Rochester, New York 14614

Subject: Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District – General Pump Station and Interceptor Improvements and Amend the 2020 Capital Budget and Authorize an Appropriation Transfer

Honorable Legislators:

I recommend that the Administrative Board of the Irondequoit Bay South Central Pure Waters District approve a request to establish an Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District (District), in the amount of \$450,000, consisting of a capital project entitled “General Pump Station and Interceptor Improvements,” and amend the 2020 Capital Budget and authorize an appropriation transfer.

This increase and improvement of facilities is necessary to provide funding for the “General Pump Station and Interceptor Improvements” project. This project includes general improvements to various pump stations and collection system infrastructure including enhancements to appurtenant communication and data transmission systems. This project is necessary to maintain the reliability and continuity of services to District customers. The estimated cost of the improvements is \$450,000, which shall be provided as cash capital.

Portions of the project may become eligible for financing through the New York State Water Pollution Control Revolving Loan Fund. It is therefore requested that the County have the ability to submit applications and take any necessary steps to utilize this financing vehicle if it becomes available.

**The specific Administrative Board action required is to submit a request to the Monroe County Legislature to approve an “Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District” consisting of a capital project entitled “General Pump Station and Interceptor Improvements,” at an estimated cost of \$450,000, and amend the 2020 Capital Budget and authorize an appropriation transfer.**

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in the capital fund to be created and in any capital fund(s) created for the same intended purpose. The local funding for this project will ultimately be provided by Pure Waters District user fees. No additional net County support is required in the current Monroe County budget.

I recommend that this matter receive favorable action by the Administrative Board of the Irondequoit Bay South Central Pure Waters District.

Sincerely,
