County Executive

August 9, 2024

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorization to Enter into a Settlement and Release of Claims Agreement with Christa Construction, LLC and Monroe Roadways Contractors, Inc.

Honorable Legislators:

I recommend that Your Honorable Body authorize a settlement and release of claims agreement with Christa Construction, LLC ("Christa Construction") and Monroe Roadways Contractors, Inc. ("Monroe Roadways") pursuant to which Monroe Roadways will pay \$60,102.87 to the County. This settlement arises out of an incident that occurred on January 4, 2024, in which Monroe Roadways, subcontractor of Christa Construction, allegedly damaged a County-owned fiber optic cable and conduit.

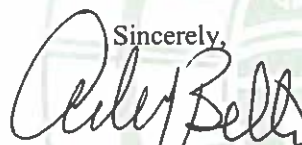

The specific legislative actions required are:

1. Authorize the settlement and release of the County's claims against Christa Construction and Monroe Roadways arising from the January 4, 2024 incident in which Monroe Roadways allegedly damaged the County's fiber optic cable and conduit in exchange for \$60,102.87.
2. Authorize the County Executive, or his designee, to execute and deliver any and all documents necessary to effectuate such settlement.

The legislative action requested in this referral is not an "Action," as that term is defined in 6 NYCRR § 617.2(b), and is not subject to review under the State Environmental Quality Review Act.

This settlement is revenue generating and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committees for favorable action by Your Honorable Body. I request that this referral be considered in Executive Session, pursuant to Public Officer's Law § 105(1)(d).

Sincerely,

Adam J. Bello
Monroe County Executive
