To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorize Contracts with Day Engineering P.C.; LiRo Engineers, Inc.; and Ravi Engineering & Land Surveying, P.C. for Environmental Consulting Term Services

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with Day Engineering P.C.; LiRo Engineers, Inc.; and Ravi Engineering & Land Surveying, P.C. for environmental consulting term services in a total annual aggregate amount not to exceed \$300,000 for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year extensions, with escalations for the extensions limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

Environmental issues may arise as part of maintenance, construction, operation, and renovation activities of County and Pure Waters District assets including buildings, utilities, and general infrastructure. These issues often require further environmental investigation and remediation. This contract will allow the County to supplement its staff with a consultant on an as-needed basis to assist with environmental issues. Monroe County will utilize Day Engineering P.C.; LiRo Engineers, Inc.; and Ravi Engineering & Land Surveying, P.C., to provide a variety of professional engineering services in connection with the contract such as investigations, evaluations, site assessments, analysis recommendation, and oversight of remedial activities, as well as developing grant applications to obtain state and federal funding, as appropriate.

Several consultants were considered, with Day Engineering P.C.; LiRo Engineers, Inc.; and Ravi Engineering & Land Surveying, P.C. rated the most qualified to provide these services.

The specific legislative action required is to authorize the County Executive, or his designee, to execute contracts, and any amendments thereto, with Day Engineering P.C., 1563 Lyell Avenue, Rochester, New York 14606; LiRo Engineers, Inc., 85 Allen Street, Suite 300, Rochester, New York 14608; and Ravi Engineering & Land Surveying, P.C., 2110 S. Clinton Avenue, Rochester, New York 14618, for environmental consulting term services in a total annual aggregate amount not to exceed \$300,000 for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year extensions, with escalations for the extensions limited to an amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(24) ("information collection including basic data collection and research, water quality and pollution studies, traffic counts, engineering studies, surveys, subsurface investigations and soils studies that do not commit the agency to undertake, fund or approve any Type I or Unlisted action"); (26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment"); and (27) ("conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action") and is not subject to further review under the State Quality Review Act.
