Subject: Authorize a Contract with CHA Consulting, Inc. for Evaluation, Scope, Schedule, and Cost Estimation Services for the Frontier Field Major League Baseball Requirements Project

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with CHA Consulting, Inc. ("CHA") in the amount of \$72,900 for evaluation, scope, schedule, and cost estimation services for the Frontier Field Major League Baseball Requirements project.

The Rochester Red Wings received notification from Major League Baseball ("MLB") that Frontier Field is required to be in full compliance with all new MLB standards by April 1, 2025 or lose their approval to conduct baseball at a professional level. Improvements and modifications of facility elements could include stadium security, media facilities, home and visiting club facilities, additional team facilities, playing field features, and/or maintenance items. Even though full compliance of all facility standards is not required until April 1, 2025, some phased improvements are required by April of 2023 and 2024.

CHA will provide evaluation, scope, schedule, and cost estimation services in an amount of \$72,900. As discussed at the February 9, 2021 meeting of the Monroe County Legislature, I will provide a copy of CHA's evaluation, scope, schedule, and cost estimation report (the "Report") to this Honorable Body upon its completion. Once Your Honorable Body has an opportunity to review the Report, I will submit a separate referral to authorize CHA to proceed with design, bid, and construction phase services.

A Request for Proposals was issued for this contract and CHA was selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with CHA Consulting, Inc., 16 Main Street West, Suite 830, Rochester, New York 14614, in the amount of \$72,900 for evaluation, scope, schedule, and cost estimation services for the Frontier Field Major League Baseball Requirements project, and any amendments necessary to complete the project within the total capital fund(s) appropriation.
