Subject: Amend the 2022-2027 Capital Improvement Program to Add a Project Entitled "Public Health Communicable Disease Data/Management System Replacement and Implementation Support Services for Electronic Health Record System"

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022-2027 Capital Improvement Program to add a project entitled "Public Health Communicable Disease Data/Management System Replacement and Implementation Support Services for Electronic Health Record System," in the amount of \$1,000,000.

This Electronic Health Record ("EHR") Project will design a system to house electronic versions of patients' healthcare records and maximize system security, patient confidentiality, and healthcare efficiencies. The core components of this EHR include administrative functions, physician order entry, lab systems, radiology systems, pharmacy systems, and clinical documentation. The implementation of the EHR will include customizable software, hardware, IT networks, and IT interfaces including, but not limited to, uploads (required) and downloads to regulatory systems where possible.

This project is scheduled to be considered by the Monroe County Planning Board on October 28, 2021.

The specific legislative action required is to amend the 2022-2027 Capital Improvement Program to add a project entitled "Public Health Communicable Disease Data/Management System Replacement and Implementation Support Services for Electronic Health Record System" in the amount of \$1,000,000.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
