Subject: Authorize a Contract with CHE Senior Psychological Services, P.C. to Provide Psychological Services for Residents of Monroe Community Hospital

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with CHE Senior Psychological Services, P.C., with no cost to Monroe County, to provide psychological services for residents of Monroe Community Hospital ("MCH") for the period of April 1, 2022 through March 31, 2025.

To ensure appropriate psychological care of its residents, it is necessary that MCH contract with a vendor that is able to provide physicians, as necessary, to perform psychotherapy, psychotropic medication monitoring and recommendations, comprehensive cognitive assessments, and behavioral health services for MCH residents. The provider must deliver services in accordance with regulatory requirements, resident needs, and professional standards of practice. The vendor participates in Medicare and Medicaid programs, accepts all insurances, and bills insurance companies directly for reimbursement, and although the total consideration of the contract will exceed \$20,000, there is no fee required of MCH.

A Request for Qualifications was issued for this contract with CHE Senior Psychological Services, P.C. selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract and any amendments thereto, with CHE Senior Psychological Services, P.C., 3512 Quentin Road, Brooklyn, New York 11234, to provide psychological services for residents of Monroe Community Hospital, with no cost to Monroe County, for the period of April 1, 2022 through March 31, 2025.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

There is no funding required for this contract in the 2022 operating budget of Monroe Community Hospital. It may be requested in future years' budgets, hospital fund 9012, funds center 6203160000, Clinic. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither CHE Senior Psychological Services, P.C. nor any of its principal officers owe any delinquent Monroe County property taxes. The principal officers are:

Ashley Chudy, MBA, LMHC, CASAC, Regional Director of Operations
Alberto Cebollero, PhD CV
Paul Nation, PhD CV

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
