Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Amend Resolution 215 of 2019 to Accept Additional Funding from the New York State Department of Health for the Tuberculosis Prevention and Control Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 215 of 2019 to accept additional funding from the New York State Department of Health in the amount of \$54,761 for the Tuberculosis Prevention and Control Program (formerly known as the Public Health Campaign – County Tuberculosis Program) for the period of April 1, 2019 through March 31, 2024.

By Resolution 215 of 2019, Your Honorable Body authorized the acceptance of a grant from the New York State Department of Health for the Tuberculosis Prevention and Control Program. The purpose of this grant is to provide enhanced tuberculosis prevention, control, and elimination services to Monroe County residents. Funds will be used to cover partial salaries and benefits for staff nurses who perform case management, screening, diagnosis, and treatment of infected and at-risk clients. Additionally, staff outreach workers will provide directly observed therapy and assist with screening and contact investigations. This additional funding will be used to support services to Ukrainian newcomers under the Uniting for Ukraine (UKU) initiative. The additional funding will bring the grant total to \$1,032,731.

**The specific legislative actions required are:**

1. Amend Resolution 215 of 2019 to accept an additional \$54,761 from, and to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with, the New York State Department of Health, for the Tuberculosis Prevention and Control Program, bringing the total program award to \$1,032,731 for the period of April 1, 2019 through March 31, 2024.
2. Amend the 2022 operating budget of the Department of Public Health by appropriating the sum of \$54,761 into general fund 9300, funds center 5802020000, Tuberculosis Control Programs.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Department of Health. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello

Monroe County Executive
