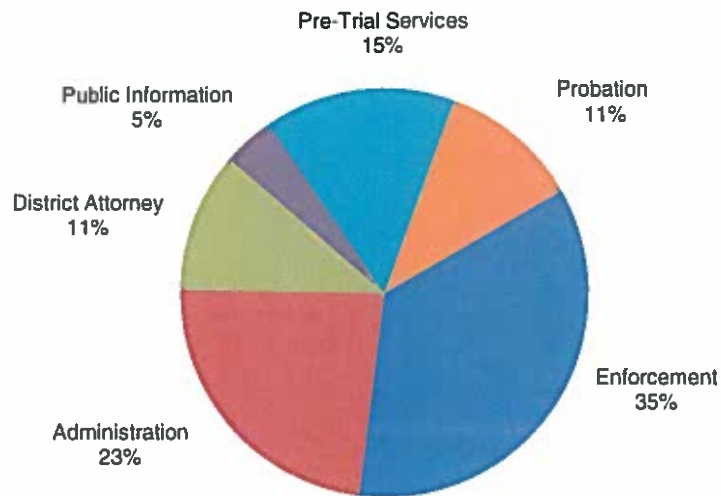

This 2018 report summarizes information regarding the daily efforts of the STOP-DWI Program and centralizes vital statistical data relating to the state of DWI in Monroe County.

STOP-DWI 2018 EXPENSES

STOP-DWI

2018 PUBLIC INFORMATION AND EDUCATION

Displays: STOP-DWI and the Office of Traffic Safety offer comprehensive traffic safety displays. During 2018, displays were exhibited at area schools, shopping malls, industries, fairs, and town halls in which over 18,000 anti-impaired driving literature items and novelties were distributed.

Exhibits: In 2018, the “Ripple Effect, Prescription and Illicit Drugs” exhibits were displayed at area high schools and colleges with 6,100 students viewing the effects of impaired driving on communities and families.

STOP-DWI Education Programs: In 2018, 85 programs were presented to 4,394 community members with a greater than 90% satisfaction rating.

High School Mini-Grants: In the spring of 2018, a total of \$4,500 was distributed among 18 high schools for their alcohol-free and other drug-free prom/graduation events.

High School DWI-PSA Contest: The Monroe County STOP-DWI Program sponsored its first annual High School anti-DWI CD Contest. The first, second and third place winners were from Gates/Chili High School. The three winning public service announcements were aired one hundred thirty eight times on Entercom Radio. The students’ messages educated our community to the dangers impaired driving has on our community.

Law Enforcement Conference: Monroe County STOP-DWI sponsored the eighth annual full-day Law Enforcement Conference. The training focused on “Best Practices” for meeting ADA’s needs, toxicology lab, DRE information, etc. Thirty-Eight officers from Monroe County attended and were trained with a very high satisfaction level. The conference success was attributed to all agencies’ efforts and officers’ willingness to help other officers and support from our District Attorney’s Office.

STOP-DWI Law Enforcement Awards Luncheon: One-hundred-forty-nine people attended the luncheon, co-sponsored by the Traffic Safety Board, at Plantation Party House on March 7, 2018. Three police departments received awards for their DWI efforts: Brockport, Ogden and Greece Police Department. The STOP-DWI “Top Cop” was awarded to Officer Jason Lathrop, Rochester Police Department. Twenty-Seven officers were chosen by their departments to receive awards for their outstanding efforts to combat the problem of impaired driving. The luncheon, training and awards are intended to keep the officers motivated to focus on the problem of impaired driving in our community.

Victim Impact Panel (VIP) Appreciation Dinner: Fifty-four people attended the STOP-DWI-hosted VIP volunteer dinner at Rick’s Prime Rib House on November 14, 2018. The gratitude offered to volunteers for their support and willingness to share their personal experiences is grossly understated and cannot be expressed to a satisfactory level. Thirty-three certificates of appreciation were presented to our volunteers.

“Lights on for Life” Motorcade: The annual motorcade was held Saturday, December 1, 2018, with many law enforcement vehicles, and various community members participating. We appreciate Rochester Against Impaired Driving (RAID) co-sponsored the event and by having refreshments donated for the attendees.

Media: In 2018, the STOP-DWI Program received a variety of media coverage during events such as the Victims’ Rights Annual Candlelight Vigil, High School Video Contest, Motorcade and Crackdown Weekends’ Press Releases.

Awareness Campaigns: Promotions at Amerks’ and Red Wings games sponsored by NYS STOP-DWI Foundation Inc., with a grant from NHTSA through NYS Governor’s Traffic Safety Committee (GTSC) or Monroe County STOP-DWI. Many social media venues also ran the app message. Our goal is to raise awareness through media to prevent impaired driving crashes. We will continue to need the media support to keep this important message spreading in our community to save lives and quality of life.

Marijuana Impaired Driving (DUI) Media Campaign: Monroe County STOP-DWI contracted with Accountable Digital to develop a campaign addressing the dangers of driving impaired by marijuana.

December Impaired Driving Awareness Campaign: During the National Drunk/Drugged Driving Month of December, over fifteen hundred anti-impaired driving messages from local families affected by impaired drivers were aired, in an effort to remind Monroe County residents how important it is to drive safe and sober. This program paid to have messages aired on iHeart Radio and Entercom Radio.

DWI VICTIM IMPACT PANEL (VIP)

The Monroe County DWI Victim Impact Panel (VIP) consists of three or four DWI victims who address an audience of DWI offenders about the impaired driving crashes in which they experienced injury or a loved one was killed. A law enforcement officer may also serve as a panelist alongside the victims. The goal of the Panel is to deliver a message to raise awareness of the ripple effect of impaired driving with the intent to save lives. This does not replace conventional sentencing, but supplements it. The VIP is financially self-sufficient with fees collected which are allocated to the VIP Victim Advocate, Victim Honorarium, staff, Law Enforcement, equipment, and other supporting expenses.

The first DWI Victim Impact Panel was held in Monroe County in January 1992. The Panel is offered as a sentencing tool for all DWAI and DWI offenders and is open to the general public for educational purposes.

YEAR	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	Cumulative Total*
Assigned	2,464	1,863	2,138	2,016	2,017	1,908	1,881	2,737	1,687	1,615	42,934

* Total is cumulative since 1992.

DWI VICTIM IMPACT PANEL (VIP) **VICTIM ADVOCACY PROGRAM**

The Victim Advocate

- Provides support and counseling services to DWI / VIP speakers.
- Provides Outreach to DWI victims and informs them of resources and events offered in the community such as Lights on for Life Motorcade and STOP DWI Night at Frontier Field.
- Coordinates and schedules speakers.
- Assists with screening and welcoming prospective new speakers.
- Provides on-site counseling support to victim speakers.

In 2018, the victim VIP Advocate attended 7 panels providing 65 hours of support and 77 hours of counseling to victims and survivors of DWI. The VIP Advocate provided assistance with community events to raise awareness and healing to victims and survivors.

LAW ENFORCEMENT

According to New York State Law, an individual is Driving While Ability Impaired (DWAI) if his/her Blood Alcohol Concentration (BAC) is between .05 and .07. He/she is considered Driving While Intoxicated (DWI) if his/her BAC is .08 or higher. He/she is considered Aggravated DWI if his/her BAC is .18 or higher. He/she is considered Driving While Ability Impaired by Drugs (DWAI-D) if the driver is impaired by drugs.

In 2018, Monroe County DWI/DWAI arrests totaled 2,462 which is a decrease from the 2,510 arrests made in 2017.

Monroe County Law Enforcement Agencies received a sum of \$421,158 from the STOP-DWI Program in 2018 for use in their DWI enhancement enforcement efforts.

Monroe County STOP-DWI Program received a grant in the amount of \$28,563 for Crackdown Weekends from the NYS STOP-DWI Foundation. This is a passthrough grant from the NYS Governor's Traffic Safety Committee (GTSC) awarded from the National Highway Traffic Safety Administration (NHTSA). Monroe County received funding which supported Crackdown efforts during Memorial Day, 4th of July, and Labor Day.

OFFICE OF PROBATION – COMMUNITY CORRECTIONS

The Monroe County Office of Probation -- Community Corrections received \$103,241.06 from STOP-DWI in 2018 to support services of two high risk DWI units. During 2018, these units supervised on average 932 high risk offenders at any given point during the year.

The DWI Felony units are comprised of eight Probation Officers who supervise offenders, two Officers who prepare DWI Pre-Sentence Investigations and two Senior Probation Officers who supervise offenders and have additional DWI related duties. Probation Officers assigned to these units maintain specialized caseloads in order to provide enhanced supervision. Officers in these units routinely surveil probationers to ensure that they are not driving without a valid license and/or without an ignition interlock device installed. Additionally, these Officers conduct unscheduled field visits and establish more frequent contact with probationers, their family members and treatment providers. Officers closely monitor a probationer's progress in treatment which is coupled with routine testing for the use of drugs or alcohol. On a quarterly basis, Officers check DMV records of DWI offenders to ensure they have not registered new vehicles without installing an ignition interlock device.

Of the two Senior Officers assigned to these units, one is the liaison to STOP-DWI. STOP-DWI funds half of this Officer's salary. This Officer provides assistance to STOP-DWI in the coordination of routine Victim Impact Panels. Duties include obtaining volunteers to work at the Victim Impact Panel. Volunteers provide assistance at the registration tables and collect payments for the panel. Volunteers also have offenders submit to Alco-sensor tests prior to being admitted. The Officer helps in securing the location used for the panels and the dates that the panels will be held. At the end of the year, this Officer provides information needed for financial reimbursement to STOP DWI. This Officer is also responsible for organizing DWI Surveillance details and maintaining statistics related to these details. This Officer records information related to the results of routine home visits such as the number of individuals who produce positive alcohol readings and the number of probationers who are found operating a motor vehicle without a valid driver's license and/or without an Ignition Interlock installed. In 2018, DWI Officers conducted 2,228 home visits and established contact with probationers on 1,061 of those visits. On 41 occasions, probationers had positive blood alcohol contents. Officers also received collateral information about the probationers during 765 visits.

The second Senior Probation Officer is the assigned Ignition Interlock Monitor for probation. On a daily basis, this Officer is required to review violation events from Ignition Interlock providers. Violations include, but are not limited to, breath tests resulting in a blood alcohol content reading, tampers and circumventions. This Officer ensures that the assigned supervision officer receives information related to the negative event so that the probationer can be immediately held accountable for their behavior. Violation events require that the assigned supervision officer notify the court of jurisdiction within five business days so that the behavior can properly addressed.

This Officer assists in the preparation of quarterly reports for the State of New York regarding the number of offenders who are required to install the Ignition Interlock Device.

Overall, the Office of Probation supervised a total of 2,049 DWI offenders during 2018 which included misdemeanor DWI offenders. Furthermore, our Office supervised offenders convicted of Vehicular Assault, Vehicular Manslaughter, Leaving the Scene of an Accident in which an Injury Resulted in Death, and numerous offenders convicted of Aggravated Unlicensed Operator.

As of March 18, 2019, this Office monitored a total of 423 offenders that were using Ignition Interlock Devices (203 probationers and 220 conditional discharge offenders).

In 2018 the Office of Probation collected a total of \$404,670 in DWI fines.

Offenders Supervised by Felony DWI Team

Fines Collected in Thousands of Dollars

Surveillance

Probation Officers frequently conduct surveillance on DWI offenders to ensure compliance with the conditions of probation. DWI Surveillance Details are assembled to target offenders deemed at risk for repeated offenses. The Details were conducted with the goal of enforcing conditions of probation prohibiting unlicensed operation of a motor vehicle and the consumption of alcohol. In 2018, nine DWI Details conducted surveillance on 300 offenders.

During office visits, Probation Officers utilized security camera technology or conducted walking surveillances of probationers to see if they have driven to the building. Additionally, probationers are monitored at their homes, jobs, and other locations in the community during the day and night, weekdays and weekends. In total, 15 probationers were found to be driving without a license during these various surveillance details in 2018.

Random Alco-sensor tests are routinely conducted during office and home visits on all probationers but especially those deemed to be a risk for potential alcohol abuse. Alco-sensor tests enable officers to confirm the absence or presence of alcohol and, if appropriate, to quickly intervene through either a Violation of Probation and/or suitable treatment alternatives. Urine-screen tests are also conducted in the office to detect the use of alcohol, marijuana, cocaine, amphetamines, benzodiazepines, and morphine-based drugs. Early detection and expedient intervention further protects the community and enhances public safety.

The Office of Probation and Community Corrections is committed to continuing surveillance of high-risk probationers convicted of DWI offenses. The Office remains highly motivated to pursue the mission of ensuring public safety through vigorous supervision of sentenced offenders, particularly those sentenced to probation for DWI offenses.

- 1,042 Felony Arrests
- 134 Felony cases accepted by Pre-Trial Diversion Program
- 908 Cases kept for felony review (includes 26 defendants that failed, declined to participate, failed to complete or later withdrew voluntarily from the Pre-Trial Diversion Program)
- 469 Misdemeanor Dispositions: Includes plea offers made on felony cases after successful participation Pre-Trial Diversion Program, as well as misdemeanors due to no prior felony conviction
- 115# Pre-Trial Favorable Termination: Number of defendants successfully completing the Pre-Trial-Diversion Program during the year
#Number includes carryover from 2017

PRE-TRIAL SERVICES CORPORATION

PRE-TRIAL FELONY DWI DIVERSION

Felony DWI Diversion is a deferred prosecution program whereby all criminal proceedings are delayed while the client engages in a planned treatment program. The client is monitored in the treatment program over a six- to eight-month period. Participation is voluntary and clients must agree to immediately surrender their driver's license upon entering the program and pay a program fee, if financially able. Clients are screened through the District Attorney's DWI Bureau before referral to the Diversion program.

Successful completion of Felony DWI Diversion is based on the client's ability to demonstrate significant attitudinal and behavioral change, and results in an offer to plead to a misdemeanor in satisfaction of the felony charge. If the client fails to follow through on the treatment plan and the Diversion contract requirements, the case is returned to court for prosecution. Diversion is offered only once.

Pre-Trial Felony DWI Diversion received \$53,040 in STOP-DWI funds in 2018. One hundred-thirty four cases were seen for intake in 2018. 115 cases or 86% of all terminations were closed successfully in the year.

Pre-Trial Services is committed to providing effective intervention with multiple DWI offenders and will continue to measure the long-term outcomes for the Felony DWI Diversion Program.

WEEKEND DWI SENTENCE PROGRAM AT PRE-TRIAL SERVICES

Structured to provide a sentencing option for those convicted of DWI, the Weekend Sentence program offers an intervention-focused approach. Those sentenced to this program attend structured classes from Friday night through Sunday afternoon, addressing important issues such as alcohol abuse, personal responsibility and reducing risk-taking behaviors. Judges sentence offenders for a specific number of weekends. Clients are required pay a program fee, if financially able. Both attendance and client progress are monitored closely by the staff and reported back to the court.

During 2018, 79 clients were sentenced to the program. Of those who completed within the year, 89% did so successfully. The average number of weekends spent in the program was seven.

STOP-DWI funds supplied \$102,960 to support this sentencing option in 2018.

MONROE COUNTY

2018 MOTOR VEHICLE FATALITIES

According to information received through the Monroe County Medical Examiner's Office, there were a total of 44 Traffic Fatalities in Monroe County during 2018 with sixteen or thirty six (36%) percent were alcohol or other drug-related.

In order to determine alcohol/other drug involvement, one or more of the following Department of Motor Vehicle guidelines was utilized:

- Alcohol/other drugs were listed as a contributing factor on the police report
- A summons was issued for drinking and driving, and/or other drugs
- A driver, pedestrian, or bicyclist fatality was found to have alcohol or other drugs present.
