To The Honorable  
Monroe County Legislature  
407 County Office Building  
Rochester, New York 14614

**Subject:** Authorize an Intermunicipal Agreement with Schuyler County for Special Detail  
Deputies at Watkins Glen International

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

I recommend that Your Honorable Body authorize an intermunicipal agreement with Schuyler County for special detail deputies at Watkins Glen International for the period of July 1, 2024 through June 30, 2029.

Under this agreement, the Monroe County Sheriff's Office will provide special detail deputies to perform mutual aid police duties at Watkins Glen International upon a declaration of emergency by the Schuyler County Sheriff under Section 209-f of the New York General Municipal Law. Throughout the summer, Schuyler County reasonably anticipates crowds in excess of 20,000 people for large events at Watkins Glen International. Mutual aid is required given that the resources of the Schuyler County Sheriff's Office are unable to address crowds, traffic volume and consequences attributable to large-scale gatherings of that magnitude. The hourly payment rates vary from year to year based on contractual negotiations between Schuyler County and NASCAR. The 2024 hourly rate is currently \$38 hourly for deputies and \$40 hourly for supervisors and K9 units.

**The specific legislative action required** is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with Schuyler County for special detail deputies at Watkins Glen International for the period of July 1, 2024 through June 30, 2029.

This action is a Type II Action pursuant to 6 NYCRR 617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act.

This agreement is revenue generating. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive
