Subject: Amend Resolution 352 of 2021 to Accept Additional Funding from the New York State Department of Health and Extend the Time Period for Support of the Monroe County Nurse Family Partnership Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 352 of 2021 to accept additional funding from the New York State Department of Health to support the Monroe County Nurse-Family Partnership Program ("NFP") in the amount of \$182,949 for the second grant and to extend the time period for one (1) year, through September 30 2023.

By Resolution 352 of 2021, Your Honorable Body authorized the acceptance of two grants from the New York State Department of Health for the Monroe County Nurse Family Partnership Program. The purpose of these two grants is to provide support of the County's existing NFP program. The NFP program is an evidence-based nurse home visiting program that has been rigorously evaluated and includes expertly trained nurses delivering the services per a standard curriculum. The grants will provide a portion of the funding for the NFP program, which annually provides home visits to approximately 300 high-risk, first time mothers, their infants, and families to improve their pregnancy outcomes and their health, well-being, and self-sufficiency. The funds will be used to support a previously authorized vendor contract which provides the nurses who make home visits to all NFP clients. The additional funding will be used to continue to support the program. The additional funding will bring the second grant's total to \$281,134.

The specific legislative actions required are:

1. Amend Resolution 352 of 2021 to accept an additional \$182,949 from, and to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with, the New York State Department of Health for support of the Monroe County Nurse-Family Partnership Program bringing the total program award of the second grant to \$281,134, and to extend the time period one (1) year, through September 30, 2023.
2. Amend the 2022 operating budget of the Department of Public Health by appropriating the sum of \$182,949 into general fund 9300, funds center 5803050000, Nurse-Family Partnership.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
