The total Increase and Improvements of Facilities in the District is comprised of the "IBSCPWD - General Pump Station and Interceptor Improvements" project (\$450,000) and the "IBSCPWD - South Central Trunk Sewer Improvements" project (\$1,200,000) for a total estimated cost of the Increase and Improvement in the amount of \$1,650,000. Portions of the project may become eligible for financing through the New York State Water Pollution Control Revolving Loan Fund. It is therefore requested that the County have the ability to submit applications and take any necessary steps to utilize this financing vehicle if it becomes available.

**The specific Administrative Board action required** is to submit a request to the Monroe County Legislature to approve an Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District consisting of a capital project entitled "IBSCPWD - General Pump Station and Interceptor Improvements" at an estimated cost of \$450,000; amend the 2025 Capital Budget to add the project; and authorize an interfund transfer.
