BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of the amount hereby authorized to pay the cost of the aforesaid specific object or purpose. The period of probable usefulness of the aforesaid class of objects or purposes is forty (40) years, pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$250,000, and the plan for the financing thereof is by the issuance of \$250,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. To the extent not paid from rates, rents or charges, there shall be annually apportioned and assessed upon the several lots and parcels of land within said District, in the manner provided by law, an amount sufficient to pay the principal of and interest on such obligations as the same become due, but, if not paid from such source, all the taxable real property of said County shall be subject to the levy of ad valorem taxes, sufficient to pay the principal of and interest on such obligations as the same become due.

Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Subject: Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District - Acceptance of a Grant from the New York State Environmental Facilities Corporation and Provide Local Share Participation to the Town of Webster; Amend the 2020-2025 Capital Improvement Program and the 2020 Capital Budget to Add a Project Entitled "Lake Ontario Resiliency & Economic Development Initiative (REDI) - Sandbar WWPS Project;" Authorize Financing for the Project; Authorize an Intermunicipal Agreement with the Town of Webster Related to the Lake Ontario Resiliency & Economic Development Initiative (REDI) - Sandbar WWPS Project

Honorable Legislators:

I recommend that Your Honorable Body establish an Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District (District), to accept a grant from the New York State Environmental Facilities Corporation and provide local share participation to the Town of Webster, in the total amount of \$250,000, amend the 2020-2025 Capital Improvement Program and the 2020 Capital Budget to add a project entitled "Lake Ontario Resiliency & Economic Development Initiative (REDI) - Sandbar WWPS Project" in the amount of \$250,000; authorize financing for the project in the amount of \$250,000; authorize a intermunicipal agreement with the Town of Webster, related to the Lake Ontario Resiliency & Economic Development Initiative (REDI) - Sandbar WWPS Project.

This project seeks to address flooding that occurs during high water events by protecting the building and its equipment at the Monroe County Department of Environmental Services Sandbar Wastewater Pump Station, which is located in Sandbar Park, a Town of Webster municipal park. The pump station is submersible but the adjacent control building, including a standby generator, is constructed at grade and is vulnerable to water intrusion from Irondequoit Bay. Work will include design and construction with the work to be administered by the Town of Webster.

Major funding for the grant to Monroe County will be provided by the New York State Environmental Facilities Corporation in the amount of 95%. Additionally, Monroe County will be providing the 5% local share to the Town of Webster, for a project this agency is administering on the County's behalf. The total cost of this project is estimated at \$250,000. The actual debt service obligation for the project, as projected in future years, could potentially result in an increase of \$0.14 to the future annual charges of the average District ratepayer. However, the actual impact is typically reduced through retirement of previous debt and other offsets to the District's capital charge levy. Based on an average water consumption of 60,000 gallons, the total annual charge for both operation & maintenance and capital to the typical District ratepayer in 2020 is \$115.54.

This project is scheduled to be considered by the Monroe County Planning Board on March 26, 2020.

The specific legislative actions required are:

1. Hold a Public Hearing for the proposed maximum amount to be expended for an "Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District."

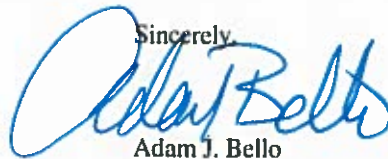

2. Following the Public Hearing, adopt a resolution approving the "Increase and Improvement of Facilities in the Irondequoit Bay South Central Pure Waters District" at the maximum amount to be expended.
3. Authorize the County Executive, or his designee, to accept a grant in the total amount of \$250,000 from, and to execute a contract, and any amendments thereto, with the New York State Environmental Facilities Corporation, for the Lake Ontario Resiliency & Economic Development Initiative (REDI) – Sandbar WWPS Project.
4. Amend the 2020-2025 Capital Improvement Program to add a project entitled "Lake Ontario Resiliency & Economic Development Initiative (REDI) – Sandbar WWPS Project," in the amount of \$250,000.
5. Amend the 2020 Capital Budget to add a project entitled "Lake Ontario Resiliency & Economic Development Initiative (REDI) – Sandbar WWPS Project," in the amount of \$250,000.
6. Authorize financing for the project entitled "Lake Ontario Resiliency & Economic Development Initiative (REDI) – Sandbar WWPS Project," in the amount of \$250,000.
7. Authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Webster, for the Lake Ontario Resiliency & Economic Development Initiative (REDI) – Sandbar WWPS Project.
8. Authorize the County Executive to appropriate any subsequent years of the grant in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.
9. Should funding of this program be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program and where applicable, to terminate or abolish some or all positions funded under such program. Any termination or abolishment of positions shall be in accordance with the New York State Civil Service Law and when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

Funding for this project, consistent with authorized uses, will be included in the capital fund to be created and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
