Subject: Authorize a Contract with The Pike Company, Inc. for Construction Management Services for the Monroe Community College Applied Technology Center - S.T.E.M. Addition Project

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with The Pike Company, Inc. in the amount of \$388,380 for construction management services for the Monroe Community College Applied Technology Center - S.T.E.M. Addition Project.

The 2021 Monroe Community College Facilities Master Plan included a recommendation to relocate the existing Applied Technology Center ("ATC") on W. Henrietta Road to the Brighton Campus in order to better integrate its technical programs with academic and S.T.E.M. programs currently available at the Brighton Campus. In addition, there are significant deferred maintenance costs at the existing ATC site. Avoiding these costs, as well as placing the ATC on the Brighton Campus, provides an opportunity to improve efficiency of campus staffing and facility maintenance efforts. Finally, locating the ATC on the Brighton Campus enables growth in emerging highly technical fields such as optics and diesel technology. Advancing the construction of the ATC helps to accelerate the availability of properly trained workers to help satisfy the occupational demand in these well-paying technical fields. Your Honorable Body approved funding for the project by Bond Resolution 228 of 2022.

A Request for Proposals was issued with The Pike Company, Inc. selected as the most qualified to perform these services.

The specific legislative actions required is to authorize the County Executive, or his designee, to execute a contract with The Pike Company, Inc., One Circle Street, Rochester, New York 14607, for construction management services for the Monroe Community College Applied Technology Center - S.T.E.M. Addition project in the amount of \$388,380, along with any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is an Unlisted Action under the New York State Environmental Quality Review Act ("SEQRA"). Pursuant to Resolution 226 of 2022, the Monroe County Legislature issued a Negative Declaration for this action. No further action under SEQRA is required.

Funding for this contract, consistent with authorized uses, is included in capital fund 2048, and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither The Pike Company, Inc., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Rufus Judson, Chief Executive Officer
William Tehan, President
Mauricio Riveros, Chief Operating Officer

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
