By Resolution 214 of 2015, as amended by Resolution 403 of 2015, Resolution 250 of 2016, Resolution 294 of 2017, and Resolution 198 of 2020, Your Honorable Body authorized the acceptance of a grant from the New York State Department of Health for the Public Health Campaign Program. The purpose of this grant is to provide enhanced STD screening and educational services to high-risk youth in Monroe County and provide enhanced education and information to local providers regarding the new Centers for Disease Control and Prevention treatment guidelines and reporting requirements. This additional funding will be used to support Department of Public Health existing salary and benefits, contracts, and other program support costs. This additional funding will bring the grant total to \$580,875.

A Request for Qualifications was issued for this contract with Rochester Regional Health, through its Rochester General Hospital Permitted Laboratories, the sole responder.

The specific legislative actions required are:

Amend Resolution 214 of 2015, as amended by Resolution 403 of 2015, Resolution 250 of 2016, Resolution 294 of 2017, and Resolution 198 of 2020 to accept an additional \$93,750 from, and to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with, the New York State Department of Health for the Public Health Campaign Program, bringing the total program award to \$580,875, and to extend the time period for fifteen (15) months, through September 30, 2022.
