BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the object or purpose of financing the cost of the replacement of Edgemere Drive Bridge over Long Pond Outlet, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued \$3,540,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$1,700,000 to pay the cost of the aforesaid specific object or purpose (\$1,840,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purposes is twenty (20) years, pursuant to subdivision 10 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$3,540,000, and the plan for the financing thereof is by the issuance of \$3,540,000 bonds of said County herein authorized, provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue

variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or

- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 465 of 2021, being a bond resolution dated December 14, 2021, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose to \$3,540,000, and to provide \$3,540,000 bonds therefor, an increase of \$1,700,000 over the \$1,840,000 bonds authorized under Resolution No. 465 of 2021.

**Subject:** Amend the 2022 Capital Budget and Bond Resolution 465 of 2021 to Provide an Increase in Funding and Authorize a Contract with Cold Spring Construction Company, for Construction Services for the Edgemere Drive Bridge Project in the Town of Greece

Honorable Legislators:

I recommend that Your Honorable Body amend the 2022 Capital Budget and Bond Resolution 465 of 2021 to provide an increase in funding, in the amount of \$1,700,000 and authorize a contract with Cold Spring Construction Company, in the amount of \$2,841,535.63 for construction services for the Edgemere Drive Bridge Project in the Town of Greece.

This project involves replacement of the bridge on Edgemere Drive between Lowden Point Road and Long Pong Road (over the outlet channel which flows from Long Pond into Lake Ontario). The work involves demolishing the existing bridge and replacing it with a new pre-cast concrete arch bridge. The profile of the bridge will be raised to better accommodate boat traffic below and new approach pavement and bridge railing will be installed. The project will be constructed in two phases and a single lane of alternating one-way traffic will be maintained throughout the duration of the work. There are currently insufficient funds available for the project due to increased costs since it was initially programmed in the Capital Improvement Program. The increase is due to: raising the bridge profile, additional work elements associated with staged construction (increased project duration, temporary traffic signals, temporary concrete barrier, temporary raining walls, etc.), and survey/relocation of threatened mussels at the project site as required by New York State Department of Environmental Conservation regulations. The current schedule is to start work in spring 2022 with an anticipated completion by fall 2022.

The following two (2) bids were received on November 12, 2021:

Cold Spring Construction Company	\$2,841,535.63
Crane Hogan Structural Systems Inc.	\$3,925,149.40

The bids have been reviewed and Cold Spring Construction Company has been determined to be the lowest responsible bidder pursuant to General Municipal Law §103.

**The specific legislative actions required are:**

1. Amend the 2022 Capital Budget to increase funding for the Edgemere Drive Bridge Project in the Town of Greece in the amount of \$1,700,000 from \$1,840,000 to \$3,540,000 for a total project authorization of \$3,540,000.

2. Amend Bond Resolution 465 of 2021 to increase financing for the Edgemere Drive Bridge Project in the Town of Greece, capital fund 1958, in the amount of \$1,700,000 from \$1,840,000 to \$3,540,000 for a total project authorization of \$3,540,000.
3. Authorize the County Executive, or his designee, to execute a contract with Cold Spring Construction Company, 43 Jackson Street, Akron New York 14001, in the amount of \$2,841,535.63 for construction services for the Edgemere Drive Bridge Project in the Town of Greece, and any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 1958 and any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

The records in the office of the Monroe County Treasury have indicated that neither Cold Spring Construction Company, nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Stephen Forrestel, CEO  
Ryan Forrestel, President  
Jeffrey R. Borden, Vice President

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
