Subject: Amend the 2022 Capital Budget to Provide an Increase in Funding for the Monroe County Library System Fleet Replacement Project and Authorize an Interfund Transfer

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022 Capital Budget to provide an increase in funding for the Monroe County Library System Fleet Replacement Project and authorize an interfund transfer.

The Monroe County Library System ("MCLS") provides member library delivery services Monday through Friday as part of a shared service agreement. Delivery includes pickup and drop-off of library material returns, requests/holds, and interoffice mail. For decades, the MCLS has provided the community with the ability to check out and return library materials at any MCLS location of convenience, known as *One County, One Card*. In the MCLS catalog library users can also place requests for materials filled as first available across the MCLS, delivered via MCLS fleet to their preferred pick-up location.

In 2020 MCLS began planning for the cyclical replacement of its delivery fleet of three (3) box trucks, which are seven years old. A fleet replacement project was included in the 2022-2027 Capital Improvement Program in the amount of \$216,000 based on cost estimates from early 2021. When bids were received in spring 2022, however, the bid cost exceeded the project authorization by \$59,000 due primarily to the current inflationary and supply chain environment.

A purchase order for two box trucks was completed, but an interfund transfer of cash from the library fund to the fleet replacement capital fund is necessary to enable the purchase of the third box truck.

The specific legislative actions required are:

1. Amend the 2022 capital budget to increase funding for the Monroe County Library System Fleet Replacement project in the amount of \$70,000, from \$216,000 to \$286,000, for a total project authorization of \$286,000.
2. Authorize an interfund transfer of \$70,000 from library fund 9006 to capital fund 2035.

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(31) ("purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in capital fund 2035 once the interfund transfer requested herein is approved and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
