Subject: Acceptance of a Grant from Health Research, Inc. for the Public Health Emergency Preparedness Program and Authorize a Contract with the University of Rochester

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from Health Research, Inc., in the amount of \$495,860, for the Public Health Emergency Preparedness Program, for the period of July 1, 2020 through June 30, 2021, and authorize a contract with the University of Rochester, in an amount not to exceed \$24,500, for continuing development and sustainment of the County's Medical Countermeasure Program, for the period of March 16, 2021 through June 30, 2021.

The purpose of this grant is to assist local health departments to develop emergency-ready public health departments in accordance with the National Preparedness Goals and the Centers for Disease Control and Prevention Preparedness Goals. Program objectives are: continued COVID-19 response support, enhanced public health emergency preparedness including training, planning, equipment acquisition and response readiness; enhanced point of dispensing clinic readiness to include bioterrorism response (e.g. anthrax); expansion of a volunteer medical reserve corps; enhanced communicable disease planning (e.g. pandemic influenza); and enhanced disease surveillance. This will be the nineteenth year the County has received this grant. This year's funding represents the same amount as last year. An additional \$200,000 in restricted New York State Department of Health emergency placeholder funding is included. This funding could be made available in the event an actual public health emergency occurs during the grant period.

This contract will support the County's Medical Countermeasure Program. The University of Rochester will provide: support of exercise and drill development and implementation; communication and information management activities; Monroe County Department of Public Health staff and partner training; and completion of other related projects and activities as determined by the Program Manager of the Office of Public Health Preparedness.

A Request for Qualifications was issued for this contract with the University of Rochester the sole responder.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$495,860 grant from, and to execute a contract and any amendments thereto with, Health Research, Inc., for the Public Health Emergency Preparedness Program, for the period of July 1, 2020 through June 30, 2021.
2. Amend the 2020 operating budget of the Department of Public Health by appropriating the sum of \$495,860 into general fund 9300, funds center 5801090000, Public Health Preparedness.

3. Authorize the County Executive, or his designee, to execute a contract and any amendments thereto, with the University of Rochester, 601 Elmwood Avenue, Rochester, New York 14642, for the continuing development and sustainment of the County's Medical Countermeasure Program, in an amount not to exceed \$24,500, for the period of March 16, 2021 through June 30, 2021.
4. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within grant guidelines to meet contractual commitments.
5. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.
