To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorize a Contract with Barton & Loguidice, D.P.C. for General Solid Waste Consulting Term Services

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Barton & Loguidice, D.P.C. in a total annual amount not to exceed \$100,000 for General Solid Waste Consulting Term Services for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year extensions, with escalations for the extensions limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

Monroe County is responsible for addressing industry, regulatory, and technological changes that routinely impact the County's solid waste program and permitted facilities and operations. These issues often require further investigations, planning, and recommendations to meet changing requirements. This contract will allow the County to supplement its staff with a consultant, on an as-needed basis, to assist with such issues. Monroe County will utilize Barton & Loguidice, D.P.C. to provide a variety of professional engineering services in connection with the contract such as investigations, evaluations, analysis, and recommendations to enhance, evaluate, and maintain long-term solid waste management goals of waste reductions, recycling, and disposal.

Several consultants were considered, with Barton & Loguidice, D.P.C. rated the most qualified to provide these services.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Barton & Loguidice D.P.C., 443 Electronics Parkway, Liverpool, New York 13088, for General Solid Waste Consulting Term Services in an amount not to exceed \$100,000 annually for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year extensions with escalations for the extensions limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(24) ("information collection including basic data collection and research, water quality and pollution studies, traffic counts, engineering studies, surveys, subsurface investigations and soils studies that do not commit the agency to undertake, fund or approve any Type I or Unlisted action") and (26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for these services, consistent with authorized uses, is included in various capital fund(s) and in the proposed 2022 operating budget of the Department of Environmental Services: solid waste fund 9009, funds center 8201010000, Solid Waste Administration. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury has indicated that neither Barton & Loguidice, D.P.C., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

John F. Brusa, CEO / President
Richard A. Straut, Executive Vice President
Matthew J. Schooley, Vice President / Secretary

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
