

MONROE COUNTY CAR SEAT INSTALLATION CHECK LOCATIONS (2024)

For a virtual appointment call Jean at (585) 753-3018 or email jeanriest@monroecounty.gov

A crash can happen any time—even if you are a good driver. It is important to use the right type of car seat based upon your child's age and size.

New York State law requires all children to be restrained in an appropriate child restraint system while riding in a motor vehicle, until they reach their 8th birthday. All children **under the age of 2 must ride in a rear-facing car seat.**

As a caregiver call to make **an appointment** to have your car seat checked for safety and proper installation. Contact an agency from the list below for an appointment.
