Subject: Authorize an Interagency Agreement with the Monroe County Department of Public Safety

Honorable Legislators:

I recommend that Your Honorable Body authorize an interagency agreement with the Monroe County Department of Public Safety in an amount not to exceed \$1,610,000 for Monroe County's Youth and Police Initiative, Project JEDI, Family Reunification Crisis Centers, and Juvenile Enhanced Diversion Stabilization ("JEDS") program for a term to commence on or after January 1, 2023 and terminate on or before December 31, 2026.

Pursuant to Resolution 342 of 2022, Your Honorable Body authorized the following three Public Safety projects in a total amount not to exceed \$1,610,000: (1) Monroe County's Youth and Police Initiative, which brings together neighborhood teens with beat officers who patrol their streets; (2) Project JEDI, which focuses on recruitment and retainment of a diverse workforce within the Department of Public Safety; and (3) Family Reunification Crisis Centers, which will provide a venue for authorities to provide information to victims, coordinate access to support services, and facilitate the collection of information from families about the victims that can be used for victim identification. Through this interagency agreement, the County will permit the Department of Public Safety to reallocate a portion of the \$1,610,000 Your Honorable Body approved for these initiatives to also support the County's JEDS program.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an interagency agreement with the Monroe County Department of Public Safety in an amount not to exceed \$1,610,000 for Monroe County's Youth and Police Initiative, Project JEDI, Family Reunification Crisis Centers, and Juvenile Enhanced Diversion Stabilization ("JEDS") program for a term to commence on or after January 1, 2023 and terminate on or before December 31, 2026.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement is in the 2024 operating budget of the Department of Public Safety, general fund 9301, funds centers 2401010000, Director's Office, 2403020100, Juvenile Services Family Division, and 2408030100, Emergency Management. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
