Subject: Authorize a Contract with Monroe Community College for the Development, Implementation, and Management of the MPower Healthcare Program

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Monroe Community College, for a one-time fee of \$550,000, for the development, implementation, and management of the MPower Healthcare program (the "Program") for the period commencing as of September 1, 2020 through August 31, 2021.

The Program is a workforce development partnership established by the Economic Development and Innovative Workforce Services Division of Monroe Community College. The Program recruits participants, and provides training and education, to a minimum of 329 students per/year enrolled in Monroe Community College programs in health care, including the Certified Nurse Assistant Training and Development, Licensed Practical Nurse, and Home Health Aide programs. In addition, through the Program, Monroe Community College contributes comprehensive support by providing program curriculum, training/educational space and equipment, instructors, and student tuition, fees, books, and tools.

The fee for the development, implementation, and management of the Program will be \$550,000.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract and any amendments thereto, with Monroe Community College, 1000 East Henrietta Road, Rochester, New York 14623, for the development, implementation, and management of the MPower Healthcare program, for a one-time fee of \$550,000 for the period commencing as of September 1, 2020 through August 31, 2021.

The legislative action requested in this referral is not an "Action," as that term is defined in 6 NYCRR § 617.2(b), and is not subject to review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2020 operating budget of the Department of Finance-Unallocated, general fund 9001, funds center 1209070100, State of Emergency.

This Program will be 100% reimbursed through the Coronavirus Aid, Relief, and Economic Security (CARES) Act stimulus appropriation from the Federal government. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
