Subject: Amend the 2022-2027 Capital Improvement Program to Advance the Sheriff's Incident Command Post Vehicle from 2023 to 2022

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I am requesting that Your Honorable Body amend the 2022-2027 Capital Improvement Program to advance the Sheriff's Incident Command Post Vehicle from 2023 to 2022 in the amount of \$750,000.

The current 2022-2027 Capital Improvement Program includes the Sheriff's Incident Command Post Vehicle project; however, the Sheriff has requested that the project be advanced from 2023 to 2022. The Sheriff's current Command Post is a converted 1998 40' Featherlite racing trailer originally purchased for events such as golf tournaments and community festivals. The current Command Post lacks mobility and was not designed to be positioned close to critical incidents. The existing trailer's size makes it difficult to transport which limits the Sheriff's Office's ability to deploy quickly and respond to emergency situations. Moreover, the trailer's technology is out of date and not operational.

This project is scheduled to be considered by the Monroe County Planning Board on October 28, 2021.

The specific legislative action required is to amend the 2022-2027 Capital Improvement Program to advance the Sheriff's Incident Command Post Vehicle from 2023 to 2022 in the amount of \$750,000.

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Advancing this capital project from 2023 to 2022 will have no impact on the revenues or expenditures in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
