Subject: Authorizing Allocation of Funding to Support Non-Profit Organizations in Monroe County

Honorable Legislators:

As elected officials, one of our highest priorities is to make sure that Monroe County citizens have resources to thrive. These resources can range from viewing and participating in cultural activities such as performing arts to receiving treatment and services that people would otherwise be lacking. The best places to find these resources are at nonprofits, who devote their time, effort, and assets to helping the community. However, these organizations are often underfunded, relying on generous donations to continue the good work they do. In last year's budget, this Honorable Body created the Community Contingency Fund to help the community when we saw a need. It has been utilized by Legislators in both parties for the betterment of Monroe County and now we ask that money be drawn from the fund to help support non-profit organizations that provide services to our citizens that they otherwise may not receive.

The specific legislative action required is to authorize the County Executive, or his designee, to execute contracts, and any amendments thereto, with the organizations and in the amounts listed below for maintenance and operation of the following non-profit organizations pursuant to County Law § 224, for the period of January 1, 2021 through December 31, 2021.
