Monroe County, New York

**Adam J. Bello**  
*County Executive*

May 10, 2024

To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Classification of Action and Determination of Significance Pursuant to the State Environmental Quality Review Act regarding the Acquisition Rehab Resale Program Funded Through the Monroe County Home Investment Partnerships (HOME) Program

Honorable Legislators:

I recommend that Your Honorable Body determine whether the Acquisition Rehab Resale Program funded through the Monroe County Home Investment Partnerships ("HOME") Program may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

This project develops affordable housing opportunities by providing a direct subsidy for income eligible first time home buyers purchasing their first home in suburban Monroe County. A subrecipient acquires a single family home, develops works specifications for rehab, awards a contractor to complete the work, and bring home up to minimum standards for resale to individuals purchasing homes, which are still subject to existing municipal building and zoning codes

This program has no direct effects on the environment; all property involved in this program are privately owned and still subject to the New York State Building Code and municipal zoning laws. This program will not result in construction that results in the expansion of the original footprint; encroachment on wetlands, Critical Environmental Areas, or floodplains; encroachment on a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places.

The Acquisition Rehab Resale Program funded through the Monroe County Home Investment Partnerships has preliminary classified as an Unlisted Action pursuant to 6 NYCRR Part 617. The State Environmental Review Quality Review Act regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

**The specific legislative actions required are:**

1. Determine that the Acquisition Rehab Resale Program is an Unlisted Action.
2. Make a determination of significance regarding the Acquisition Rehab Resale Program pursuant to 6 NYCRR § 617.7.

3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

This determination will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive

### **Short Environmental Assessment Form Part 3 Determination of Significance**

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The Acquisition Rehab Resale Program is a Monroe County program that provides grants to income-eligible first time home buyers who purchase homes in the suburban towns and villages of Monroe County. This program has no direct effects on the environment, all property involved in this program is privately owned and subject to the New York State Building Code and municipal zoning laws. This program will not result in construction that results in the expansion of the original footprint; encroachment on wetlands, Critical Environmental Areas, floodplains; encroachment on a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places. This program will not have any significant adverse environmental impacts.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.
<input checked="" type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.
