**Subject:** Amend Resolution 294 of 2020, as Amended by Resolution 418 of 2021, to Amend and Increase the Contracts for the Provision of Forensic Pathology Services to the Monroe County Office of the Medical Examiner

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 294 of 2020, as amended by Resolution 418 of 2021, to amend and increase the contracts with the individuals listed in Attachment A and authorize contracts with other qualified forensic pathology services providers as identified by the Monroe County Medical Examiner's Office, from a total aggregate amount not to exceed \$76,935 to a total aggregate amount not to exceed \$116,935 for the provision of forensic pathology services to the Monroe County Office of the Medical Examiner ("MCOME"), on an as needed basis, for the period of January 1, 2022 through December 31, 2022, with the option to renew for one (1) additional one-year period, in a total aggregate amount not to exceed \$76,935.

Currently, there are four (4) full-time Forensic Pathologists at the MCOME to address the nearly 4,000 cases received annually. While our four (4) full-time positions are filled, these contracts are needed to ensure continued operations. Under the terms of these contracts, the individuals in Attachment A will provide forensic pathology services on an as-needed basis, as determined by the Monroe County Medical Examiner and will perform those necessary examinations in a manner consistent with currently acceptable forensic pathology practices.

**The specific legislative action required** is to amend Resolution 294 of 2020, as amended by Resolution 418 of 2021, to amend and increase the contracts with the individuals listed in Attachment A and authorize contracts with other qualified forensic pathology services providers as identified by the Monroe County Medical Examiner's Office for the provision of forensic pathology services at the Monroe County Office of the Medical Examiner, on an as-needed basis, paid at the agreed rate, from a total aggregate amount not to exceed \$76,935 to a total aggregate amount not to exceed \$116,935 for the period of January 1, 2022 through December 31, 2022, with the option to renew for one (1) additional one-year period, in a total aggregate amount not to exceed \$76,935.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for these contracts is included in the 2022 operating budget of the Department of Public Health, general funds 9001 and 9300, funds center 5804010000, Forensic Pathology & Administration. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that none of the individuals listed in Attachment A owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive
