Subject: Acceptance of a Grant from the University of Rochester for the Creating Breastfeeding Friendly Communities Program

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the University of Rochester, in the amount of \$40,330, for the Creating Breastfeeding Friendly Communities Program, for the period of February 1, 2020 through January 31, 2021.

The purpose of this grant, led by the University of Rochester, is to establish a breastfeeding friendly care continuum from pregnancy through the postpartum period and infancy with a goal of helping mothers in Monroe County to meet their breastfeeding goals. Funds will be used to support existing staff participation in the program, including: participation in the program steering committee, functioning as consultants/champions specific to worksite strategies; and as co-facilitators in Baby Cafes, which are scheduled locations where lactating women can come to receive support and address concerns about breastfeeding with trained personnel. This will be the third year the County has received this grant. This year's funding represents an increase of \$15,101 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$40,330 grant from, and to execute a contract and any amendments thereto with, the University of Rochester, for the Creating Breastfeeding Friendly Communities Program, for the period of February 1, 2020 through January 31, 2021.
2. Amend the 2020 operating budget of the Department of Public Health by appropriating the sum of \$40,330 into general fund 9001, funds center 5803010000, Maternal/Child Administration.
3. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

4. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and, where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with New York State Civil Service Law and, when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This grant is 100% funded by the University of Rochester. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
