Honorable Legislators:

I recommend that Your Honorable Body amend the 2024-2029 Capital Improvement Program to advance the Jacobs Road Bridge Project from 2028 to 2024; amend the 2024 Capital Budget to add a project entitled "Jacobs Road Bridge" in the amount of \$312,000; authorize financing for the project in the amount of \$312,000; and authorize contracts with Ravi Engineering and Land Surveying, P.C. in the amount of \$234,963.08 for engineering services and the New York State Department of Transportation for the Jacobs Road Bridge Project in the Town of Hamlin.

The Jacobs Road Bridge is County owned and spans the Yanty Creek, in the Town of Hamlin. The project involves the rehabilitation or replacement of the bridge along with highway approach and channel improvements. The current schedule is to conduct preliminary engineering and final design during the years 2024-2025 with an anticipated construction start in 2026. The current total project estimate is \$1,493,000.

Major funding will be provided by Federal funds in the amount of approximately 95% of the project cost with overall project administration by Monroe County.

Monroe County was recently awarded Federal funding for this project through the Bridge NY program. New York State requires that construction of the project begin no later than two (2) years after award and that the project be completed within three (3) years of commencing construction.

Several consultants were considered, with Ravi Engineering and Land Surveying, P.C. rated the most qualified for this project. Ravi Engineering and Land Surveying, P.C. proposes to provide the services in the amount of \$234,963.08.

A cost breakdown of the services is as follows:

Basic Design Services	\$169,878.31
Special Services	65,084.77
Total	\$234,963.08

The specific legislative actions required are:

1. Amend the 2024-2029 Capital Improvement Program to advance the "Jacobs Road Bridge" project from 2028 to 2024 in the amount of \$312,000.
2. Amend the 2024 Capital Budget to add a project entitled "Jacobs Road Bridge" in the amount of \$312,000.

5. Authorize the County Executive or his designee, to execute a contract, and any amendments thereto, with the New York State Department of Transportation for the Jacobs Road Bridge Project in the Town of Hamlin.
6. Incorporate by reference and adopt the attached resolution required by New York State for NY Bridge Funding for the Jacobs Road Bridge project.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither Ravi Engineering and Land Surveying, P.C., nor its sole principal officer, Nagappa Ravindra P.E., President, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,
