Subject: Increase and Improvement of Facilities in the Rochester Pure Waters District Entitled "Replacement Heavy Equipment;" Amend the 2025 Capital Budget to Add the Project; and Authorize Financing

Honorable Legislators:

I recommend that the Administrative Board of the Rochester Pure Waters District approve a request to establish an Increase and Improvement of Facilities in the Rochester Pure Waters District (the "District") in the amount of \$750,000, consisting of a capital project entitled "Replacement Heavy Equipment"; amend the 2025 Capital Budget to add the project; and authorize financing.

The total Increase and Improvements of Facilities in the District is comprised of the "RPWD - FEV SPDES Permit Upgrades" project (\$1,000,000), "RPWD - General Collection System and Treatment Plant Improvements" project (\$2,500,000), "RPWD - CSOAP Tunnel System Improvements" project (\$1,200,000), and the "Replacement Heavy Equipment" (\$750,000), for a total estimated cost of the Increase and Improvement in the amount of \$5,450,000. The "RPWD - General Collection System and Treatment Plant Improvements," "RPWD - CSOAP Tunnel System Improvements," and "RPWD - FEV SPDES Permit Upgrades" projects are under consideration by Your Honorable Body as companion referrals.

The Increase and Improvement of Facilities is necessary to provide funding for the "Replacement Heavy Equipment" project. This project provides for the purchase of various pieces of heavy equipment essential for the operation and maintenance work on the District's infrastructure. The project is necessary to maintain the reliability and continuity of services to District customers.

Portions of the project may become eligible for financing through the New York State Water Pollution Control Revolving Loan Fund. It is therefore requested that the County have the ability to submit applications and take any necessary steps to utilize this financing vehicle if it becomes available.

The specific Administrative Board action required is to submit a request to the Monroe County Legislature to approve an Increase and Improvement of Facilities in the Rochester Pure Waters District consisting of a capital project entitled "Replacement Heavy Equipment," at an estimated cost of \$1,000,000' amend the 2025 Capital Budget to add the project; and authorize financing.
