To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Amend Resolution 278 of 2012 to Extend the Contract with Waste Management of New York L.L.C. for Operation and Maintenance of the Monroe County Recycling Center and Curbside Recycling Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 278 of 2012 to extend the contract with Waste Management of New York L.L.C. to operate and maintain the Monroe County Recycling Center and Curbside Recycling Program through December 31, 2032 and require Waste Management of New York L.L.C. to replace the container processing line at its sole cost and expense, with all other terms of the contract to remain the same.

Per Resolution 278 of 2012, Your Honorable Body authorized a contract agreement with Waste Management of New York L.L.C. ("Waste Management") to operate and maintain the Monroe County Recycling Center and Curbside Recycling Program. The term of the agreement is ten (10) years and currently runs through December 31, 2022. New York State General Municipal Law § 120-w(2) permits a municipality to enter into a contract to operate a resource recovery facility for a period not to exceed twenty-five (25) years.

Pursuant to the agreement, Waste Management operates a container processing line that was installed in 1991 and is at the end of its useful life. Monroe County is desirous of extending the operation and maintenance agreement with Waste Management for an additional ten (10) years in consideration for Waste Management replacing the container processing line at its sole cost and expense, which is estimated to cost \$3.2 million.

The specific legislative action required is to amend Resolution 278 of 2012 to extend the contract with Waste Management of New York L.L.C. to operate and maintain the Monroe County Recycling Center and Curbside Recycling Program through December 31, 2032 and require Waste Management of New York L.L.C. to replace the container processing line at its sole cost and expense, with all other terms of the contract to remain the same.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and (31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials") and is not subject to further review under the State Environmental Quality Review Act.

This contract is revenue generating and no net County support is required in the current Monroe County budget.
