Subject: Amend the 2022 Capital Budget and Bond Resolution 465 of 2021 to Provide an Increase in Funding and Authorize a Contract with Cold Spring Construction Company, for Construction Services for the Edgemere Drive Bridge Project in the Town of Greece

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022 Capital Budget and Bond Resolution 465 of 2021 to provide an increase in funding, in the amount of \$1,700,000 and authorize a contract with Cold Spring Construction Company, in the amount of \$2,841,535.63 for construction services for the Edgemere Drive Bridge Project in the Town of Greece.

This project involves replacement of the bridge on Edgemere Drive between Lowden Point Road and Long Pong Road (over the outlet channel which flows from Long Pond into Lake Ontario). The work involves demolishing the existing bridge and replacing it with a new pre-cast concrete arch bridge. The profile of the bridge will be raised to better accommodate boat traffic below and new approach pavement and bridge railing will be installed. The project will be constructed in two phases and a single lane of alternating one-way traffic will be maintained throughout the duration of the work. There are currently insufficient funds available for the project due to increased costs since it was initially programmed in the Capital Improvement Program. The increase is due to: raising the bridge profile, additional work elements associated with staged construction (increased project duration, temporary traffic signals, temporary concrete barrier, temporary raining walls, etc.), and survey/relocation of threatened mussels at the project site as required by New York State Department of Environmental Conservation regulations. The current schedule is to start work in spring 2022 with an anticipated completion by fall 2022.

The following two (2) bids were received on November 12, 2021:

Cold Spring Construction Company	\$2,841,535.63
Crane Hogan Structural Systems Inc.	\$3,925,149.40

The bids have been reviewed and Cold Spring Construction Company has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

The specific legislative actions required are:

1. Amend the 2022 Capital Budget to increase funding for the Edgemere Drive Bridge Project in the Town of Greece in the amount of \$1,700,000 from \$1,840,000 to \$3,540,000 for a total project authorization of \$3,540,000.

2. Amend Bond Resolution 465 of 2021 to increase financing for the Edgemere Drive Bridge Project in the Town of Greece, capital fund 1958, in the amount of \$1,700,000 from \$1,840,000 to \$3,540,000 for a total project authorization of \$3,540,000.
3. Authorize the County Executive, or his designee, to execute a contract with Cold Spring Construction Company, 43 Jackson Street, Akron New York 14001, in the amount of \$2,841,535.63 for construction services for the Edgemere Drive Bridge Project in the Town of Greece, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 1958 and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither Cold Spring Construction Company, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Stephen Forrestel, CEO
Ryan Forrestel, President
Jeffrey R. Borden, Vice President

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
