RESOLUTION NO. \_\_\_\_ OF 2021

**CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR GLENDALE ROAD SIDEWALK PROJECT FUNDED THROUGH MONROE COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM**

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the Glendale Road Sidewalk Project funded through the Monroe County Community Development Block Grant Program is an Unlisted Action.

Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated February 2, 2021 and has considered the potential environmental impacts of the Glendale Road Sidewalk Project funded through Monroe County Community Development Block Grant Program pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

### Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

#### Negative Declaration - Determination of No Significant Effect on the Environment:

The Village of Brockport will install approximately 3,250 linear feet of ADA compliant 5' wide concrete sidewalk and 340 linear feet of storm sewer. The new sidewalks will benefit residents by improving the overall safety for those who walk frequently in the area. The installation will be done in existing right of ways on a total of five separate streets (Lyman, Frazier, Barry St, Locust, and Glendale Rd). All five of these streets will be interconnected onto Glendale Rd and Locust St. On Glendale Rd and Locust St new sidewalks will be installed on the east side of both streets. To complete this project some trees will need to be removed and 25 new trees will be planted in the right of way between the sidewalk and the road. The NYS DEC locator shows a waste site on State Street which is outside of the project area. The project will not impact existing natural resources, wetlands, historical or cultural resources and will not alter the existing community character or increase traffic. The proposed action is consistent with existing land use. Accordingly, the proposed action will have no significant effect upon the environment and is determined to be a negative determination.

<input type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.	
<input checked="" type="checkbox"/>	Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

**Subject:** Classification of Action and Determination of Significance Pursuant to State Environmental Quality Review Act for the Glendale Road Sidewalk Project funded through the Monroe County Community Development Block Grant Program

Honorable Legislators:

I recommend that Your Honorable Body determine whether the Glendale Road Sidewalk Project funded through the Monroe County Community Development Block Grant ("CDBG") Program may have a significant adverse impact on the environment pursuant to State Environmental Quality Review Act ("SEQRA").

This project consists of the Village of Brockport using CDBG funds to install approximately 3,250 linear feet of ADA Compliant 5-foot wide sidewalks and 340 linear feet of storm sewer on portions of Lyman Street, Locust Street, Barry Street, Glendale Road, and Frazier Street in the Village of Brockport. The installation will occur in a suburban-residential neighborhood that was previously disturbed at the time of construction.

This project will not impact existing wetlands, or historical, cultural, or natural resources nor will it alter the existing community character. The proposed action is consistent with existing land use and will increase the safety of nearby residents.

Glendale Road Sidewalk Project, funded through the Monroe County Community Development Block Grant Program, has been preliminarily classified as an Unlisted Action pursuant to 6 NYCRR § 617(b). The State Environmental Quality Review Act regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

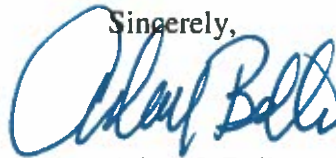

**The specific legislative actions required are:**

1. Determine that Glendale Road Sidewalk Project – funded through the Monroe County Community Development Block Grant (CDBG) Program is an Unlisted Action.
2. Make a determination of significance of the Glendale Road Sidewalk Project – funded through the Monroe County Community Development Block Grant (CDBG) Program pursuant to 6 NYCRR § 617.7.
3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of SEQRA, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under SEQRA, and any other actions to implement the intent of this resolution.

No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
