Subject: Acceptance of a Grant from the New York State Governor's Traffic Safety Committee for the Comprehensive Toxicology Testing in Driving Under the Influence and Driving Under the Influence of Drugs Program (Office of the Medical Examiner)

Honorable Legislators:

I recommend that Your Honorable Body accept a grant from the New York State Governor's Traffic Safety Committee in the amount of \$45,350 for the Comprehensive Toxicology Testing in Driving Under the Influence and Driving Under the Influence of Drugs Program for the period of October 1, 2022 through September 30, 2023.

The purpose of this grant is to improve highway safety by expanding the forensic toxicology services provided by the Office of the Medical Examiner's Forensic Toxicology Laboratory in alcohol and drugged driving impairment cases. The Toxicology Laboratory provides alcohol and comprehensive drug testing as well as expert testimony in driving impairment cases. This grant facilitates this work by providing resources necessary for the laboratory to maintain its services, perform method development and validation as needed to expand the scope of drugged driving testing to meet current needs based on drug trends and to analyze regional trends in drugged driving. In addition, the grant provides training funds to enhance the expertise of analysts when testifying regarding the effects of drugs on driving performance. This will be the eleventh year the County has received this grant. This year's funding represents a decrease of \$1,575 from last year.

The specific legislative actions required are:

1. Authorize the County Executive, or his designee, to accept a \$45,350 grant from, and to execute a contract and any amendments thereto with, the New York State Governor's Traffic Safety Committee for the Comprehensive Toxicology Testing in Driving Under the Influence and Driving Under the Influence of Drugs Program for the period of October 1, 2022 through September 30, 2023.
2. Authorize the County Executive to appropriate any subsequent years of the grant award in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
