Subject: Authorize a Contract with the University of Rochester for the Monroe County Department of Public Health Sexually Transmitted Disease Program and Other Nursing Services Division Programs

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with the University of Rochester in an amount not to exceed \$900,505 for clinical and prevention services for the Monroe County Department of Public Health Sexually Transmitted Disease ("STD") Program and other Nursing Services Division programs for the period of January 1, 2022 through December 31, 2022, with the option to renew for four (4) additional one-year terms in an amount not to exceed \$900,505 annually.

This contract will support the County's STD Program and other clinics in the Nursing Services Division programs. The University of Rochester Disease Control Unit will provide diagnosis, care, staff education, referrals and risk reduction services to high risk individuals seen in county clinics as needed. The additional dollars will provide for a nurse to be used in a cross-clinic capacity with the STD clinic, Tuberculosis clinic, and Immunization clinic in an effort to reach individuals who are high risk and require a coordinated treatment plan by various County clinics.

A Request for Qualifications was issued for this contract with the University of Rochester the sole responder.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with the University of Rochester, 601 Elmwood Avenue, Rochester, New York, 14642, for clinical and prevention services for the Monroe County Department of Public Health Sexually Transmitted Disease Program and other Nursing Services Division programs in an amount not to exceed \$900,505 for the period of January 1, 2022 through December 31, 2022, with the option to renew for four (4) additional one-year terms in an amount not to exceed \$900,505 annually.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the proposed 2022 operating budget of the Department of Public Health, general fund 9001, funds center 5802030100, STD Clinic. No additional net County support is required in the current Monroe County budget.

The University of Rochester is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
