To The Honorable

**Subject:** Amend the 2022 Capital Budget and Bond Resolution 372 of 2020 to Provide an Increase in Funding and Authorize a Contract with Nardozzi Paving & Construction, LLC for Construction Services for the Salt Road Project in the Town of Penfield

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022 Capital Budget and Bond Resolution 372 of 2020 to provide an increase in funding in the amount of \$1,310,000 and authorize a contract with Nardozzi Paving & Construction, LLC in the amount of \$3,598,586 for construction services for the Salt Road Project in the Town of Penfield.

This project involves rehabilitation of Salt Road from NYS Rt. 286 to Plank Road. The work involves the installation of new open and closed drainage systems, enclosing a deep ditch along the roadway, reconstruction of the paved shoulders, milling and resurfacing of the asphalt along with new pavement markings. There are currently insufficient funds available for the project due to recent increases in costs of labor and materials, as well as additional right of way costs, engineering design efforts and an increase in construction costs in order to meet environmental regulations involved with enclosing the roadside deep ditch. The total estimated project cost is \$4,735,000. The current schedule is to start work in spring 2022 with an anticipated completion by fall 2022.

The following seven (7) bids were received on December 2, 2021:

|                                     |                |
|-------------------------------------|----------------|
| Nardozzi Paving & Construction, LLC | \$3,598,586.00 |
| Villager Construction, Inc.         | \$3,724,900.00 |
| Keeler Construction Co., Inc.       | \$3,772,520.60 |
| Ramsey Constructors, Inc.           | \$3,875,274.50 |
| Sealand Contractors Corp.           | \$4,083,000.00 |
| Cold Springs Construction Co.       | \$4,122,661.50 |
| CCI Companies, Inc.                 | \$4,152,031.50 |

The bids have been reviewed and Nardozzi Paving & Construction, LLC has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

**The specific legislative actions required are:**

1. Amend the 2022 Capital Budget to increase the project authorization by \$1,310,000 for the Salt Road Project from \$3,425,000 to \$4,735,000, making the total project authorization \$4,735,000.
2. Amend Bond Resolution 372 of 2020 to increase financing for the Salt Road Project, capital fund 1910, from \$3,425,000 to \$4,735,000, for a total authorization of \$4,735,000.
3. Authorize the County Executive, or his designee, to execute a contract with Nardozzi Paving & Construction, LLC, 124 North Genesee Street, Geneva, New York 14456, in the amount of \$3,598,586 for construction services for the Salt Road Project in the Town of Penfield, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) (2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, will be included in capital fund 1910 once the additional financing authorization requested herein is approved and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither Nardozzi Paving & Construction, LLC, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

James Nardozzi, President  
Michael Nardozzi, CEO  
Jessica Vasile, Treasurer

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
