Subject: Authorize an Intermunicipal Agreement with the Town of Greece for Sidewalk Installation in Conjunction with the Highway Preventive Maintenance #9 Project in the Town of Greece

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the Town of Greece for reimbursement to Monroe County of appropriate design and construction costs relating to the installation of sidewalks in conjunction with the Highway Preventive Maintenance #9 project in the Town of Greece in the estimated amount of \$140,000, with the final amount to be determined upon project completion.

This project involves the improvement of Long Pond Road between Ridgeway Avenue and Janes Road. The work includes milling and resurfacing of the existing roadway, drainage improvements, curb repairs, sidewalk ramp upgrades, minor traffic signal work, and application of new epoxy pavement markings. During the design for the Highway Preventive Maintenance #9 project, the Town of Greece expressed an interest in the installation of sidewalk on the west side of Long Pond Road between English Road and Brandon Circle, and reimbursing the County for the appropriate costs relating to this work. Subsequently, the County included this sidewalk work in the final design for the Highway Preventive Maintenance #9 project and this contract will allow the Town of Greece to reimburse the County for its share of all costs relating to the sidewalk installation. The Town's share is estimated at \$140,000 and the project's total anticipated construction cost is \$5,550,000.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereof, with the Town of Greece for reimbursement to Monroe County of appropriate design and construction costs relating to the installation of sidewalks in conjunction with the Highway Preventive Maintenance #9 project in the Town of Greece in the estimated amount of \$140,000, with the final amount to be determined upon project completion.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(2) ("replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this agreement, consistent with authorized uses, is included in capital fund 1978 and any capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,
