The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$1,000,000 to pay the cost of the aforesaid class of objects or purposes (\$500,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid class of objects or purposes is ten (10) years, pursuant to subdivision 14 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$1,500,000, and the plan for the financing thereof is by the issuance of \$1,500,000 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local

Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or

- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 345 of 2017, being a bond resolution dated December 12, 2017, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose to \$1,500,000, and to provide \$1,500,000 bonds therefor, an increase of \$1,000,000 over the \$500,000 bonds authorized under Resolution No. 345 of 2017.

Subject: Amend the 2020 Capital Budget and Bond Resolution 345 of 2017 to Provide an Increase in Funding and Authorize a Contract with Passero Associates, Engineering, Architecture & Surveying, D.P.C. for Design Services for the General Aviation Apron Rehabilitation Project at the Greater Rochester International Airport

Honorable Legislators:

I recommend that Your Honorable Body amend the 2020 Capital Budget and Bond Resolution 345 of 2017 to provide an increase in funding and authorize a contract with Passero Associates, Engineering, Architecture & Surveying, D.P.C., in the amount of \$125,000, for design services, for the General Aviation Apron Rehabilitation project at the Greater Rochester International Airport.

As a commitment to airside improvements, the Monroe County Airport Authority has pledged resources for a General Aviation Infrastructure Improvement Program. The program will consist of a series of improvement projects to enhance the usability of a primary general aviation apron identified as the 300 Ramp. The 300 Ramp has been the traditional location for aircraft tie-downs, bulk hangar aircraft storage, and flight school operations. The 300 Ramp is located on the south side of the airfield and can be also accessed from Scottsville Road. The 300 Ramp is one of the oldest apron areas on the airport and the pavement is found to be in fair condition. A rehabilitative treatment of milling and resurfacing would restore the pavement to good condition. Areas of the ramp are distressed and if left unrepaired, the pavement will start separating, creating a Foreign Object Debris (FOD) hazard. The ramp area is approximately 201,700 square feet.

The Tie-down area is approximately 57,000 square feet of asphalt pavement. The pavement is in very poor condition and full-depth reconstruction is recommended. New tie-down anchors would be included with the asphalt pavement reconstruction.

The Department of Aviation recommends authorization of a contract with Passero Associates, Engineering, Architecture & Surveying, D.P.C., a designated airport consultant per Resolution 455 of 2017, to provide design services for the General Aviation Apron Rehabilitation Project in the amount of \$125,000.

The funding for this project will be provided by the Monroe County Airport Authority from Airport generated revenues.

The specific legislative actions required are:

1. Amend the 2020 Capital Budget to increase funding for the General Aviation Apron Rehabilitation Project at the Greater Rochester International Airport, in the amount of \$1,000,000 from \$500,000 to \$1,500,000, for a total project authorization of \$1,500,000.

2. Amend Bond Resolution 345 of 2017 to increase financing for the General Aviation Apron Rehabilitation Project at the Greater Rochester International Airport, capital fund 1866, in the amount of \$1,000,000, from \$500,000 to \$1,500,000, for a total project authorization of \$1,500,000.
3. Authorize the County Executive, or his designee, to execute a contract with Passero Associates, Engineering, Architecture & Surveying, D.P.C., 242 West Main Street, Suite 100, Rochester, New York 14614, for design services, for the General Aviation Apron Rehabilitation Project at the Greater Rochester International Airport, in the amount of \$125,000, along with any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c) and is not subject to review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in capital fund 1866 once the additional financing authorization requested herein is approved and in any capital fund(s) created for the same intended purpose. The funding for this project will ultimately be provided by the Monroe County Airport Authority from Airport generated revenues. No net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Passero Associates, Engineering, Architecture & Surveying, D.P.C., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

John F. Caruso, President
David Passero, Vice President and Chief Financial Officer
Daniel J. Savage, Vice President and Director of Engineering
Andrew M. Holesko, Vice President, National Director of Aviation Services
Jess D. Sudol, Vice President, Civil Engineering Department Manager

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
