Subject: Authorize a Contract with C.P. Ward Inc. for Construction Services for the Ayrault Road Culvert Project over Irondequoit Creek Tributary in the Town of Perinton

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with C.P. Ward Inc. in the amount of \$482,021 for construction services for the Ayrault Road Culvert Project over Irondequoit Creek Tributary in the Town of Perinton.

This project involves lining of the existing culvert on Ayrault Road using a polymer-coated steel pipe-arch. The space between the liner and the existing culvert will be filled with cellular grout and minor improvements will be made to adjacent roadside storm drainage systems. The roadway will remain open to traffic throughout the project. The current schedule is to start work in summer 2021 with an anticipated completion by fall 2021.

Major funding will be provided by New York State Department of Transportation funds in the amount of approximately 100% of the project cost with overall project administration by Monroe County.

The following three (3) bids were received on March 26, 2021:

The bids have been reviewed and C.P. Ward Inc. has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with C.P. Ward Inc., 100 W. River Road, Scottsville, New York 14546, in the amount of \$482,021 for construction services for the Ayrault Road Culvert Project over Irondequoit Creek Tributary in the Town of Perinton, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

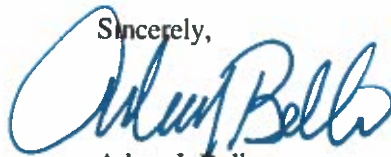

Funding for this contract, consistent with authorized uses, is included in capital fund 1934 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither C.P. Ward Inc. nor any of its principal officers owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Kenneth A. Stewart, President & Treasurer
Steven K. Phillips, Secretary

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
