RESOLUTION NO. _____ OF 2022

CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR LEASING COMMERCIAL SPACE FOR YOUTH MENTORING AND FAMILY SUPPORT IN MONROE COUNTY

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that leasing of commercial space for Youth Mentoring and Family Support in Monroe County is an Unlisted action.

Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated September 7, 2022 and has considered the potential environmental impacts of leasing commercial space for Youth Mentoring and Family Support in Monroe County pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Monroe County is providing APRA Funds to Big Brothers and Big Sisters of Greater Rochester (BBBSR) to expand its mentoring program. This includes programmatic and service delivery, as well as expanding their operation into a new mentoring center in Downtown Rochester at 214 Alexander Park. BBBSR's lease of commercial space may also include some interior renovations and/or signage, which must be completed in accordance with City of Rochester zoning and building codes. Build out of this existing interior space, if any, will not impact surrounding commercial space, which is of similar office/service delivery use. The facility is within one block of public transit and within three blocks of dedicated bicycle lanes and abundant surface parking and transportation options are available. As this expansion is into existing commercial space it will not impact the character, aesthetics, or historic resources of the area; it will not impact or increase the potential for erosion, flooding, drainage problems; nor will it create a hazard to human health or environmental health.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
