Subject: Authorize an Intermunicipal Agreement with Monroe 2-Orleans Board of Cooperative Educational Services to Provide an Annual Technical Skills Training Program

Honorable Legislators:

I recommend that the Administrative Boards of the Gates-Chili-Ogden Sewer District, Irondequoit Bay South Central Pure Waters District, Northwest Quadrant Pure Waters District, and the Rochester Pure Water District authorize an intermunicipal agreement with Monroe 2-Orleans Board of Cooperative Educational Services in an annual amount not to exceed \$75,000 to provide an annual technical skills training program to the Monroe County Department of Environmental Services ("DES") for the period of January 1, 2024 through December 31, 2024, with the option to renew for four (4) additional one-year extensions in an annual amount not to exceed \$75,000.

DES is responsible for operating and maintaining Pure Waters' wastewater conveyance and treatment infrastructure and fifteen County facilities comprising nearly three (3) million square feet of space. Wastewater infrastructure includes two wastewater treatment plants, 1,350 miles of collector sewers, regional interceptors, 30 miles of deep-rock tunnels and 63 pump stations. Major County facilities include the County Office Building, CityPlace, the Hall of Justice, the Public Safety Building and 111 Westfall Road, among others. Training and development of DES employees responsible for these assets results in improved competency, reduction of down-time, improved safety, and more cost-effective operations.

The specific Administrative Boards action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with Monroe 2-Orleans Board of Cooperative Educational Services, 160 Wallace Way, Bldg. 9, Rochester, New York 14624 in an annual amount not to exceed \$75,000 to provide an annual technical skills training program to the Monroe County Department of Environmental Services for the period of January 1, 2024 through December 31, 2024, with the option to renew for four (4) additional one-year extensions in an annual amount not to exceed \$75,000.
